

## Cleft Palate and Speech

**Cleft Palate and Speech.** 6th edition. By Muriel E. Morley, D.Sc., F.C.S.T., F.A.C.S.T. (Pp. 285+xx; illustrated. 30s.) Edinburgh and London: E. & S. Livingstone. 1966.

Four years have passed since the appearance of the preceding edition of this book, whose excellence has established it as a classic in this very specialized field. Once again Miss Morley's mastery of the subject is revealed by the detailed information and the comprehensive therapeutic instruction the new edition contains. It will be welcomed by speech therapists, junior and senior, all of whom will find something to learn from its pages.

The genuine understanding of the emotional as well as the physical problems of all ages is repeatedly demonstrated, and influences the recommendations regarding both timing and method of treatment.

Perhaps the analysis of speech development in the normal and the cleft child is the highlight of scientific accomplishment and clinical observation, giving the reader—surgeon, orthodontist, and speech therapist alike—the essential basic knowledge without which none of them can make maximum contributions towards giving a cleft child normal speech. This is the main purpose and value of Miss Morley's book, and for this reason perhaps future editions may see further modifications of the earlier chapters dealing with heredity,

classifications, and surgery. A case could be made for shortening all three without depriving the non-surgical reader of basic knowledge and interest. For example, the substitution of the story of the development of cleft palate surgery, which necessarily contains much which is nowadays never used, by a concise account of modern surgical and orthodontic principles and their application would be more useful and save space.

This suggestion, however, does not detract in any way from the value of the book to all who struggle to achieve normal speech for cleft-palate sufferers. They will find it invaluable.

DAVID MATTHEWS.

## Books Received

*Review is not precluded by notice here of books recently received.*

**Some Observations on the Natural History of Neurotic Illness.** By H. Steven Greer, M.B., B.S., D.P.M., and Robert H. Cawley, B.Sc., M.B., Ch.B., Ph.D., D.P.M. (Pp. 153. \$3.50.) Sydney: Australasian Medical Publishing Company. 1966.

**Principles of Medical Statistics.** 8th edition. By Austin Bradford Hill, C.B.E., D.Sc., Ph.D., F.R.C.P.(Hon.), F.R.S. (Pp. 381+ix. 15s.) London: The Lancet. 1966.

**Living With Old Age.** By Betty Ingleby and Margaret Yorath. (Pp. 223; illustrated. 15s.) London: Robert Hale. 1966.

**The Stomach and Anaemia.** By Leslie J. Witts, C.B.E., M.D., F.R.C.P. (Pp. 166+vi; illustrated. 25s.) London: Athlone. 1966.

**Manual of Pediatric Physical Diagnosis.** 3rd edition. By Lewis A. Barness, M.D. (Pp. 238; illustrated. 32s.) London: Lloyd-Luke. 1966.

**The Year Book of Ophthalmology.** 1965-1966 Series. Edited by William F. Hughes, M.D. (Pp. 400; illustrated. 68s.) London: Lloyd-Luke. 1966.

**Bone Marrow Transplantation.** By D. E. Pegg. (Pp. 192+vii. 40s.) London: Lloyd-Luke. 1966.

**Die Brucellose des Menschen.** Edited by J. Parnas, W. Krüger, and E. Töppich. (Pp. 566; illustrated. £6 14s. 1d.) Berlin: Volk und Gesundheit. 1966.

**Schmerzanalyse.** Als Wegweiser zur Diagnose. Edited by Prof. R. Janzen. (Pp. 99+vii; illustrated. DM. 6.80.) Stuttgart: Georg Thieme. 1966.

**The Problem of Cancer in New Zealand.** By J. Maxwell Clarke, Ch.M., F.R.C.S., F.R.A.C.S. (Pp. 27. 5s.) Auckland, New Zealand: New Zealand Newspapers. 1966.

**Kidney and Electrolytes.** Foundations of Clinical Diagnosis and Physiologic Therapy. By Norman Deane, M.D. (Pp. 198+xii; illustrated. 54s.) London: Prentice-Hall International. 1966.

**An Introduction to Dynamic Psychiatry.** By C. Knight Aldrich, M.D. (Pp. 392+xv. £5.) New York, Toronto, Sydney, and London: McGraw-Hill. 1966.

**Advances in Metabolic Disorders.** Vol. 2. Edited by Rachmiel Levine and Rolf Luft. (Pp. 279+x. \$11.00.) New York and London: Academic Press. 1965.

**International Review of Experimental Pathology.** Vol. 4. Edited by G. W. Richter and M. A. Epstein. (Pp. 342+ix; illustrated. £5 16s.) New York and London: Academic Press. 1965.

**Medical Terms.** Their Origin and Construction. 4th edition. By Ffrangcon Roberts, M.A., M.D., F.R.S. (Pp. 96+viii. 8s. 6d.) London: William Heinemann. 1966.

**A New Look at Child Health.** By Michael Joseph, M.D., M.R.C.P., and Ronald MacKeith, D.M., F.R.C.P. (Pp. 124+x. 15s.) London: Pitman. 1966.

