Efficacy and Convenience in Antacid Therapy

In the management of gastrointestinal disorders associated with hyperchlorhydria, *'Milk of Magnesia' Tablets have proved of outstanding value.

Exerting an immediate and prolonged neutralising action, 'Milk of Magnesia' Tablets offer a valuable prescription to the

physician for the treatment of simple digestive upsets, including gastritis and duodenitis, and equally so, for those cases where frank ulceration has occurred.

Pleasantly mint flavoured and conveniently portable, they are always ready to hand whenever the need of alkalisiation arises.

'Milk of Magnesia' **TABLETS**

FOR THE RELIEF OF

mental and emotional distress

In the management of overt or concealed mental and emotional distress tactful reassurance often needs to be reinforced by practical measures, and the administration of 'Drinamyl' is often very helpful because it induces a sense of tranquillity and cheerfulness.

Frequently this interlude of inner calm enables the patient to take a more reasoned view of his difficulties and thus to break the web of anxiety in which he has become entangled.

'DRINAMYL'

a balanced combination of
'Dexedrine' and amylobarbitone

'Drinamyl' is available in
containers of 50 tablets.

Each tablet contains 5 mg. dextro-
amphetamine sulphate ('Dexedrine')
and 32 mg. (gr. $\frac{1}{2}$) amylobarbitone.

New porous Elastoplast

**THIS IMPROVED ELASTOPLAST IS NOW
BEING SUPPLIED TO HOSPITALS**

T. J. Smith & Nephew announce that they have now completed two years of extensive clinical trials of their new Porous Adhesive Elastoplast bandages and extension plasters. Results confirm that this new porous adhesive largely overcomes skin reaction to occlusion, which some patients experience beneath fully spread adhesive bandages, by permitting free evaporation of sweat and minimizing epidermal keratinisation produced by the stimulating effect of the adhesive.

Porous Elastoplast bandages and extension plasters are now being supplied to hospitals and, as production increases, will be available to the medical profession as a whole. Prices are the same as the normal spread Elastoplast bandages.

Points about Porous Elastoplast

- 1 Porous throughout whole surface of the bandage, allowing free evaporation of sweat and minimizing blockage of sweat-duct ostia.
- 2 The ideal compression and grip of Elastoplast is wholly maintained because there is no loss of stretch, regain or adhesive qualities.
- 3 Adhesive not spread to edges of bandage—minimizes rucking and soiling of clothes.
- 4 Fluffy edges eliminate localised 'hard' compression—preventing trauma to devitalized skin.
- 5 The name of the improved Elastoplast is 'Porous Adhesive Elastoplast'.

For further details write to the Medical Division of T. J. Smith & Nephew Ltd., Hull

New peptic ulcer treatment comparable to drip therapy

Whole milk and alkaline constituents
combine to produce
increased buffering action

NULACIN TABLETS have been evolved to meet a very real need in the treatment of gastric and duodenal ulcers.

All the literature on the treatment of peptic ulcers emphasizes the proven value of diminishing the acidity of the gastric juice. Many large and otherwise intractable ulcers can be healed by a continuous, intra-gastric drip of milk or alkali.

Drip therapy, is, however, not always available, nor is it practicable to use it in many instances. Nulacin offers a satisfactory alternative.

CONTINUOUS NEUTRALIZATION

NULACIN TABLETS, allowed to dissolve slowly in the mouth, have been shown clinically to provide a continuous neutralization comparable with that of drip therapy. (B.M.J., 1952, 2, 180.)

NULACIN TABLETS contain nutrient in a most acceptable form to the peptic ulcer patient. Nulacin tablets obviate the necessity of taking frequent feeds, and so lessen the tendency to obesity which must occur in those who are following a dietary regime of food at frequent intervals.

During ulcer activity the suggested dosage is 3 tablets to be sucked each hour, and for follow-up treatment 2 tablets should be sucked between meals, beginning half an hour after a meal.

The tablet is of a suitable size, and of a consistency and hardness so that, when it is sucked, the result is a constant and prolonged neutralization of the gastric juice.

NULACIN TABLETS are extremely palatable and during extensive clinical tests their taste has proved to be particularly acceptable to patients.

