CORRECTIONS

Gas Exchange in Renal Failure

In the article on "Gas Exchange in Renal Failure" (1 May, p. 244) the paragraph headed "Results" in the second column on p. 247 should have been printed at the top of the first column of p. 248. We much regret this error.

Hirsuties

We regret that in the article on "Hirsuties" by G. N. Besser and Margaret Witt (1 May, p. 264) the word hirsuties was mis-spelt throughout.
