An important advance in the science of syringe making

Every 'Plim' hypodermic syringe is an individual production, made by highly skilled craftsmen. That is the only way to ensure true accuracy, perfect functioning and consistently good service.

But there is something more to the 'Plim' syringe than just good craftsmanship—the *special design* which provides additional advantages to the user. Consider these features:

No solder or cement. Sterilization can be done up to 200° C. Protective metal casing of glass barrel minimises risk of damage. Barrels available from stock, but users can order a spare barrel for instant replacement.

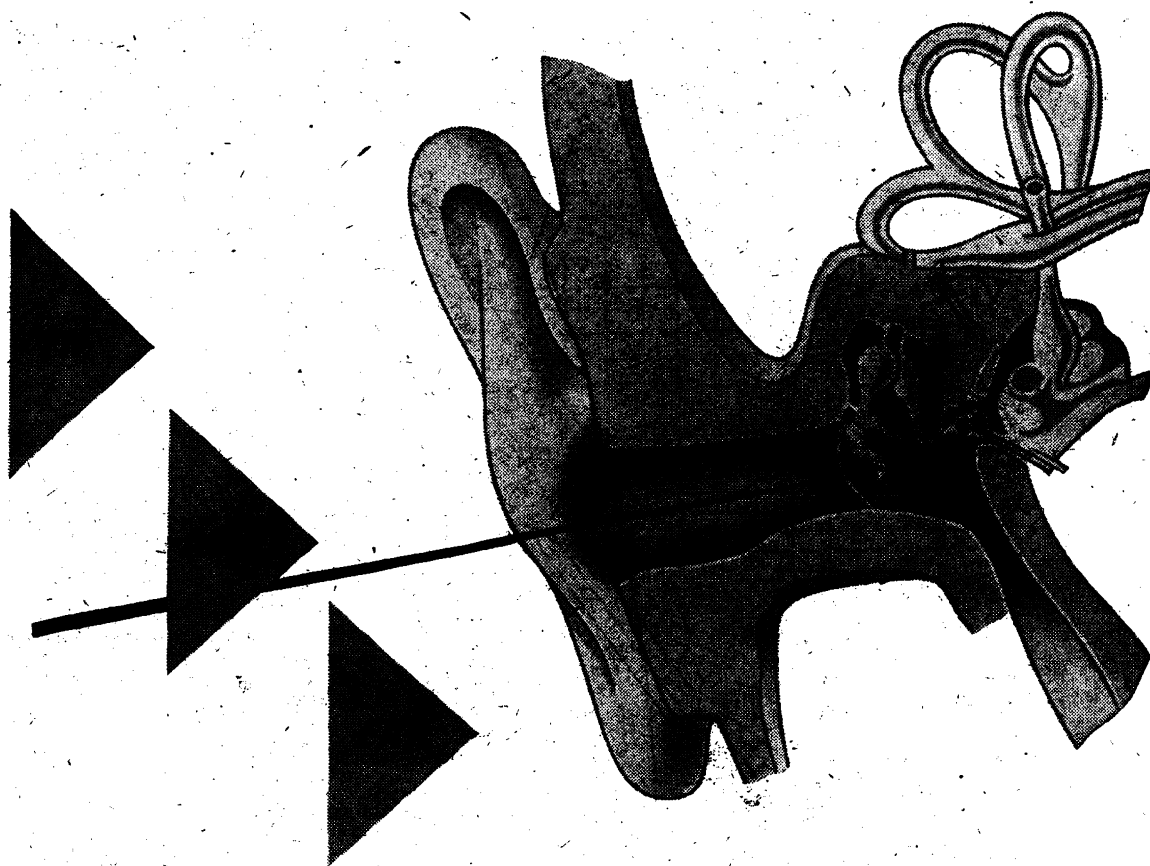

SIZES: 1, 2, 5, 10, and 20 c.c.
NEEDLE FITTINGS: Record, Luer, and other types. Side and central.

CHEMOTHERAPY OF TUBERCULOSIS

Adds a New Quality to P.A.S. CALCIUM SALT Presentation

The ONLY JUSTIFICATION for the introduction of a newer form of an already accepted tuberculostatic drug is its ability to provide additional worthwhile qualities, for example: greater convenience of dispensing, higher acceptability to patients and extra therapeutic advantage.

'Aminacyl' Granulate is a highly concentrated form of P.A.S., containing about 85% anhydrous Calcium Aminosalicylate—the latest salt to undergo successful trial—and providing the equivalent of 75% free acid P.A.S. and 9.8% calcium. Its superiority in the chemotherapeutic management of tuberculous disease is characterized by these qualities:—

CONVENIENCE *To Pharmacists* 'Aminacyl' Granulate is processed to ensure against any possibility of deterioration.

'Aminacyl' Granulate obviates the nuisance of preparing aqueous or syrupy solutions.

To Patients 'Aminacyl' Granulate is thoroughly acceptable to patients of all ages and throat types.

To Doctors 'Aminacyl' Granulate permits the physician to order any fractionated dosage; there is no "tie down" to large multiples of grammes.

STABILITY . . . 'Aminacyl' Granulate cannot deteriorate on standing over many months.

LIBERATION . . 'Aminacyl' Granulate is sialoresistant-coated to ensure that the distasteful contents are freed only after swallowing.

MODE OF ADMINISTRATION

'Aminacyl' Granulate provides effective therapeutic blood levels when administered in daily divided dosage of 12 to 15 gm. as 2 level teaspoonfuls of the Granulate (=4 gm. free acid P.A.S.) thrice daily.

PRESENTATION: Package for one week: 100 gm. Package for one month: 400 gm. Dispensing Package: 2,000 gm.

A dosage measure (capacity 2 gm. approx.) supplied gratis with each package.

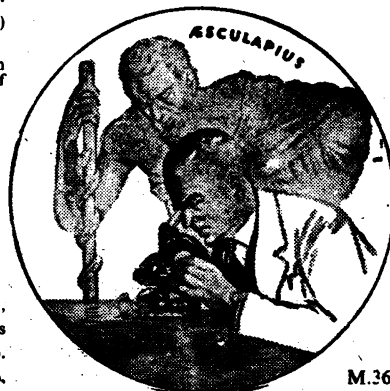

'Aminacyl' Calcium P.A.S. is also available in the form of *Dragées* (0.395 gm.) in bottles of 250 and 1,000; and as bulk powder.

**FOR YOUR
PREGNANT PATIENTS
WITH NAUSEA AND VOMITING**

Nidoxital

is available in bottles of 20 and 100 capsules. Original prescriptions should specify no more than 20 capsules since this quantity is usually sufficient for complete control. Dosage: one capsule 30 to 45 minutes before meals in the usual case; may be increased to 2 to 3 capsules in exceptionally severe cases.

