

Invalid Bovril is a highly concentrated form of Bovril for use in the sick-room.

Prepared without seasoning,

it provides the maximum concentration in the most easily assimilated form. Many doctors recommend it in cases where the patient needs "building-up" after illness. Perhaps there is a patient of yours who would benefit from a course of Invalid Bovril?

POLLERGEN (DUNCAN)

A COMBINED POLLEN EXTRACT

indicated in

● SEASONAL HAY FEVER ● CORYZAL ASTHMA

Researches in Allergy have clearly demonstrated that more success is to be achieved by treatment with a combined pollen extract than with simple extracts of pollen such as Timothy Grass.

Pollergen is a combined extract of those pollens which have proved to be most frequently responsible for the onset of Hay Fever and Hay Asthma, and treatment should be commenced early in the year so as to ensure that maximum dosage is attained before the Pollen Cloud is at its height.

Literature and prices on application.

OXFORD UNIVERSITY PRESS

The complete answer for macrocytic anæmias

Clinical experience over a decade has established that the administration of Anahæmin constitutes the most effective form of treatment for pernicious anæmiæ.

Anahæmin produces, with small and comparatively infrequent doses, a prompt and satisfactory erythropoiesis in patients in relapse, it ensures the

maintenance of a normal erythrocyte level in patients in remission and is effective in preventing the onset of subacute combined degeneration of the cord. Anahæmin has also been found to be of value in the treatment of herpes zoster and post-herpetic neuralgia. The suggested dosage is 4 ml. on alternate days until relief is obtained.

'ANAHÆMIN'

Anahæmin is available in:

1 ml. ampoules, Boxes of 3 at 8/3, 6 at 15/3, 25 at 58/6

2 ml. ampoules, Boxes of 3 at 13/6, 6 at 25/9, 25 at 100/-

Vials of 10 ml. at 19/10 and 25 ml. at 48/5

SUPAVITE
CAPSULES REGD.

FORMULA

The increased potency of Supavite is of particular value in such conditions of nervous strain, especially when these are accentuated by vitamin deficiencies in the diet. The combination of Minerals with the Vitamins in Supavite is important as they act together to give the fullest nutritional benefits.

Each **AMBER** Capsule contains:
Vitamin A ... 6,000 I.U.
Vitamin D ... 1,000 I.U.
Vitamin E ... 1 mg. plus
one minim wheat germ oil

Each **BLACK** Capsule contains:
Vitamin B₁ ... 1 mg.
Vitamin B₂ (Riboflavin) ... 1 mg.
Vitamin C ... 25 mg.
Nicotinamide ... 10 mg.
Iron (Ferrous) ... 17 mg.
Calcium ... 39 mg.
Phosphorus ... 30 mg.

INDICATED IN CONDITIONS OF VITAMIN DEFICIENCY OFTEN ASSOCIATED WITH: General fatigue and loss of appetite. Nervous debility. Irregular bowel function. Indigestion and general poor health. Mental irritability. Low resistance to colds and other ailments. Changes in the texture of the skin.

Prolonged

Local

Anaesthesia

A single injection of Efocaine PRODUCES CONTINUOUS LOCAL ANAESTHESIA AVERAGING 6-12 DAYS IN DURATION but frequently even longer. This important advance in the scientific control of pain is of particular significance in the post-operative period. A long-lasting depot anaesthetic is now available which does not rely on the use of oil, vaso-constrictor agents or gelatin as a retarding vehicle. Efocaine can be injected either deeply subcutaneously or intramuscularly and it does not interfere with wound healing. It is of particular interest in rectal surgery.

EFOCAINE

FIBROSITIS | *Circulatory Progress*

A new approach to vaso-dilatation in the treatment of rheumatism and allied conditions.

'ALGIPAN' is a new and highly efficient surface-action cream for the relief of pain in such conditions as rheumatism, fibrositis, muscle spasm, strains and sciatica. Its success is due to the use of the penetrative agent methyl nicotinate. This enables the powerful vaso-dilator histamine to reach deeper tissues below the skin and induce a prolonged, pain-relieving hyperæmia. The glycol salicylate and capsaicin exert a comforting rubefacient action.

'Algipan'

* Trade Mark.

FORMULA :— Methyl Nicotinate 1.0%, Histamine Dihydrochloride 0.1%, Glycol Salicylate 10.0%, Capsaicin 0.1%.

JOHN WYETH & BROTHER, LTD., CLIFTON HOUSE, EUSTON ROAD, LONDON, N.W.1.

* The Trade Mark is the property of Laboratoires Midy, Paris.

The triple penetrative, warming and pain-relieving effect makes 'Algipan' valuable for all types of rheumatic and muscular pains, whether acute or chronic or arising from strain or injury. Only very gentle surface friction is required.

Now available . . .

'DISTAVONE'

brand

Procaine Penicillin G Potassium Penicillin G
Dihydrostreptomycin Sulphate

A mixed antibiotic preparation with special applications

Not infrequently, cases of advanced infection or of mixed infection require immediate treatment and to await proper bacteriological examination may be quite impracticable or inadvisable. In such cases, and also in prophylaxis in certain operative procedures, it is often the practice to administer separate injections of penicillin and dihydrostreptomycin. Moreover, where the causative organisms, because they are deep-seated, cannot be readily identified, a mixture of these two antibiotics is often used.

