

possible, inviting them to apply. By July about 80 000 other people will be getting the mobility allowance, and those who are not in the first age group will be getting a leaflet. The use of the scheme is, however, voluntary and disabled people can spend their allowance in any other way they please.

### New professor of haematology

Dr G D Pegrum, consultant and reader in haematology at Charing Cross Hospital

Medical School, has been appointed to the chair of haematology at Westminster Medical School. Dr Pegrum graduated MB from the University of London in 1955, proceeding MD in 1965; he was elected FRCP in 1975 and recently FRCP. Apart from a spell

as pathologist at the RAF Hospital, Nocton Hall, Lincoln, in 1957, his junior appointments were all at Charing Cross Hospital. Dr Pegrum's clinical interests are in leukaemia, myeloproliferative disorders, and transplantation, and he is joint author (with R A Parkins) of *The Basis of Clinical Diagnosis* (1974).

At the annual general meeting of the Faculty of Community Medicine of the Royal Colleges of Physicians of

### Instructions to authors

The following are the minimum requirements for manuscripts submitted for publication.

(1) **Typing** should be on one side of the paper, with double or triple spacing between the lines and 5-cm margins at the top and left-hand side of the sheet.

(2) **Two copies** (or preferably three) should be submitted.

(3) **Spelling** should conform to that of *Chambers Twentieth Century Dictionary*.

(4) **References** must be set out in the style used in the *BMJ*, and their accuracy verified before the manuscript is submitted.

(5) **SI units** are used for scientific measurements. In the text they should be followed by traditional units in parentheses. In tables and illustrations values are given only in SI units, but a conversion factor must be supplied. For general guidance on the International System of Units, and some useful conversion factors, see *The SI for the Health Professions* (WHO, 1977).

(6) **Authors** should give their names and initials, their current appointments, and not more than two degrees or diplomas. Each author must sign the covering letter as evidence of consent to publication.

(7) **Acknowledgments** will not be sent unless a stamped addressed envelope or an international reply coupon is enclosed.

(8) **Detailed instructions** are given in the *BMJ* dated 7 January (p 6).

the United Kingdom, the following office-bearers were elected: Professor Sir John Brotherton, president; Dr T McL Galloway, vice-president; Professor J Knowelden, academic registrar; Dr M F H Bush, registrar; Dr G D Duncan, treasurer.

### CONSULTANT APPOINTMENTS

**GWENT HEALTH AUTHORITY**—Dr C N A Matthews (dermatology); Mr A D Holt-Wilson, Mr M Y Khan (ophthalmology); Mr M J Butler (general surgery); Mr M J K M Brown (ent surgery).

**HAMPSHIRE AHA**—Dr M J Baldson (physician in genitourinary medicine).

**NATIONAL HOSPITALS FOR NERVOUS DISEASES**—Dr G D Schott (neurologist); Mr H A Crockard (neurosurgeon).

**NORTH-EAST THAMES RHA**—Dr R W Dzung (chemical pathology); Dr A M Sawney (psychotherapist); Dr Elizabeth Webb (child psychiatry).

**SALFORD AREA HEALTH AUTHORITY (TEACHING)**—Dr R J Postlethwaite (paediatric nephrologist).

### Correction

#### Medical Birthday Honours

We regret that in the Medical Birthday Honours (10 June 1978, p 1561) under OBE (Civil Division) we gave Dr Thomson's initials wrongly—they should have been Dr T J Thomson.
