

than competently executed and quite out of the usual run of amateur work. One piece of sculpture by a patient has recently been bought by Lincoln Cathedral. The management committee and the medical superintendent, Dr. I. Atkin, are to be congratulated for not allowing lack of capital to deter them from adding to the assets of the hospital.

Travelling Awards.—The Medical Research Council announces the following travelling awards for the academic year 1953-4:

Rockefeller Travelling Fellowships in Medicine (tenable at centres in the U.S.A.)—Dr. J. R. Anderson, Lecturer in Pathology, University of Glasgow; Dr. D. H. L. Evans, Lecturer in Anatomy, University College, London; Dr. O. F. Hutter, Assistant Lecturer in Physiology, University College, London; Dr. R. I. McCallum, First Assistant, Nuffield Department of Industrial Health, King's College, Newcastle-upon-Tyne; Dr. J. Paul, Assistant Lecturer in Biochemistry, University of Glasgow; and Dr. G. Watkinson, Lecturer in Medicine, University of Leeds.

Eli Lilly Travelling Fellowships in Medicine (tenable at centres in the U.S.A.)—Dr. J. G. Millichap, Chief Assistant, Children's Department, St. Bartholomew's Hospital, London; and Dr. G. H. Sloane Stanley, Assistant Lecturer in Biochemistry, Institute of Psychiatry, Maudsley Hospital, London.

Alexander Pigott Werner Memorial Travelling Fellowships in Otolaryngology.—Dr. D. R. Haynes, Department of Otolaryngology, Johannesburg General Hospital (second year award tenable at King's College Hospital, London).

French Exchange Scholarships in Medical Science (in association with the Centre National de la Recherche Scientifique)—Dr. D. Rowley, Bacterial Chemistry Department, Wright-Fleming Institute of Microbiology, St. Mary's Hospital Medical School, London.

Applied Psychology Unit.—Dr. N. H. Mackworth has been appointed director of the Medical Research Council's Applied Psychology Research Unit at Cambridge as from October 1, 1952. He was formerly assistant director. Most of the unit's work will in future be done outside the University Department of Experimental Psychology (which is under Professor O. L. Zangwill) in accommodation acquired by the M.R.C. at 15, Chaucer Road, Cambridge.

British Standards Institution moves next week to its new quarters at 2, Park Lane, London, W.1 (Telephone No. MAYfair 9000). The move is expected to be complete by August 17.

Dr. Janet Vaughan, principal of Somerville College, Oxford, is at present the only medical member of the committee which the Chancellor of the Exchequer, Mr. R. A. Butler, has appointed to review the economic and financial problems involved in providing for old age.

COMING EVENTS

The Seventh Congress of the International Scientific Film Association will be held in London from September 18 to 27. During this time there will be meetings of the General Assembly of the Association and of the permanent committees dealing with medical, research, technical, and industrial films, and a festival of scientific films. These will take place in the Royal Festival Hall and National Film Theatre, London, S.E.1. Further particulars may be obtained from Dr. R. C. Mac Keith, Guy's Hospital, London, S.E.1.

Conference on Medical Photography.—The fourth annual conference of the Medical Group of the Institute of British Photographers will be held at Devonshire Hall, University of Leeds, from September 25 to 27. Full details and tickets can be had from Miss C. E. Campbell, Department of Medical Photography, St. James's Hospital, Leeds, 9.

The 22nd General Hospital Reunion Dinner will be held at the Stork Hotel, Liverpool, on September 26. Further particulars may be obtained from C. Cooke, 17, Greenhill Avenue, Liverpool, 18.