The patient should be instructed to place the tablet between the gum of the upper jaw and the cheek. Here it will be comfortable, and slowly dissolve. The efficacy of

the tablet is greatly diminished if it is chewed and swallowed.

NULACIN TABLETS are not advertised to the public. There is no B.P. equivalent to this tablet. The dispensing pack of 25 tablets is free of Purchase Tax and now costs 3/-.

GASTRIC ANALYSIS

Superimposed gruel test-meal curves of six patients with duodenal ulcer

GASTRIC ANALYSIS

The same patients as in Fig. 1, two days later, showing the striking neutralizing effect of sucking Nulacin tablets (3 an hour). Note the return of acidity when Nulacin is discontinued

To assure dietary sufficiency in pregnancy

Prenatal Capsules

Lederle

NOW CONTAIN B₁₂

To the medical profession's intelligent watchfulness, during pre- and post-natal care, must be attributed the recent remarkable reduction in child and maternal morbidity and mortality.

Increased attention to providing adequate nutritional reserves, prevention and treatment of maternal infection and watchfulness for the blood dyscrasias of pregnancy have all been contributing factors to the firmer foundation of health which to-day's maternal and infant population enjoy.

Because pregnancy is a period of increased demands upon the maternal organism . . . of heightened metabolism . . . of an augmented and constant drain upon tissue and hormonal reserves . . . it has become an integral part of the medical management of the obstetric patient to provide *supplementary vitamins and minerals throughout the whole period of gestation.*

Prenatal Capsules Lederle are a valuable and important adjunct to dietary management in the over-all regimen of the obstetric patient. They provide optimal reserves of minerals and vitamins, and assure adequate intake of these essential dietary factors in definitely known quantities.

Each capsule contains:

Vitamin A...2000 I.U., Vitamin D...400 I.U.,
 Riboflavine...2 mg., Ascorbic Acid...35 mg.,
 Aneurine HCl...2 mg., Vitamin B₁₂...1 µg.,
 Nicotinamide...7 mg., FOLVITE* Folic Acid...1 mg., Calcium (in CaHPO₄)...
 250 mg., Phosphorus (in CaHPO₄)...190 mg., Dicalcium Phosphate Anhydrous
 (CaHPO₄)...869 mg., Iron (in FeSO₄)...6 mg., Ferrous Sulphate
 Exsiccated...20 mg., Manganese (in MnSO₄)...0.12 mg.

ULCER
EMOTIONS

EMOTIONAL DISTURBANCE...

A close association has been shown to exist between certain emotional disturbances and changes in gastric function. Increased acid secretion has been observed to follow emotional reactions of a combative nature and the importance of controlling gastric acidity in the management of peptic ulcer is widely recognised.

'Aludrox' Amphoteric Gel, buffers gastric acid to a pH of 3.5 to 4.0, at the same time providing a protective gel barrier over the surface of the ulcer. Healing is thus able to proceed whilst the risk of alkalosis is avoided and normal digestion is unimpaired.

'ALUDROX'
Trade Mark

'ALUDROX' is available in two forms: as an amphoteric gel (consisting of Aluminium Hydroxide Gel B.P.C. suitably flavoured and preserved) in 6 oz. and 12 oz. bottles and as tablets (each tablet containing dried Aluminium Hydroxide Gel. B.P.C. 13 gr.) in boxes of 60.

John Wyeth & Brother Ltd., Clifton House, Euston Road, London, N.W.1

*We improve upon
the first Elizabethans...*

The virtues of 'sower oranges and lemons' in curing 'the scurvy' were known to seafarers in the days of Elizabeth Tudor, and later on Captain Cook found that fresh vegetables served the same purpose. The difference today is that we know how much ascorbic acid we get in these foods and we can regulate our intake according to the needs of health and disease.

In VITAVEL SYRUP, concentrated orange juice is used as a base for the inclusion of other equally necessary vitamins, A, B₁, C and D, and the potency of each is designed to satisfy human needs.

One teaspoonful (3.5 c.c.) contains, at time of manufacture, vitamin A. 2,500 i.u., vitamin D 375 i.u., vitamin B₁. 0.5 mg., vitamin C. 10 mg. It can be given in water, soda water or undiluted.

