Chlorodyne.—J. T. Davenport

begs to direct attention to the disgraceful and fraudulent practice of certain parties, who apply the term "CHLORODYNE" to compounds of THEIR OWN MANUFACTURE, WELL KNOWING that the word is applied to a remedy SOLELY DISCOVERED and INTRODUCED by Dr. J. COLLIS BROWNE, M.R.C.S.L. (late Army Medical Staff), the formula of which is confided to J. T. DAVENPORT, and none other; hence the assumption of the title, claim to discovery, or manufacture of CHLORODYNE by any other persons is a direct palpable cheat and imposition.

The Medical Testimony, published on the extraordinary properties of Chlorodyne, is exclusively applied to

DR. J. COLLIS BROWNE'S CHLORODYNE.
