# MEDICATED DRESSING

(not heated)

As a medicated dressing Antiphlogistine is applied at room temperature (not heated).

It acts as a protective soothing covering —helps prevent secondary infection. ANTIPHLOGISTINE absorbs products of inflammation, stops itching and removes crusts and scales. And, in minor burns, relieves pain and helps prevent blisters.

FORMULA :

Glycerinum .....	45.000%	Methylum Ess. ...	00.002%
