efficiency in emergency

The germicidal efficiency of 'Dettol' remains high even in the presence of blood, pus and wound debris. This property, coupled with its wide margin of safety, makes 'Dettol' invaluable for use in emergencies, not only by you, but in the less qualified hands of others who in emergency might have to render first aid.

**EFFICIENCY
AND ABSOLUTE COMFORT:**

**SALT'S
Sacro-iliac
Belt**

The adoption of Salt's Sacro-iliac Belt affords quick relief of pain and discomfort, together with a rapid restoration of the normal relationship of the sacral and iliac bones. A beneficial effect is also exerted on the tone of the abdominal viscera. This efficiency is joined with real comfort, so that the patient can make an early resumption of normal activities. Styles are available for both sexes. Further details and Measure/Order forms on request.
