

ESTABLISHED 1848.

Mr. J. Baxter Langley, M.R.C.S.
Eng. (late of King's College, London), PROFESSIONAL
AGENCY, 50, Lincoln's Inn Fields, W.C.

Wales.—In an improving and
much frequented locality on a main line of railway, a *bona fide* Practice for immediate transfer. Income £500. One horse only requisite. No assistant. Midwifery £1 1s. and upwards. House new and well situate, with stable, etc., at a low rent. To an eligible gentleman, speaking Welsh, the whole Practice can be transferred. From an immediate purchaser a very low premium would be accepted. Address "S., 1157," care of Mr. Langley, as above.

Death Vacancy.—In Devon, in
a thriving Market Town, private Practice of deceased, £430 on three years' average. Appointments £45, secured to successor. To secure an immediate successor a small premium would be accepted. Address "S., 1156," Mr. Langley, as above.

In a good Cathedral Town.—For
transfer, a good family Practice, established ten years. Patients wholly of the upper and middle class. No club or parish appointments. No obstetric fees under £1 1s. Good house and garden. Expenses very small. Receipts between £500 and £600. Further investigation permitted, and a satisfactory introduction given. Premium £550. Address "S., 1155," care of Mr. Langley, as above.

In one of the best Towns in
LINCOLNSHIRE.—For transfer, a family Practice, the cash receipts in which are about £500. Patients—good farmers, tradespeople, etc. The locality is healthy and picturesque. Three months' introduction. For terms, etc., Address "S., 1153," Mr. Langley, as above.

In a pleasant Suburb in London.
—For transfer, an excellent and improving family Practice. Receipts last year £630. The books have been submitted to Mr. Langley, who can testify to the *bona fides* of the statements of the vendor. Six months' introduction. One year's purchase required. Address "S., 1100," Mr. Langley, as above.

Gentlemen desirous of becoming Students must give satisfactory testimony as to their education and conduct. They are required to pay £40 for the first year, £40 for the second year, and £10 for every succeeding year of attendance, or £100 in one payment entitles a Student to a Perpetual Ticket.

Dressers, Clinical Clerks, Ward Clerks, Obstetric Residents and Dressers in the Eye Wards, are selected from the Students. Three House Surgeons are appointed every six months.

Arrangements will be made to afford every Student such opportunities of acquiring Practical Surgery as are in accordance with the New Regulations of the College of Surgeons.

Six Scholarships, varying in value from £25 to £40 each, are awarded at the close of each Summer Session for general proficiency; also a Governor's Prize of £10.

Two Gold Medals are given by the Treasurer—one for Medicine and one for Surgery.

There is a Voluntary Examination in October, in Elementary Classics and Mathematics. The three first candidates will receive respectively £25, £20, and £15.

Mr. Stocker, Apothecary to Guy's Hospital, will enter Students, and give any further information required.

Guy's Hospital, April 8, 1865.