Ortho Pharmaceutical Limited

HIGH WYCOMBE · BUCKINGHAMSHIRE · ENGLAND

Makers of Gynaecic Pharmaceuticals

For the 50% of pregnant women who suffer gastric distress, NIDOXITAL provides rapid relief. In almost all patients treated with NIDOXITAL, symptoms disappear within one to three days.*

Nidoxital

is rational therapy

Since the problem is complex, NIDOXITAL provides five effective agents for a full range of therapeutic and prophylactic action:

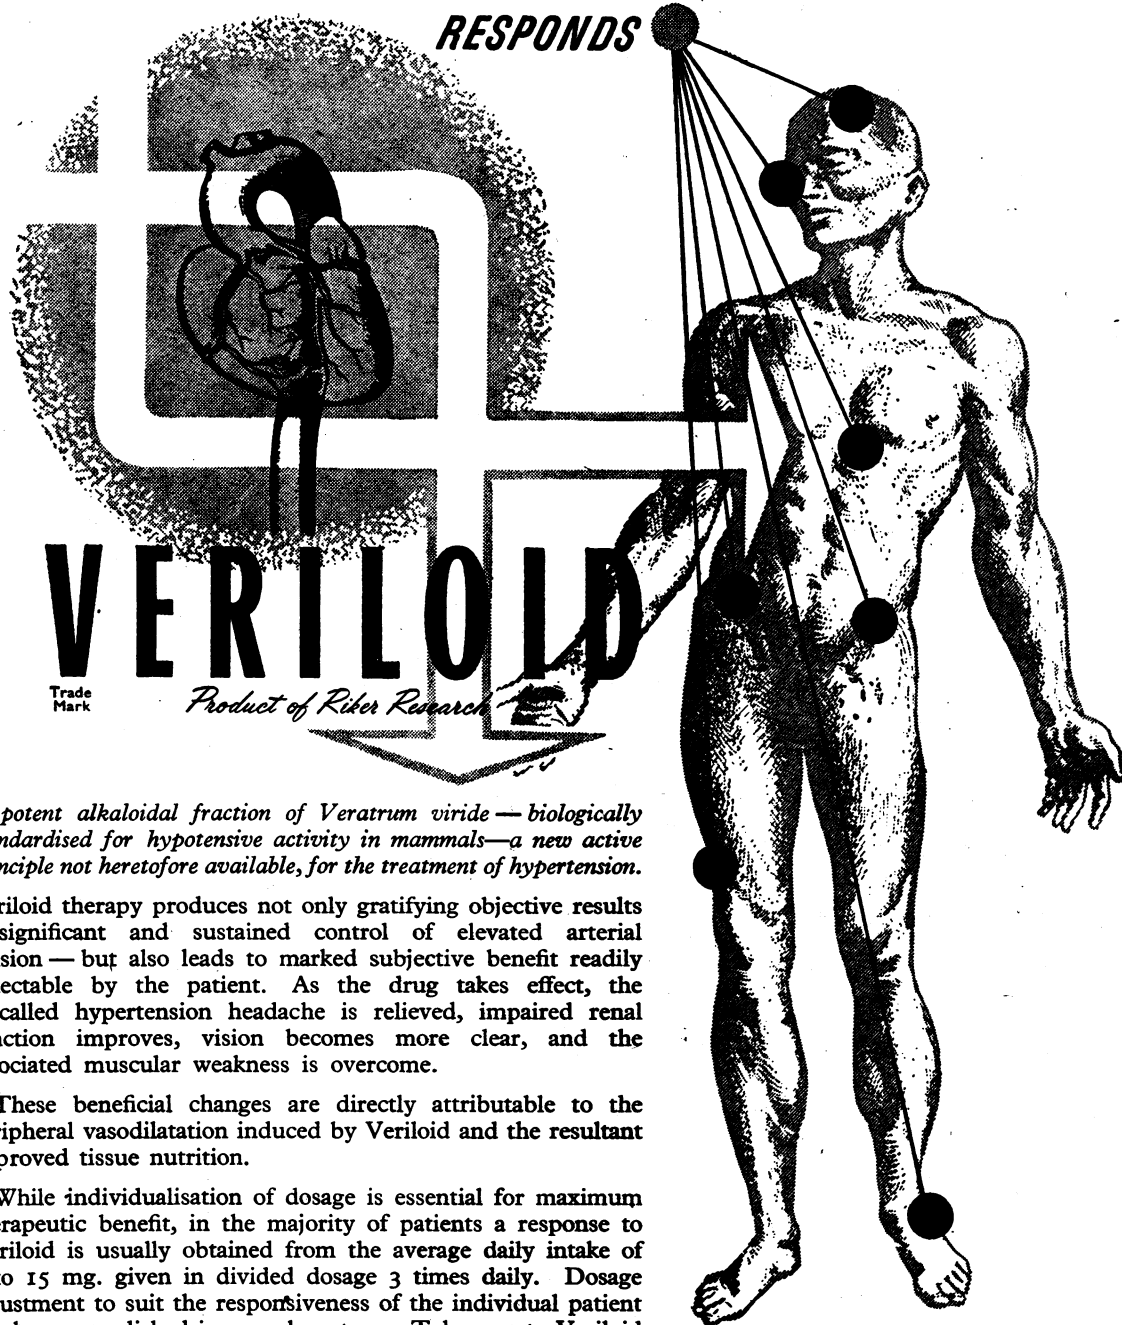

Benzocaine — to diminish gastric excitability
Nicotinamide — to reduce excessive peristalsis
Pentobarbital sodium — to depress central excitability
dl-Methionine — to support normal liver function
Pyridoxine — for fatty acid and protein metabolism, maintenance of nerve function and erythropoiesis. Pyridoxine is reported by many clinicians to have a favourable effect in nausea and vomiting of pregnancy and is a firmly established agent in treatment of this condition.

LITERATURE ON REQUEST

* The use of Nidoxital in Emesis Gravidarum, Am. J. Obst. & Gynec. 59: 458 1950.

The Hypertension Syndrome

RESPONDS

*A potent alkaloidal fraction of *Veratrum viride*—biologically standardised for hypotensive activity in mammals—a new active principle not heretofore available, for the treatment of hypertension.*

Veriloid therapy produces not only gratifying objective results—significant and sustained control of elevated arterial tension—but also leads to marked subjective benefit readily detectable by the patient. As the drug takes effect, the so-called hypertension headache is relieved, impaired renal function improves, vision becomes more clear, and the associated muscular weakness is overcome.

These beneficial changes are directly attributable to the peripheral vasodilatation induced by Veriloid and the resultant improved tissue nutrition.

While individualisation of dosage is essential for maximum therapeutic benefit, in the majority of patients a response to Veriloid is usually obtained from the average daily intake of 9 to 15 mg. given in divided dosage 3 times daily. Dosage adjustment to suit the responsiveness of the individual patient can be accomplished in a week or two. Tolerance to Veriloid is not likely to develop, and treatment can be continued indefinitely without deleterious effect.

Veriloid is available on prescription through all pharmacies in 1.0 mg. tablets, in bottles of 100. It may be prescribed on Form E.C.10 without restriction. Literature available on request.

RIKER LABORATORIES LTD.,
29, KIRKEWHITE STREET, NOTTINGHAM.

The common cold

Wet and squally weather can play havoc with many forms of protective devices—among them that of normal nasal function. With this local defence out of action, the way is wide open for attack by the common cold. In such cases the worst symptoms can be allayed by the speedy application of 'Endrine.'

The three formulæ provide for the treatment of the average adult ; children and sensitive patients ; and those who prefer saline to an oily base.

'Endrine'

The complete answer for macrocytic anæmias

Clinical experience over a decade has established that the administration of Anahæmin constitutes the most effective form of treatment for pernicious anæmia.

Anahæmin produces, with small and comparatively infrequent doses, a prompt and satisfactory erythropoiesis in patients in relapse, it ensures the maintenance of a normal erythrocyte level in patients

in remission and is effective in preventing the onset of subacute combined degeneration of the cord.

Anahæmin has also been found to be of value in the treatment of herpes zoster and post-herpetic neuralgia. The suggested dosage is 2 ml. followed by 1 ml. on subsequent days until relief is obtained.