THERE'S STRENGTH IN COMBINED ACTION

The answer to many a problem lies in combined action. Witness the higher blood levels and the greater clinical efficacy that have been reported from the oral administration of penicillin and the sulphonamides simultaneously in cases when the oral administration of the antibiotic or chemotherapeutic agent alone has been ineffective. A convenient means of applying this combined antibacterial therapy is Sulpenin. Containing penicillin, sulphadiazine and sulphamerazine in balanced dosage, it provides a valuable treatment for many infections due to susceptible micro-organisms. By utilising the synergistic action between penicillin and the sulphonamides the antibacterial range is increased, the likelihood of kidney damage is lessened and the tendency for the bacteria to develop mutant strains resistant to one or other of the component drugs is reduced.

New! for Babies

News for You!

Rosena ROSE HIP & ORANGE

WITH EXTRA GLUCOSE

Carter's of Coleford, makers of Ribena Blackcurrant Juice, announce a new Vitamin C syrup—**Rosena**—which has been especially prepared for children from two weeks to ten years old

It is a balanced blend of pure orange juice and rose hip extract. The well-known health characteristics of both are here combined for the first time. The soft, pleasant flavour of the rose hip has been used to stabilise the orange juice at an acidity which makes it most pleasant and acceptable to children of all ages. It does not cause stomach or bowel trouble.

2/10 a bottle.

Available through chemists only.

LASTS BABY A WHOLE MONTH

Write for free sample and copy of "Vitamin C in Infant Therapy"

CARTER'S OF COLEFORD • DEPT. M4 • GLOUCESTERSHIRE

By reason of its high vitamin content (not less than 56 mgms. of vitamin C per fluid oz.) Rosena is equal in vitamin C activity to Ministry of Food Orange Juice and National Rose Hip Syrup. It also contains three natural sugars which are nutritionally valuable. These comprise glucose, fruit sugar and cane sugar. In addition, a further 10% of pure glucose has been added.

NOW AVAILABLE !

A single capsule providing adequate daily dosage of eleven vitamins..

'WANDERVITE'

BRAND

ADVANTAGES—

Economy of pack and price
Comprehensiveness of formula
Convenience of shape and size
Adequate daily dosage in each capsule
PACK: Tin of 30 Capsules (1 month's supply)

EACH 'WANDERVITE' CAPSULE provides not merely supplementary quantities to counteract nutritional insufficiency, but the approximate adult daily requirement of each of its eleven constituent vitamins.

FORMULA (each capsule):—

Vitamin A.....5,000 i.u.	Vitamin B ₁2.5 mg.	Nicotinamide.....15 mg.
Vitamin C.....50 mg.	Vitamin B ₂2.5 mg.	d-Calcium
Vitamin D.....1,000 i.u.	Vitamin B ₆1 mg.	pantothenate.....5 mg.
Vitamin E.....5 mg.	Vitamin B ₁₂1 µg.	Folic acid.....0.1 mg.

Because a diagnosis of deficiency of one vitamin or group often implies shortage of other vitamins, treatment of vitamin deficiencies requires a balanced supply of the important accessory factors whose presence is known or believed to be essential to normal health. 'Wandervite' Capsules provide this.

To lessen the fear of mutilation . . . arrange for Prosthesis before mastectomy

The psychological hazards of mastectomy are generally recognized. A woman's fear of mutilation—of its effect on her appearance—is often as great as her fear of surgery itself. That is why arranging for the correct prosthesis replacement *before* surgery helps to minimize the psychic trauma—enabling the patient to face the adjustment period with more calm and assurance.

The surgeon can prescribe Spencer Mastectomy Supports with complete confidence that they will meet both the medical and cosmetic indications. The reason: Each Spencer Breast Support and Breast Form is individually designed, cut and made for each patient.

Wherever support is indicated for breasts, back, abdomen—for women, men, children—you will find Spencer Supports demonstrably superior.

This

TWO WEEKS' TEST

will tell you why

more people are smoking

du MAURIER

Although there are many good reasons why more and more people are changing to du Maurier, you won't discover them in a single day's smoking. But smoke du Maurier and nothing else for two weeks, and you will appreciate the SPECIAL appeal of these fine filter tipped cigarettes — cork tip in the red box and plain tip in the blue box.

