Other Writing:

I have been a frequent contributor of opinion pieces to *The Newcastle Herald*, *The Sydney Morning Herald* and occasionally to *The Australian* newspapers. I continue to write feature articles for *Australian Medicine*, the newspaper of the Australian Medical Association, and for *Australian Doctor*, the principal Australian medical newspaper. I have written several hundred such articles. I was a general book reviewer for *The Newcastle Herald* for about 15 years and contributed occasional poems to that paper as well. I am currently writing poetry with a view to publication in the next two years.
