All types of Electro-medical and X-ray Apparatus are manufactured throughout in our Works on the Premises:

71/75, NEW CAVENDISH STREET, LONDON, W. 1.

A large Illustrated Catalogue will be sent free to any Medical Man desiring it.

BELGIAN AGENCY—Maison Wissaert, 9, Rue de l'Hopital, Brussels.

Chymol

The FOOD That BUILDS

: For Infants, Adults, and Invalids :

THE results reported from the use of Chymol in some hundreds of Welfare Centres, as well as by a very large number of medical men in private practice, all indicate its great value. The general consensus of opinion is that

CHYMOL:—

- (1) Is easily taken and completely assimilated.
- (2) Aids the digestion of the other food taken at the same time.
- (3) Will be taken and retained when other preparations containing malt or malt and oil are rejected.
- (4) Improves the hæmoglobin percentage of the blood and increases the number of red corpuscles.
- (5) Acts as a flesh former, as evidenced by gain in weight in those suffering from wasting diseases, Tuberculosis, &c.

CHYMOL should prove a valuable adjunct to the diet of patients in the convalescent stage. Chymol contains no preservative and is free from starch.

THE CHYMOL COMPANY Limited,
QUEEN'S HOUSE, KINGSWAY, LONDON, W.C. 2.

*Test Samples sent
to Medical Men
on application.*
