The replaceable barrel means great economies in the long run

The glass barrel is protected by a metal casing and breakage risk is thereby reduced to a minimum. If the glass barrel is broken only the glass barrel and piston need be renewed.

Spare barrels are supplied complete with individually fitted pistons. Users however are advised to order a spare barrel when they buy the syringe; this permits instant replacement.

All components can be taken apart or assembled in a few seconds.

No cement or solder is used and sterilization can be done at temperatures up to 200° C. The metal piston must be withdrawn during sterilization but there is no need to dismantle the rest of the syringe.

SIZES: 1, 2, 5, 10 and 20 c.c.

INTERCHANGEABLE NEEDLE FITTINGS:
Record, Luer and all other types. Side and central.

in Pneumonia

Of high potency and low toxicity, 'Sulphamezathine' is particularly valuable in the treatment of pneumonia in the aged. High therapeutic blood levels are maintained with moderate dosage, and the drug is well tolerated, rarely giving rise to toxic side-effects. In the elderly patient, these factors ensure the maximum chance of successful recovery.

Coldharbour Lane, London, S.E.5

Not whether but how

FERROUS SULPHATE is now recognised as the most efficient form of iron treatment for hypochromic anæmias. The question is therefore not "whether" but "how" it should be administered.

The preparation should not be too bulky, nor cause gastro-intestinal upset, yet it must disintegrate quickly and produce maximum hæmatoietic response.

In 'PLASTULES' ferrous sulphate is presented in its most attractive form—in a semi-solid base in a capsule which rapidly dissolves in the stomach, thus ensuring maximum absorption. 'PLASTULES' induce a rapid response without gastric upset.

'PLASTULES' are available in four varieties: Plain: with Liver Extract: with Folic Acid: and with Hog's Stomach.

A perfect source of Vitamin C

RIBENA (*Syrupus Ribis Nigri B.P.C.*)

HIGH CONCENTRATION OF VITAMIN C—REMARKABLE STABILITY

Four characteristics of Ribena make it a perfect source of Vitamin C:

- 1 It contains a high concentration of Vitamin C – and it is very stable.
- 2 The vitamin is in its natural state. *
- 3 Ribena is very well tolerated even by sensitive stomachs. It is completely free from all cellular structure. It is suitable for infants almost from birth, for peptic ulcer cases, and for women suffering from “morning sickness”; they can take it when almost everything else increases discomfort.
- 4 In addition to its therapeutic values, it is delicious in its own right as sweet blackcurrant syrup.

* Following reports of unsatisfactory response to the therapeutic use of synthetic ascorbic acid in peptic ulcer cases, controlled tests using Ribena were instituted at various large British hospitals, with striking results.

Clinical experience has also shown that in ulcerative gingivitis, the routine use of Ribena as an adjunct to local therapy has given more satisfactory results than that of the synthetic vitamin.

The superiority is presumably due to the presence of other factors of the Vitamin-C complex, possibly the Vitamin P, as well as mineral elements.

Therapeutic uses

Ribena is recommended for all conditions requiring Vitamin-C implementation: namely, as a natural and rapid restorative from fatigue; for increasing resistance to local infection and colds; for expectant and nursing mothers; for infants from birth; for children and adolescents; in many dental conditions; in peptic ulcer cases; in fractures and wounds; in blood dyscrasias and hæmorrhagic states; in infections and fevers; and in many skin disorders.

Reports for doctors overseas

The makers of Ribena co-operated extensively with the Ministries of Food and Health during the war, a co-operation which still goes on to some extent even now. The Royal Forest Factory has attached to it a series of very fine laboratories where research into fruit juices and vitamins is conducted to an academic level, under the direction of an expert, lately in charge of the Fruit Products Section of the University of Bristol Agricultural Research Station. Reports of much of the work done are available, on application, to doctors and scientists overseas. These are likely to be of particular interest now that Ribena is being extensively exported.

Send for further information. A booklet entitled “Blackcurrant Juice in Modern Therapy: Natural Vitamin C” will be forwarded to you with pleasure; also details of a number of controlled tests made on the use of Vitamin C, if you will write to:—

Technical Director and Chief Chemist,

The Royal Forest Laboratory,
Coleford,
Gloucestershire, England.

