DEATH OF MR. CUTLER.

WE learn with much regret that Mr. Cutler, Consulting Surgeon to St. George's Hospital, died at his residence, New Burlington Street, on Tuesday last, September 7th, in his 78th year. Before his connection with the hospital at Hyde Park Corner, he held the post of Surgeon in the Life Guards. For the last four or five years, his health had been failing; and his friends, Dr. Pitman, Mr. G. D. Pollock, and others were in frequent attendance upon him. He will be missed by a large circle of friends.

MISCELLANEOUS NOTES ON THE MEDICAL SCHOOLS.

PROVISION is being made for dissection in the large metropolitan medical schools. At St. Bartholomew's, there are eight subjects ready, in a patent preservative fluid; at Guy's, there are three; at St. George's, nine.—All the medical schools have cricket and foot-ball clubs; most have rowing clubs; and at some schools there are racquet-courts. The athletic club is well supported at Guy's, St. Bartholomew's, and King's College; the latter is the "champion" hospital this year.