For convenience in such circumstances, 'Distavone,' consisting of a balanced mixture of penicillin and dihydrostreptomycin in a highly purified form, has been made available.

Each single-dose injection-type vial contains 300,000 units procaine penicillin G, 100,000 units potassium penicillin G and 500,000 units (equivalent to 0.5 gramme pure base) dihydrostreptomycin sulphate. Boxes of 5 vials.

Notes on High-Protein Diets

(4)

TREATMENT OF BURNS

Anorexia after Shock

With burned patients, loss of appetite after the shock stage is common experience, and it is often difficult to get the patient to take food. If enough protein can be given at this stage, appetite can be restored and the patient will begin to take ordinary meals once again. To balance the gross wasting associated with burns the amount of protein given must be high. For instance, a severely burned patient may need up to five times as much daily protein as a healthy man or woman. The difficulty of providing these large amounts of protein within the limitations of today's diet is well known. How then can such a high-protein diet best be maintained today?

The Value of the Sanatogen Method

One of the best and simplest solutions for the practitioner is to use Sanatogen concentrated protein supplement to provide the required high-protein diet. Sanatogen contains 95% casein combined with 5% sodium glycerophosphate. The normal dosage provides the patient with at least 24 grams a

day of first-class protein of high biological value. By increasing this dosage the physician can adjust the daily protein intake to whatever level he thinks advisable, to combat gross wasting in the burned patient. In addition, the glycerophosphate content of Sanatogen has a helpful tonic effect on the appetite.

Simple to Administer — Easily Digested

Sanatogen is simple to administer, bland, easily digested and readily absorbed by patients whose digestive faculties have been impaired by shock. It may be mixed as a hot or cold drink, sprinkled on food or mixed in cooked dishes.

Practitioners who wish to carry out their own clinical tests with Sanatogen will be given every help. Please write to the Medical Department, Genatosan Ltd., Loughborough, Leicestershire, for further information and medical samples.

Why MIXOGEN is prescribed for menopausal symptoms

Because it is now established that:—

- combined male and female hormone treatment is the most effective in this condition.
- the correct balance of the two hormones is essential both for efficacy and economy—determined by extensive clinical trial in the U.K. and unique to Mixogen.
- both the hormones in Mixogen are completely effective when swallowed—thus maximum, immediate relief is given in the simplest and most convenient way.

Dosage: Initially 1-2 tablets daily, reducing when possible.

Packs: Perspex tubes of 25 tablets and bottles of 100, 250 and 500.

... a new achievement in the control
of HYPERTENSIVE CRISES

A SAFE AND POWERFUL HYPOTENSIVE AGENT CAPABLE OF
 REDUCING BLOOD PRESSURE TO NORMAL LEVELS WITHIN
 MINUTES IN A GREAT MAJORITY OF PATIENTS.

Veriloid Intravenous Solution is an important new emergency drug. By its use, immediate control of arterial tension is possible in those conditions in which a continued hypertensive state could readily lead to disaster. It therefore finds valuable application in the emergency treatment of malignant hypertension, encephalopathy, eclampsia and hypertensive states accompanying cerebral vascular disease. After initial control of blood pressure has been achieved by Veriloid Intravenous Solution, treatment may be continued by the use of Veriloid Intramuscular Solution or by oral administration of Veriloid Tablets.

Veriloid Intravenous Solution contains 0.4 mg. of Veriloid brand alkaloids of *Veratrum viride* in each c.c. and is biologically assayed to ensure uniform hypotensive potency. It is a very potent agent, and should not be used before the instructions for use have been carefully studied.

A new combination

C O D I S

REGD.

soluble aspirin with
codeine phosphate and phenacetin

Codis presents a familiar grouping of analgesic drugs; aspirin, phenacetin, codeine phosphate; with an important advantage. The "aspirin" in Codis is rendered soluble, as in 'Solprin'.

Placed, uncrushed, in water, a Codis tablet disperses in a matter of seconds to form a solution of calcium aspirin and codeine phosphate with finely suspended phenacetin. The chance of irritation of the gastric mucosa by undissolved particles of aspirin is thus minimised.

Codis is recommended for all those conditions for which Tab. Codein. Co. B.P. would be prescribed. It has the added advantages of greater ease of administration and far less likelihood of aspirin intolerance, while the rapid absorption of the soluble aspirin promotes prompt relief.

COMPOSITION

Each Codis tablet contains:—Acid. Acetylsalicyl. B.P. 4 grs., Phenacet. B.P. 4 grs., Codein Phosph. B.P. 0.125 grs., Calc. Carb. B.P. 1.2 grs., Acid. Cit. B.P. (Exsic.) 0.4 grs., Excip. ad. 11.45 grs.

Introducing

D O R M U P A X

REGD.