VITAMIN C
Ribena

Solprin overcomes the defects of both aspirin and calcium aspirin

The defects of aspirin are its acidity and low solubility. The defect of calcium aspirin, as generally prepared, is its liability to chemical breakdown and consequent contamination.

By providing pure calcium aspirin in stable, soluble, palatable tablet form, 'Solprin' overcomes the defects of both aspirin and calcium aspirin, and combines the advantages of both.

Aspirin dosage can now be administered for its analgesic, antipyretic and anti-rheumatic effects in a complete solution which is both palatable and bland. Extensive clinical trials carried out in leading hospitals show that, even in large amounts given over prolonged periods, Solprin is unlikely to cause gastric or systemic disturbances, except in cases of extreme hypersensitivity. Thus an obstinate and long-standing problem in aspirin therapy has been solved.

S O L P R I N REGD.

Stable, soluble, palatable calcium aspirin

Clinical sample and literature supplied on application. Solprin is not advertised to the public and is available only on prescription. (U.K. and Northern Ireland only). Dispensing pack, price 8/- (Purchase Tax Free) contains 300 tablets in foil.

When side effects are an obstacle to treatment...

... the administration of a combination of Veriloid with phenobarbitone enables Veratrum therapy to be continued successfully in a majority of those patients who cannot tolerate Veriloid alone because of frequent nausea.

The two substances are now available together as Veriloid-VP, each tablet of which contains 2 mg. of Veriloid with 15 mg. of Phenobarbitone B.P.

VERILOID-VP

VERILOID WITH PHENOBARBITONE

IN ALL DEGREES OF HYPERTENSION

Given concomitantly, phenobarbitone raises the threshold of tolerance of the Veratrum alkaloids and relieves the emotional tension which is so often present in the hypertensive patient. Therapeutically effective doses can thus be given with little or no side-effects.

Dosage of Veriloid-VP is adjusted to individual requirement, an average dose being one to one and one-half tablets four times daily, after meals and at bedtime.

Reference: *Lancet*, 261: 1002 (Dec.) 1951.

Veriloid-VP is available in bottles of 100 and 500 scored tablets.

NOTE

Veriloid, plain, remains available as before in tablets of 1 mg. and 2 mg. Veriloid is a unique, biologically standardised fraction of Veratrum viride and has been used with marked success in all forms of hypertension. Blood pressure is significantly lowered, without loss of the postural reflexes essential to normal living. Great relief of subjective symptoms is a common feature of therapy.

"Veriloid" is a Trade Mark of

RIKER LABORATORIES LTD., 29 KIRKEWHITE STREET, NOTTINGHAM.

Descriptive literature gladly sent on request

NYXOLAN - Hommel

in OXYURIASIS

This now established prescription is available as *Dragées* for older children and ambulant cases, as well as in syrup form

★ ★ ★ ★ ★ ★ ★ ★ ★ ★
★
★ 'NYXOLAN'
★ is non-toxic; dietary
★ regimen unnecessary. ★

★ **NYXOLAN** clinically proved
anthelmintic

COMPOSITION. Active ingredient: aluminium 8-hydroxyquinoline sulphate $[Al (C_9H_6ON)_3, 3H_2SO_4]$. Syrup: 0.4%; *Dragées*: 120 mg.

CLINICAL OBSERVATIONS. Significant trials in medical institutions show that 'Nyxolan' is a most reliable anthelmintic when used alone, i.e., without supportive purgation, enemas or anal counter-irritants. Abstracts from literature describing clinical results are available on request.

ADVANTAGES. 'Nyxolan' is not a dye; it is non-arsenical; it does not induce diarrhoea; dietary regimen is not necessary to its successful employment. It is entirely acceptable, even to infants.

INDICATIONS. Present clinical experience with 'Nyxolan' refers to *Oxyuris vermicularis*. Besides its indication in oxyuriasis 'Nyxolan' is the preferred treatment in cases of suspected oxyuriasis, e.g., pruritus, anal eczema, masturbation and genital sensitivity in small girls, "caecal irritation".

