4 Door Coupé**

THE AUSTIN MOTOR CO. LTD.
BIRMINGHAM LONDON MANCHESTER

The Car for the Doctor.

The coupé is admitted to be the ideal type of car for the doctor. The "Ranelagh" coupé, while affording him perfect protection on a rough winter's night, is pre-eminent in its silent running, its distinguished lines, and its utter dependability. When used for social engagements the convenience of the four doors is apparent.
