# The "Allenburys" (TRADE MARK) (MEDICATED) Throat Pastilles

*Efficient*

*Palatable*

The basis of the "Allenburys" Throat Pastilles is a special pâte de jujube. The pastilles are demulcent, soluble and palatable, and contain accurate amounts of pure active drugs. They dissolve slowly and uniformly, so ensuring the thorough suffusion of the mucous membrane, and the prolonged continuous direct effect of the active ingredients.

The following pastilles are largely used, and have been found from long practical experience to be very efficacious.
