CLINITEST—available on the N.H.S.

The dependable
urine-sugar analysis set

Simple, reliable 'Clinitest' (Brand) Sets and Reagent tablets, essential in modern diabetic treatment, comply with the official specifications for appliances and reagents for urine-sugar analysis which may be prescribed on Form E.C.10. For accuracy and convenience this one-minute,

no-heating, copper-reduction tablet test is unrivalled. The clear, unclouded colours of the test, easily matched against the sharply defined 'Clinitest' colour scale, give patients every confidence in their readings, eliminating many unnecessary visits to the practitioner.

The proof of the pudding...

Evidence exists to show that some sulphonamides are better alone than in combination, and evidence also exists to the contrary. Figures, graphs, etc. can become tiresome.

After all the "proof of the pudding" is in the eating. Over more than 10 years 'Sulphamezathine' has proved itself to be safe, potent against a wide range of infections, and reliable.

IMPERIAL CHEMICAL (PHARMACEUTICALS) LTD.

A subsidiary company of Imperial Chemical Industries Ltd.

WILMSLOW, MANCHESTER

Ph. 342

FOR THE RELIEF OF

mental and emotional distress

In the management of overt or concealed mental and emotional distress tactful reassurance often needs to be reinforced by practical measures, and the administration of 'Drinamyl' is often very helpful because it induces a sense of tranquillity and cheerfulness.

Frequently this interlude of inner calm enables the patient to take a more reasoned view of his difficulties and thus to break the web of anxiety in which he has become entangled.

'DRINAMYL'

a balanced combination of
'Dexedrine' and amylobarbitone

*'Drinamyl' is available in
containers of 50 tablets.
Each tablet contains 5 mg. dextro-
amphetamine sulphate ('Dexedrine')
and 32 mg. (gr. $\frac{1}{2}$) amylobarbitone.*

MENLEY & JAMES, LIMITED, COLDHARBOUR LANE, LONDON, S.E.5

for Smith Kline & French International Co.

owner of the trade marks 'Drinamyl' and 'Dexedrine'

*We improve upon
the first Elizabethans..*

The virtues of 'sour oranges and lemons' in curing 'the scurvy' were known to seafarers in the days of Elizabeth Tudor, and later on Captain Cook found that fresh vegetables served the same purpose.

The difference today is that we know how much ascorbic acid we get in these foods and we can regulate our intake according to the needs of health and disease.

In VITAVEL SYRUP, concentrated orange juice is used as a base for the inclusion of other equally necessary vitamins, A, B₁, C and D, and the potency of each is designed to satisfy human needs.

One teaspoonful (3.5 c.c.) contains, at time of manufacture, vitamin A. 2,500 i.u., vitamin D 375 i.u., vitamin B₁ 0.5 mg., vitamin C. 10 mg. It can be given in water, soda water or undiluted.

Available in bottles of
6 fl. oz. 3/9,
40 fl. oz. 24/-
less usual
professional discount.

Clinical sample and literature available on request to

VITAMINS LIMITED (DEPT A78), UPPER MALL, LONDON, W.6.

The new PENICILLIN COMPOUND

NO NEED TO PREPARE A SUSPENSION • READY-TO-USE • NO REFRIGERATION NECESSARY

STABILITY: Full potency in aqueous suspension is retained for eighteen months at room temperature — ideal for use in the patient's home.

READY-TO-USE: No tedious mixing required; the patient merely pours out the specified dose after shaking the bottle.

ORAL THERAPY: Provides substantial blood levels without injection in the systemic treatment of mild and moderately severe infections due to penicillin sensitive organisms.

VERY PALATABLE: The aqueous syrup suspension is readily accepted by children and adults.

300,000 units of Penicillin to each large teaspoonful (5 c.c.)

Supplied in bottles of 2 fl. ozs. (12 large teaspoonsful)

‘PENIDURAL’

N, N¹—dibenzylethylenediamine dipenicillin G.

