

## ANDREWS

*The Ideal Tonic Laxative*

**is well proved in  
many ailments**

**C**OOLING and pleasant-tasting, patients like taking Andrews. Beneficial and safe in debility, fevers, digestive troubles, pregnancy, disorders of children. Can be discontinued without reaction when the need for it no longer exists. Andrews justifies the description of "Ideal Tonic Laxative" because:—

**FIRST . . . . THE MOUTH.** Andrews has a refreshing effervescence and pleasant taste. It cleans the mouth and tongue, and allays thirst.

**NEXT . . . . THE STOMACH.** The effervescent saline soothes the stomach, relieves nausea, heartburn and flatulence.

**THEN . . . . THE LIVER.** Andrews stimulates the bile flow, and corrects peristalsis, thus checking biliousness and improving digestion.

**FINALLY . . THE COLON.** The osmotic action of Andrews gently clears the bowels without griping or tenesmus, and a feeling of well-being and tone is produced.

*A clinical trial  
sample will be sent  
free, on request, to  
any member of the  
Medical Profession.*
