FOR USE WITH STANDARD HANDLES

Gillette Surgical Blades

Two outstanding characteristics in the range of surgical blades recently introduced by Gillette Industries Ltd. are greatly enhanced sharpness and a very high degree of uniformity. On professional recommendation the cutting edges have been redesigned in order to arrive at shapes which are not only correctly contoured for the exacting needs of surgical handicraft, but also permit the application of the most modern sharpening methods.

HOUSING OF PATIENTS' HEALTH CARDS

Under the New National Health Plan

Specially Designed Cabinets available—in Steel and Wood

Most medical men are in need of a means of housing the cards of their patients.

Cabinets are available which have been specially designed for this purpose—in steel or wood.

These are to take cards eight inches high and five inches wide. The steel type are in single units to hold 400 cards (with envelope) adaptable for bolting together in stacks. Stove-enamel green finished. The wood type are in units of four drawers in polished hardwood. Delivery is prompt.

Alphabetical guides are also available for sub-dividing cards so as to afford quick selection of individual cards.

Just write "Details of Health Cabinets" on your letter-heading and full details and prices will be sent you by return.

Incidentally, have you seen the new Personal Attaché-Case File? It is the ideal portable office for doctors. This strong, totally enclosed metal case with lock and key can contain every case history for your day's visits. The moderate cost includes case, long lasting metal-suspended files, angled tabs for quick identification and ready printed labels.

NOTE.—The well-known Shannon Visible Records, i.e. Account and Case-History records, are still available for private paying patients.
