TO CORRESPONDENTS.

LETTERS and other COMMUNICATIONS for the JOURNAL should be directed to the private address of the Editor, 39, Curzon Street, May Fair.

To CONTRIBUTORS. The Editor would feel glad if Members of the Associstion and others, would cooperate with him in establishing as a rule, that in future no paper for publication shall exceed two pages of the Journal in length. If the writers of long communications knew as well as the Editor does, that lengthy papers always deter the reader from commencing them, this great evil would never arise. Brevity is the soul of medical writingstill more than of wit.

Members should remember that corrections for the current week's JOURNAL should not arrive later than Wednesday.

THE TAUMTON COURIER HAS BEEN RECEIVED. A notice of the Trial Reynolds v. Bridge, shall appear next week.

Several communications are prevented from appearing this week, by the amount of matter relating to Mr. Headlam's Medical Bill.

The following List of Subscriptions have been received by Mr. GEIFFIN, in aid of the Poor-Law Medical Reform Association.
