TO CORRESPONDENTS.

Communications have been received from Mr. Newnham, Mr. Humphry, Mr. Husband, Diagnosis, Dr. Wardell, Mr. Daniell, Mr. R. Quain.

We have to apologize for the delay in the publication of several papers; but with the temporary authority only which we possess, we have not thought it right to make any selection from the many valuable papers transmitted. As far as possible each has been inserted in the order received, which must be our excuse to the Secretary of the Suffolk Branch, for the insertion of one contribution only this week, instead of all, as intended.

In consequence of the lamented death of Dr. Streeten, it is requested that all letters and communications be sent to J. H. Walsh, Esq., Foregate Street, Worcester. Parcels and books for review may be addressed to the care of Mr. Churchill, Princes Street, Soho.
