

and three are oncologists—Dr. Yu Shu-Yu, Dr. Ku Hsien-Chih, and Dr. Yen Wen-Wei. They are inquiring into recent advances in diagnosis and treatment in the two specialties, including the application of monitoring apparatus and electronic computers. The visit is an official one from the Chinese Ministry of Health, under the auspices of the British Council, and is the first such visit since the cultural revolution.

Pollen Counts

The daily pollen count bulletins made by the Asthma Research Council for hay-fever sufferers living in the London area and Home Counties have now started. They are to be found in the daily papers, and can also be obtained from the London weather forecast, phone number 01 246 8091.
