

D.M.), Professor T. POMFRET KILNER (D.M.), and Professor H. A. KREBS, F.R.S. (M.A.).

Professor D. R. Dow has been appointed head of Queen's College, Dundee, by the Court of the University of St. Andrews.

COMING EVENTS

War Memorial.—The ARCHBISHOP OF CANTERBURY will dedicate the War Memorial at B.M.A. House on November 2 at 3 p.m. For details see our October 9 issue (p. 882). Academic robes for those in the courtyard may be hired from Messrs. Ede and Ravenscroft, 93 and 94, Chancery Lane, London, W.C.2. There is also some space available at windows overlooking the courtyard, where academic robes need not be worn. Tickets for both sites may be obtained from the Secretary of the Association.

Association of Industrial Medical Officers.—The 73rd annual meeting at the London School of Hygiene and Tropical Medicine on October 29 and at Guy's Hospital on October 30. Programme includes symposia on pulmonary tuberculosis and "the workman after his operation," and the annual dinner at the Hotel Russell on October 29. Details from Dr. J. A. A. MEKELBURG, Peek Frean & Co., Ltd., Keetons Road, Bermondsey, London, S.E.16.

Tenth International Congress of Urology.—In Athens, March 10-18, 1955. There are a limited number of vacancies for membership of the British Section. Those wishing to have their names considered should communicate with Mr. A. CLIFFORD MORSON, 66, Northway, Hampstead Garden Suburb, London, N.W.11, before October 31.

"The Healthy Child."—Conference in paediatric department, Whittington Hospital, London, on October 30, 2.30-6 p.m., under chairmanship of Professor R. S. ILLINGWORTH. Open to general practitioners, doctors in the Public Health Service, and paediatricians.

Institute of Dermatology, London.—Exhibition on the pathology of molluscum sebaceum, November 1-22.

Frederic Hewitt Lecture.—Dr. H. J. V. MORTON will lecture on "Education and Recreation in Routine Work" at the Royal College of Surgeons, Lincoln's Inn Fields, on November 4 at 4.30 p.m.

Stephen Paget Memorial Lecture.—Sir GEOFFREY JEFFERSON, F.R.S., will deliver the 23rd annual lecture before the Research Defence Society on November 4 at 5.30 p.m. in the Physiology Lecture Theatre, University College, London. His subject will be "Man as an Experimental Animal." Meeting open to non-members of the society.

College of General Practitioners.—The president, Dr. W. N. PICKLES, will deliver the first James Mackenzie Lecture on November 20 at 11.30 a.m. in the Great Hall, B.M.A. House, Tavistock Square, W.C.1. His subject is "Epidemiology in Country Practice." Visitors welcome. The second annual general meeting will follow at 2 p.m.