"SANOID" STERILISED SURGICAL CATGUT

Prepared under M.O.H. Licence No. 40

Over forty years' experience is behind the manufacture of "Sanoid" Sterilised Surgical Catgut. Our capacity has recently been considerably increased to enable us to fulfil increased demand.

TENSILE STRENGTH: "Sanoid" Surgical Catgut easily surpasses official requirements for minimum average strength.

GAUGING: Every strand of "Sanoid" Surgical Catgut has been checked at four points by dial micrometer.

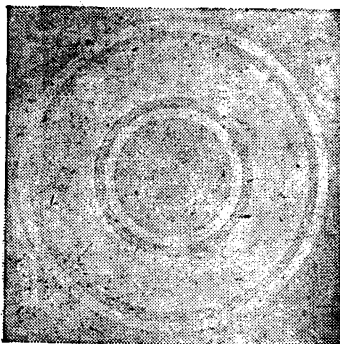

FLEXIBILITY: Heat treatment necessarily tends to make catgut to some degree wiry and brittle due to loss of moisture, but the composition of the solution in which "Sanoid" Surgical Catgut is tubed is such that the maximum possible strength and flexibility are restored to the gut and retained by it under long storage periods.

SMOOTHNESS: "Sanoid" Surgical Catgut is of great smoothness, but at the same time holds securely on the knot.

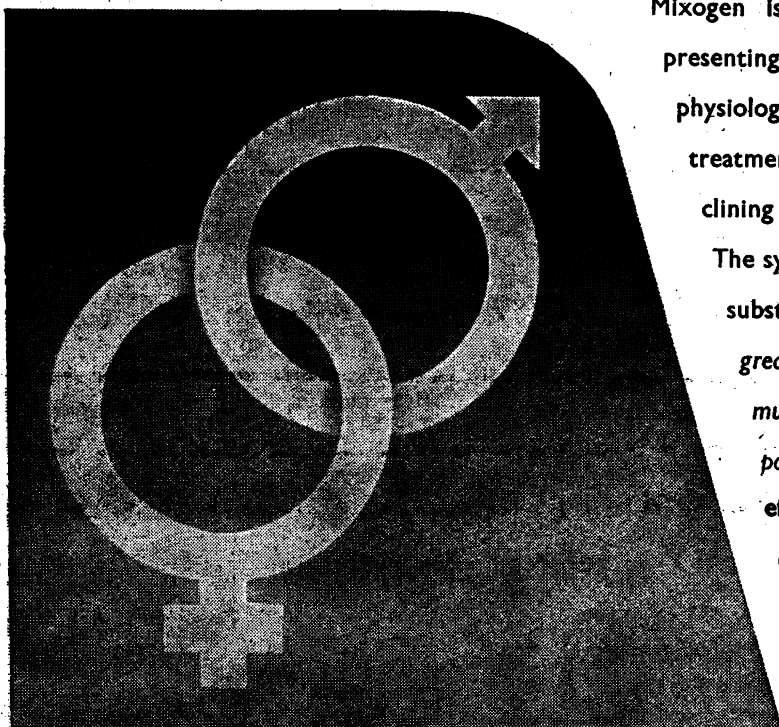

STERILITY: "Sanoid" Surgical Catgut conforms to the stringent bacteriological tests for sterility as laid down by the Ministry of Health in the Therapeutic Substances Regulations.

We invite your inquiries for Catgut and other Surgical Ligatures. Samples will be provided with pleasure.

NEW ADVANCE in sex hormone therapy

Mixogen is the new Organon preparation presenting the male and female hormones physiologically balanced in one tablet for the treatment of all signs and symptoms of declining sex hormone function in either sex.

The synergistic combination of these B.P. substances confers *beneficial results greatly exceeding any obtainable with much larger doses of either of the components alone*, without the unwanted effects occasionally associated with one-sided sex hormone therapy.

The sense of renewed mental and physical vitality is a notable feature of the treatment.

The tablets are **FREELY PRESCRIBABLE UNDER THE N.H.S.**

"MIXOGEN" contains 0.0044 mg. ethinylœstradiol B.P. and 3.6 mg. methyltestosterone B.P. in each tablet.

MIXOGEN

Male and Female Hormones in one tablet

In Perspex tubes of 25 tablets and in bottles of 100, 250 and 500.

A combination of qualities

The claims of 'Dettol' do not rest on any single quality desirable in an antiseptic, but rather upon the combination of several essential properties. It can be used at fully effective strengths with safety; without risk of poisoning, discomfort or damage to tissue. It retains a high bactericidal potency in the presence of blood, it is stable, and agreeable in use.

'D E T T O L' **THE MODERN ANTISEPTIC**

'Dettol' is available in 2 gallon and 5 gallon tins free of Purchase Tax *for dispensing purposes only*. Smaller sizes, including 1 gallon tins for public use are subject to Purchase Tax.

A new analgesic

Synthesized in the Roche research laboratories, the compound 3-hydroxy-N-methyl-morphinan was found to have a greater analgesic effect than morphine. The drug has been given the approved name methorphan: It has now been introduced under the trade mark

More potent and longer-acting than morphine—

Effective by mouth

'DROMORAN'

Available as the *l*-tartrate in tablets of 1.5 mg. for oral use and in ampoules containing 2.0 mg. in 1 c.c. for injection. Tablets in packings of 20 and 200. Ampoules in packings of 6 and 50.

WRIGHT'S COAL TAR LIQUID SURGICAL SOAP FOR THE SURGERY

Active Constituents: Coal Tar Derivatives and Hexachlorophene

FREE LATHERING • GERMICIDAL • NEUTRAL

This new WRIGHT'S preparation has been specially produced for pre-operative "scrub-ups" and satisfies the need for quick and certain destruction of infective agents.

Bacteriological tests prove that, under the usual conditions of washing the hands and arms, most pathogenic organisms are completely killed by Wright's Coal Tar Liquid Surgical Soap in less than half a minute. The rate of sterilization, using four common organisms of widely different types, is indicated in the accompanying table.

Hospitals are now using this new WRIGHT'S liquid surgical soap in the operating theatres. It will prove invaluable in the surgery.

ANALYTICAL REPORT

ORGANISM	TYPE	TIME TO PRODUCE COMPLETE STERILITY AT 37°C	
		At a dilution of 1-100	At a dilution of 1-50
Streptococcus Haemolytica	Gram positive	less than 1/2 min.	less than 1/2 min.
Staphylococcus Aureus	Gram positive	less than 1 min.	less than 1/2 min.
Salmonella Typhi	Gram negative	less than 1/2 min.	less than 1/2 min.
Proteus Vulgaris	Gram negative	more than 2 mins.	less than 1/2 min.

PRICE, tax inc. 14/- per 1/2 gallon. Free package and delivery from:

WRIGHT LAYMAN & UMNEY LIMITED, 42-50 SOUTHWARK STREET, LONDON, S.E.1.

ROBINSON'S

Robsoup

**THE NEW WEANING FOOD
FOR BABIES**

ROBSOUP is a concentrated bone and vegetable soup, ready cooked in powder form. The food constituents are different from and complementary to those of milk mixtures and cereals.

Robsoup mixes instantly with water at all temperatures to any consistency from a thin broth, suitable for adding to the baby's bottle, to a thick soup which may be fed from cup and spoon.

