Instructions to authors

The following are the minimum requirements for manuscripts submitted for publication.

A stamped addressed envelope or an international reply coupon *must* accompany the manuscript if acknowledgment of its receipt is desired.

(1) **Typing** should be on one side of the paper, with double or triple spacing between the lines and 5-cm margins at the top and left-hand side of the sheet.

(2) **Two copies** (or preferably three) should be submitted.

(3) **Spelling** should conform to that of *Chambers Twentieth Century Dictionary*.

(4) **References** must be set out in the style used in the *BMJ*, and their accuracy verified before the manuscript is submitted.

(5) **SI units** are used for scientific measurements. In the text they should be followed by traditional units in parentheses. In tables and illustrations values are given only in SI units, but a conversion factor must be supplied. For general guidance on the International System of Units, and some useful conversion factors, see *The SI for the Health Professions* (WHO, 1977).

(6) **Authors** should give their names and initials, their current appointments, and not more than two degrees or diplomas. Each author must sign the covering letter as evidence of consent to publication.

(7) **Letters to the Editor** submitted for publication must be signed personally by all the authors.

(8) **Acknowledgments** will *not* be sent unless a stamped addressed envelope or an international reply coupon is enclosed.

(9) **Detailed instructions** are given in the *BMJ* dated 6 January 1979 (p 6).

UNIVERSITIES AND COLLEGES

LEICESTER

Appointment—Mr A W Hall (senior lecturer in surgery).

MANCHESTER

Appointments—Dr R Green (reader in physiology); Dr C Russell (reader in oral microbiology); Dr D A Price (senior lecturer in child health); Dr J V Soames (senior lecturer in oral pathology).
