

COMING EVENTS

Ciba Foundation Lecture.—Professor A. von Murralt, professor of physiology at Berne, will deliver the fifth Ciba Foundation Lecture at the Royal Society of Medicine at 5 p.m. on October 29. His subject will be "Neurophysiology: Old and New Facts and Theories." Dr. E. D. Adrian, O.M., P.R.S., will be in the chair. Admission is free, without ticket.

Social Psychiatry.—The third Conference on Social Psychiatry (under the auspices of the Institute of Social Psychiatry) will be held at B.M.A. House, Tavistock Square, London, W.C.1, on October 30 and 31. Further details may be obtained from the Institute, 9, Fellows Road, Hampstead, London, N.W.3.

Immunization in Young Children.—A conference on this subject will be held at the Highgate Wing of Whittington Hospital, Dartmouth Park Hill, London, N.19, on October 31 from 2.30 to 6 p.m. Dr. J. A. Scott will be in the chair, and papers will be read by Dr. W. C. Cockburn, Dr. S. King, and Dr. T. M. Pollock. Admission by ticket, obtainable from the Paediatric Department of Whittington Hospital.

British Medical Students' Association.—The annual general meeting will be held in Bristol from November 5 to 7. The annual ball will be held on November 6 at the Victoria Rooms, Bristol. Medical practitioners are cordially invited. Tickets, price one guinea (double), are obtainable from D. I. D. Hodge, c/o M.C.R., Bristol Royal Infirmary.

Empire Rheumatism Council Week-end Course.—The autumn week-end course of the Council will be held at the Arthur Stanley Institute, Middlesex Hospital, Peto Place, Marylebone Road, London, N.W.1, on November 13 and 14. The course will consist of lecture-demonstrations on various aspects of rheumatic diseases. The fee for the course is two guineas, and applications should be sent to the General Secretary, Empire Rheumatism Council, Tavistock House (North), Tavistock Square, W.C.1.