Robsoup is simple to use and economical—a 1/6d. tin gives ten helpings for a baby of five months. There is no waste with Robsoup. Only the amount required for the next meal is mixed at any one time. Being a dry powder, what is left in the tin will not go bad.

Therefore, provided the water used for mixing has been boiled and the cup and spoon are clean, Robsoup is safe from the danger of food infection and will not occasion gastro-enteritis.

Robsoup is made by a new process from peas, potatoes, carrots, yeast extract, cabbage, gelatin, edible bone phosphate, salt and onion. It is rich in iron (12 mg. per 100 gms.), calcium (400 mg. per 100 gms.) and vegetable protein (15.5%). Robsoup may therefore be given either as the first addition to milk or as the next step in weaning after the introduction of a cereal. Extensive tests have shown that babies thrive on Robsoup and like its flavour.

CARROW WORKS NORWICH

The facts about Glucose

Glucose, a term used to include a substance resulting from the partial hydrolysis of starch, is in practice a general description rather than a precise one. It is applied to medical preparations which contain additives that may not always be wanted and to commercial products of varying degrees of refinement. To identify Glucose in its purest form, and only in this form, the term Dextrose is used.

Dextrose, as found in the blood and tissues, is the sugar into which the body converts all carbohydrates. Requiring neither digestion nor chemical alteration, Dextrose is used by the body as a source of immediate energy.

The Dextrose (pure medicinal Glucose) produced by the Pharmaceutical Division of Corn Products Company Limited is prepared in two convenient forms:—

Dextrosol Powdered Glucose

This contains no additives of any kind. It can be taken in large quantities without causing nausea, and should be prescribed in all cases where a patient needs a source of heat and energy with the least demand on the digestion. Packed in 1 lb. cartons.

Dextrosol Karo Glucose Syrup

for Infants and Children

An appetising blend of pure Glucose and selected carbohydrates, carefully balanced to provide the ideal sugar addition to the milk diet of artificially-fed infants. Of special value in cases of nutritional disorder. Spread on rusks, bread, etc., it offers an excellent supplementary source of energy for growing children. Packed in 1 lb. tins. A Karo Baby Book is available for the guidance of mothers.

Professional samples of both Dextrosol products will be gladly provided. For further information, doctors are invited to write to the Dextrosol Information Bureau, Wellington House, 125/130 Strand, London, W.C.2.

Prescribing a Laxative

When the Physician is called upon to prescribe a laxative for prolonged or occasional use, Andrews merits special consideration. Andrews is pleasant tasting. Its effervescence has a refreshing quality that makes it an acceptable draught. Andrews causes no griping or discomfort. Its laxative action is due to the presence of magnesium sulphate and other salts in balanced proportion, which, acting by osmosis, induce easy, painless evacuation.

Andrews is particularly suitable for patients liable to digestive upsets. It allays gastric discomfort and nausea. It also improves the flow of bile, and helps to check biliousness and sick headaches. No costive reaction results when Andrews is discontinued.

Active constituents:

Tartaric Acid ..	24.600%
Sodium Bicarbonate ..	25.142%
Magnesium Sulphate (B.P.C. Exsicc.) ..	19.000%
Sugar ..	31.250%
Saccharin ..	0.008%

FROM HEALTH FOOD STORES AND LEADING CHEMISTS

For oral
cleanness

... and
oral health

To keep the teeth and mouth clean without doing damage to either — that is the simple function of a good Tooth Paste. Macleans performs it. Macleans Peroxide Tooth Paste removes greasy film from the teeth. The polishing ingredients can then act easily and without abrasive action. They are ultimately soluble in saliva and leave no solid residues in the mouth.

Macleans Peroxide Tooth Paste is sufficiently alkaline to mitigate oral acidity. It neutralises the acid patches formed on or between the teeth by fermenting food particles. It is mildly antiseptic but uninjurious to the normal oral flora which defend the mouth against pathogenic bacteria. It is pleasant to use and of refreshing flavour.

Sample tubes of Macleans Peroxide Tooth Paste

are now available for distribution to your patients. A supply of these, and copies of a leaflet "The Care of the Mouth before and after the Extraction of Teeth," will gladly be sent to you free on request. This offer applies only to Great Britain and Northern Ireland.

PLAYER'S No. 3
The Quality Cigarette

[3P107A]

The case of the exacting surgeon

A famous surgeon was struck by the fact that his razor blades seemed to be much sharper and more uniform than any scalpels he could then obtain. To a keen and vigorous mind there seemed no reason why the makers of the blades should not make surgical blades of the same high quality.

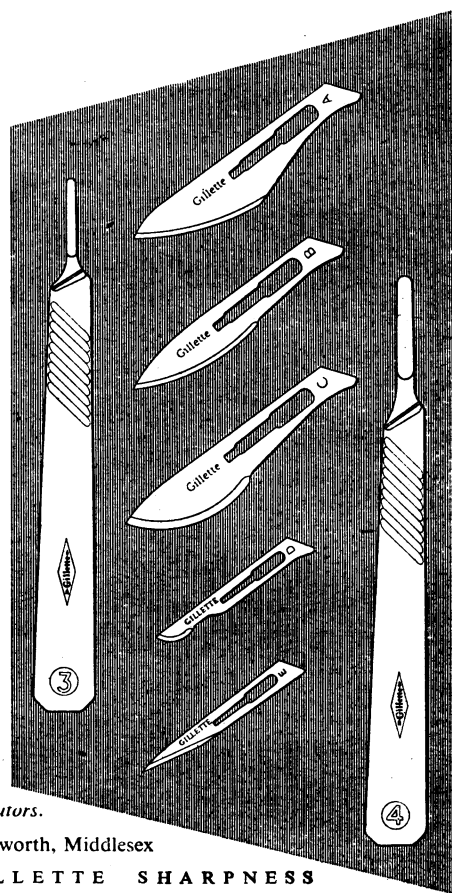

The solution was indeed brilliantly simple. He asked Gillette to produce surgical blades with edges equal to those of their razor blades. Now the sharpest edge in the world is available to make surgery easier, safer, and more accurate.

Gillette Surgical Blades and Handles are precision-made for each other. Not only does this ensure absolute rigidity in use, it makes the fixing and release of a blade the work of a moment.

Available throughout the world from leading distributors.

Gillette Industries Limited, Great West Road, Isleworth, Middlesex

SURGICAL BLADES OF GILLETTE SHARPNESS

Rx

*For the effective
relief of*

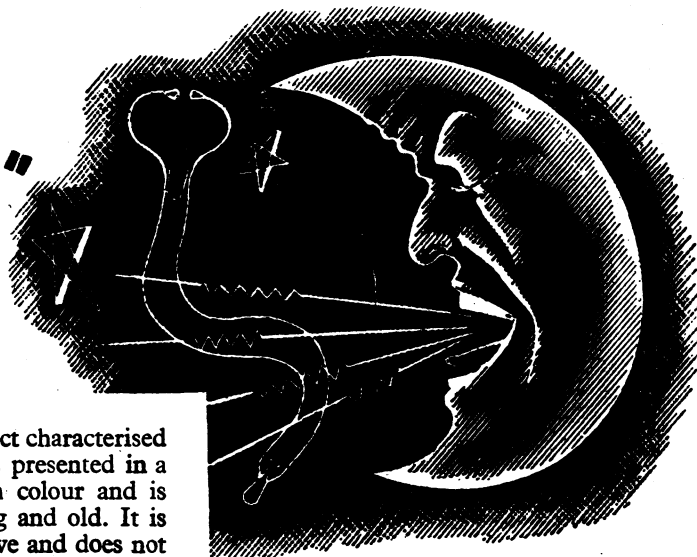

"Night Cough"

*associated with acute and
Chronic Bronchitis*

TERPOIN Elixir has long enjoyed high reputation with physicians throughout Great Britain and overseas for the effective relief it affords in all conditions of the respiratory tract characterised by excessive coughing. TERPOIN is presented in a palatable syrup base of bright golden colour and is well-tolerated and accepted by young and old. It is expectorant, mildly antiseptic, sedative and does not induce cerebral depression.

