J. & A. CHURCHILL, 7, Great Marlborough Street.

# SQUIRE'S CHEMICAL FOOD.

Known for 30 years as the best preparation of its kind

**FOR DELICATE CHILDREN.**

The Profession is cautioned against imitations which differ in strength both from the original and one another, in the most essential ingredients.

# SYRUP OF SENNÆ.

A mild Aperient for Children — pleasant in flavour. Since its introduction, a quarter of a century ago, has been in continuously increasing demand.

# CONFECTIO BELÆ RECENTIS

A valuable remedy in Chronic Diarrhœa and Dysentery. Prepared in this country from Bael Fruits imported ripe and fresh in their natural state.

*DOSE: A Teaspoonful.*

"It possesses all the aroma of the fruit, and is not only astringent where diarrhœa exists, but possesses the singular property of being aperient if the bowels be irregular or costive."

"Messrs. SQUIRE's preparation is all that can be wished."—*The Lancet.*

# KASAK ELIXIR.

A tonic laxative—reliable, palatable, uniform in strength—without constipating reaction.

*DOSE: For a Child, one or two teaspoonfuls (according to age) at bedtime or in the early morning.*

*For an Adult, one tablespoonful.*

ALSO

**KASAK PILULES. KASAK CAPSULES.**

# LIQUOR MORPHIÆ BIMECONATIS. *Syn. LIQUOR MECONICUS.*

A purified solution of Opium with the Alkaloids in their natural state of combination, and standardised to contain 1 p.c. of Morphia.

NOTE.—The B.P. Solution, made by Dissolving Morphia in Meconic Acid, differs very considerably from the above, and is no substitute for it.

# LEHLIA.

*The New and Admired Toilet Requisites.*

**LEHLIA Cream.** Emollient for Face and Hands. 1s.

**LEHLIA Dentifrice.** A Perfect Tooth Powder. 1s.

**LEHLIA Dusting Powder.** For Nursery and Toilet. 1s.

**LEHLIA Extract.** For Use after Exposure to Sun or Cold Winds. 1s.

**LEHLIA Soap.** Pure and Refreshing. In boxes, containing 3 cakes, 2s.

# SQUIRE & SONS,

*Her Majesty's Chemists,*

**413, OXFORD STREET, LONDON, W.**
