B.M.A. NOTICES

Rheumatology and Rehabilitation Group

Nominations are hereby invited from members of the Rheumatology and Rehabilitation Group for the four vacancies on its group committee for the period 1975-9. The vacancies are caused by the retirement every other year of one-half of the members of the group committee, who are eligible for re-election.

Nomination forms are obtainable from the undersigned and must be returned not later than Monday, 1 September 1975. In the event of a contest arising voting papers will be issued at a later date to members of the group.

Both the candidate for election and the person making the nomination must be members of the group.

DEREK STEVENSON,
Secretary

Corrections

Pleural Effusion

In the leading article on this subject (26 July p. 192) pleural exudates were erroneously said to have a protein content > 3 g/l. This should have read > 30 g/l. We regret this error.