AN IMPROVED BARBITURIC HYPNOTIC OF GOOD COMPATIBILITY AND WIDE THERAPEUTIC MARGIN

The House of Hommel have now made available for general distribution in this country 'DORMUPAX', a strong hypnotic agent whose high efficacy derives primarily from its inclusion of the *calcium salt of n-butyl-allyl-barbiturate*, presented for the first time in the new product.

FORMULA	Each Tablet of	{	Calcium n-butyl-allyl-barbiturate	3.75 grains
	'Dormupax' contains		Carbromalum B.P.C.	1.5 grains

PHARMACOLOGY Comparative experimental studies show that the therapeutic index of *n-butyl-allyl-barbituric acid* is superior to that of the majority of commonly used barbituric acid derivatives, i.e. of butyl, ethyl, isopropyl and phenyl structure. In animal studies the therapeutic index (DE/DL) is as low as 0.27. It has also been shown that the quotient DE/DL is even more favourable for the calcium salt than for the acid.

The molecule of *n-butyl-allyl-barbituric acid* reaches the sleep centre unchanged. After an average sleep duration of 8 hours, it is completely degraded to an indifferent form. The efficacy of 'Dormupax' is reinforced by carbromalum. The latter is a prompt, safe, medium strength hypnotic which is free from after-effects.

CLINICAL DATA 'Dormupax' has been thoroughly investigated in several mental asylums. Because the dosages are often much above the normal standard in these institutions, which comprise senile, disturbed or schizophrenic persons, the two most important factors for a hypnotic — efficacy and compatibility — could be examined in detail. The results were highly satisfactory. In cases of senile, motor-restless patients the efficacy was very good on dosage of half a tablet in the afternoon and one tablet in the evening. Disagreeable after-effects could not be observed.

Excited insane patients tolerate 4 tablets daily in a course of 2 to 4 days without any deleterious after-effects. For hypertonics the concurrent administration of 'Hypersyn'-Hommel proved to be very effective.

INDICATIONS Insomnia due to psychic causes or pain — Insomnia in cases of various diseases, especially circulatory diseases or arteriosclerosis — Spastic vascular states. In these cases the combination of 'Dormupax' and 'Hypersyn'-Hommel is indicated.

DOSAGE Maximum daily single dose: 2 Tablets; maximum daily dose: 5 Tablets. Further information on dosage supplied in literature on request.

PACKS: Standard Tube of 12 Tablets; bottles of 250 (Dispensing). Samples of 'Dormupax' available on personally signed request of physicians only [Sch. IV] from the Medical Dept.

HOMMEL'S HÆMATOGEN & DRUG CO.,

"F99" in the treatment of ECZEMA

*Diagnosis: Obstinate eczema of the face.
Photograph taken on October 5, 1949,
before treatment with "F99"*

*Photograph taken on February 14, 1950.
Treatment one "F99" capsule and one
application of "F99" ointment daily*

"F99"—available in capsule, liquid and ointment forms—is a concentrate of the active isomers of linoleic and linolenic acids, of the highest achievable purity and standardized biological activity.

It is indicated in skin disorders due to essential fatty acid deficiency of dietetic or "absorption" origin, i.e., chronic furunculosis, eczemas of various types including infantile eczema and in some cases of acne. It is also excellent in the healing of all wounds free from serious infection—particularly leg ulcers. Sufficient success has also been reported to warrant its use—as an unsaturated substance—in the treatment of psoriasis.

"F99" has no N.F. equivalent, is not advertised to the public and may be prescribed on E.C.10. The average net weekly cost is 3/6.

When milk isn't enough ...

The introduction of solids to baby's diet usually tends to increase the starchy portion of the diet at the expense of valuable milk proteins as well as the calcium and phosphorous salts contained in milk.

To meet this situation the vegetable protein of the oat flour in Trufood Cereal Food has been supplemented by *milk proteins* and the addition of valuable mineral salts. In this way the total protein has been raised to 6.05 grammes per ounce or 21.4%, and the casein and lactalbumin form a valuable complement to the biological value of the total protein.

Full details of Trufood Cereal Food and the range of other Trufood Infant Foods can be obtained from Trufood Limited, Medical Department, Green Bank, London, E.1.

What about that half-holiday, Sir?

I must confess that the coming of BP Super to rejuvenate my horseless carriage has inspired me with a certain holiday spirit.

Did you ask the headmaster, Sir?

I fear that as a non-motorist he is unable, as you would put it, to care less.

Isn't that shortsighted of him, Sir?

We must be charitable towards those pedestrian minds who do not see what BP Super does for motorists.

What does BP Super do, Sir?

BP Super banishes pinking! One might almost say that this new superlative petrol is making motoring history!

INNERAZE -

The in-built wedge
for the treatment of flat feet

There is nothing new about the use of a wedged heel for the treatment of pronation, but the Inneraze method of applying it *inside the shoe* is new and much superior. For the in-built wedge (of non-absorbent plastic) and the buttressed heel give a degree of correction that is as lasting as the shoe. Neither wear nor repair will alter it, and so the surgeon is relieved of much time-consuming supervision. And at all times Inneraze is practically indistinguishable from a normal shoe. Inneraze was designed, in the closest collaboration with an eminent orthopaedic surgeon, by the makers of the very well-known 'Start-Rite' shoes for children. 'Inneraze' shoes are only supplied against a medical prescription.

