## A.

**Abscess and Inflammation of the Uterus**, 585  
 ——— and **Phlebitis**, 583, 587  
 ——— in the **Pelvis**, &c., 584  
 ——— **Psoas**, 195  
**Abortion, Criminal**, Remarks on, by Dr. Shapter, 80  
 ——— Effects of **Ergot** in producing, by T. H. Wardleworth, 78  
 ——— On a charge of intent to procure, by Dr. Shapter, 18, 30  
**Academy of Sciences, Paris**, 26, 237, 238, 270, 271  
**Acidity of the Stomach**, Vegetable Acids in, 258  
**Action for Damages**, 574  
**Addison, W.**, on Moving Molecules in the Interior of Cells, 137  
 ——— on Pus Globules, 233  
 ——— on the Fluid Elements of the Circulating Blood, 266  
**Address delivered at the Annual Meeting of the Suffolk Branch**, by Dr. W. Rankin, 199  
 ——— Proposed, of the Members of the College of Surgeons to the Council, 46  
**Adhesion of the Vagina**, Case of, 287  
**Advice to Mothers**, by P. H. Chavasse (Review) 24  
 ——— Wives, by P. H. Chavasse (Review) 24  
**Agents affecting Capillary Circulation**, 243  
**Albuminuria**, 237, 433  
**Alcoholic Lotion in Phthisis**, 70  
**Allison W.**, case of Twins, in which the Placenta of the first child was nearly detached before the Membranes of the second were ruptured, 215  
**Almonds, Bitter**, Essential Oil of, a fatal case, by Dr. H. Bull, 364  
 ———, ———, used in cooking, by Dr. E. Walker, 479  
**Amaurosis**, Case of, cured by the aid of Urtication, 198  
**Ammonia, Hydrochlorate of**, 260  
**Analysis of the Facts of Disease**, 542, 557, 589, 609  
**Anatomical Manipulation, &c.**, by A. Tulle and A. Henfrey (Review) 24  
**Anencephalic Monstrosity**, 371  
**Aneurism of the Abdominal Aorta**, 535  
 ——— of the **External Iliac Artery**, Case of, by R. Hey, 57  
**Aneurismal Tumour of the Calf of the Leg, &c.**, 344  
**Anniversary Meeting of the Provincial Medical and Surgical Association**, 230, 242, 253, 262, 274, 295, 321, 322  
 ——— Meetings, the Value of, 373  
**Annual Meeting of the Bath and Bristol Branch**, 239  
 ——— of the **Newton Branch**, 272

**Annual Meeting of the South Western Branch**, 224  
 ——— of the **Yorkshire Branch**, 226  
**Anonymous Correspondents of the Lancet**, 25, 81  
**Antimony, Effects of**, on Infants, by D. Noble, 47;; by J. W. Wilton, 204  
**Anus, Case of Warty Excrescence near the Verge of**, by E. Daniell, 430  
**Arnold, Dr. B. N.**, on the Treatment of Puerperal Convulsions, 49, 163  
 ———, Dr. W., case of Spontaneous Rupture of the Uterus, 250  
**Aorta, Aneurism of the Abdominal**, 535  
 ———, Dilatation of the Thoracic, 99  
**Apothecaries' Proposal to make a Royal College of**, by J. Cole, 578  
 ——— Act, Evasion of, 22  
 ——— Company, 26, 570, 602  
 ——— On the claims of, by G. King, 498  
 ——— Eligibility of the Licentiates for Medical Union Officers, 163  
 ——— Statement of, 94, 114, 124, 144, 145  
**Apparatus for Dry Cupping over a large surface**, 224  
**Appeal to the Medical Profession for establishing a School for the Sons of Medical Men**, by E. Daniell, 339  
**Arsenic as a poison**, its tests and antidotes, by Dr. E. Shearman, 3  
**Asphyxia**, 465  
**Astragalus, Dislocation of**, 281, 546  
**Association, Provincial Medical and Surgical**, 134, 146, 166, 197, 198, 210, 230, 242, 253, 262, 274, 295, 322, 442, 480, 486, 506, 511, 518, 519  
 ——— Formation of the South Eastern Branch, 404  
 ——— South Western Branch, 166  
 ——— Suffolk Branch, 196  
 ——— Statement of the principles recognized by, on Medical reform, 174  
**Asthma**, Nitrate of Potass in, 164  
**Axillary Artery and Nerves**, Wound of, 447

