

## Let your child's foot show you

This is a picture of a Clarks sandal with the upper removed to show the natural mark made by a child's foot. Notice how much free space there is for width and forward growth round the toes. Clarks shoes give the best assurance of healthy feet.

## Emergency measure..

The anticipated effects of glucose as an energiser and restorer are to some extent lost if the patient shows a degree of unwillingness to accept it.

But the common aversion to the sickly, sometimes nauseating, taste of glucose in many of its ordinary forms is strikingly absent whenever LUCOZADE is offered.

LUCOZADE is so palatable, so refreshing, that neither children nor adults ever need urging to take it as prescribed.

(Containing Dextrose, Maltose and Dextrin in solution equivalent to 23% w/v Liquid Glucose B.P.)