INNERAZE shoes by **START-RITE**

JAEGER

Jaeger body-belts are made of pure wool, for these reasons. Wool keeps its wearer cool in summer, warm in winter. Wool disposes quickly of perspiration, retaining body warmth. Wool, being porous, allows both the escape of exhalations from the skin, and the access of pure air to the skin. Jaeger body-belts sit well, stay in position, and give support without pressure. They are available in all sizes.

JAEGER HOUSE, 204-206 REGENT STREET, W.1

BISMUTH CARBONATE

In the treatment of

DYSPEPSIA

ensures

- **RAPID** Symptomatic Relief
- **SUSTAINED** gastric neutralisation
- **CONTINUAL** protection of the gastric mucosa
- **EARLY** correction of peristalsis.

The **NEW** Sharman's Kymographic Tubal Insufflation Apparatus

This apparatus for recording a graph of insufflation has now been produced in an improved and simplified form. The whole control is now obtained by means of a single 4-position flow control valve instead of the two infinitely variable valves previously fitted. The two rates of flow available for insufflation are accurately pre-set during manufacture. The improved valve design ensures consistent operation over long periods. The CO₂ storage cylinder capacity is sufficient for a large number of operations without changing. Made with traditional care, finished in black leatherette with glossy grey instrument panels and supplied with a spare carbon dioxide cylinder and charts.

When
nourishment
is the main problem . . .

BRAND'S ESSENCE is a first-class protein of animal origin. Being partly hydrolized, it is capable of easy ingestion, digestion and absorption. It is extremely palatable, and may be taken either as a jelly or as a liquid. It helps to support convalescence and assists in restoring a positive nitrogen balance.

The major indications for the administration of Brand's Essence are loss of appetite during fatigue, acute infections, and dysphagia or digestive disturbances due to organic or bacterial lesions of the mouth, oesophagus and alimentary tract, and after surgical procedures.

The addition of Brand's Essence to low residue and weight-reducing diets is especially appreciated by the patient.

Brand's Essence

(BEEF OR CHICKEN)

Clarks

PROMISE

freedom from

all foot troubles caused by footwear,
if from babyhood none but Clarks shoes
are worn, fitted by Clarks Footgauge.

Clarks back this promise with 128 years of shoe craftsmanship. They keep it by making children's shoes which are based on the natural shape of a child's foot . . . made in different widths to each length size . . . fitted with scientific accuracy on a special Footgauge for length, for breadth and for girth. That's why so many children in over 60 countries in the world wear Clarks.

It depends what you mean by 'Banking'

OF COURSE we safeguard money and cash cheques. But we go further. We maintain specialist departments whose functions, although not 'banking' in the usual sense, can nevertheless be used to very good purpose. These departments will, for example, act as an Executor, help with a customer's Income Tax problems, obtain currency for foreign travel. They will do many more things besides. But the moral of this multiplicity of functions is simply this: if you have any problem of finance or business, the chances are that we can help you deal with it. And that is what we mean by 'banking'

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose 3 copies (unless otherwise specified) of recent ★testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★ *SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.*

Deferment of recruitment for fully registered "R" practitioners (i.e., fully registered practitioners liable for call-up under the National Service Acts) is granted at the discretion of the Central Medical Recruitment Committee and (in Scotland) the Scottish Central Medical Recruitment Committee. The Committees normally allow a fully registered "R" practitioner to hold a First House Officer post (N.H.S. salary £350 per annum) provided that it commences within three months of the end of his deferment by the Ministry of Labour and National Service as a whole-time medical student; and a Second House Officer post (N.H.S. salary £400 per annum) provided that it is secured before the end of his First House Officer post and commences within one month thereafter.

An "R" practitioner requires the special written permission of the C.M.R.C. or (in Scotland) the Scottish C.M.R.C. to proceed to any further post.

The position of provisionally registered "R" practitioners has been made clear in a notice sent to them by the University Joint Recruiting Boards.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR:** Posts obtained normally not less than two years after registration as a medical or dental practitioner and held normally for two years: £775 per annum in the first year; £890 per annum in the second and any subsequent years.

(b) **SENIOR REGISTRAR:** Posts obtained normally not less than four years after registration as a medical or dental practitioner and held normally for three years; £1,000 per annum in the first year; £1,100 per annum in the second year; £1,200 per annum in the third year; £1,300 per annum in any subsequent years.

Other Grades, Whole-time

(a) **HOUSE OFFICER:** £350 per annum for the first post held; £400 per annum for the second post held; £450 per annum for the third and any subsequent post held; with, in each case, a deduction at the rate of £100 per annum in respect of board and lodging and other services provided. Each post shall be tenable for six months.

The Minister will be prepared to authorize, in exceptional circumstances, salaries up to £50 per annum higher than the standard rates specified above where a post cannot be filled otherwise.

(b) **SENIOR HOUSE OFFICER:** Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical or dental practitioner and normally held for one year only: £670 per annum.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER:** Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £700 (for an officer appointed not less than two years after registration as a medical practitioner) by £50 to £1,000 per annum.

ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Those intending to apply for resident appointments in the Registrar grades are recommended to make inquiries with regard to the deductions proposed for board and lodging at the time of submitting their applications, where this is not stated in the advertisement.

Applications (eight copies), stating age, experience and the names and addresses of three referees, should reach the Secretary of the Board, 43, Banbury Road, Oxford, by February 28. (9449)

SCOTLAND, EASTERN REGIONAL HOSPITAL BOARD**Dundee Royal Mental Hospital and Maryfield Hospital, Dundee**

Applications are invited for the post of

ASSISTANT PSYCHIATRIST

at the Dundee Royal Mental Hospital (70 beds) and the Psychiatric Unit (22 beds and out-patient department) of Maryfield (General and Teaching) Hospital (400 beds). These active units are being developed and equipped to meet modern requirements. The person appointed will assist and act as deputy to the Physician Superintendent of the Dundee Royal Mental Hospital who has charge of the unit at Maryfield Hospital. He will also be required to interpret E.E.G. records at a new department of electro-encephalography to be opened at Dundee Royal Mental Hospital. Salary £1,300 by £50 to £1,750. Conditions of service in accordance with national agreement. Forms of application and further particulars from the Secretary to the Board, Bracknowe, 430, Blackness Road, Dundee, with whom applications must be lodged not later than February 28, 1953. (1616)

BRISTOL, UNITED, HOSPITALS, THE BOARD OF GOVERNORS OF THE, AND THE SOUTH WESTERN REGIONAL HOSPITAL BOARD**South Somerset Clinical Area**

Applications are invited by the above Boards from registered medical practitioners for the joint appointment of

SENIOR REGISTRAR in Psychiatry

Applicants should have had wide experience in psychiatry. The appointment will be held for one year in the first instance, but may be renewed thereafter on an annual basis. The successful candidate will be required to work for the first year mainly at Tone Vale Hospital, near Taunton, which provides treatment in all types of psychiatric cases, including psychotic children, and all forms of modern treatment; also attendance at out-patient psychiatric clinics and work in the electroencephalographic department. He will also be required to visit other hospitals in the clinical area as may be determined by the Regional Board from time to time. Twelve copies of applications, stating date of birth, qualifications, and experience, together with twelve copies of two testimonials and the names and addresses of two referees, should be sent to the Secretary of the Regional Hospital Board, 27, Tyndalls Park Road, Bristol, 8, not later than February 23, 1953. (9887)

BRISTOL, UNITED, HOSPITALS, THE BOARD OF GOVERNORS OF THE, AND THE SOUTH WESTERN REGIONAL HOSPITAL BOARD

Applications are invited by the above Boards from registered medical practitioners for the joint appointments of

REGISTRARS in Psychiatry
to the South Western Region

The successful candidates will be based on the Bristol Mental Hospital Group (Barrow and Fishponds Hospitals and the Bristol Neurosis Centre). The appointments, which may be resident or non-resident, will be held for one year in the first instance, when the contracts will be reviewed and the Registrars may then be posted to a Mental Hospital elsewhere in the Region. It is intended that the posts will offer training to enable the holders to obtain the Bristol D.P.M. The successful candidates will, therefore, be required to gain experience in child psychiatry, mental deficiency and neurology, as well as the general and special branches of adult psychiatry, and the work will be arranged accordingly. They will also be able to attend the course for Part I and Part II, D.P.M. at the University of Bristol. The posts also offer excellent opportunities for special post-graduate experience in psychiatry and for research work for the preparation of a thesis for higher qualifications. There are well-equipped departments of electro-encephalography, experimental and applied psychology, and biochemical and endocrinological research, and an extensive psychiatric library at Barrow Hospital. Twelve copies of applications, stating date of birth, qualifications and experience, together with twelve copies of two testimonials, and the names and addresses of two referees, should be sent to the Secretary of the Regional Hospital Board, 27, Tyndalls Park Road, Bristol, 8, not later than February 23, 1953. (9888)

CHEADLE ROYAL, Cheadle, Cheshire
(A Registered Mental Hospital for Private Patients)
(400 beds)

Applications are invited from registered medical practitioners, male or female, for the post of

REGISTRAR

The applicant will have the opportunity of treating acute cases. All modern methods of treatment in mental illness and nervous disorders are available in the hospital. Salary in accordance with the terms of service issued by the Ministry of Health. The hospital operates outside the National Health Service, but reciprocity has been granted between the National Health Service and the Hospital Superannuation Schemes so that years of service are transferable in either direction. Applications, stating age, full qualifications and experience, etc., together with copies of three recent testimonials, to be addressed to Medical Superintendent. (1664)

COULSDON, SURREY, NETHERNE HOSPITAL

Applications are invited for the posts of

REGISTRAR and HOUSE OFFICER

at this hospital, which has 2,000 beds. All modern forms of treatment are carried out and there are opportunities for work in out-patient clinics. The hospital is recognized for the D.P.M. and special arrangements exist for attending courses at other hospitals, including child guidance and mental deficiency. Applicants are invited to communicate with the Physician Superintendent, who will be pleased to answer questions or arrange for the hospital to be visited. Application forms may be obtained from the Secretary, and must be returned not later than fourteen days after the appearance of this advertisement.—K. W. Faulk, Secretary, Netherne Hospital Management Committee. (1617)

LIVERPOOL REGIONAL HOSPITAL BOARD

Applications are invited for the following whole-time appointments in psychiatry:

Winwick Hospital (2,260 beds)**SENIOR REGISTRAR**

Applicants should possess the D.P.M. or an equivalent qualification and have had reasonable experience in psychiatry.

