## Feet in the formative years...

Ever since the inception of Start-rite Shoes 25 years ago, we have been conscious of our duty to make children's shoes which permit and encourage normal development. Recently in co-operation with a leading orthopaedic surgeon we have improved these shoes and they now have the following features:

1. Greater flexibility.
2. New straight toe line, roomier toes.
3. Snug heel grip.
4. Special heel to keep ankles straight.
5. New last, graded to conform to the changing contour of the foot.

Thus, as makers of Start-rite shoes, we have attempted to fulfil our obligation. But we will not rest there. It is our intention to go on taking advantage of every new development in the field of orthopaedic research.

## COMBINED PROTECTION WITH 3 INJECTIONS

By the use of 'Wellcome' brand Diphtheria-Pertussis Prophylactic D.P.P., children may be immunised against the two diseases in a course of three injections. The product contains Diphtheria Prophylactic A.P.T. plus Whooping Cough Vaccine (Alum Precipitated). Immunisation with 'Wellcome' Diphtheria Prophylactic A.P.T. has markedly reduced the incidence of and mortality from diphtheria. Although Whooping Cough Vaccine does not confer a degree of immunity comparable with that induced by diphtheria prophylactics, wide experience amongst clinicians indicates its value in reducing the incidence and severity of the disease.

*"And this, my dear, is Grandfather"*

GRANDFATHER was four old. Queen Victoria was 68. Grandfather had decided he would become another General Gordon — funny how he got into the insurance business. Röntgen had yet to discover the X-ray. But babies were being fed on M.O.F.

M.O.F. was on sale in Scotland as far back as 1887. It was something new in baby feeding.

Today it is a different kind of M.O.F. It has advanced with the progress of nutritional science. It embodies the results of years of

dietetic research. Its efficiency can perhaps best be measured by its popularity. M.O.F. was not distributed on a national scale until 1941 — yet more than half the country's infant welfare centres now recommend it.

M.O.F. is a product of A. & R. Scott Ltd. of Edinburgh. Soon there will be other infant foods prepared with the same attention to modern nutritional standards. One of these will be a pre-cooked infant cereal, combining the latest in nutrition science with household convenience.

## Liver at meal times

Proteolysed Liver A&H is prepared by a process which eliminates the nauseating flavour of raw liver. Its palatability has been further improved by its presentation in a paste form. It may be readily incorporated in the normal diet by its inclusion in soups or as a sandwich spread.

In pernicious anaemia and other megalocytic anaemias proteolysed liver has proved effective in cases which have failed to respond to extracts of liver in general use.

## SevenSeaS is vitamins plus

Popular belief always credited Cod Liver Oil with nutritional values over and above those of the Vitamin A and D that it contains in abundance. Recent scientific research has justified an ancient belief in yet another specific direction.

Unsaturated fats (and Cod Liver Oil is more unsaturated than any other edible oil or fat) are often deficient in normal diets. They have special values in promoting general health and particularly the proper nutrition and health of the skin.

The method of preparation of SevenSeaS at sea from sea-fresh livers ensures that the delicate unsaturated fatty acids of the oil are presented in an undamaged and readily digestible form. A daily teaspoonful of SevenSeaS provides unsaturated fatty acids at the recommended minimum level of approximately 1% of the calorie intake.

Current rationing difficulties make the prescription of SevenSeaS of still greater value.

### STANDARD OIL:

Vitamin A 20,000 I.U. ; Vitamin D 2,500 I.U. per oz.

### CONCENTRATED:

Vitamin A 60,000 I.U. ; Vitamin D 6,000 I.U. per oz.

one tablet meets a **triple** need

Even with the special dietary concessions to expectant mothers, an insufficiency of iron, calcium and vitamin D remains relatively common during pregnancy. There is still good reason, therefore, to ensure an adequate intake by prescribing these factors in measured supplementary amounts. For this purpose, Caldeferrum tablets are specifically prepared. Given as a routine throughout pregnancy and lactation, four Caldeferrum Tablets daily supply the mother's estimated requirement of iron, up to five-sixths of the calcium she needs, and ample vitamin D for efficient assimilation of the calcium. The tablets are small, chocolate-coated and easy to take.

