## ENO'S "FRUIT SALT"

for normal bowel activity

WITH good reason, ENO'S "Fruit Salt" might be regarded as the ideal laxative. It is free from undesirable side-actions. It is suitable for the young, the aged, the invalid, the convalescent and the case of pregnancy. ENO'S entails no risk of systemic dehydration, and because of its freedom from sugar it is also safe for diabetic cases. By its purity, by its palatable, refreshing taste it has established itself all the world over as an ideal send-off for the day.

ENO'S "Fruit Salt" is prepared by a special process and contains approximately: Sod. Bicarb. 53.25%, Acid. Tart. 43.50%, Sod. Biart. 1.50%, Sod. Tart. 1.75%.