FORMS AND POSOLOGY. 'Nyxolan' is presented in liquid form (syrup) entirely acceptable to infants. Dosage: Under 6 years, 1 dessertspoonful thrice daily. The *Dragées* are more suitable for older patients. Dosage: 2 thrice daily between meals for 5 days; discontinue for 10 days; repeat the course.

PRESENTATION. Syrup: Bottle of 8 fl. oz.; *Dragées*: 60's and 600's (dispensing).

Literature and samples available.

★ 'Nyxolan' is widely used in other countries under the name 'Aloxyn'. Not publicly advertised.

HOMMEL'S HÆMATOGEN & DRUG CO., 121 NORWOOD RD., LONDON, S.E.24.

*When milk
isn't enough ...*

The introduction of solids to baby's diet usually tends to increase the starchy portion of the diet at the expense of valuable milk proteins as well as the calcium and phosphorus salts contained in milk.

To meet this situation the vegetable protein of the oat flour in Trufood Cereal Food has been supplemented by *milk proteins* and the addition of valuable mineral salts. In this way the total protein has been raised to 6.05 grammes per ounce or 21.4%, and the casein and lactalbumin form a valuable complement to the biological value of the total protein.

Full details of Trufood Cereal Food and the range of other Trufood Infant Foods can be obtained from Trufood Limited, Medical Department, Green Bank, London, E.1.

PAIRED FOR EFFECTIVENESS

The association of methyltestosterone and ethinylœstradiol in 'Mepilin' enables a reduction to be made in the effective dose of œstrogen for the relief of menopausal symptoms. Undesirable side-effects such as breast turgidity and pelvic congestion are avoided and the risk of withdrawal bleeding is reduced. The anabolic properties of the combination provide an increased feeling of confidence and well-being.

In ageing people of both sexes improvement is shown by a lessening of the senile degenerative state, and in many individuals by some retardation of both mental and physical decline

'MEPILIN'

ETHINYLœSTRADIOL 0.01 mg. METHYLTESTOSTERONE 3 mg.

Dosage: Menopause — 2 to 6 tablets daily. Pre-menstrual tension and dysmenorrhœa — 2 tablets daily from 10th to 22nd day of menstrual cycle. Geriatric conditions — 3 to 6 tablets daily.

He had a peaceful night Doctor

A patient on an Intalok mattress can relax completely. With this unique spring system great comfort is combined with correct support. Intalok

springs are much finer than those usually used in mattresses—giving a softer 'local' resilience. Yet, because there are hundreds of them, interlinked spring into spring, the overall support is even and firm. The complete rest Intalok brings makes a real contribution to the patient's recovery.

Here are other good reasons why Intalok is the ideal hospital mattress:

- 1 All metal parts are rustless—can be sterilized repeatedly.
- 2 The spring centre gains by repeated stoving.
- 3 There are no tufts or piping to collect dust—and the mattress is light for easy handling.
- 4 Intalok mattresses can be made to special thicknesses or sizes, or in segments to suit special cases.
- 5 Existing hair mattresses can be converted to Intalok. This cuts costs.
- 6 Every Intalok springing unit is guaranteed for ten years.

Write for illustrated leaflet and prices.

Advantages of the Daimler Limousine Ambulance Service

It is often necessary for patients to travel by road. A normal car is usually too fatiguing, yet in many cases the patient wishes to avoid travelling in a public ambulance.

This need is met by engaging a Private Limousine Ambulance from Daimler Hire Ltd. The Ambulance has the appearance of a large private limousine and does not attract attention from the public.

