

IN THE SERVICE OF SURGERY

FOR USE WITH STANDARD HANDLES

Gillette Surgical Blades

The Surgical blades recently introduced by Gillette Industries Ltd. are notable for their greatly enhanced sharpness and their high standard of uniformity. Acting on professional advice, Gillette have redesigned the cutting edges in order to permit the application of modern sharpening methods whilst retaining shapes which are correctly contoured for the exacting needs of surgical handcraft.

EVIDENCE FROM BRAIN OPERATIONS

by

WILDER PENFIELD, F.R.S.

A talk broadcast in the B.B.C. Third Programme in the series "The Physical Basis of Mind."

Dr. Penfield, Director of the Montreal Neurological Institute, reports on his experiences in brain surgery and advances a theory on the location of the seat of consciousness.

A BBC Publication

containing the best of broadcast talks, book reviews, criticisms of art, music and drama. Every Thursday from all newsagents, 3d.

THE "SALT AIR"

ARTIFICIAL BREAST

—the obvious solution of the psychological problem which frequently follows breast amputation. It restores the normal figure line, banishes self-consciousness, encourages resumption of normal activities. Can be worn while bathing, as it retains its shape when wet and can be easily dried. Available in the "Saltair" Brassiere or separately for sewing into patient's own foundation garment. Details to doctors on request.

Appointments at London address: 1, STANLEY HOUSE, 103, Marylebone High Street, London, W.1.