Pregnancy and Lactation

During pregnancy Andrews Liver Salt will be found of great service. Its pleasant taste and refreshing qualities make it an acceptable draught, which can be repeated with advantage two or three times a day if necessary. Taken thus, Andrews obviates the tendency to constipation and also relieves hepatic congestion. In the persistent vomiting of pregnancy the

sedative effect of Andrews will be found helpful, and its aperient action is of great value in cases of renal insufficiency. During lactation, Andrews can be used with confidence for the relief of constipation.

Active constituents:

Tartaric Acid	..	24.600%
Sodium Bicarbonate	..	25.142%
Magnesium Sulphate	..	19.000%
(B.P.C. Exsicc.)		
Sugar	..	31.250%
Saccharin	..	0.008%

The

"Cestra" Mask

For SURGEONS and NURSES

BACTERIOLOGICALLY TESTED AND
SPECIALLY DESIGNED FOR THE
PREVENTION OF DROPLET INFECTION

After many bacteriological experiments, this mask was designed to arrest all droplets from the mouth and nose, and so prevent contamination during operations. The "Cestra" mask consists of 4 layers of Fine Dental Gauze. It fastens securely under the chin, has an air gap at the sides, is comfortable to wear for long periods and may be easily sterilized.

Obtainable from Chemists and Medical Stores

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose 3 copies (unless otherwise specified) of recent testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★ *SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.*

Deferment of recruitment for fully registered "R" practitioners (i.e., fully registered practitioners liable for call-up under the National Service Acts) is granted at the discretion of the Central Medical Recruitment Committee and (in Scotland) the Scottish Central Medical Recruitment Committee. The Committees normally allow a fully registered "R" practitioner to hold a First House Officer post (N.H.S. salary £350 per annum) provided that it commences within three months of the end of his deferment by the Ministry of Labour and National Service as a whole-time medical student; and a Second House Officer post (N.H.S. salary £400 per annum) provided that it is secured before the end of his First House Officer post and commences within one month thereafter.

An "R" practitioner requires the special written permission of the C.M.R.C. or (in Scotland) the Scottish C.M.R.C. to proceed to any further post.

The position of provisionally registered "R" practitioners has been made clear in a notice sent to them by the University Joint Recruiting Boards.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR**: Posts obtained normally not less than two years after registration as a medical or dental practitioner and held normally for two years: £775 per annum in the first year; £890 per annum in the second and any subsequent years.

(b) **SENIOR REGISTRAR**: Posts obtained normally not less than four years after registration as a medical or dental practitioner and held normally for three years; £1,000 per annum in the first year; £1,100 per annum in the second year; £1,200 per annum in the third year; £1,300 per annum in any subsequent years.

Other Grades, Whole-time

(a) **HOUSE OFFICER**: £350 per annum for the first post held; £400 per annum for the second post held; £450 per annum for the third and any subsequent post held; with, in each case, a deduction at the rate of £100 per annum in respect of board and lodging and other services provided. Each post shall be tenable for six months.

The Minister will be prepared to authorize, in exceptional circumstances, salaries up to £50 per annum higher than the standard rates specified above where a post cannot be filled otherwise.

(b) **SENIOR HOUSE OFFICER**: Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical or dental practitioner and normally held for one year only: £670 per annum.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER**: Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £700 (for an officer appointed not less than two years after registration as a medical practitioner) by £50 to £1,000 per annum.

ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Those intending to apply for resident appointments in the Registrar grades are recommended to make inquiries with regard to the deductions proposed for board and lodging at the time of submitting their applications, where this is not stated in the advertisement.

PRACTICES (Executive Councils)

For vacancies (except those in Scotland) apply on Form E.C.16A, obtainable from the Executive Council. Mark envelope "Vacancy."

CANNING TOWN AND CUSTOM HOUSE London, E.16

Applications are invited for vacancy (urban) due to retirement. List at present approximately 2,500. Residence and surgery available for purchase. Apply, on Form E.C.16A, before February 25, 1953, to E. C. Bateman, Clerk to West Ham Executive Council, 235, Romford Road, Forest Gate, E.7.