TERPOIN is thus indicated in the distressing and exhausting "night cough" so frequently associated with acute and chronic bronchitis, bronchial asthma and pulmonary tuberculosis. Alleviation is prompt and restful, recuperative sleep, so valuable in the treatment of such conditions, is ensured.

*Clinical samples and literature
gladly, on request.*

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose 3 copies (unless otherwise specified) of recent testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

Deferral of call-up for "R" practitioners (i.e., practitioners liable for call-up under the National Service Acts) is granted at the discretion of the Central Medical War Committee and (in Scotland) the Scottish Central Medical War Committee. The Committees normally allow an "R" practitioner to hold a First House Officer post (N.H.S. salary £350 per annum) provided that he obtains it without delay. Under present arrangements the Committees also normally allow an "R" practitioner to hold a Second House Officer post (£400) and a Senior House Officer post (£670), provided in each case that the higher appointment is secured before the termination of the practitioner's current appointment.

"R" practitioners may not accept Third House Officer posts (£450 per annum) unless they have obtained the special permission of the C.M.W.C. or (in Scotland) the Scottish C.M.W.C.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR:** Posts obtained normally not less than two years after registration as a medical or dental practitioner and held normally for two years: £775 per annum in the first year; £890 per annum in the second and any subsequent years.

(b) **SENIOR REGISTRAR:** Posts obtained normally not less than four years after registration as a medical or dental practitioner and held normally for three years: £1,000 per annum in the first year; £1,100 per annum in the second year; £1,200 per annum in the third year; £1,300 per annum in any subsequent years.

Other Grades, Whole-time

(a) **HOUSE OFFICER:** £350 per annum for the first post held, £400 per annum for the second post held; £450 per annum for the third and any subsequent post held; with, in each case, a deduction at the rate of £100 per annum in respect of board and lodging and other services provided. Each post shall be tenable for six months.

The Minister will be prepared to authorize, in exceptional circumstances, salaries up to £50 per annum higher than the standard rates specified above where a post cannot be filled otherwise.

(b) **SENIOR HOUSE OFFICER:** Posts obtained normally not less than one year after registration as a medical or dental practitioner and normally held for one year only: £670 per annum.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER:** Officers who have held house appointments but who are not registrars and who have less responsibility than other hospital officers of non-consulant status: £700 (for an officer appointed not less than two years after registration as a medical practitioner) by £50 to £1,000 per annum.

ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Those intending to apply for resident appointments in the Registrar grades are recommended to make inquiries with regard to the deductions proposed for board and lodging at the time of submitting their applications, where this is not stated in the advertisement.

WELSH REGIONAL HOSPITAL BOARD

Applications are invited from registered medical practitioners for the whole-time appointment of

ASSISTANT CHEST PHYSICIAN
(S.H.M.O. grade)

to serve the Newport and East Monmouthshire Hospital Management Committee Group. He will be based on Newport. The main Chest Clinic is situated in the grounds of a general hospital (400 beds, 24 for tuberculosis) and, therefore, there is an opportunity for close association with all the other medical services. The Group served has a population of 270,000. There will be an apportionment of time spent between the Regional Board and the Local Authorities, but the salary will be in accordance with the terms and conditions of service of hospital medical and dental staffs. Fourteen copies of application, stating age, nationality, qualifications, experience, and present appointment, with the names of three referees, should be sent within twenty-one days from date of publication of this advertisement to the Senior Administrative Medical Officer, Welsh Regional Hospital Board, Cathays Park, Cardiff. (6722)

SOUTH-EAST METROPOLITAN REGIONAL HOSPITAL BOARD

Applications are invited for a

SENIOR REGISTRARSHIP in Thoracic Surgery for duty in the units dealing with both tubercular and non-tubercular thoracic surgery in the Region. Applications will be considered for one or more appointments within the total of eleven notional half-days. Candidates should preferably hold a Fellowship of a Royal College of Surgeons, and previous experience in thoracic surgery would be an advantage. The appointment will be in accordance with the terms and conditions of service of hospital medical and dental staff (England and Wales). Applications, giving particulars of age, qualifications and experience with relevant dates, together with the names and addresses of three referees and indicating the number of notional half-days available, to be sent to the Secretary, Registrars Committee, South-East Metropolitan Regional Hospital Board, 11, Portland Place, London, W.1, not later than February 1, 1952. (6657)

IMPORTANT NOTICE**APPOINTMENTS**

IMPORTANT: All intending applicants should read the revised NOTICE at the top of page 22

PUBLIC HEALTH (See Important Notice page 25)

BIRMINGHAM, CITY OF, EDUCATION COMMITTEE
Applications are invited for appointment of
ASSISTANT SCHOOL MEDICAL OFFICER in the School Health Service
Candidates must have had at least three years' experience in the practice of their profession subsequent to obtaining a registrable qualification. Salary £850 by annual increments of £50 to £1,150 per annum. Previous experience in local Government service may be taken into account. Travelling expenses allowed. Forms of application (to be returned not later than Monday, February 11), together with further information, obtainable from the undersigned on receipt of a stamped, addressed foolscap envelope. Communications should be endorsed "Assistant School Medical Officer." Canvassing will disqualify.—E. L. Russell, Chief Education Officer, Education Office, 74/5, Broad Street, Birmingham, 15. (6896)

CAERNARVONSHIRE COUNTY COUNCIL ASSISTANT COUNTY AND SCHOOL MEDICAL OFFICER
Applications are invited for the above post from those possessing the Diploma or Certificate in Public Health. The salary scale will be £850 by £50 to £1,150, and the commencing salary on this scale may be determined by the length of service in a similar post. Opportunities are available for gaining experience in public health administration. Travelling and subsistence allowances will be paid in accordance with national scales. A knowledge of Welsh is desirable. Further information may be obtained from the County Medical Officer of Health. Applications, giving complete particulars of training and experience, together with copies of two recent testimonials and the names of two referees, should be sent to the undersigned by not later than January 31, 1952.—Gwilym T. Jones, Clerk of the County Council, County Offices, Caernarvon. (5866)

CROYDON, COUNTY BOROUGH OF DEPUTY MEDICAL OFFICER OF HEALTH AND DEPUTY SCHOOL MEDICAL OFFICER
Applications are invited for this appointment from male registered practitioners with a Diploma of Public Health, and previous experience in a Public Health Department. The duties will be partly administrative, and partly clinical. Salary £1,470 per annum, rising by annual increments of £100, and a final one of £50 per annum, to a maximum of £1,720 per annum. Applications, on forms obtainable from the Medical Officer of Health, 45, Wellesley Road, Croydon, must be returned to him by February 2, 1952. No living accommodation is offered. Canvassing will disqualify.—E. Taberner, Town Clerk. (6887)