Oral Suspension

Where untilled soil tells of malaria

While world population mounts, food production lags behind. Yet crops could be abundantly increased in many areas if malaria were effectively controlled. Encouraging reports on 'Daraprim' suggest that this new drug can play a major part in eradicating the disease. Highly potent, tasteless, virtually non-toxic, 'Daraprim' has proved an excellent suppressant in a weekly dosage of 25 mgm. It is issued as compressed products of 25 mgm., in packs of 6, 30 and 1000.

A Statement about
UPJOHN
of England

For the first time in its history, encompassing two-thirds of a century, The Upjohn Company has made its products available in England.

English pharmacies are now prepared to dispense superior Upjohn antibiotics and sulphonamides.

*Cortisone Acetate will soon
be available to the Ministry of Health*

Selected from the Upjohn register of more than five hundred fine pharmaceuticals sold throughout the world, these drugs are now being manufactured in England under elaborate methods of production and control. Each product will be supported by a continuous, extensive programme of research designed to ensure the highest possible standards of reliability, stability and therapeutic efficiency.

Upjohn products are promoted only to the profession.

A Selection of Ethical Pharmaceuticals

'DORMUPAX'

— a superior barbiturate
sedative-hypnotic

'Dormupax' Tablets are characterized by their high efficacy and low toxicity, provided by the combination of a new barbiturate of remarkably low therapeutic index (high ratio of toxic to effective dose), and carbromalum.

Clinical trials confirm their reliable action, good compatibility and wide therapeutic margin.

EACH TABLET: *Calcium n-butyl-allyl-barbiturate* 3.75 gr.
Carbromalum B.P.C. 1.50 gr.

PACKS: *Tube of 12; Bottle of 250 (dispensing).*

'NYXOLAN'

— specific anthelmintic
against thread worm
infestation

'Nyxolan' provides up to 90% cure rate against threadworms. It has none of the disadvantages of dye substances or diphenan. Its active agent, Aluminium 8-hydroxyquinoline sulphate, is confirmed clinically as absolutely non-toxic.

PACKS: *Dragées: 60's and 600's (dispensing).*
Syrup: Bottle of 8 fl. oz.

Literature on dosage course on request.

'HYPERYSIN'

— containing an improved
papaverine salt in relief of
hypertension

Because of the more gradual and persistent action of its papaverine *nitrite* as compared with the hydrochloride, 'Hyperysin' provides superior anti-hypertensive effect in essential hypertension, angina pectoris and related cardiovascular diseases.

EACH TABLET: *Papaverine nitrite* 0.7 gr.
Hexamethylenetetraminadichloralhyd. 3.0 gr.
Carbromalum B.P.C. 3.0 gr.

PACKS: *15's and 500's (dispensing).*

'TRISAN'

— for the symptomatic relief
of bronchial asthma

'Trisan' contains *Potassium Iodide B.P.* 6.03%, *Chloral Hydrate B.P.* 7.11%, *Barbitone Sodium B.P.* 0.24%, *Alcohol* 4.00%.

This combination effects relief of bronchial spasm, expectoration and mental sedation, being particularly useful in cases of nocturnal asthma. Contra-indicated in hyperthyroidism and allergy to iodine.

PACKS: *Standard: 4 fl. oz.; 16 fl. oz. bottle (dispensing).*

Terramycin

intravenous

Indicated for use in all infections of such severity that intravenous injection is the preferred route, Crystalline Terramycin Hydrochloride Intravenous provides a rapid acting form for the attainment of immediate high serum concentrations. Recommended when oral therapy is not feasible, in severe fulminating or necrotizing infections, in surgical prophylaxis in selected cases, and in peritonitis. For hospital use only.

Supplied

3 cc. vial, 250 mg.,
10 cc. vial, 500 mg.

Terramycin can now be used for all suitable conditions in Hospitals in Great Britain, and a complete range of oral, intravenous and topical dosage forms is available

Pfizer

Full literature is available and will be supplied on request

PFIZER LTD · FOLKESTONE · KENT

**In certain cases
of
HYPERTENSION**

VERILOID*
**is particularly valuable
when injected INTRAMUSCULARLY**

There is good evidence of the value of Veriloid Intramuscular Solution for use when the relief of hypertensive symptoms presents unusual or increasing difficulties.