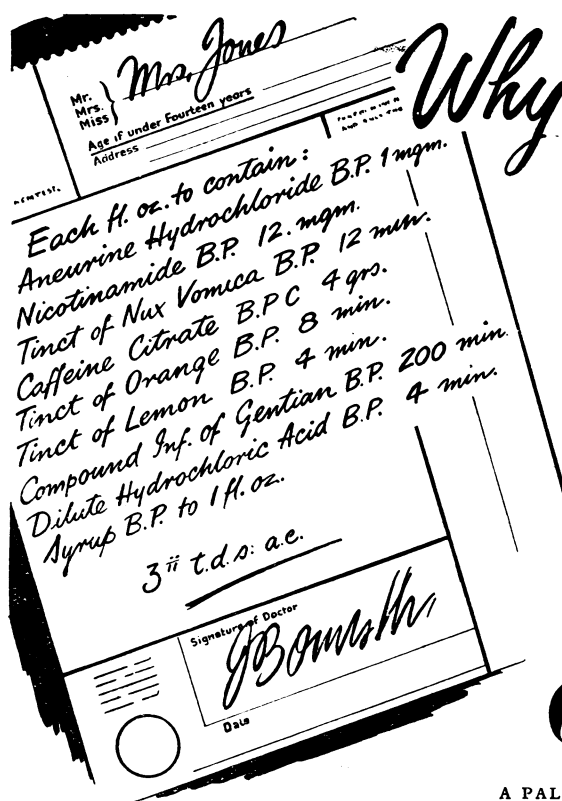

A fully trained attendant accompanies each driver and both are competent stretcher bearers. Each Limousine Ambulance is specially designed for the purpose and is equipped with a swivelling bed, folding carrying chairs, canvas carrying slings and sick-room cabinet. Air beds are available if required. Two comfortable chair-seats are provided for friends. Adequate heating and ventilating is automatically assured.

Why not R. Effico?

To prescribe Effico Tonic is a wise first step in cases of fatigue, anorexia or in vague 'run-down' conditions. Effico does more than restore reserves of essential vitamins; it also provides a balanced group of traditional medicaments to soothe and to correct digestive upsets.

This invigorating tonic has a pleasant flavour which appeals to both children and adults.

During convalescence or in cases where your patient is feeling listless and below par, remember to prescribe . . .

for Sacro-iliac Strain

a narrow belt alone is not enough . . .

That is why Spencer Designers incorporate an easily-adjustable pelvic binder (see inset below) *inside* each Spencer created for sacro-iliac strain.

A narrow belt alone will not provide adequate continuous immobilization of the sacro-iliac joints, because such a belt will *not* stay in place. With ordinary body movements, any narrow belt alone will ride up and dig in at the back, thus causing faulty posture that increases the disability. That is why every Spencer Sacro-iliac Support is a "belt within a support" designed to the necessary heights and lengths to bridge the lumbar curve and co-relate abdominal and back support. Thus improvement in posture—essential to relief in sacro-iliac strain—is attained and maintained.

Every Spencer—for abdomen, back, breasts—is individually designed, cut, and made for each patient.

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose 3 copies (unless otherwise specified) of recent testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★ *SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.*

Deferment of recruitment for fully registered "R" practitioners (i.e., fully registered practitioners liable for call-up under the National Service Acts) is granted at the discretion of the Central Medical Recruitment Committee and (in Scotland) the Scottish Central Medical Recruitment Committee. The Committees normally allow a fully registered "R" practitioner to hold a First House Officer post (N.H.S. salary £350 per annum) provided that it commences within three months of the end of his deferment by the Ministry of Labour and National Service as a whole-time medical student; and a Second House Officer post (N.H.S. salary £400 per annum) provided that it is secured before the end of his First House Officer post and commences within one month thereafter.

An "R" practitioner requires the special written permission of the C.M.R.C. or (in Scotland) the Scottish C.M.R.C. to proceed to any further post.

The position of provisionally registered "R" practitioners has been made clear in a notice sent to them by the University Joint Recruiting Boards.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR:** Posts obtained normally not less than two years after registration as a medical or dental practitioner and held normally for two years: £775 per annum in the first year; £890 per annum in the second and any subsequent years.

(b) **SENIOR REGISTRAR:** Posts obtained normally not less than four years after registration as a medical or dental practitioner and held normally for three years: £1,000 per annum in the first year; £1,100 per annum in the second year; £1,200 per annum in the third year; £1,300 per annum in any subsequent years.

Other Grades, Whole-time

(a) **HOUSE OFFICER:** £350 per annum for the first post held; £400 per annum for the second post held; £450 per annum for the third and any subsequent post held; with, in each case, a deduction at the rate of £100 per annum in respect of board and lodging and other services provided. Each post shall be tenable for six months.

The Minister will be prepared to authorize, in exceptional circumstances, salaries up to £50 per annum higher than the standard rates specified above where a post cannot be filled otherwise.