COUNTY BOROUGH OF CARDIFF

Applications invited to undertake General Medical Services on new Llanrumney Housing Estate now being erected in Cardiff (no lists of patients available for transfer). Three sites being reserved on such estate for this purpose to be leased to successful applicants at a ground rent for specified term of years and such lessees to erect substantial house at own cost in accordance with plans approved by Local Authority. Applications also invited from doctors already practising under the Act in Cardiff to open branch surgeries at, or adjacent to, such estate, a selection of only two applications in this respect to be made. Applications, in writing, on Form E.C.16A (obtainable from address below) should be sent to undersigned (who should be contacted, if necessary, for fuller information) not later than March 7, 1953.—B. A. J. Griffiths, Clerk, Cardiff Executive Council, 32, Cathedral Road, Cardiff.

GARROWHILL, Baillieston, Lanarkshire

Applications are invited from female registered medical practitioners to fill a vacancy in the Garrowhill district of Lanarkshire. The list at present is approximately 670 and would form an attractive nucleus for a new lady doctor. For form of application and further particulars apply to the undersigned, with whom applications should be lodged not later than fourteen days from the date of publication of this advertisement.—William Berry, Clerk, Executive Council for the County of Lanark, 38, Muir Street, Motherwell.

LITTLE MILTON, Oxfordshire

Applications are invited for vacancy (rural and dispensing) due to death. List approximately 1,950. Residence and surgery may be available. Apply, on Form E.C.16A, not later than February 24, 1953.—V. R. Parry, Clerk, Oxford County and City Executive Council, 73, George Street, Oxford.

RUTHERGLEN, Lanarkshire

Applications are invited from registered medical practitioners (including practitioners already on the Medical List of the Council) to fill a vacancy in Rutherglen district. The list at present is approximately 1,390. For form of application and further particulars apply to the undersigned, with whom applications should be lodged not later than fourteen days from the date of publication of this advertisement.—William Berry, Clerk, Executive Council for the County of Lanark, 38, Muir Street, Motherwell.

(1833)

NEWCASTLE REGIONAL HOSPITAL BOARD

**Regional Chest Surgery Centre (160 beds)
Shotley Bridge Hospital and Associated Sanatoria**

**WHOLE-TIME ANAESTHETIST
(Senior Registrar status)**

Salary scale over a four year period £1,000 to £1,300. Appointment up to August 31, 1954, in the first instance. The great bulk of the work in the main centre, i.e. excluding the sanatoria, is concerned with non-tuberculous conditions (mediastinal, oesophageal, cardiovascular as well as pulmonary). Candidates must possess a D.A., have had considerable experience with anaesthesia, and preferably have had a sound preliminary general medical and/or physiological training. Appointee must be prepared to take an active part in clinical and physiological investigations, pre-operative and post-operative management of patients in addition to undertaking the customary duties of an anaesthetist. The allocation of these duties may have to be varied from time to time according to clinical requirements by arrangements with the Senior Anaesthetist, but usually the work will be divided between the Centre and the Sanatoria. Candidates are entitled to visit the hospitals by arrangement with the Senior Surgeon, Regional Chest Surgery Centre, Shotley Bridge Hospital. Applications, together with names and addresses of referees (preferably, or testimonials to a total of three, to be sent to the Senior Administrative Medical Officer, Newcastle Regional Hospital Board, Blythwood South, Osborne Road, Newcastle-upon-Tyne, 2, within twenty-one days. (1722)

PUBLIC HEALTH**DERBYSHIRE COUNTY COUNCIL****County Health Department****ASSISTANT SCHOOL AND ASSISTANT MATERNITY AND CHILD WELFARE MEDICAL OFFICER**

Applications are invited from registered medical practitioners for this whole-time superannuable post. Salary £850 per annum, by annual increments of £50 to £1,150 per annum, plus a car allowance on the Council's scale. Particulars and application forms are obtainable from Dr. J. B. S. Morgan, County Medical Officer, County Offices, St. Mary's Gate, Derby. (2032)