Deva Hospital, near Chester (1,800 beds)**TWO REGISTRARS****Rainhill Hospital (2,800 beds)****REGISTRAR**

Single residential accommodation is available, if desired, for which a charge will be made in respect of the services provided. Married accommodation available at Rainhill Hospital.

Forms of application from, and to be returned to, Dr. T. Lloyd Hughes, Senior Administrative Medical Officer, Liverpool Regional Hospital Board, 19, James Street, Liverpool, 2, to be received not later than February 21, 1953.—Vincent Collinge, Secretary to the Board. (1618)

IMPORTANT: All intending applicants should read the revised NOTICE at the top of page 21

IMPORTANT: All intending applicants should read the revised NOTICE at the top of page 21

PUBLIC HEALTH (See Important Notice page 23)**BURY, COUNTY BOROUGH OF**

Applications are invited for the post of **DEPUTY MEDICAL OFFICER OF HEALTH and DEPUTY SCHOOL MEDICAL OFFICER (Male)** at a salary of £966 13s. 4d., increasing by four annual increments of £50 to £1,166 13s. 4d. per annum. The person appointed will be required to devote the whole of his time to the duties of the office and to act under the direction of the Medical Officer of Health. Applicants must be registered medical practitioners and must hold the Diploma of Public Health or its equivalent. The appointment will be subject to the approval of the Ministry of Health and the Ministry of Education, to the provisions of the Local Government Superannuation Act, 1937, to the passing satisfactorily of a medical examination, and to three months' notice on either side. Applications, stating age, qualifications and experience, and accompanied by copies of not more than three recent testimonials, should be forwarded to me, in an envelope endorsed "Deputy Medical Officer of Health," not later than February 16, 1953. Canvassing in any form is prohibited, and a candidate who is related to a member of, or a senior officer under the Council, must disclose the fact in his application.—Edward S. Smith, Town Clerk, Town Hall, Bury. (9920)

NOTTINGHAM, CITY OF Health Services**SENIOR MEDICAL OFFICER FOR MATERNAL AND CHILD HEALTH**

Applications are invited from medical practitioners, male or female, for this post. The duties will be those of Medical Supervisor of Midwives and of administration of the Maternal and Child Health Department, under the general direction of the Medical Officer of Health. Applicants should have had experience in administrative and clinical work in connexion with Maternal and Child Health. Preference will be given to candidates possessing higher qualifications; salary £1,250 by £50 to £1,650 per annum. The appointment will be subject to three months' notice on either side, and to the provisions of the National Health Service (Superannuation) Regulations and the Local Government Superannuation Act, 1937. Conditions of appointment and forms of application may be obtained from the undersigned, to whom they must be returned, accompanied by the names of two referees, not later than Feb. 27.—T. J. Owen, Town Clerk, The Guildhall, Nottingham. (9535)

EAST HAM, COUNTY BOROUGH OF**DEPUTY MEDICAL OFFICER OF HEALTH and SENIOR ASSISTANT SCHOOL MEDICAL OFFICER**

Applicants must be medical practitioners not more than 45 years of age, with a Diploma in Sanitary Science, Public Health or State Medicine, and considerable clinical and administrative experience in public health and school medical work. Salary £1,166 13s. 4d. by £50 to £1,416 13s. 4d. per annum. Further particulars and form of application, returnable by February 20, 1953, from Town Clerk, Town Hall, East Ham, E.6. (9635)

HUDDERSFIELD, COUNTY BOROUGH OF

Applications are invited from duly qualified medical practitioners for the appointment of **MEDICAL OFFICER OF HEALTH and SCHOOL MEDICAL OFFICER**

of the County Borough of Huddersfield at a salary fixed in accordance with the terms of the Industrial Court Award (£1,750 per annum, rising by five annual increments of £50 to £2,000 per annum). Applicants must possess a diploma in public health or a similar qualification, and should have had experience in the administration of the public health and school medical services. The person appointed will be required to reside in the Borough, and to devote the whole of his time to the duties of the office and not to engage in private practice. The appointment is subject to the provisions of the appropriate Superannuation Act, to the passing of a medical examination by the Medical Officer of Health, and to termination by three months' written notice on either side. Applications, stating age, qualifications, and experience, accompanied by ten copies thereof and by ten copies of three recent testimonials and endorsed "Medical Officer of Health," must reach me not later than Saturday, February 28, 1953. Canvassing, either directly or indirectly, will disqualify.—Harry Bann, Town Clerk, The Town Hall, Huddersfield. (1651)