## THE FIRST YEAR OF LIFE

### FOR SUCCESSFUL INFANT NUTRITION

At no other stage is the correct nutrition of the infant more important than in the first year of life. Breast feeding, if possible, remains the unchallenged method of laying this foundation of health. But if natural feeding fails, Cow & Gate Milk Foods provide a reliable and dependable substitute.

#### HALF CREAM

When foods other than breast milk are first introduced, some children require a reduced fat intake. In a smaller number of cases it is advisable to continue with the low fat content for several months. The half cream food, which contains the same vitamin and iron supplements as the full cream variety, has this reduction of fat with an addition of carbohydrate in the form of milk sugar.

#### FULL CREAM

This product conforms approximately to the fat content of average breast milk, and is prepared from finest quality milk powder made by the Cow & Gate Improved Roller Process, under scientifically controlled conditions. It contains 320 International Units Vitamin D and 1 milligram of iron per ounce.

### COW & GATE MILK FOODS

## AS THE TISSUES WEAKEN WITH THE YEARS

SECRETORY dysfunction and muscular atrophy of the senile intestinal wall result in:

1. **Inadequate mucinous lubrication** of intestinal contents. Agarol\* provides replacement by colloidal agar-agar similar to natural mucin in its lubricant qualities.
2. **Inadequate peristalsis.** Agarol re-activates peristalsis. White phenolphthalein induces gentle stimulation sufficient to overcome intestinal atonicity.
3. **Inadequate moisture.** Faecal hardening in the colon is corrected by Agarol: delay is eliminated and a moist, well formed stool passed. Each tablespoonful of Agarol ensures the retention of 100 c.c. of water in the stool.

## FEEDING THE GASTRIC PATIENT

INGLIS FOOD provides a very useful form of nourishment for the gastric patient or at other times when the digestion is weakened or impaired.

When combined with milk, Inglis Food establishes a desirable balance of fat and protein and so protein stimulation of excess acid is avoided.

Unlike many other cereals, Inglis Food is bland with a very low fibre content (0.20%). The fine processing of the flour minimises this irritant.

Inglis is a very economical food, a 16 oz. tin costs 2/-.

## For the Disabled and the Infirm

THE ability to get about, to maintain daily interests and social contacts, plays an important part in the continued health and happiness of the disabled and the infirm.

For this purpose the NELCO "SOLOCAR" is ideal. Electrically driven; silent, vibrationless and free from fumes; operated with one hand—effortlessly and without strain—it climbs any hill, travels forty miles without re-charging, passes through most doorways, turns in its own length.

Enquiries for the new post-war models can now be received.  
A fully detailed and illustrated brochure will shortly be issued.

## THE NEXT BEST THING TO A SECRETARY

on duty day and night, and week-ends too, is FINDERS Special (V.I.P.) Telephone-Secretarial Service.

It was started at the request of a number of Doctors in the London area, who were having difficulty in ensuring that their telephones were attended at all times.

We can put an alternative number — GERrard 9050 (20 lines) — attended day and night by expert operators at your service. We will take messages, and pass them on, keep a duplicate appointments book, and, in fact, do anything which you would expect a secretary to do on the telephone.

12 months' subscription 12 guineas. This includes 120 free local calls. All other calls at cost price. NO EXTRAS.

Please ring or write for further details.

## Against exhaustion

The energising and therapeutic effect of glucose is available in a most acceptable form in LUCOZADE.

Whereas ordinary glucose preparations may have a sickly and even nauseating effect on the palate, LUCOZADE is remarkably refreshing. Once tasted—it is never refused.

This pleasing characteristic is of the greatest value in treating cases of shock, physical exhaustion and other conditions requiring glucose ingestion.

## IODINE AND FAILING LACTATION

"TWENTY cases of failure to establish lactation in the puerperium were treated with Lugol's solution. The mean output per day increased by 300%. One-third of a small number of failures of lactation in mothers with older infants have responded to Lugol's solution."

"Iodine and Failing Lactation," *BRITISH MEDICAL JOURNAL*, July 26, 1947, v. ii, pp. 126-128.

This investigation undertaken at St. Thomas's and at University College Hospital, under the auspices of the Medical Research Council strengthens the belief held in many quarters that iodine deficiency may be more prevalent than is generally supposed and that correction of this condition could contribute materially to better health.

All the research literature relating to the therapeutic and nutritional uses of iodine is collated and made readily available to members of the medical profession by the Iodine Educational Bureau. Many of the newer uses and research findings are not widely known. Medical practitioners are invited to consult the Bureau about them. There is no charge.

