 West-end Show Rooms: 105, GREAT PORTLAND STREET, W. 1.  
 Scottish Show Rooms: 15, HANOVER STREET, EDINBURGH.

# Chymol

**The FOOD That BUILDS**  
 : For Infants, Adults, and Invalids :

**THE** results reported from the use of Chymol in some hundreds of Welfare Centres, as well as by a very large number of medical men in private practice, all indicate its great value. The general consensus of opinion is that

## CHYMOL:—

- (1) Is easily taken and completely assimilated.
- (2) Aids the digestion of the other food taken at the same time.
- (3) Will be taken and retained when other preparations containing malt or malt and oil are rejected.
- (4) Improves the hæmoglobin percentage of the blood and increases the number of red corpuscles.
- (5) Acts as a flesh former, as evidenced by gain in weight in those suffering from wasting diseases, Tuberculosis, &c.

CHYMOL should prove a valuable adjunct to the diet of patients in the convalescent stage. Chymol contains no preservative and is free from starch.

**THE CHYMOL COMPANY Limited,**  
**QUEEN'S HOUSE, KINGSWAY, LONDON, W.C. 2.**

*Test Samples sent to Medical Men, on application.*
