**No. 3 Belt (Bailey's Patent)
FOR PROLAPSUS UTERI.**

With Improved India-rubber Perineal Pad and Regulating Straps. "Affording easy and perfect support."

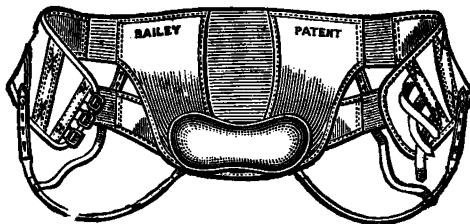

**No. 5a Belt (Bailey's Patent)
FOR FLOATING KIDNEY.**

These belts are specially constructed to give a very firm, deep-seated pressure which is necessary in these cases. Very much depends upon obtaining a very accurate adjustment.

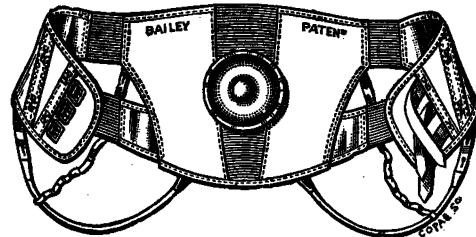

**No. 2 Belt (Bailey's Patent)
FOR PREGNANCY.**

These Belts are capable of great expansion and contraction, and consequently are well suited for wear before and after accouchement. The alteration in the size is made by means of lacing in the front, where the increase is required.

**No. 5 Belt (Bailey's Patent)
FOR UTERINE SUPPORT.**

Note.—These Belts are constructed to give a thoroughly uniform support to the lax condition of the abdominal muscles supplemented by a pad to give increased local pressure and support.

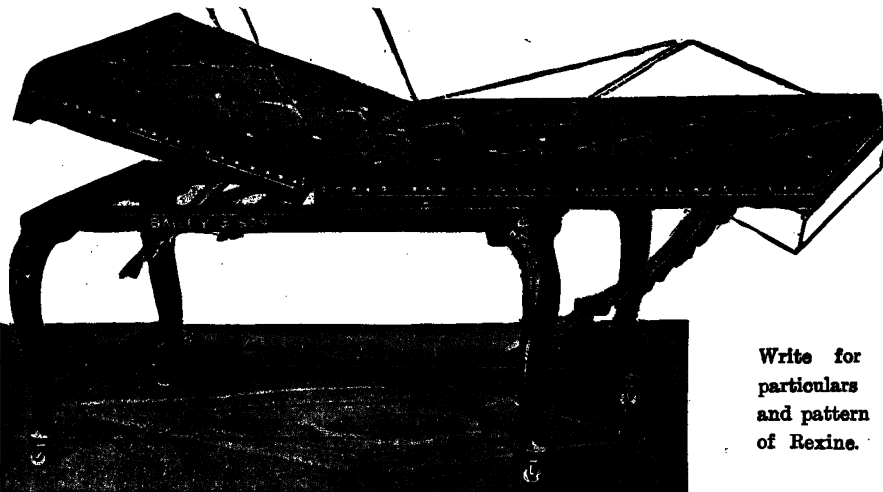

**No. 4 Belt (Bailey's Patent)
FOR UMBILICAL HERNIA.**

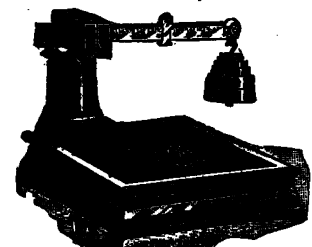

These Belts afford perfect general support to the Abdominal Parieties, and can be fitted with any kind of pad suitable to the hernia aperture, or with hollow pads in cases of irreducible hernia.