## *Introducing* **ALOCOL Cream**

*Now making Alocol available  
in 3 convenient forms*

A LOCOL, the well-known brand of Colloidal Aluminium Hydroxide, is now obtainable as a stable and palatable cream, thus presenting, with Alocol Powder and Alocol Tablets, three convenient ways of administering Alocol to meet every condition and preference.

Alocol Cream—equally with Alocol Powder and Tablets—is a most effective antacid for the neutralisation of hyperacidity in the treatment of dyspepsia, peptic ulcer and other conditions which irritate the gastric tract.

### **Alocol Cream—like Alocol Powder & Tablets—has these Advantages:**

- Owing to its high reactivity it quickly neutralises excess acidity
- It has a reserve of neutralising power and can thus control for a prolonged period the gastric acidity at the level most conducive to healing.
- It does not produce alkalisation nor a condition of alkalosis

ALOCOL CREAM is supplied in bottles of 9 fl. oz

ALOCOL CREAM. FORMULA—Alocol 6.0 parts approx.; Glycerin 5.0 parts; Ol. Ment. Pip. 0.005 parts; Aq. Chlorof. 4.0 parts; Aq. Dest. to 100.0 parts. The normal dose is 1 to 3 teaspoonfuls between meals and at bed-time

## THE PRACTITIONER'S CARD-INDEX GUIDE TO TREATMENT

Deliveries—  
Early Feb.

Prepared and edited by medical specialists  
experienced in medical publishing

This digest of treatment in the form of a card-index system is an original idea which is finding a ready welcome with the medical profession. A world survey of medical literature has been made and a digest, concise but sufficiently comprehensive to enable the reader to apply treatment, is supplied on cards filed in a special metal box. This is brought up to date every three months.

The complete Index consists of approximately 350 cards, including a list of pharmaceutical specialities with manufacturers' names and addresses and telephone numbers. The initial cost of £5 5s. includes four quarterly replacements of cards. Subsequently the cost of the replacement service is £2 2s. per annum.

## APPOINTMENTS

### HIS MAJESTY'S COLONIAL SERVICE TRAVELLING MEDICAL OFFICERS in Sarawak

Applications are invited to fill vacancies in the Colonial Medical Service for Travelling Medical Officers in Sarawak. These posts offer wide scope for initiative and the broadening of both lay and medical experience. Successful candidates will be required to tour inland areas by river and to be in charge of mobile dispensaries. The climate is not unsuitable to Europeans and the country is healthy provided reasonable precautions are taken against malaria. Candidates must be of British nationality with medical degrees registrable in the United Kingdom, and should have had at least twelve months' post-graduate experience and should also possess a good working knowledge of abdominal surgery, obstetrics and tropical medicine. Candidates born after January 1, 1908, will be eligible for permanent and pensionable posts, but appointments may also be made on contract, and selected candidates after a few years in this work will be given an opportunity to transfer to other duties in the Colonial Medical Service. Salaries are on the scale  $\$500 \times 25 = \$800$  a month (one dollar equals 2s. 4d.). A cost-of-living allowance of 10% per month is also payable, plus 25% of gross salary for married officers and 15% of gross salary for bachelors, with maxima of £135 and £85 respectively. Free quarters are at present provided and free passages for officer, wife and two children under sixteen on appointment and on leave. Salaries and conditions of service are, however, under review. There is no income tax in Sarawak. A form of application may be obtained from the Director of Recruitment (Colonial Service), 15, Victoria Street, S.W.1.

### HIS MAJESTY'S COLONIAL SERVICE ASSISTANT PATHOLOGIST

#### Department of Pathology in Singapore

Applications are invited to fill the post of Assistant Pathologist, Department of Pathology, in Singapore. Applicants must be "qualified medical" practitioners with degrees registrable in the United Kingdom, and experienced in pathology, and should preferably be bachelors under 40 years of age. Appointment will be on agreement for two to three years at a salary of £750 a month (£1,050 a year). Cost-of-living allowance is also payable at \$10 a month plus 20% of salary for bachelors and 30% for married officers, subject to maxima of \$110 and \$160 a month. Children's allowance, where applicable, is paid at \$70 a month for first child and \$50 for second child up to 18 years of age. Government quarters are provided if available and a rental charged of not more than 6% of salary. Messing accommodation for bachelors. Free passages for officer, wife and up to three children on appointment and on expiry of agreement. Outfit allowance of £60 on appointment. Applications should be addressed to the Director of Recruitment (Colonial Service), 15, Victoria Street, London, S.W.1.

