## Instructions to authors

The following are the minimum requirements for manuscripts submitted for publication.

A stamped addressed envelope or an international reply coupon must accompany the manuscript if acknowledgment of its receipt is desired.

**(1) Typing** should be on one side of the paper, with double or triple spacing between the lines and 5-cm margins at the top and left-hand side of the sheet.

**(2) Two copies** (or preferably three) should be submitted.

**(3) Spelling** should conform to that of *Chambers Twentieth Century Dictionary*.

**(4) References** must be set out in the style used in the *BMJ*, and their accuracy verified before the manuscript is submitted.

**(5) SI units** are used for scientific measurements. In the text they should be followed by traditional units in

parentheses. In tables and illustrations values are given only in SI units, but a conversion factor must be supplied. For general guidance on the International System of Units, and some useful conversion factors, see *The SI for the Health Professions* (WHO, 1977).

**(6) Authors** should give their names and initials, their current appointments, and not more than two degrees or diplomas. Each author must sign the covering letter as evidence of consent to publication.

**(7) Letters to the Editor** submitted for publication must be signed personally by all the authors.

**(8) Acknowledgments** will not be sent unless a stamped addressed envelope or an international reply coupon is enclosed.

**(9) Detailed instructions** are given in the *BMJ* dated 7 January (p 6).
