

## THE NEW NATIONAL HEALTH PLAN

*Have you means of Housing  
your Patients' Health Cards?*

### Specially Designed Cabinets available—in Steel and Wood

Most medical men are in need of a means of housing the cards of their patients.

Cabinets are available which have been specially designed for this purpose—in steel or wood.

These are to take cards eight inches high and five inches wide. The steel type are in single units to hold 400 cards (with envelope) adaptable for bolting together in stacks. Stove-enamel green finished. The wood type are in units of four drawers in polished hardwood. Delivery is prompt.

Alphabetical guides are also available for sub-dividing cards so as to afford quick selection of individual cards.

Just write "Details of Health Cabinets" on your letter-heading and full details and prices will be sent you by return.

Incidentally, have you seen the new Personal Attaché Case File? It is the ideal portable office for doctors. This strong, totally enclosed metal case with lock and key can contain every case history for your day's visits. The moderate cost includes case, long lasting metal-suspended files, angled tabs for quick identification and ready printed labels.

NOTE.—The well-known Shannon Visible Records, i.e. Account and Case-History records, are still available for private paying patients.

### SALT'S REGISTERED COLOSTOMY BELT

#### WITH STERILIZABLE RUBBER CUP

Designed specifically for use in cases where faeces are of a solid nature, or the amount is small. The special feature is that the cup is made of moulded rubber, in one piece, and has no corners nor crevices—therefore does not retain odour. Full details in our Corset and Belt Book—post free to medical people on request.