Veriloid reduces blood-pressure by a central action independent of ganglionic function and has no direct relaxing action on the blood vessels.

A single injection of Veriloid Intramuscular Solution produces a marked lowering of blood-pressure lasting from 3 to 6 hours. In many cases the concomitant symptomatic relief persists for considerably longer periods. By repeated injections the arterial tension may be depressed for many hours or even days. Thereafter, oral medication with Veriloid tablets may be employed with advantage.

Veriloid Intramuscular Solution is indicated in the following conditions:—

- Hypertensive states accompanying cerebral vascular disease
- Hypertensive crises (encephalopathy)
- Malignant hypertension
- Toxaemia of pregnancy
- Pre-eclampsia and eclampsia

Veriloid Intramuscular Solution is prepared in ampoules of 2 cc. and contains the equivalent of 1 mg. of standardized alkaloids of *Veratrum viride* per cc. It may be used to maintain the hypotensive response produced by intravenous veratrum or it may be employed as the primary hypotensive agent. It supplements the Veriloid dosage forms hitherto available, namely:—

Veriloid tablets (plain), Veriloid-VP tablets, Veriloid Intravenous Solution

A perfect source of Vitamin C

RIBENA (*Syrupus Ribis Nigri B.P.C.*)

HIGH CONCENTRATION OF VITAMIN C—REMARKABLE STABILITY

Four characteristics of Ribena make it a perfect source of Vitamin C:

- 1 It contains a high concentration of Vitamin C—and it is very stable.
- 2 The vitamin is in its natural state.*
- 3 Ribena is very well tolerated even by sensitive stomachs. It is completely free from all cellular structure. It is suitable for infants almost from birth, for peptic ulcer cases, and for women suffering from "morning sickness"; they can take it when almost everything else increases discomfort.
- 4 In addition to its therapeutic values, it is delicious in its own right as sweet blackcurrant syrup.

* Following reports of unsatisfactory response to the therapeutic use of synthetic ascorbic acid in peptic ulcer cases, controlled tests using Ribena were instituted at various large British hospitals, with striking results.

Clinical experience has also shown that in ulcerative gingivitis, the routine use of Ribena as an adjunct to local therapy has given more satisfactory results than that of the synthetic vitamin.

The superiority is presumably due to the presence of other factors of the Vitamin-C complex, possibly the Vitamin P, as well as mineral elements.

Therapeutic uses

Ribena is recommended for all conditions requiring Vitamin-C implementation: namely, as a natural and rapid restorative from fatigue; for increasing resistance to local infection and colds; for expectant and nursing mothers; for infants from birth; for children and adolescents; in many dental conditions; in peptic ulcer cases; in fractures and wounds; in blood dyscrasias and hæmorrhagic states; in infections and fevers; and in many skin disorders.

Reports for doctors overseas

The makers of Ribena co-operated extensively with the Ministries of Food and Health during the war, a co-operation which still goes on to some extent even now. The Royal Forest Factory has attached to it a series of very fine laboratories where research into fruit juices and vitamins is conducted to an academic level, under the direction of an expert, lately in charge of the Fruit Products Section of the University of Bristol Agricultural Research Station. Reports of much of the work done are available, on application, to doctors and scientists overseas. These are likely to be of particular interest now that Ribena is being extensively exported.

Send for further information. A booklet entitled "Blackcurrant Juice in Modern Therapy: Natural Vitamin C" will be forwarded to you with pleasure; also details of a number of controlled tests made on the use of Vitamin C, if you will write to:—

Technical Director and Chief Chemist,

Gloucestershire, England.