(b) **SENIOR HOUSE OFFICER:** Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical or dental practitioner and normally held for one year only: £670 per annum.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER:** Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £700 (for an officer appointed not less than two years after registration as a medical practitioner) by £50 to £1,000 per annum.

ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Those intending to apply for resident appointments in the Registrar grades are recommended to make inquiries with regard to the deductions proposed for board and lodging at the time of submitting their applications, where this is not stated in the advertisement.

PUBLIC HEALTH (See Important Notice page 19)**BARNESLEY, COUNTY BOROUGH OF****Public Health Department****ASSISTANT MEDICAL OFFICER OF HEALTH AND ASSISTANT SCHOOLS MEDICAL OFFICER**

Applications are invited from registered medical practitioners for the above whole-time post. The salary payable will be in accordance with the scale £850 per annum, rising by annual increments of £50 to £1,150. The duties will be concerned principally with child health in the school and maternity and child welfare services. Possession of a D.P.H. will be an advantage. Applications will be considered from candidates who undertake the proposed part-time course for the D.P.H. at Leeds University or who are pursuing an approved part-time course for a higher degree. In such case the successful candidate would be granted leave of absence without pay for each half-day spent in attendance at a recognized medical school and the appointment would be on a temporary basis in the first place pending completion of the course of study. The successful candidate will not be allowed to engage in private practice. The appointment will be subject to the appropriate superannuation provisions and to a satisfactory medical examination, and will be terminable by three months' notice on either side. If the successful candidate possesses a car, consideration will be given to the payment of an allowance in accordance with the Corporation's scale. Applications should be made on a form to be obtained from the Medical Officer of Health, Town Hall, Barnsley, and should be returned to him before February 7, 1953.—A. E. Gillfillan, Town Clerk, Town Hall, Barnsley. (8922)

Public Health—contd.**BIRMINGHAM, CITY OF, EDUCATION COMMITTEE****ASSISTANT SCHOOL MEDICAL OFFICER**

Candidates must have had at least three years' experience in the practice of their profession subsequent to obtaining a registrable qualification. Salary £850 by £50 to £1,150 per annum. Previous experience in Local Government Service may be taken into account. Forms of application (returnable by February 7, 1953), together with further information, obtainable from the undersigned on receipt of a stamped, addressed foolscap envelope. Communications should be endorsed "Assistant School Medical Officer." Canvassing disqualifies.—E. L. Russell, Chief Education Officer, School Health Service, Queen's College Chambers, 38A, Paradise Street, Birmingham, 1. (8968)

BLACKBURN, COUNTY BOROUGH OF

Applications are invited from registered medical practitioners for the post of

ASSISTANT MEDICAL OFFICER

with duties principally in the school health service. The salary will be at the rate of £850 per annum, rising by annual increments of £50 to £1,150 per annum. The possession of a qualification in public health or of the D.C.H. will be an advantage. Preference will be given to candidates who are approved by the Ministry of Education for the purpose of ascertainment of educationally subnormal pupils. Forms of application and schedules of conditions relating to the appointment may be obtained from the Medical Officer of Health, Public Health Department, 66, Victoria Street, Blackburn. (8700)

COVENTRY, CITY OF, EDUCATION COMMITTEE**TEMPORARY SCHOOL MEDICAL OFFICER AND ASSISTANT MEDICAL OFFICER OF HEALTH**

Required for duties mainly in connexion with the medical inspection and clinic treatment of school children and other duties as directed by the School Medical Officer. Possession of Diploma in Public Health an advantage. Salary £850 by £50 to £1,150 per annum. Commencing salary determined in the light of previous experience and qualifications. The post is superannuable and subject to medical examination, and is expected to last until June 30, 1953. Further particulars may be obtained on request from the undersigned, to whom applications (no forms provided) should be returned as soon as possible.—T. Morrison Clayton, School Medical Officer. (9369)

LINCOLN, COUNTY OF—PARTS OF KESTEVEN

Applications are invited from registered medical practitioners holding a Diploma in Public Health for the joint appointment of

