## Corrections

### Child abuse and general practice

The following statement was omitted from the paper by Dr Keith Beswick *et al* (2 October, p 800): Margaret Lynch and Jacqueline Roberts are employed on a research project funded by Action Research for the Crippled Child.

### Hairy legs

In the leading article (2 October, p 777) we regret that an error occurred in the second sentence of the first paragraph, which should read "One at least of these arcana, a syrup of sugar and water . . ."

## Notice to authors

When original articles and letters for publication are not submitted exclusively to the *British Medical Journal* this must be stated. For detailed instructions to authors see page 6 of the issue dated 3 January 1976.
