

OBITUARY.

JOHN PROPERT, Esq.

WE regret to announce the death of Mr. John Propert, Founder and Treasurer of the Medical Benevolent College. It occurred on Monday last, from apoplexy. Mr. Propert had attained the age of 74. He had practically retired from active practice, in which he was succeeded by his son; but had seen a patient on the day prior to his death. Once or twice of late years passing cerebral symptoms had occurred. He was seized suddenly on Saturday with intense pain in the head, due evidently to rupture of a cerebral vessel, and became rapidly unconscious. Dr. Sibson, Dr. Black, Mr. Peter Hood, and other medical friends, were in attendance; but he never rallied. We cannot this week do justice to the services which Mr. Propert has rendered to his profession by his connection with its charities, or to the lessons taught by his industrious, useful, and honourable career as a general practitioner, the architect of his own fortunes.
