JOHN MESSENT F.R.S.

By the peculiarly equitable manner of dividing the profits, the Policies issued by this Association become payable during the lifetime of the person Assured without extra Premium. After having been in force a period of five years, all Policies are absolutely Indefeasible and Indisputable.

Attention is directed to the facility afforded by this Institution for the Assurance of Declined or Diseased Lives. The experience of the large staff of Medical Officers connected with this Association has enabled the Directors to prepare a set of Tables which they believe place such lives on an equitable footing in relation to other assured Members of the Company.

Qualified Medical Attendants who are named by Proposers to this Association are consulted as the Medical Advisers of the Directors, by whom all Medical Fees are discharged.

Every description of Life Assurance transacted; terms for which, with detailed Prospectuses and every information, may be had on application to

JOHN MESSENT, F.R.S., *Manager and Secretary.*

*Applications for Agencies are invited.*

**WALTERS' INDIA-RUBBER URINALS.**

F. WALTERS having originally invented these Urinals, begs to warn the Profession of the many bad and useless imitations which are now sold, and he would advise them, before purchasing, to look that they are stamped with his name; as, unless that be the case, he cannot guarantee them.

These conveniences are made for those who require them only occasionally, during a long journey, as well as for those invalids who use them always. Mr. WALTERS has much improved them by making them of *Etherised India-Rubber*, which adds very greatly to the strength of the India-Rubber, at the same time that it prevents its sticking together; by this means he is enabled to make them less stiff and harsh than hitherto, and yet to retain all the advantages of that stiffness. There is a patent valve, which prevents the return of the fluid; and they may be worn either sitting, walking, or lying, without the slightest inconvenience, and without being perceived by any one.

WALTERS' CONVENIENCES FOR LADIES will be found particularly useful during pregnancy. They are perfectly soft and flexible, and may be worn with perfect comfort.

*All orders must be accompanied by a Post-Office Order or Reference. Entrance for Ladies, at the Private Door, where a Female attends.*