KENT COUNTY COUNCIL City of Rochester and the Borough of Chatham DEPUTY MEDICAL OFFICER OF HEALTH AND ASSISTANT COUNTY MEDICAL OFFICER
Applications are invited from practitioners holding the Diploma in Public Health or similar qualification for the above mixed appointment at a salary, with travelling expenses, in accordance with the recent Industrial Court award. The successful candidate will be required to devote 75 per cent of his time to duties for the County Council in the services concerning the care of mothers and young children and school health, for which an appropriate proportion of the salary £850 by £50 to £1,150 for an Assistant County Medical Officer will be paid. For the remaining 25 per cent of his time the officer appointed will act as Deputy Medical Officer of Health in Rochester and Chatham and these responsibilities will include duties in the Rochester Port Health Service. The amount payable for these duties being 25 per cent of the Deputy Medical Officer of Health's salary scale. The appointment is superannuable and the successful candidate will be required to pass a medical examination. Applications, stating age, qualifications and experience, together with the names of two persons to whom reference may be made as to professional experience and character, should be sent to the County Medical Officer, County Hall, Maidstone, not later than January 31, 1952. Any form of canvassing will disqualify.—W. L. Platts, Clerk of the County Council, County Hall, Maidstone. (6734)

CUMBERLAND COUNTY COUNCIL MILLOM RURAL DISTRICT COUNCIL
Applications are invited for the mixed appointment of
MEDICAL OFFICER OF HEALTH Millom Rural District Council, and ASSISTANT COUNTY MEDICAL OFFICER
at a salary within the range of £1,192, rising by six increments to £1,500 under the Industrial Court award (2321), plus travelling, subsistence, etc., allowances. Applicants should be registered medical practitioners holding a Diploma in Sanitary Science, Public Health or State Medicine. Further particulars and forms of application may be obtained from the County Medical Officer, 11, Portland Square, Carlisle, to whom applications should be submitted before February 14, 1952.—G. N. C. Swift, Clerk of the County Council, W. N. Kitchen, Clerk to the Millom Rural District Council. (6713)

GLAMORGAN EDUCATION AUTHORITY Rhondda Urban District Council Committee for Education
Applications are invited from registered medical practitioners for appointment as
MALE ASSISTANT MEDICAL OFFICER
under the supervision of the District School Medical Officer at a salary of £850 per annum, rising by annual increments of £50 to £1,150 per annum. Preference will be given to candidates holding the D.P.H. or D.C.H., and experience in paediatrics will be an advantage. The successful candidate, if in need of housing accommodation and not already a resident of the Rhondda Urban Area, may be offered the tenancy of a Council house. Forms of application and conditions of appointment may be obtained from the District School Medical Officer, Tydfil House, Pentre, Rhondda, by whom completed applications should be received as soon as possible.—D. J. Jones, Clerk of the Council. (5867)

GLASGOW, CORPORATION OF THE CITY OF
Applications are invited from qualified medical women for posts as
ASSISTANT MEDICAL OFFICERS in the Maternity and Child Welfare Service of the Health and Welfare Department
The work carried out by the officers will be principally in connexion with ante-natal and post-natal supervision, but they may be required by the department to carry out other maternity and child welfare duties. This supervision of the expectant mother is being developed in co-operation with the Western Regional Hospital Board. Applicants must have postgraduate experience in obstetrics and the possession of the D.R.C.O.G. will be an advantage. The salary scale for the appointments is £850, rising by annual increments of £50 to £1,150 per annum, with placing according to qualifications and experience. The posts are superannuable and successful applicants will be required to undergo medical examination. Applications, stating age, qualifications, and full details of training and experience, together with copies of not more than three recent testimonials, or the names of three referees, to be lodged with the undersigned in an envelope marked "Appointments—Assistant Medical Officers (Maternity and Child Welfare)" not later than January 26, 1952.—William Kerr, Town Clerk, City Chambers, Glasgow. (6733)

MIDDLESEX COUNTY COUNCIL County Health Department DEPUTY AREA MEDICAL OFFICER
Required, initially in Area 8 (Hayes/Harlington, Ruislip-Northwood, Uxbridge, Yiewsley/West Drayton) for administrative and clinical duties mainly in connexion with National Health Service and Education Acts. Must be prepared, if required, to undertake also duties of Medical Officer of Health or Deputy of one or more of the County Districts in Area, in which case salary would be amended in accordance with appropriate nationally negotiated scale. Degree or Diploma in State Medicine or Public Health and practical experience of public health administration essential. Whole-time, established. Subject to medical assessment and prescribed conditions. Salary £1,200 by £50 to £1,500 per annum inclusive. Applications, stating age, qualifications, experience, two referees, to Area Medical Officer, Local County Offices, High Street, Uxbridge, by February 23 (quoting K.364 B.M.J.). Canvassing disqualifies.—C. W. Radcliffe, Clerk of the County Council. (6897)

PRESTON, COUNTY BOROUGH OF ASSISTANT MEDICAL OFFICER OF HEALTH
Applications are invited from registered medical practitioners for the above appointment. The duties will include maternity and child welfare work, school health and such other duties as may be allotted by the Medical Officer of Health. The possession of the D.P.H. or D.C.H. will be an advantage. The salary scale is £850 by £50 to £1,150 per annum. The person appointed will be required to pass a medical examination and to contribute to the superannuation fund. Application forms may be obtained from the Medical Officer of Health, Municipal Building, Preston, and should be returned to the undersigned endorsed "Assistant Medical Officer of Health" not later than Monday, January 28.—W. E. E. Lockley, Town Clerk, Municipal Building, Preston. (6735)

LONDON COUNTY COUNCIL
Applications invited from registered medical practitioners for appointment as whole-time
ASSISTANT MEDICAL OFFICER
in Public Health Department. Inclusive salary £850 by £50 to £1,150, commencing point on scale dependent on local government service. No enrolments. Duties will be primarily on child health. Experience in (i) maternity and child-welfare work, (ii) school health service, and the Diploma in Public Health an advantage. Application form obtainable from Medical Officer of Health (PH/D.1), The County Hall, Westminster Bridge, S.E.1, to be returned by February 2, 1952. (39) (6884)

NORTHUMBERLAND COUNTY COUNCIL
Applications are invited from registered medical practitioners for the appointment of an
ASSISTANT COUNTY MEDICAL OFFICER
to undertake duties in connexion with maternity and child welfare. Salary will be in accordance with the scale £850, rising by annual increments of £50 to £1,150 per annum, previous experience being taken into consideration in determining the commencing salary. Travelling and subsistence allowances will be paid in accordance with the Council's scale when the officer appointed is required to be away from the normal centre which, in this case, will be Blyth. The appointment is subject to superannuation, and will be determinable by three months' notice on either side. The successful candidate will be required to pass a medical examination. Forms of application may be obtained from the undersigned, and must be returned, accompanied by names of three referees, not later than January 31, 1952.—John B. Tiley, County Medical Officer, County Hall, Newcastle-upon-Tyne, 1. (6888)

NOTTINGHAM, CITY OF Health Department
Applications are invited from qualified medical practitioners for the post of
ASSISTANT MEDICAL OFFICER OF HEALTH
The duties will be chiefly in connexion with maternity and child welfare, together with any other duties allocated by the Medical Officer of Health. Preference will be given to candidates possessing higher qualifications and the salary attached to the appointment will be £850 by £50 to £1,150 per annum. The post will be subject to three months' notice on either side at any time. The successful candidate will be required to pass a medical examination under the provisions of the National Health Service (Superannuation) Regulations or the Local Government Superannuation Act, 1937. Conditions of appointment and forms of application may be obtained from the undersigned to whom they must be returned, together with the names of two persons to whom reference may be made, not later than January 26, 1952.—T. J. Owen, Town Clerk, The Guildhall, Nottingham. (5671)