ASSISTANT COUNTY MEDICAL OFFICER AND MEDICAL OFFICER OF HEALTH for the Urban Districts of Bourne and Sleaford and the South Kesteven Rural District (population approximately 26,697)

The inclusive salary will commence at £1,306 5s., rising by annual increments to a maximum of £1,593 15s. The person appointed will be required to provide a car and will be paid a travelling allowance. Applicants should be conversant with the duties of medical officer of health, school medical officer and medical officer for maternity and child welfare, and experience in examination of handicapped children is desirable. The officer will act under the general control and supervision of the County Medical Officer of Health as Assistant School Medical Officer and Medical Officer to Infant Welfare Centres and will be required to perform such other duties as may from time to time be prescribed by the County Council. The officer appointed will be required to perform in the districts of the Local Sanitary Authorities referred to all the duties imposed on the Medical Officer of Health by the relevant Acts, Orders, and Regulations. As regards the duties of Medical Officer of Health, the officer appointed will be subject to the control of the District Councils concerned. The officer will also be required to devote the whole of his or her time to the duties of the office and to reside at Bourne. The appointment will be subject to the appropriate superannuation regulations and the selected candidate will accordingly be required to pass a medical examination. The appointment will be subject to three months' notice to be given or received by the Clerk of the County Council. Applications (upon forms to be obtained from the Clerk of the County Council, County Offices, Sleaford), with names of three referees, must be returned not later than February 28, 1953. Canvassing, either directly or indirectly, will disqualify. The appointment will be made in accordance with Section 103 of the Local Government Act, 1933, and the Sanitary Officers (Outside London) Regulations, 1935.—J. E. Blow, Clerk of the County Council, County Offices, Sleaford, Lincs. (9123)

ESSEX, COUNTY COUNCIL OF**ASSISTANT COUNTY MEDICAL OFFICER OF HEALTH**

Applications are invited from registered medical practitioners for the above-mentioned appointment in the Mid-Essex Health Area (Braintree and Dunmow districts). Preference will be given to candidates with experience in school medical and maternity and child welfare duties and to those possessing the Diploma in Child Health and/or a certificate or Diploma in Public Health and/or approved by the Ministry of Education for the purposes of ascertainment of educationally subnormal children. Salary scale £850 by £50 to £1,150 a year. Appointment subject to medical examination and contributions towards superannuation. Canvassing forbidden. Application forms obtainable from, and returnable to, the County Medical Officer of Health, County Hall, Chelmsford. (9076)

KENT EDUCATION COMMITTEE**ASSISTANT COUNTY MEDICAL OFFICER (Male or female)**

Applications are invited for the above appointment in the North-East Kent area. The salary scale is £850 a year, with annual increments of £50 to £1,150 a year. The commencing salary will be fixed at a point on the scale according to the experience and qualifications of the successful candidate. The appointment is superannuable, and the successful candidate will be required to pass a medical examination. The duties are mainly in the School Health and Child Welfare Services, and experience in the classification of educationally subnormal children will be an advantage. Applications, stating age, qualifications, and experience, accompanied by the names and addresses of two persons to whom reference may be made as to professional ability and character, should be addressed to the County Medical Officer, County Hall, Maidstone, not later than February 5.—A. Elliott, M.D., School Medical Officer, County Hall, Maidstone. (9342)

OXFORD, CITY OF**DEPUTY MEDICAL OFFICER OF HEALTH AND DEPUTY SCHOOL MEDICAL OFFICER**

Applications are invited for the post of at a salary of £1,200, by five annual increments of £50 to a maximum of £1,450. A car allowance will also be made. If suitably qualified, the successful applicant may be requested to deputize for the Medical Officer of Health as Consultant (Infectious Diseases) to the United Oxford Hospitals. Any fees received in this connexion would be retained. Further particulars can be obtained from me, together with application forms, which must be returned by February 7, 1953. Canvassing of members of the Oxford City Council, either directly or indirectly, in connexion with this appointment will disqualify the candidate.—Harry Plowman, Town Clerk, Town Hall, Oxford. (9124)

PORTSMOUTH, CITY OF**Public Health Department****ASSISTANT MEDICAL OFFICER OF HEALTH**