## B.

**Bancks, T.**, Case of Strangulated Inguinal Hernia, 493  
**Barley**, Beard of, under the tongue, Case by Dr. Ranking, 462  
**Barlow, Dr.**, Notice of, 120, 127, 314  
**Bath Meeting on Medical Reform**, 549  
**Bath and Bristol Branch of the Provincial Medical and Surgical Association**, Annual Meeting, 239  
 ——— Meeting on Medical Reform, 502  
**Beddome, Dr.**, Letter on the Benevolent Fund, 481  
**Bedford Meeting on Medical Reform**, 387

# INDEX.

- Bed Sores, Nitrate of Silver in, 535  
 Benevolent Fund, 374, 432; Report of Committee of, 307; Letter from Dr. Beddome, 481; from Dr. W. Conolly, 257; from Dr. Inglis, 355; from W. Newnham, 406, 416, 435; Proposal for a General Fund, by Dr. Young, 466  
 — of Surrey Medical Society, Letter from T. Martin, 467  
 Bennett, Dr. J. R., On the Causes, nature, diagnosis, and treatment of Acute Hydrocephalus (Review) 190  
 Beverley Meeting on Medical Reform, 484  
 Bewdley and Stourport Meeting on Medical Reform, 442  
 Bill for the better Regulation of Medical Practice, &c., 400  
 Bird, Dr. Golding, Elements of Natural Philosophy, (Review) 64  
 Birmingham Meeting on Medical Reform, 408, 421  
 — and Midland Counties' Meeting on Medical Reform, 388

 — Pathological Society, 96, 127, 192, 219, 290, 370, 433, 465  
 — Queen's College, 146, 375, 570  
 Black, Dr., Lectures on Hygiene and Medical Police, 275, 327, 359, 391, 551  
 Blackburn Meeting on Medical Reform, 581  
 Bladder, Case of Stone in, complicated with extensive Scrofulous Disease, 333  
 Blister, Speedy way of raising, 326  
 Blue discolouration of the Gums from Nitrate of Silver, Case of, by Dr. Branson, 177  
 Blood, On the fluid elements of, by W. Addison, 266  
 Bone Setters, Lancashire, 483  
 — Lincolnshire and Cambridgeshire, 513  
 Bowel Complaints, Indian remedy for, 484, 538  
 Bradford (Yorkshire) Meeting on Medical Reform, 474  
 Brain, On the use of the Longitudinal Incision through the Scalp in diseases of, by Dr. Wallis, 43  
 Braithwaite, W., The Retrospect of Practical Medicine and Surgery (Review) 237  
 Branch Associations, Advantage of, 235  
 — Formation of the South Eastern, 404  
 — Proposal to form a Gloucester and Worcester, 241, 292  
 Branson, Dr. F., on the blue discolouration of the Gums from Nitrate of Silver, 177  
 — Two cases of Pericarditis, 231  
 Bree, C. R., case of Puerperal Convulsions, &c., 60  
 Bristol Meeting on Medical Reform, 454  
 British Medical Association, Meeting on Medical Reform, 453  
 Brown, Dr. J., Letter on the Medical Bill, 433  
 Bull, Dr. H. G., case of fatal poisoning from Essential Oil of Bitter Almonds, 364
- C.
- Cæsarean Section, Case of, by F. Cox, 382, 480, 543  
 Calculi, Biliary, Difficulty of the Diagnosis of, 343  
 Calculus, Salivary, Case of, by Dr. Watmough, 82  
 Calculous Diseases, On the prevalence of, in the East Indies, by J. G. Crosse, 108  
 Cambridgeshire Bone Setters, 513  
 Cancer, 238  
 —, Colloid of the Face, 98  
 —, Lardaceous, of the Knee Joint, 290  
 Cancerous Ulcer of the Face, 289  
 Capillary Circulation, Agents affecting, 242  
 Carcinoma of the Breast and Liver, 219  
 Carmichael, R., Address to the Medical Association of Ireland, on Medical Reform, 188  
 — Charge against the General Practitioners of England, 218  
 Carter, C. J., Observations on the Clauses and Provisions of the Medical Bill, 565, 593, 615  
 Cauterization in the treatment of Ulcerations and Engorgements of the Neck of the Uterus, 343  
 Cephalotomy, Practical remarks on, by G. B. Knowles, 491  
 Cerebrum, Inflammation of, Homœopathy in, 268  
 Chadwick, Dr., Correspondence on Homœopathy, 566  
 Chapman, R., case of Strangulated Femoral Hernia, 280  
 Charter of the Royal College of Surgeons of England 13, 45, 130, 143, 274, 314  
 Chavasse, P. H., Advice to Mothers (Review) 24  
 —, Advice to Wives (Review) 24  
 Cheltenham, Hospital Report of Surgical Cases, by C. J. Hawkins, 115, 135  
 Chemistry, Proposed College of, 464  
 — Manual of, by Dr. Fownes, (Review) 562  
 Chester Meeting on Medical Reform, 502  
 Chichester Meeting on Medical Reform, 484, 567  
 Cholera, Epidemic, Cases of, by D. Torrance, 426  
 Clairvoyance, 242  
 Clinical Lectures on Dislocations, by H. Hancock, 347, 379, 410, 423, 443, 475, 487, 507, 539, 571  
 — on Venereal Diseases, by L. Parker, 51  
 Club Foot cured at an advanced age, 26  
 Cæsarean Section, Case of Deformed Pelvis, by F. Cox, 382, 480  
 Coffee, Carbonate of Soda, in the preparation of, 346  
 Colchester Meeting on Medical Reform, 517  
 Cole, J., Proposal to form a Royal College of Apothecaries, 578  
 Colon, Ulcers of, 564  
 College of Surgeons, 82, 102, 166, 261, 274, 314, 346, 358, 377, 442, 506, 518, 550, 582, 622, 26, 50, 144, 146, 178, 209, 230, 294  
 — Admission to the Fellowship, 114  
 — Election of Councillors, 294  
 — New Charter of, 13, 45, 130  
 — New Fellows of, 582, 602  
 — Proposed Address of the Members to the Council, 46  
 — Regulations for the Fellowship, 293  
 — Statement of the Council of, 142, 178  
 Committee on Medical Relief under the Poor Law Act, 166  
 Congestion, Analysis of, 542, 557  
 Conolly, Dr. W., Letter on the Benevolent Fund, 257  
 Constipation, Fatal case of, 370  
 Convulsions of Children, Mustard in, 343  
 Council of Health, 595, Letter from Mr. Ruimsey on, 468  
 Counter-Irritants, 164  
 Cowan, Dr., On the New Edition of Louis on Phthisis  
 — Letter on Medical Protection, 577  
 — Retrospective Address in Medicine, 310  
 Cox, F., case of Cæsarean Section, &c., 382, 480, 543  
 — on Craniotomy, 543  
 — on treatment of Puerperal Convulsions, 108