SOMERSET COUNTY COUNCIL ASSISTANT COUNTY MEDICAL OFFICER OF HEALTH
Applications (men or women) are invited for the above appointment. The salary is £850, rising by £50 to £1,150 per annum, but in fixing the commencing salary the Council will have regard to previous experience. Possession of the D.P.H. or D.C.H. would be an advantage. The duties will be mainly concerned with the services of school medical inspection and maternity and child welfare. Possession of a motor car is essential. Travelling allowance will be paid in accordance with the county scale. The post is superannuable and subject to a satisfactory medical examination. Applications should be made forthwith, on forms to be obtained from the undersigned.—J. F. Davidson, County Medical Officer of Health, County Hall, Taunton. (5670)

INDUSTRIAL APPOINTMENTS

Emoluments (including Overseas research allowance) on scale £840 to £1,500 per annum, point of entry according to age and qualifications. Cost-of-living allowance also payable. Selected candidates may be required to proceed to East Africa by air. Official quarters are available for which rent is chargeable at the rate of 10 per cent of basic salary. Free passages for officer and his wife and children under 13 years. Outfit allowance of £60. Superannuation provided under Colonial Superannuation Scheme. Forms of application may be obtained from the Under Secretary of State, Colonial Office, Research Department, S 610, Sanctuary Buildings, Great Smith Street, S.W.1. (6776)

MUFULIRA COPPER MINES LIMITED**Northern Rhodesia**

Applications are invited for the post of **SENIOR MEDICAL OFFICER** Applicants should have had considerable experience in general surgery. Starting salary from £1,620, depending on qualifications and experience, plus cost-of-living allowance (at present £90 per annum) and bonus (at present 60 per cent on basic salary). Also pension and life assurance scheme. Write, Rhodesian Employment Department, Selection Trust Building, Mason's Avenue, Coleman Street, London, E.C.2. (6830)

HIS MAJESTY'S COLONIAL SERVICE, Malaya

Doctors having medical qualifications registrable by the General Medical Council in the United Kingdom, with one or more years' experience after qualification, are required for appointment as

MEDICAL OFFICERS and MEDICAL OFFICERS OF HEALTH

for general medical and health duties. A limited number of practitioners liable for call up under the National Service Act, 1948, may apply, and if appointed will be granted indefinite deferment of call up on completion of a minimum period of one tour of three years in the Malayan medical service. Appointment is available (a) on probation for permanent establishment, (b) on employment from the National Health Service, and (c) on short term contract with gratuity. (a) **Permanent terms.** Subject to three years' probation, appointment is permanent with pension (non-contributory) at age 55. Salary is paid in the scale £952 by £42 to £1,204 to £1,274 by £42 to £1,652 per annum. There are many posts, specialist and administrative, available on promotion carrying higher salaries (up to about £2,400 for the highest post). Promotion is often made before reaching the top (£1,652) of the long scale. There is also a cost-of-living allowance at varying rates, according to family circumstances, subject to maximum of £336 per annum for single men and of £707 per annum for married men with children (both rates higher when stationed in Singapore). Note. Doctors with more than one year's approved experience after age 25 (including service in His Majesty's Forces) enter the salary scale at points above the minimum according to their experience; and four increments of salary are also given to holders of approved higher qualifications (e.g. F.R.C.S., M.R.C.P., D.P.M., D.A., etc.). (b) **National Health Service.** Doctors may resign from the National Health Service but retain their superannuation rights during their time in Malaya (up to six years) and receive a resettlement grant of 20 per cent of the aggregate of their Malayan salary on leaving Malaya at the end of their engagements. Emoluments as under (a) including incremental credit for experience and higher qualifications as in note under (a). Doctors so appointed may be considered for permanent terms at any time during their Colonial employment provided they surrender their rights to the resettlement grant and payment by Malayan Governments of superannuation contributions. (c) **Contract terms.** The contract will be for three years' resident service, renewable for a further tour of three years by mutual agreement. Salary and cost-of-living allowance as under (a) including incremental credit for experience and higher qualifications as in note under (a). In addition a gratuity earned at the rate of £300 to £450 per annum, according to salary, is paid on expiry of contract. Doctors on contract may be considered for appointment to the permanent establishment at any time on their agreeing to surrender their gratuity earning rights. In all three types of appointment the rates of salary and gratuity refer to doctors eligible for expatriate terms under Malayan Regulations (i.e. those whose permanent homes are in the United Kingdom, Ireland, Australia, Canada, etc.). The climate is, for the tropics, healthy. European children do well up to the age of about six and schools are available locally. Income tax is payable at Malayan rates which are lower than those in the United Kingdom. Government quarters with heavy furniture are provided at a low rental, or an allowance is paid in lieu of quarters. Free passages are provided for the doctor, his wife and children under the age of ten (not exceeding four persons besides himself) on appointment and once each way during each tour of duty of three to four years. Generous home leave is granted and local leave is permissible. The social and recreational facilities in Malaya are good. Application forms can be obtained from the Director of Recruitment (Colonial Service), Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting reference No 27215/242/51). (5187)

UNIVERSITY APPOINTMENTS**WORLD HEALTH ORGANIZATION
FELLOWSHIPS**

A small number of Fellowships is to be awarded in 1952 by the World Health Organization to registered medical practitioners, dental practitioners and State registered nurses of at least five years' standing who are engaged in the health services, medical education or medical research in the United Kingdom. Fellowships will be of two kinds: (1) Resident Fellowships for a period which exceptionally might be extended to one year. (2) Travelling Fellowships of short duration for senior persons holding responsible appointments. Applications, giving full particulars of qualifications, experience, proposed programme and duration of study, and accompanied by the names of two referees, should be sent (a) by those resident in Scotland to the Secretary, Department of Health for Scotland, St. Andrew's House, Edinburgh, 1; (b) by others to the Secretary, Ministry of Health, Savile Row, London, W.1. Envelopes should be marked "World Health Organization Fellowships" and received not later than February 2, 1952. (6904)

University Appointments—contd.

THE BRITISH EMPIRE CANCER CAMPAIGN Invites applications for Fellowships in Cancer Research. These Fellowships will be intermediate between the Campaign's existing Senior and Junior Fellowships, and will normally be tenable for five years at a salary of £1,500 by £100 to £1,900 per annum. Fellowships are full-time and will carry superannuation. Fellowships are open to any person of British nationality who, at the date of election, has taken a degree in any faculty in any university in the British Empire approved by the campaign, or who, if a female, has passed an examination which would have entitled her, if a male, to take any such degree. The possession by a Fellow at the date of election of a medical diploma registrable in the United Kingdom will be accepted as a qualification for a Fellowship in lieu of a degree. Elections will take place in June, 1952, and work, if possible, should be begun before the end of the year. Fellows must carry on their research initially in Great Britain or in Northern Ireland, and only at the place at which they are authorized by the Campaign to work. The fares of successful candidates from overseas will be paid by the Campaign. The closing date for the receipt of applications is May 1, 1952. For further particulars and application forms apply to the Secretary-General, British Empire Cancer Campaign, 11, Grosvenor Crescent, Hyde Park Corner, London, S.W.1. (5404)