Applications are invited from duly qualified registered medical practitioners with local government experience and registered in the *Medical Register* as holding a diploma in public health, sanitary science, or State medicine for the appointment of

DEPUTY MEDICAL OFFICER OF HEALTH AND DEPUTY SCHOOL MEDICAL OFFICER

The salary will be in accordance with Industrial Court Award No. 2321, viz., £1,066 13s. 4d. per annum, rising by annual increments of £50 to £1,266 13s. 4d. In fixing the commencing salary regard will be had to the successful applicant's present salary and experience. The person appointed will be required to provide and maintain a car for his official use, and a car allowance will be payable. *A house to rent will be provided.* The Borough is an Excepted District under the Education Act, 1944. Applicants must be in a position to obtain approval by the Minister of Education under Regulation 53 of the Handicapped Pupils and School Health Service Regulations, 1945. The person appointed will be required to devote the whole of his time to the duties of Deputy Medical Officer of Health and Deputy School Medical Officer, and will not be allowed to engage in private practice. The appointment will be superannuable, determinable by three months' notice in writing on either side, and subject to (i) the consent of the Minister of Health and (ii) the passing of a medical examination. Applications must reach the Medical Officer of Health, 6, Queen Street, Newcastle, Staffs., not later than Friday, February 20, 1953, and should (a) give particulars of age, qualifications, and experience; (b) give the names and addresses of three persons to whom reference may be made; and (c) contain a statement as to whether or not the candidate is related to any member or senior officer of the Council. Canvassing, directly or indirectly, will disqualify.—C. J. Morton, Town Clerk, Town Clerk's Office, Penkull Street, Newcastle, Staffs. (9989)

SALOP COUNTY COUNCIL

Applications are invited for the appointment of **ASSISTANT COUNTY MEDICAL OFFICER**

on the County Medical Staff. The duties will be mainly in connexion with the school health and maternity and child welfare services. Salary scale £850, rising by annual increments of £50 to £1,150. The point of commencement on the salary scale will depend upon previous experience. The successful applicant will be required to provide a car, and travelling and subsistence allowances will be paid according to the County Council scale. A special expenses allowance is also payable for a limited period, to married officers who are unable to obtain accommodation in Shropshire for themselves and their families. The appointment is permanent and superannuable, and the successful candidate will be required to pass a medical examination. Forms of application and copies of the conditions of service may be obtained from the undersigned, to whom applications, together with copies of three recent testimonials, should be submitted not later than February 28, 1953.—William Taylor, County Medical Officer of Health, County Health Office, College Hill, Shrewsbury. (9783)

Public Health—contd.**SWANSEA, COUNTY BOROUGH OF**

Applications are invited from duly qualified medical practitioners for the post of

ASSISTANT MEDICAL OFFICER

Applicants must have had postgraduate resident hospital experience, and should be under 45 years of age unless already holding a similar super-annuable appointment. Salary £850 by £50 to £1,150 per annum. Application forms may be obtained from the Medical Officer of Health, Public Health Department, The Guildhall, Swansea, to whom they should be returned not later than Friday, February 20, 1953. Canvassing, either directly or indirectly, is a disqualification.—T. B. Bowen, Town Clerk, The Guildhall, Swansea. (1652)

SWINDON, BOROUGH OF**DEPUTY MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER**

Applications are invited from duly qualified medical practitioners holding a Diploma in Public Health or similar qualification for the appointment of Deputy to the Medical Officer of Health and Borough School Medical Officer, who is also Area Medical Officer under the Wiltshire County Council. The salary and conditions of service will be in accordance with the award of the Industrial Court. The present salary is at the rate of £1,034 per annum, rising by four increments of £54 10s. to a maximum of £1,252 per annum. Forms of application and further particulars of the post may be obtained from the undersigned, with whom applications should be lodged not later than Monday, February 16, 1953.—D. Murray John, Town Clerk, Civic Offices, Swindon Wilts. (9053)

ADMINISTRATIVE**SCOTLAND, EASTERN REGIONAL HOSPITAL BOARD**

Applications are invited from registered medical practitioners for the appointment of

GROUP MEDICAL SUPERINTENDENT

to the Board of Management for the Dundee General Hospitals (totalling 1,563 beds). The two main hospitals in the Group are Dundee Royal Infirmary (550 beds), and Maryfield Hospital (400 beds). These hospitals are teaching hospitals for the Medical School of St. Andrew's University. The duties are entirely administrative. Salary £1,725 by £100 to £2,025. The post is non-resident and a seven-roomed unfurnished house is provided for which an appropriate charge will be made. Applicants should have had administrative and hospital experience. Further particulars and a form of application may be obtained from the Secretary, Eastern Regional Hospital Board, Braeknowe, 430, Blackness Road, Dundee. Applications, with the names of three referees, should be in the hands of the Secretary not later than February 23, 1953. Canvassing, whether direct or indirect will be a disqualification. (9986)

GOVERNMENTAL**TREASURY MEDICAL SERVICE**

Applications are invited from medical practitioners, practising in the districts detailed below, for appointment in a part-time and mainly advisory capacity as

