

ESTABLISHED 1848.
MEDICAL TRANSFER & PROFESSIONAL AGENCY,
50, Lincoln's-inn-fields, W.C.

Mr. J. Baxter Langley, M.R.C.S.

(KING'S COLL.), has now upon his books a large number of desirable investments and available openings for Medical Men commencing their professional career. Gentlemen wishing to relinquish practice can be introduced without delay to competent successors with means at their disposal.

Mr. Langley devotes his prompt personal attention to the negotiations entrusted to him, and treats confidentially and with care all matters relating to professional business. The strictest reserve will be practised in all the preliminary arrangements, and no expense incurred (except in special cases) unless a negotiation be completed.

The General Partnership and Commercial Agency business till recently conducted by him at his City offices, and his experience in the management of large commercial undertakings, combined with his professional acquirements, enable Mr. Langley to guarantee that all matters of business placed in his hands will be carried out without delay, and with an equitable regard to the interests of all the parties concerned.

Mr. Langley can refer to the Professors of his College, Members of Parliament, Clergy, Merchants, Bankers, and others, as a guarantee of his integrity and honour in all negotiations entrusted to him.

Full information as to terms, &c., sent free on application.

Office Hours, from 11 till 4; Saturdays from 11 till 2.

A Prize of Ten Guineas to Pupils in their Third Year.

Further information may be obtained from Dr. Barclay, the Treasurer of the School, from any of the Lecturers, or from Mr. Hammerton, at the Hospital.

Important Notice to the Profes-

sion.—PATENT (COOKED) FOOD, for INFANTS and INVALIDS.—Dr. RIDGE'S PATENT.—The best wheat flour is put into the apparatus, where every particle is brought under the uniform temperature of 212° for eight hours, which thoroughly cooks it; and as all moisture is driven off, the nutritive quality of the flour is largely increased, while it is so light and digestible that the powers of the feeblest stomach are not taxed, but can easily appropriate it. A sample for examination will be forwarded free to any medical man who may desire it.—Manufactory—Horslydown, London, S.E.

Salmon, Ody, & Co., most re-

spectfully inform the Public that their PATENT SELF-ADJUSTING TRUSSES are found to answer the purpose with more Ease and Security than any other Invention, requiring no under-strap or any galling Bandage. Persons in the country are requested to send the circumference of the body one inch below the hips, and to observe that "Salmon, Ody, & Co." is stamped upon the leather case. A female attends by appointment.