# INDEX.

Craniotomy, Operation of, Letter from Dr. Radford on, 510 ; Letter from Mr. Cox, 543  
 Crosse, J. G., on the Prevalence of Calculous Diseases in the East Indies, 108  
 ——— A completely inverted Uterus successfully removed by Ligature, 154  
 Crowfoot, W. H., on Inflammation of the Uterus during the prevalence of Puerperal Fever, 76  
 ——— on Malignant Puerperal Fever, 10  
 Crural Hernia, 165  
 Cryptogamic Vegetations on the Mucous Membrane of the Stomach, 25

## D.

Dalton, Dr., Decease of, 582  
 Daniell, B., case of Phthisis, 234  
 ——— E., Appeal to the Medical Profession for establishing Schools for the Sons of Medical Men, 339  
 ——— case of Enormous Steatoma removed from the Shoulder, 430  
 ——— case of Gun-shot Wound, 367  
 ——— case of Peritoneal Dropsy, 214  
 ——— case of recent Vaccination overcoming Small Pox, 320  
 ——— case of Warty Excrescence near the verge of the Anus, 430  
 Davie, J. C., cases in Surgery, 446  
 Dayman, H., case of Puerperal Convulsions, 337  
 ——— letter on the Journal, 377  
 Deane, letter on Mesmerism, 206  
 Death from a blow on the head, 165  
 ——— from Fright after the Operation for Solution of Capsular Cataract, a case related by Dr. Toogood, 187  
 ——— from large doses of Sulphate of Quinine, 229  
 ——— from an over-dose of Nitrate of Potass, 260  
 Derby, Special General Meeting at, 511, Remarks on, 550, 577  
 ——— Resolutions of, 545  
 Deputation to Members of Parliament, 399