LOCAL TREASURY MEDICAL OFFICER

for each of the places or groups of places shown. The town shown in brackets after the place-name indicates the Head Post Office area in which the place, or group of places, is situated. Successful applicants will be required to examine and report on the condition of certain Government officers, teachers, candidates for appointment, etc., who may be referred to them from time to time; and to attend when summoned to an emergency case of accident or sudden illness occurring in a Government office in the neighbourhood. Fees for this work, and mileage allowance where necessary, will be paid on a scale agreed with the British Medical Association. Intending applicants should write, within fourteen days, to Treasury Medical Adviser, Treasury Chambers, Whitehall, S.W.1, for a form on which application may be made. Applicants should be not more than 60 years of age. The places for which applications are invited are as follows:

England and Wales

Avonmouth, Sea Mills, and Shirehampton (Bristol).
Dalston (Carlisle).
Gainsborough (Gainsborough).
Hanley (Stoke-on-Trent).
Aylsham (Norwich).
Blofield (Norwich).
Sudbury (Sudbury, Suffolk).
Addlestone, Blyfield, and West Blyfield (Walton and Weybridge).

Scotland

Bonnybridge (Falkirk).
Rutherglen (Glasgow).
Inverness (Inverness). (1650)

PRISON COMMISSION

The Prison Commissioners invite applications for the post of

VISITING MEDICAL OFFICER

at the new prison for men which is shortly being opened at the Citadel Barracks, Dover. The Medical Officer will be engaged on a fee basis, which has been agreed with the B.M.A., and in the first instance will primarily be called upon only in emergency cases. The successful candidate will be considered for the post of part-time Medical Officer of the prison on a salary basis, to be in accordance with a scale agreed with the B.M.A., in due course. Further details and application forms from the Establishment Officer (Room 659), Prison Commission, Horseferry House, Dean Ryle Street, London, S.W.1. Completed forms to be returned by February 14, 1953. (1680A)

LAVERSTOCK HOUSE, SALISBURY, WILTS

Private Mental Hospital, old-established. All mental cases and all treatments. Fees moderate.

ST. ANDREW'S HOSPITAL, NORTHAMPTON

For Nervous and Mental Disorders

President: The Earl Spencer. Medical Supt., Thomas Tennent, M.D., F.R.C.P., D.P.H., D.P.M. This Registered Hospital is situated in 130 acres of park and pleasure grounds. Voluntary patients who are suffering from incipient mental disorders or who wish to prevent recurrent attacks of mental trouble, temporary patients and certified patients of both sexes are received for treatment. Careful clinical, biochemical, bacteriological and pathological examinations. Private rooms with special nurses, male or female, in Hospital or in one of the numerous villas in grounds of the various branches can be provided.

WANTAGE HOUSE.—This is a Reception Hospital in detached grounds with a separate entrance to which patients can be admitted. It is equipped with all the apparatus for the complete investigation and treatment of Mental and Nervous Disorders by the most modern methods: insulin treatment is available for suitable cases. It contains special departments for hydrotherapy by various methods, including Turkish and Russian baths, the prolonged immersion bath, Plombières treatment, etc. There is an Operating Theatre, a Dental Surgery, an X-ray Room, an Ultra-Violet Apparatus, and a Department for Diathermy and High-frequency Treatment. It also contains Laboratories for biochemical, bacteriological and pathological research. Psychotherapeutic treatment is employed when indicated.

MOULTON PARK.—Two miles from the main Hospital there are several branch establishments and villas situated in a park and farm of 650 acres. Milk, meat, fruit, and vegetables are supplied to the Hospital from the farm, gardens and orchards of Moulton Park. Occupational therapy is a feature of this branch, and patients are given every facility for occupying themselves in farming, gardening and fruit-growing.

BRYN-Y-NEUADD HALL.—The seaside house of St. Andrew's Hospital is beautifully situated in a Park of 330 acres at Llanfairfechan amidst the finest scenery in North Wales. On the North-West side of the Estate, a mile of sea-coast forms the boundary. Patients may visit this branch for a short seaside change or for longer periods. The hospital has its own private bathing house on the seashore. There is trout-fishing in the park.

At all the branches of the Hospital there are cricket grounds, football and hockey grounds, lawn tennis courts (grass and hard courts), croquet grounds, golf courses, and bowling greens. Ladies and gentlemen have their own gardens, and facilities are provided for handicrafts such as carpentry, etc. For terms and further particulars apply to the Medical Superintendent (Telephone No.: Northampton 4354 (3 lines)), who can be seen in London by appointment.

SPRINGFIELD HOUSE, near BEDFORD

Phone: Bedford 3417

For Mental Cases (including the aged). Fees from eight guineas per week (separate bedrooms for suitable cases without extra charge). For forms of admission, etc., apply to the Resident Physician, Cedric W. Bower. Interviews in London by appointment.

WYKE HOUSE, ISLEWORTH, MIDDLESEX

A Private Hospital for individual treatment of all forms of Nervous and Mental Illness, including Alcoholism. Voluntary and certified patients of both sexes are admitted, and particular attention is given to the needs of the aged. Apply, Resident Medical Superintendent. Tel.: EALing 7000.
