Corrections

F.R.C.P. London

We regret that in the list of new Fellows of the Royal College of Physicians of London (4 May, p. 288) the name of Dr. Joan Angus was incorrectly printed as John Angus.

M.R.C.P.(U.K.)

We regret that in the list of new members of the Royal Colleges of Physicians of the United Kingdom (20 April, p. 184) the name of Dr. J. C. McLoughlin was incorrectly printed as J. C. McLoughton.

Misleading Discs

In the letter from Dr. Mair Thomas (4 May, p. 272) the sixth sentence in the second paragraph should have read: "Another haemophilus grew as a ring around a zone without growth surrounding both the X and XV discs."