AYR, ROYAL BURGH OF**ASSISTANT MEDICAL OFFICER OF HEALTH**

Applications for the above post are invited from qualified medical practitioners. Candidates should possess the D.P.H. or C.P.H. The person appointed will assist the Medical Officer of Health generally in the work of the health department and the duties will include those of Assistant School Medical Officer in the burgh and the conduct of clinics for maternity and child welfare and immunization. The appointment will be terminable by two months' notice on either side. The salary scale will be at the rate of £850 per annum, rising by annual increments of £50 to £1,150. A car is available but an allowance of £75 per annum will be paid if the officer uses his own car in carrying out his duties. The successful candidate will be required to pass a medical examination for fitness to be included in the superannuation scheme. Applications, with names and addresses of two referees, should be made to the undersigned not later than February 25, 1953.—R. L. Leask, Medical Officer of Health, Public Health Department, 34, Newmarket Street, Ayr. (1884)

CAERNARVONSHIRE COUNTY COUNCIL**Applications are invited for the post of ASSISTANT COUNTY AND SCHOOL MEDICAL OFFICER**

from those possessing the Diploma or Certificate in Public Health. The salary scale will be £850 by £50 to £1,150, and the commencing salary on this scale may be determined by the length of service in a similar post. Opportunities are available for gaining experience in public health administration. Travelling and subsistence allowances will be paid. A knowledge of Welsh is desirable. Further information may be obtained from the County Medical Officer of Health. Applications, giving complete particulars of training and experience, together with copies of two recent testimonials and the names of two referees, should be sent by February 28, 1953, to the Clerk of the County Council, County Offices, Caernarvon. (2031)

DUNDEE, CORPORATION OF**Public Health Department**

Applications are invited from registered medical practitioners holding a Diploma in Public Health for the post of **ASSISTANT MEDICAL OFFICER OF HEALTH (School Health Service)**

The salary will be in accordance with the national scale, with placing according to experience. The selected candidate will require to pass a medical examination and contribute to the superannuation scheme. A statement giving information regarding the duties and conditions of service may be had from the Public Health Department, 9, West Bell Street, Dundee. Applications, along with copies of three recent testimonials, should reach the undersigned on or before Friday, February 27, 1953.—Robert Lyle, Town Clerk, City Chambers, Dundee. (2033)

GLASGOW, CORPORATION OF

Applications are invited from qualified medical women with postgraduate experience in obstetrics (D.R.C.O.G. an advantage) for post as an **ASSISTANT MEDICAL OFFICER**

in the Maternity and Child Welfare Service

The duties, which are carried out in co-operation with the Western Regional Hospital Board, are principally concerned with ante- and post-natal supervision. Salary scale £850 by £50 to £1,150, with placing for qualifications and experience. The post is superannuable, subject to medical examination. Applications, stating age, qualifications and full details of training and experience, with copies of three recent testimonials, or names of three referees, to be sent to me by February 21, 1953.—William Kerr, Town Clerk, City Chambers, Glasgow. (1885)

HUDDERSFIELD, COUNTY BOROUGH OF

Applications are invited from duly qualified medical practitioners for the appointment of **MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER**

of the County Borough of Huddersfield at a salary fixed in accordance with the terms of the Industrial Court Award (£1,750 per annum, rising by five annual increments of £50 to £2,000 per annum). Applicants must possess a diploma in public health or a similar qualification, and should have had experience in the administration of the public health and school medical services. The person appointed will be required to reside in the Borough, and to devote the whole of his time to the duties of the office and not to engage in private practice. The appointment is subject to the provisions of the appropriate Superannuation Act, to the passing of a medical examination by the Medical Officer of Health, and to termination by three months' written notice on either side. Applications, stating age, qualifications, and experience, accompanied by ten copies thereof and by ten copies of three recent testimonials and endorsed "Medical Officer of Health," must reach me not later than Saturday, February 28, 1953. Canvassing, either directly or indirectly, will disqualify.—Harry Bann, Town Clerk, The Town Hall, Huddersfield. (1651)