CRICHTON ROYAL FELLOWSHIPS

The Board of Management of the Crichton Royal have established three Fellowships for the training of specialists in psychiatry, each carrying a salary of £670, less a deduction of £150 for the usual residential emoluments. Two of these Fellowships will fall vacant on April 1, 1952. The Fellows receive training in all branches of clinical psychiatry, including work in out-patient and child guidance clinics, by the senior members of the medical staff. The Fellowships are tenable for one year but may be prolonged for another year. Previous general hospital experience essential. Application form and syllabus are obtainable from the Physician Superintendent, Crichton Royal, Dumfries. (6779)

WELSH NATIONAL SCHOOL OF MEDICINE (University of Wales)

Applications are invited for the post of **SENIOR LECTURER IN THE MEDICAL UNIT**. The person appointed will be required to assist in all the work of the Professorial Department of Medicine as directed by the Professor, and to take charge of hospital medical patients in his absence. The unit has 40 beds and good laboratory accommodation. The post is full-time and the salary will be within the scale £1,500 by £100 to £2,000 per annum. Schemes of superannuation and family allowances apply to the appointment. Further particulars may be obtained from the undersigned, by whom applications should be received not later than Thursday, February 14, 1952.—F. Dodsworth, Secretary, 34, Newport Road, Cardiff. (5764)

UNIVERSITY OF BRISTOL

Applications are invited for the post of **DEMONSTRATOR IN ANATOMY**. Salary £600 per annum. About half the Demonstrator's time will be spent on research for which facilities are available. Applications, giving full names, age, qualifications, details of education and experience, together with the names of not more than two referees, and copies of not more than three recent testimonials, should reach the undersigned, from whom further particulars may be obtained, on or before February 15, 1952.—H. C. Butterfield, Registrar and Secretary. (6832)

UNIVERSITY COLLEGE HOSPITAL MEDICAL SCHOOL (Obstetric Unit)

Applications are invited for the post of **ASSISTANT in the Obstetric Unit**. Salary according to qualifications, but not less than £900 per annum, with superannuation and family allowance. The appointment will commence from March 1, 1952. Applicants must possess a University degree. The holder of the post will be required to sign an honorary contract to undertake duties in University College Hospital. Applications, with names of two referees, should be sent to the Secretary of University College Hospital Medical School, University Street, London, W.C.1, not later than fourteen days from the date of the appearance of this advertisement. (6833)

UNIVERSITY OF OXFORD

RADCLIFFE TRAVELLING FELLOWSHIP 1952 An examination for a Fellowship of the annual value of £300, tenable for two years, will be held at the University Museum on February 23, 1952. Candidates must have passed all the examinations for the Degree of Bachelor of Arts and Bachelor of Medicine, and must not have exceeded four years (exclusive of military service) from the time of passing the last examination for the Degree of Bachelor of Medicine. The examination will take the form of a self-chosen essay and an interview. Further particulars to be obtained from the Regius Professor of Medicine, University Museum, Oxford. All applications, with essays, must be sent in by January 31, 1952. (4342)

UNIVERSITY OF LEEDS

The Council invites applications from suitably qualified persons, either with or without a registrable medical qualification, for the **BROTHERTON CHAIR OF BACTERIOLOGY** which will become vacant on September 30 next on the retirement of Professor J. W. McLeod. Applications (fifteen copies), together with the names of three referees, should reach the Registrar, The University, Leeds, 2 (from whom further particulars, including salary range, may be obtained), not later than March 17, 1952. Applicants abroad may apply by cablegram naming three referees in the United Kingdom. (6780)

Further information and application forms can be obtained from the Registrar, London School of Hygiene and Tropical Medicine, Keppel Street, W.C.1. (5406)

UNIVERSITY OF LONDON

Institute of Obstetrics and Gynaecology
(Incorporating the teaching facilities of Queen Charlotte's Maternity Hospital, Chelsea Hospital for Women, and the Department of Obstetrics and Gynaecology at the Postgraduate Medical School, Hammersmith Hospital)

Applications are invited from graduates with a registrable qualification, for enrolment for the Spring Term (March 10 to June 7, 1952). Graduates are allotted to one of the constituent hospitals for clinical work, and attend lectures and special demonstrations at all three hospitals. Enrolment fee £3. Tuition fee £30 for one term, £55 for two terms. General practitioners wishing further experience in obstetrics may be accepted to attend the course at Queen Charlotte's Maternity Hospital for shorter periods (i.e., two to four weeks). They will be allowed to do normal deliveries and will have the opportunity of attending the combined classes of lectures and demonstrations at the three hospitals of the Institute. Ministry of Health grants are payable to approved general practitioners attending for a period of two weeks. During vacation, graduates may attend the practice of the hospital at Queen Charlotte's Hospital and at the Postgraduate Medical School. Fee £1 per week. A Refresher Course for general practitioners will be held from February 25 to March 1, 1952. Fee £5 5s. Hostel accommodation is available at Queen Charlotte's Hospital and at the Postgraduate Medical School. Further particulars can be obtained from the Secretary, Institute of Obstetrics and Gynaecology, Dovehouse Street, S.W.3. (5865)

SOCIETY OF APOTHECARIES OF LONDON.—DIPLOMA IN INDUSTRIAL HEALTH.—The next examination will begin on Monday, July 7, 1952. The following Examination will be held in December. For regulations apply Registrar, Apothecaries' Hall, Black Friars' Lane, London, E.C.4.

NEW

a nasal vasoconstrictor with all these advantages:

- 1 *Two-stage vasoconstriction — immediate and prolonged without secondary vasodilatation.*
- 2 *Water miscible and non-oily — no interference with ciliary action and no danger of lipid pneumonia.*

- 3 *Remains at the site of action — same viscosity as mucus.*
- 4 *Non-irritant — pH adjusted and isotonic with nasal secretion.*
- 5 *Readily absorbed by the mucosa — low surface tension.*
- 6 *Suitable for both adults and children.*

FENOX is indicated in the local treatment of the common cold, hay-fever, vasomotor rhinitis, sinusitis and other catarrhal conditions of the upper respiratory tract. It shrinks the swollen

mucosa, maintains adequate drainage, and shortens the attack by diminishing the initial injury to the mucous membrane caused by intense congestion. *Supplied in ½ fl. oz. dropper bottles.*

FENOX

Compound Isotonic Nasal Drops of Phenylephrine and Naphazoline.

Samples and descriptive literature available on request from The Medical Department
BOOTS PURE DRUG COMPANY LIMITED, NOTTINGHAM.

MARMITE

yeast extract

in the treatment of certain oral conditions caused by vitamin B₂ deficiency

Cheilosis, glossitis and angular stomatitis are among the characteristic symptoms of ariboflavinosis that have been shown to respond to Marmite, which has also been used in the treatment of aphthous stomatitis.

Simple vitamin deficiencies are rarely encountered. Marmite, which supplies 1.5 mg. per oz. of riboflavin, also contains nicotinic acid (16.5 mg. per oz.), pyridoxin, pantothenic acid, biotin, folic acid, choline, inositol and p-aminobenzoic acid. It is, therefore, often preferred to the synthetic vitamin in the treatment of conditions caused primarily by riboflavin deficiency.

contains

Riboflavin (vitamin B₂) 1.5 mg. per oz.
Niacin (nicotinic acid) 16.5 mg. per oz.

Obtainable from chemists and grocers

Special terms for packs for hospitals, welfare centres and schools

Literature on application

The Marmite Food Extract Co., Ltd., 35, Seething Lane, London, E.C.3