### KILLEARN HOSPITAL GLASGOW AND WEST OF SCOTLAND NEURO-SURGICAL UNIT FIRST ASSISTANT

The Joint Committee administering Killearn Hospital invite applications from registered medical practitioners for the post of full-time First Assistant in the Glasgow and West of Scotland Neuro-surgical Unit at Killearn Hospital. Applicants should hold a higher surgical qualification and have a substantial experience of Neuro-surgery. The salary range is from £1,000 to £1,400 per annum, assessed on a non-resident basis. If the successful applicant resides in the hospital, £100 per annum will be charged for full board and lodging. Applications stating age, qualifications with dates, present appointment and previous experience, together with the names of not more than three referees, should be addressed to the undersigned, from whom further information may be obtained, not later than February 25, 1948.—Neil M. Adam, Secretary, 87, Union Street, Glasgow, C.1.

### JERVIS STREET HOSPITAL, Dublin TWO VISITING PHYSICIANS

The Committee of Management of this Institution invite applications for vacancies for Two Visiting Physicians on the Staff of the Hospital for recommendation to the Governors. Only persons possessing the membership of the Royal College of Physicians of Ireland or of the Royal College of Physicians of England, or the M.D. Degree from a recognized University, will be eligible for election. The successful candidates will be required to give an undertaking not to accept similar appointments with any other public general hospital during their tenure of office. Candidates should address their letters of application to the Secretary of the Hospital so as to reach her not later than February 20, 1948.—By order, Sheila O'Dea, Secretary.

## GOVERNMENT OF SOUTHERN RHODESIA VACANCIES FOR MEDICAL OFFICERS

Applications are invited from male medical practitioners for appointment as Government Medical Officers in Southern Rhodesia. Salary scale is £660 by £27 10s. to £990 per annum, plus the right to private practice or an allowance in lieu, at present at the rate of £200 per annum, at certain stations where private practice is not permitted. The commencing salary may be higher than the minimum of the scale (not exceeding four steps in such scale) in recognition of approved previous experience. A cost-of-living allowance, at present at the rate of ten per cent of basic salary, will also be paid in terms of regulations. Successful applicants will be required to pass a medical examination by a Southern Rhodesia Government or other duly appointed medical officer and will be provided with travelling fare from place of appointment to Southern Rhodesia for themselves and, if applicable, half the cost of fares for their wives and dependent children under the age of eighteen years. They will be employed, in the first instance, as Relieving Medical Officers. Official duties may include the supervision of European and Native Hospitals and Native Clinics; attendance upon Government patients and school children; performance of medico-legal work, routine public health duties, and any other work of a medical nature which may be allocated by the Medical Director. Motor transport will be provided for official duties and will be available for private purposes at tariff mileage rates. Applications in duplicate, stating age, nationality, marital condition, qualifications and previous experience (giving exact dates), full particulars of any military service, the earliest date on which duty could be assumed, and giving the names of two persons to whom reference may be made, should be sent, together with copies of three recent testimonials, to reach the Secretary to the High Commissioner for Southern Rhodesia, Rhodesia House, 429, Strand, London, W.C.2, on or before March 22, 1948. Canvassing will disqualify applicants.

## TYRONE COUNTY HEALTH COMMITTEE DIVISIONAL MEDICAL OFFICERS

The Tyrone County Health Committee invite applications for four Divisional Medical Officers, who will perform the duties of Assistant County Medical Officer and Medical Officer of Health in respect of the areas allocated to them. The positions have arisen in consequence of the proposed re-organization of the Health Services in Northern Ireland.

Division No. I comprises the Urban District of Dungannon and the Rural District of Dungannon. Division II comprises the Urban District of Strabane and the Rural Districts of Strabane and Castlederg. Division No. III comprises the Urban District of Omagh and the Rural District of Omagh. Division No. IV comprises the Urban District of Cookstown and the Rural Districts of Cookstown and Clogher.