NOTTINGHAM, CITY OF
Health Services**SENIOR MEDICAL OFFICER FOR MATERNAL AND CHILD HEALTH**

Applications are invited from medical practitioners, male or female, for this post. The duties will be those of Medical Supervisor of Midwives and of administration of the Maternal and Child Health Department, under the general direction of the Medical Officer of Health. Applicants should have had experience in administrative and clinical work in connexion with Maternal and Child Health. Preference will be given to candidates possessing higher qualifications; salary £1,250 by £50 to £1,650 per annum. The appointment will be subject to three months' notice on either side, and to the provisions of the National Health Service (Superannuation) Regulations and the Local Government Superannuation Act, 1937. Conditions of appointment and forms of application may be obtained from the undersigned, to whom they must be returned accompanied by the names of two referees, not later than Feb. 27.—T. J. Owen, Town Clerk, The Guildhall, Nottingham (9535)

SALOP COUNTY COUNCIL**Applications are invited for the appointment of ASSISTANT COUNTY MEDICAL OFFICER**

on the County Medical Staff. The duties will be mainly in connexion with the school health and maternity and child welfare services. Salary scale £850, rising by annual increments of £50 to £1,150. The point of commencement on the salary scale will depend upon previous experience. The successful applicant will be required to provide a car, and travelling and subsistence allowances will be paid according to the County Council scale. A special expenses allowance is also payable, for a limited period, to married officers who are unable to obtain accommodation in Shropshire for themselves and their families. The appointment is permanent and superannuable, and the successful candidate will be required to pass a medical examination. Forms of application and copies of the conditions of service may be obtained from the undersigned, to whom applications, together with copies of three recent testimonials, should be submitted not later than February 28, 1953.—William Taylor, County Medical Officer of Health, County Health Office, College Hill, Shrewsbury. (9783)

STIRLING, COUNTY COUNCIL OF THE COUNTY OF

Applications are invited from registered medical practitioners who hold the Diploma in Public Health for an appointment of

ASSISTANT MEDICAL OFFICER

in the Health Department of the County Council. The duties comprise general health work, maternity and child welfare, and school work, and such other duties as may be directed from time to time by the County Medical Officer. The salary for the appointment will be the appropriate Whitley scale, i.e., £850 by £50 to £1,150 per annum, with placing according to experience. The appointment will be superannuable and the successful applicant will be required to pass a medical examination. Forms of application may be obtained from the undersigned, with whom applications and copies of three recent testimonials should be lodged within 21 days from the date of publication of this notice.—James D. Kennedy, County Clerk, County Offices, Viewforth, Stirling. (2036)

SWANSEA, COUNTY BOROUGH OF

Applications are invited from duly qualified medical practitioners for the post of

ASSISTANT MEDICAL OFFICER

Applicants must have had postgraduate resident hospital experience, and should be under 45 years of age unless already holding a similar superannuable appointment. Salary £850 by £50 to £1,150 per annum. Application forms may be obtained from the Medical Officer of Health, Public Health Department, The Guildhall, Swansea, to whom they should be returned not later than Friday, February 20, 1953. Canvassing, either directly or indirectly, is a disqualification.—T. B. Bowen, Town Clerk, The Guildhall, Swansea. (1652)

SITUATIONS VACANT

Nottingham No. 2 Hospital Management Committee

Applications are invited from science graduates for the appointment of a **Biochemist**

within the Nottingham No. 2 Group of hospitals. The person appointed will work under the direction of the Chemical Pathologist at the City Hospital, where there is a fully equipped biochemical laboratory. Salary in accordance with experience and qualifications, based on Whitley Council scales, within the range of £425 to £730 per annum. Applications, stating experience and qualifications, together with the names of two persons to whom reference can be made, should be sent to the undersigned.—J. H. Hargreaves, Group Secretary, Sherwood Hospital, Hucknall Road, Nottingham. (1735)

Readers frequently desire to refer to advertisements concerning appliances, preparations, etc., which have appeared in earlier issues of the *Journal*.

The Advertisement Manager can supply particulars at any time.

In dealing with written enquiries, especially from overseas, correspondents are, whenever possible, put in direct contact with the advertisers in whose products they are interested.

Write: Advertisement Manager,
British Medical Journal,
B.M.A. House,
Tavistock Square,
London, W.C.1.