**The Drugs You Take.** By S. Bradshaw, M.B., Ch.B. (Pp. 224. 30s.) London: Hutchinson. 1966.

**Polysaccharides, Peptides and Proteins.** By R. T. Coutts, B.Sc., Ph.D., A.R.C.S.T., M.P.S., and G. A. Smail, B.Sc., A.R.C.S.T., M.P.S. (Pp. 209. 30s.) London: William Heinemann. 1966.

**Migraine.** Background and Treatment. By Harold Maxwell, M.D. Foreword by Henry Miller, M.D., F.R.C.P., D.P.M. (Pp. 64+viii. 13s. 6d.) Bristol: John Wright. 1966.

**Conflict in Society.** Ciba Foundation Volume. Edited by Anthony de Reuck and Julie Knight. (Pp. 467+xii. 65s.) London: J. & A. Churchill. 1966.

**Underwater Medicine.** 2nd edition. By Stanley Miles, M.D., M.Sc., D.T.M.&H., Surgeon Captain, R.N. (Pp. 332; illustrated. 63s.) London: Staples. 1966.

**The Scientific Basis of Medicine.** Annual Reviews. 1966. British Postgraduate Medical Federation. (Pp. 352+xi; illustrated. 40s.) London: Athlone. 1966.

**The Aetiology of Compressed Air Intoxication and Inert Gas Narcosis.** By P. B. Bennett. (Pp. 116+xvi. 35s.) Oxford, London, Edinburgh, New York, Toronto, Paris, and Braunschweig: Pergamon. 1966.

**Hypnosis.** By L. Chertok, M.D. (Pp. 176+xv. 45s.) Oxford, London, Edinburgh, New York, Toronto, Paris, and Frankfurt: Pergamon. 1966.

**Analecta Medico-Historica—2.** Safavid Surgery. By C. Elgood. (Pp. 81+xxii. 35s.) Oxford, London, Edinburgh, New York, Toronto, Paris, and Braunschweig: Pergamon. 1966.

**Progress in Biophysics and Molecular Biology.** Vol. 16. Edited by J. A. V. Butler and H. E. Huxley. (Pp. 276. 84s.) Oxford, London, Edinburgh, New York, Toronto, Paris, and Braunschweig: Pergamon. 1966.

**A Symposium on Oxygen Measurements in Blood and Tissues and Their Significance.** Edited by J. P. Payne, M.B., F.F.A.R.C.S., D.A., and D. W. Hill, M.Sc., Ph.D., F.Inst.P., M.I.E.E. (Pp. 274+xi; illustrated. 42s.) London: J. & A. Churchill. 1966.

**Newer Views of Skin Diseases.** Edited by Howard S. Yaffee, M.D. (Pp. 283+xv. 57s. 6d.) London: J. & A. Churchill. 1966.

**Essentials of Artificial Ventilation of the Lungs.** 2nd edition. By A. R. Hunter, M.D., F.R.C.S.Glasg., F.F.A.R.C.S. (Pp. 90+v; illustrated. 16s.) London: J. & A. Churchill. 1966.

**Child Health and Development.** 4th edition. Edited by Richard W. B. Ellis, O.B.E., M.A., M.D., F.R.C.P. (Pp. 480+xv; illustrated. 72s.) London: J. & A. Churchill. 1966.

**Endogenous Substances Affecting the Myometrium.** Symposium, Bristol, 1965. Edited by V. R. Pickles and R. J. Fitzpatrick. (Pp. 271+xi. 70s.) London: Cambridge University Press. 1966.

**The Catholic Welfare Guide.** For England, Scotland, and Wales. Foreword by Cardinal Heenan. (Pp. 290+viii. 21s.) London: Darton, Longman & Todd. 1966.

**Latent Female Genital Tuberculosis.** Edited by E. T. Rippmann. (Pp. 238+vi; illustrated. Sw.Fr./DM.52.) Basel and New York: S. Karger. 1966.

**Aqueous Solutions and Body Fluids.** Their Concentrative Properties and Conversion Tables. By A. V. Wolf, Ph.D. (Pp. 166+xiv. 60s.) New York and London: Hoeber. 1966.

**Immunological Diseases.** Edited by Max Samter, M.D. (Pp. 966+xxii; illustrated. £10 15s.) London: J. & A. Churchill. 1966.

**Pediatric Pathology.** 2nd edition. By Daniel Stowens, M.D. (Pp. 847+xi; illustrated. £10 12s.) Edinburgh and London: E. & S. Livingstone. 1966.

**Library Services in Hospitals.** By Brenda M. Sanders, A.L.A. (Pp. 45. 14s.) London: Library Association. 1966.

**Textbook of Operative Surgery.** 3rd edition. By Eric L. Farquharson, M.D., F.R.C.S.Ed., F.R.C.S. (Pp. 951+viii; illustrated. £6 6s.) Edinburgh and London: E. & S. Livingstone. 1966.

**The Amino Sugars.** Vol. 2B. Metabolism and Interactions. Edited by Endre A. Balazs and Roger W. Jeanloz. (Pp. 516+xviii. £8 16s.) New York and London: Academic Press. 1966.