Applicants must be registered medical practitioners holding a Diploma in Sanitary Science, Public Health or State Medicine and must have had experience in a whole-time Public Health appointment in accordance with the Health Authorities (Qualifications and Duties of Medical Officers) Regulations (Northern Ireland), 1948, and must be otherwise qualified in accordance with the above Order. The salaries for the positions have been fixed at £960 per annum rising by annual increments of £25 to £1,160, inclusive of cost-of-living bonus. Superannuation will be payable in accordance with the Northern Ireland Local Government Superannuation Acts, which is payable on a non-contributory basis. Travelling expenses will be payable according to the scale and conditions applicable from time to time to Civil Servants of the Government of Northern Ireland. Other things being equal, preference will be given to ex-Service candidates possessing the required qualifications. Forms of application, conditions of appointment and particulars of the Qualification Order above referred to may be obtained from the undersigned, with whom applications must be lodged not later than February 21, 1948.—Robert Parke, Secretary, County Health Office, Omagh, County Tyrone.

## CITY OF SALFORD HOPE HOSPITAL VISITING PSYCHIATRIST

Applications for the post of Visiting Psychiatrist at Hope Hospital, Salford, are invited. The appointment will be for four sessions per week and will be on a temporary basis for the time being. Remuneration will be in accordance with the agreement between the B.M.A. and the local authority association. Applications, with particulars of experience and the names of two referees, should be forwarded to the Medical Officer of Health, 143, Regent Road, Salford, not later than February 14, 1948.—H. H. Tomson, Town Clerk.

## DOWN COUNTY HEALTH COMMITTEE SIX DIVISIONAL MEDICAL OFFICERS

Applications are invited for the above-mentioned whole-time appointments from registered medical practitioners, who must also be registered in the medical register as holding a Diploma in Sanitary Science, Public Health or State Medicine. Applicants must have had not less than two years experience in general Public Health duties in a whole-time capacity as a Medical Officer of Health, Deputy Medical Officer of Health or Assistant Medical Officer of Health under a Local Authority in accordance with the Health Authorities (Qualifications and Duties of Medical Officers) Regulations (Northern Ireland), 1948, and/or must be otherwise qualified in accordance with the above Order. The salaries for the positions will be £960 per annum, rising by annual increments of £40 (first increment payable as from April 1, 1949) to £1,160, inclusive of cost-of-living bonus, plus travelling expenses on the County Council scale of 5d. per mile, and the posts are superannuable on a non-contributory basis in accordance with the Superannuation Acts relating to Local Government in Northern Ireland. The precise boundaries of the Divisional Areas (which will have a population of 30,000 to 40,000) have not yet been finally determined, but these will be formally approved prior to the attendance of applicants for interview, and the opportunity will then be afforded to applicants to state their preference (if any) for individual areas. The positions have arisen in consequence of the re-organization of the Public Health Services in Northern Ireland, and the successful applicants will be required (*inter alia*):—(a) to reside in the Division to which they are appointed; (b) to act under the direction of the County Medical Officer of Health as Assistant County Medical Officer within the Division; and (c) to act as Medical Officer of Health to the various Borough, Urban, and Rural Districts within the Division. Details of the conditions of appointment and particulars of the Qualifications Order above referred to may be obtained from Dr. J. B. McKinney, County Medical Officer of Health, at the under-mentioned address. Other things being equal, preference will be given to ex-Service candidates possessing the required qualifications. Applications to be lodged with the undersigned not later than Monday, February 23, 1948.—J. C. Pantridge, Secretary, 17, Ocean Buildings, Donegal Square East, Belfast.

## CIVIL SERVICE COMMISSION FULL-TIME PATHOLOGIST

Applications are invited from registered medical practitioners preferably holding a University degree in medicine for the permanent post of full-time Pathologist in the Home Office attached to the North Eastern Forensic Science Laboratory at Wakefield. The successful candidate will be required to give expert advice and assistance to police forces in Yorkshire, including the carrying out of examinations at the scenes of crime as well as in the laboratory, and will also be required to give expert evidence in court. Salary is £960 per annum for candidates age 35 on appointment, rising by annual increments of £30 and £50 to £1,320; £30 will be deducted for each year below 35. Superannuation provision will be made either under the Superannuation Acts or the Federated Superannuation System for Universities. The post will be filled by competitive interview in London. Further particulars and forms of application may be obtained from the Secretary, Civil Service Commission, 6, Burlington Gardens, London, W.1, quoting No. 2108. Completed application forms must be received not later than March 4.

