THE GENERAL APOTHECARIES' COMPANY, LIMITED,

WHOLESALE & EXPORT DRUGGISTS & MANUFACTURING CHEMISTS.

49, BERNERS ST., LONDON, W.

CAPITAL—£24,000 in 6000 SHARES of £4 EACH.

This Company has now been in active operation for upwards of **Forty Years**. It was established to supply the Medical Profession, on co-operative principles, with Drugs, Chemicals, and Pharmaceutical Preparations, &c. The business of the Company is confined **exclusively to the Medical Profession and Public Institutions**. Medical Men may, therefore, rely upon all drugs and preparations being of the **highest standard of quality**.

No travellers are employed. The saving in expenses thereby effected enables the Company to supply the best drugs and preparations at the lowest possible prices.

SPECIAL NOTICE.

The Dividends paid for the three years ending 31st December last have been as follows:—

YEAR		Ordinary Shares.		Preference Shares.
1894	...	5%	...	8%
" 1895	...	6 $\frac{1}{4}$ %	...	8%
" 1896	...	5%	...	8%

 The Company has a few Ordinary Shares, £4 each fully paid up, for transfer at par to Medical Men desirous of dealing with the Company.

The advantages to Medical Shareholders are:—

- 1.—Liability on Shares strictly limited.
- 2.—A good dividend on the capital invested
- 3.—The supply of reliable Drugs, &c., at the lowest prices compatible with first-rate quality.
- 4.—A Discount of 7 $\frac{1}{2}$ per cent. on three months' account.

The Company's Price Current, last Balance Sheet, and Form of Application for Shares will be forwarded to any Member of the Profession on application to the Managing Secretary,

49 BERNERS STREET, LONDON, W.

W. F. FOGARTY.