Applications are invited from registered medical practitioners for the above appointment; preference will be given to candidates possessing the D.P.H. The doctor appointed will be responsible to the Medical Officer of Health for the operation of the Department's Immunization and Vaccination Service and the Disinfection (Scabies and Pediculosis) Clinic, and will also be required to carry out any other duties as he may direct. The salary scale is £850 by £50 to £1,150, and regard will be had to previous service when fixing the commencing salary. The successful applicant will be required to pass a medical examination. Application forms may be obtained from, and should be returned to, the Medical Officer of Health, 1, Western Parade, Portsmouth, not later than Saturday, February 14, 1953.—V. Blanchard, Town Clerk, City Council Chambers, 1, Clarence Parade, Portsmouth. (9370)

SWINDON, BOROUGH OF**DEPUTY MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER**

Applications are invited from duly qualified medical practitioners holding a Diploma in Public Health or similar qualification for the appointment of Deputy to the Medical Officer of Health and Borough School Medical Officer, who is also Area Medical Officer under the Wiltshire County Council. The salary and conditions of service will be in accordance with the award of the Industrial Court. The present salary is at the rate of £1,034 per annum, rising by four increments of £54 10s. to a maximum of £1,252 per annum. Forms of application and further particulars of the post may be obtained from the undersigned, with whom applications should be lodged not later than Monday, February 16, 1953.—D. Murray John, Town Clerk, Civic Offices, Swindon, Wilts. (9053)

UNIVERSITY OF LEEDS**PART-TIME COURSE FOR CERTIFICATE IN
PUBLIC HEALTH AND DIPLOMA IN PUBLIC
HEALTH**

A part-time Course for the Certificate in Public Health and the Diploma in Public Health will commence in October, 1953, occupying two terms for the certificate and a further three terms for the diploma. Students will require to spend 2½ days a week in each term in whole-time study, leaving the remainder of the time free for approved gainful employment. Candidates holding part-time public health appointments or with previous whole-time public health service may be granted exemption from some of the practical public health work, so reducing the whole-time study to approximately two days a week. Candidates are asked to apply as soon as possible to the Sub-Dean, School of Medicine, Thoresby Place, Leeds, 2. (9203)

UNIVERSITY OF LONDON

The University will shortly proceed to award the **MARY SCHARLIEB RESEARCH STUDENTSHIP** of the value of £250, for one year in the first instance. The Studentship is open to graduates of the University who are registered medical practitioners or possess qualifications which in the opinion of the Senate would enable them to undertake postgraduate medical research. Applicants (on a prescribed form) must reach the Academic Registrar, University of London, Senate House, London, W.C.1 (from whom a form of application and further particulars may be obtained), not later than February 28, 1953. (9345)

CHEADLE ROYAL, CHEADLE, CHESHIRE

A registered hospital for MENTAL DISEASES, and its Seaside Branch, GLAN-Y-DON, Colwyn Bay, N. Wales. The object of this hospital is to provide the most efficient means for treatment and care of Patients of both Sexes suffering from MENTAL and NERVOUS DISEASES. The Hospital is governed by a Committee appointed by Trustees. Deep and Modified Insulin Coma; E.C.T. and psychotherapeutic treatment given. VOLUNTARY, TEMPORARY, and CERTIFIED PATIENTS RECEIVED. For terms and further information apply to the Medical Superintendent. Telephone: Gatley 2231.

WYKE HOUSE, ISLEWORTH, MIDDLESEX

A Private Hospital for individual treatment of all forms of Nervous and Mental Illness, including Alcoholism. Voluntary and certified patients of both sexes are admitted, and particular attention is given to the needs of the aged. Apply. Resident Medical Superintendent. Tel.: EALing 7000.

NORTHUMBERLAND HOUSE

GREEN LANES, FINSBURY PARK, N.4

A PRIVATE HOSPITAL for the treatment of MENTAL AND NERVOUS ILLNESSES. Conveniently situated and easy of access from all parts. Six acres of ground, facing Finsbury Park. Voluntary and Temporary Patients received without certification. E.C.T. group psychotherapy. Trained Resident and Visiting Staff: INSULIN COMA UNIT. Telephone: Stamford Hill 7866/7 (2 lines). Telegrams: "Subsidiary, London." Medical Superintendent, Robert M. Riggall, Member, British Psycho-Analytical Society.