**BOROUGH OF STALYBRIDGE AND  
DUKINFIELD**

**JOINT MEDICAL OFFICER OF HEALTH**

Applications are invited from registered medical practitioners, including those serving in H.M. Forces, for the permanent appointment of Medical Officer of Health for the two Boroughs. The salary will be at the rate of £960 per annum, rising by three annual increments of £50 to a maximum of £1,110 per annum, plus cost-of-living bonus. Applicants must be registered in the Medical Register as holders of a Diploma in Sanitary Science, Public Health, or State Medicine. The appointment will be subject to the Sanitary Officers' (Outside London) Regulations, 1935, and the person appointed will be required to undertake the performance of all duties imposed upon a Medical Officer of Health by statute and by any orders, regulations or directions from time to time made or given by the Minister of Health, to whose approval also the appointment will be subject, and to any by-laws or instructions of the Councils. It is probable that the successful applicant will also be appointed at an increased salary as Divisional Medical Officer under the Cheshire County Council's Scheme (of which the two Boroughs form exclusively one Division) under the National Health Service Act, 1946. Applicants should possess experience in school medical work, and the successful candidate will not be permitted to engage in private or consultant practice. Every effort will be made to provide the successful applicant with housing accommodation. The appointment is subject also to the Local Government Superannuation Act, 1937, and the successful candidate will be required to pass a medical examination for that purpose. Further particulars of duties, conditions of appointment, and form of application may be had on application to the undersigned, and applications, marked "Medical Officer of Health," accompanied by copies of not more than three recent testimonials, must be sent to the undersigned not later than February 14, 1948. President: HER MAJESTY QUEEN MARY. Vice-President: Sir George H. Wilkinson, Bart. Treasurer: Gerald Coke, Esq. Physician-Superintendent: J. G. HAMILTON, Esq., M.D., D.P.M.

This REGISTERED Hospital is situated at Monks Orchard in some 250 acres of park, pleasure and farm grounds. Applications can be considered on behalf of patients of the educated classes in a presumably curable condition.

With a view to early treatment voluntary or un-certified patients are admitted. Patients who can contribute 5 guineas weekly towards the cost of treatment and maintenance may be received as vacancies arise. The Committee will also consider applications for admission at lower rates and in certain cases will be prepared to admit patients free of charge. The comfort of sensitive patients is greatly enhanced by the fact that the majority are given single bedrooms. TREATMENT ON MODERN PRINCIPLES. Every facility for specialized investigation and treatment is provided in the Lord Wakefield of Hythe Science and Treatment Unit, including RADIOLOGICAL and DENTAL DEPARTMENTS, BIOCHEMICAL, PATHOLOGICAL and PSYCHOLOGICAL LABORATORIES. The Medical Staff have access to a panel of Consultants in cases which present unusual symptoms requiring specialized investigation and treatment. Under the direction of qualified officers HELIOTHERAPY, HYDROTHERAPY, and ELECTROTHERAPY are administered in the Physiotherapy Department. SPECIALIZED TREATMENT of various forms is given to suitable cases.

OCCUPATIONAL THERAPY in the form of various Arts and Crafts is actively encouraged from the medical aspect, and under the guidance of a competent instructor this department has proved most effective as a therapeutic factor in all stages of mental illness. The promotion of physical fitness is a prominent item of treatment, and this is enhanced by arrangements for patients to take part in Outdoor and Indoor Sports and Entertainments. ADDITIONAL ACCOMMODATION FOR MALE PATIENTS is now available by reason of completion of war damage repairs. Application should be made to the Physician-Superintendent

## NEMBUDEINE Tablets

*Nembudeine* is the Abbott trade mark for a mixture containing Nembutal, Acetophenetidin and Codeine, compounded in tablet form. It exerts the combined sedative effect of nembutal and the analgesic effect of codeine together with the antipyretic and analgesic action of acetophenetidin. Each tablet contains Nembutal 1/2 gr., Acetophenetidin 5 gr., and Codeine Sulphate 1/4 gr.

*Nembudeine Tablets* are helpful in relieving the mental irritability and restlessness due to conditions associated with pain and discomfort, and may also be used pre-operatively or post-operatively for minor surgical procedures.

*Nembudeine Tablets* are supplied in bottles containing 25, 100, and 500 tablets.

*Literature on request.*
