

IT'S AN ABBOTT RESEARCH PRODUCT

Render unto Caesar—

The credit of PENTOTHAL has been built on proved merit. It was originated in Abbott Research Laboratories and has been tested under most diverse conditions over many years. Year by year, in peace and war, ABBOTT'S have led the march of progress in the field of intravenous anaesthesia. ABBOTT supplied both military and civilian needs. Today the wealth of accumulated experience in the safety and effectiveness of PENTOTHAL is the safeguard of the trained anaesthetist in his daily work.

Descriptive literature will be sent on request.

BIRMINGHAM 2.

PAIN IS INTENSELY PERSONAL

Sympathetic understanding may assuage mental anguish, but surcease from physical distress can come only from the relief of symptomatic pain.

Veganin is particularly well adapted for the relief of menstrual distress since it is a synergistic association of codeine, acetyl-salicylic acid and phenacetin producing rapid and prolonged relief without ill-effects.

When it is necessary to relieve pain without incapacitating the patient, try Veganin.

RESTRICTED SUPPLIES:
Owing to the shortage of certain supplies and the consequent limitation of output, chemists have been asked to give priority to doctors' prescriptions. Veganin is not advertised to the public.