ASHENDENE, BAYFORD, HERTS

A Personally Supervised Nursing Home with Private Rooms, Cubicles or Sharing. Special treatments include E.C.T., Prolonged Narcosis, Alcohol, and Drug Addiction. Convalescents benefit in bracing country air and elderly persons find care and home comforts. Fully trained nursing staff.—J. C. Baker, M.B. Bayford 262.

CHISWICK HOUSE, PINNER, MIDDLESEX

Telephone: Pinner 234

A PRIVATE NURSING HOME for the TREATMENT AND CARE of MENTAL AND NERVOUS ILLNESSES in both sexes. A modern house, 12 miles from Marble Arch, in attractive secluded grounds. Fee from 12 guineas per week. Patients treated under certificate, temporary or voluntary status. Usual modern forms of treatment, including psychotherapy, narco-analysis, modified insulin, occupational therapy, E.C.T., etc. — Douglas Macaulay, M.D., D.P.M.

ST. ANDREW'S HOSPITAL, NORTHAMPTON

Nervous and Mental Disorders

President: Sir Earl Spencer. Medical Supt. Thomas W. H. M.D., F.R.C.P., D.P.H., D.P.M. This Hospital is situated in 130 acres of park and pleasure grounds. Voluntary patients who are suffering from incipient mental disorders or who wish to avoid recurrent attacks of mental trouble, temporary residents and certified patients of both sexes are accepted for treatment. Careful clinical, bacteriological and pathological examination. Separate rooms with special nurses, male or female. Hospital or in one of the numerous villas in the grounds of the various branches can be provided.

WATCHE HOUSE.—This is a Reception Hospital in detached grounds with a separate entrance to which patients can be admitted. It is equipped with all the apparatus for the complete investigation and treatment of Mental and Nervous Disorders by the most modern methods; insulin treatment is available for suitable cases. It contains special departments for hydrotherapy by various methods, including Turkish and Russian baths, the prolonged immersion bath. Plombières treatment, etc. There is an Operating Theatre, a Dental Surgery, an X-ray Room, an Ultra-Violet Apparatus, and a Department for Diathermy and High-frequency Treatment. It also contains Laboratories for biochemical, bacteriological and pathological research. Psychotherapeutic treatment is employed when indicated.

MOULTON PARK.—Two miles from the main Hospital there are several branch establishments and villas situated in a park and farm of 650 acres. Milk, meat, fruit, and vegetables are supplied to the Hospital from the farm, gardens and orchards of Moulton Park. Occupational therapy is a feature of this branch, and patients are given every facility for occupying themselves in farming, gardening and fruit-growing.

BRYN-Y-NEUADD HALL.—The seaside house of St. Andrew's Hospital is beautifully situated in a Park of 330 acres at Llanfairfechan amidst the finest scenery in North Wales. On the North-West side of the Estate, a mile of sea-coast forms the boundary. Patients may visit this branch for a short seaside change or for longer periods. The hospital has its own private bathing house on the seashore. There is trout-fishing in the park.

At all the branches of the Hospital there are cricket grounds, football and hockey grounds, lawn tennis courts (grass and hard courts), croquet grounds, golf courses, and bowling greens. Ladies and gentlemen have their own gardens, and facilities are provided for handicrafts such as carpentry, etc. For terms and further particulars apply to the Medical Superintendent (Telephone No.: Northampton 4354 (3 lines)), who can be seen in London by appointment.

SPRINGFIELD HOUSE, near BEDFORD

Phone: Bedford 3417

For Mental Cases (including the aged). Fees from eight guineas per week (separate bedrooms for suitable cases without extra charge). For forms of admission, etc., apply to the Resident Physician, Cedric W. Bower. Interviews in London by appointment.

THE HERMITAGE, TWYFORD, BERKSHIRE

For treatment of Neurosis and Addiction. Also Aged, Medical and Convalescent cases. Private rooms from 8 guineas.—Tel. 53.

LAVERSTOCK HOUSE, SALISBURY, WILTS

Private Mental Hospital, old-established. All mental cases and all treatments. Fees moderate.