Ribena VITAMIN C

THIS CHILD IS A CHALLENGE

Today's formidable incidence of whooping cough almost belies the progress made in preparing efficient-pertussis vaccines. Even as long ago as 1946, Glaxo produced a vaccine that was observed, in M.R.C. Trials, to give 70 per cent protection. Since then, Glaxo research has revealed many ways of perfecting pertussis vaccines. Laboratory tests, too, have improved and now indicate much more clearly the potential performance of vaccines in the field. Results suggest, indeed, that Suspended Whooping Cough Vaccine Glaxo noticeably lessens the striking power of this childhood enemy.

SUSPENDED WHOOPING COUGH VACCINE Glaxo

The same high-efficiency vaccine is included in

Both preparations in 'one course' boxes of 3 x 1 cc. ampoules : 10 cc. vials.

The problem of urinary - ammonia dermatitis

The irritant action of ammonia arising from the bacterial decomposition of urine is a long-recognized problem in infant welfare. Treatment of urinary-ammonia dermatitis (nappie rash) has hitherto been mainly palliative, but now curative and prophylactic measures are available in a product of unique composition—ZAC Baby Cream. ZAC contains, in addition to its soothing and healing ingredients—high grade zinc oxide, superfine lanoline and purest castor oil—the powerful bactericides hexachlorophene and amino-acridine which destroy the bacteria and prevent pyogenic skin infections. Application of ZAC quickly soothes inflamed areas and removes the cause of further irritation.

Although primarily designed for infants, ZAC is also suitable for treating abrasions, etc.

ZAC Baby Cream

EXTRA BLAND · SOOTHING · ANTISEPTIC

SECOND VOLUME OF "ANY QUESTIONS?"

FOR TEN YEARS a number of experts have each week constituted a Brains Trust for answering questions sent to the

BRITISH MEDICAL JOURNAL

from all over the world.

The second volume of "Any Questions?" complements the 1st volume, of which 10,000 copies have been sold. Subjects covered lightly in the 1st volume, such as "Marital Problems" and "Immunization," receive more detailed treatment in the new volume.

Please reserve your copy now as the edition is limited. The book is bound in cloth, fully indexed, small enough to fit the pocket, and quite indispensable to the general practitioner in his daily work.

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose 3 copies (unless otherwise specified) of recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

Deferment of recruitment for fully registered "R" practitioners (i.e., fully registered practitioners liable for call-up under the National Service Acts) is granted at the discretion of the Central Medical Recruitment Committee and (in Scotland) the Scottish Central Medical Recruitment Committee. The Committees normally allow a fully registered "R" practitioner to hold a First House Officer post (N.H.S. salary £350 per annum) provided that it commences within three months of the end of his deferment by the Ministry of Labour and National Service as a whole-time medical student; and a Second House Officer post (N.H.S. salary £400 per annum) provided that it is secured before the end of his First House Officer post and commences within one month thereafter.

An "R" practitioner requires the special written permission of the C.M.R.C. or (in Scotland) the Scottish C.M.R.C. to proceed to any further post.

The position of provisionally registered "R" practitioners has been made clear in a notice sent to them by the University Joint Recruiting Boards.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR**: Posts obtained normally not less than two years after registration as a medical or dental practitioner and held normally for two years: £775 per annum in the first year; £890 per annum in the second and any subsequent years.

(b) **SENIOR REGISTRAR**: Posts obtained normally not less than four years after registration as a medical or dental practitioner and held normally for three years: £1,000 per annum in the first year; £1,100 per annum in the second year; £1,200 per annum in the third year; £1,300 per annum in any subsequent years.

Other Grades, Whole-time

(a) **HOUSE OFFICER**: £350 per annum for the first post held; £400 per annum for the second post held; £450 per annum for the third and any subsequent post held; with, in each case, a deduction at the rate of £100 per annum in respect of board and lodging and other services provided. Each post shall be tenable for six months.

The Minister will be prepared to authorize, in exceptional circumstances, salaries up to £50 per annum higher than the standard rates specified above where a post cannot be filled otherwise.

(b) **SENIOR HOUSE OFFICER**: Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical or dental practitioner and normally held for one year only: £670 per annum.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER**: Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £700 (for an officer appointed not less than two years after registration as a medical practitioner) by £50 to £1,000 per annum.

ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Those intending to apply for resident appointments in the Registrar grades are recommended to make inquiries with regard to the deductions proposed for board and lodging at the time of submitting their applications, where this is not stated in the advertisement.

Canvassing disqualifies.—Clifford Radcliffe, Clerk of the County Council, Guildhall, Westminster, S.W.1. (5324)

NOTTINGHAM, CITY OF**Health Services**

Applications are invited from medical practitioners for the post of

ASSISTANT MEDICAL OFFICER OF HEALTH
Preference will be given to candidates possessing a higher qualification. The salary will be on the scale £850 by £50 to £1,150 per annum, and the successful applicant will be required to pass a medical examination for superannuation purposes. Forms of application may be obtained from the undersigned, to whom they must be returned, together with the names of two persons to whom reference may be made, by not later than May 1, 1953.—T. J. Owen, Town Clerk, The Guildhall, Nottingham. (5069)

Public Health—contd.**NEWCASTLE-UPON-TYNE, CITY AND COUNTY OF, EDUCATION COMMITTEE****SENIOR SCHOOL MEDICAL OFFICER**

Applications for this post are invited from registered general practitioners with experience in school health service work. The D.P.H. or D.C.H. is a desirable but not an essential qualification. The officer appointed will be responsible to the Principal School Medical Officer (who is the Medical Officer of Health of the City) for the general control of the service. The number of school children is approximately 40,000 and a medical staff of six assistants is employed. Close relationship with the University Child Health Department and with the Regional Hospital Board affords facilities with clinical and hospital services for suitable candidate. The salary is £1,250 per annum, rising to £1,650 per annum by eight annual increments of £50. The officer appointed will be required to make contributions under the appropriate superannuation scheme, and to pass a medical examination. A copy of the conditions governing the appointment and an application form will be sent on request either to the Medical Officer of Health or to the undersigned. Completed applications should be sent to the Medical Officer of Health, Town Hall, Newcastle-upon-Tyne, 1, immediately. Canvassing will be deemed a disqualification.—H. V. Lightfoot, Director of Education, City Education Office, Northumberland Road, Newcastle-upon-Tyne, 1. (5104)

STAFFORDSHIRE COUNTY COUNCIL**ASSISTANT MEDICAL OFFICERS**

Applications are invited from fully qualified medical practitioners for the above-mentioned appointments, and those holding the Diploma of Public Health will be given preference. The candidates appointed will undertake clinical work in the School Health and Child Welfare Services under the direction of the County Medical Officer of Health, and will be required to perform such other duties as may from time to time be prescribed. The salary scale is £850 per annum, rising by annual increments of £50 to a maximum of £1,150 per annum, and previous similar service may be taken into consideration when deciding the commencing rate. Each selected candidate may be required to provide a motor car, for which allowances will be paid in accordance with the County Council scale. A lodging allowance of 25s. per week and return railway fare home every two months will be paid for a maximum period of six months where the successful candidate is married and has to continue to maintain a home outside the geographical county while seeking housing accommodation. Each appointment will be terminable by one month's notice in writing on either side and subject to the provisions of the appropriate Superannuation Acts and Regulations, in which connexion the selected candidates must pass a medical examination and submit their birth certificates. Forms of application may be obtained from the undersigned, and should be returned to the County Medical Officer of Health, County Buildings, Stafford, not later than April 30, together with copies of not more than three recent testimonials.—T. H. Evans, Clerk of the County Council, County Buildings, Stafford. (5241)

SWANSEA, COUNTY BOROUGH OF

Applications are invited from duly qualified medical practitioners for the post of

ASSISTANT MEDICAL OFFICER

Applicants must have had postgraduate resident hospital experience and should be under 45 years of age, unless already holding a similar superannuable appointment. Salary £850 by £50 to £1,150 per annum. Application forms may be obtained from the Medical Officer of Health, Public Health Department, The Guildhall, Swansea, to whom they should be returned not later than Friday, April 24, 1953. Canvassing, either directly or indirectly, is a disqualification.—T. B. Bowen, Town Clerk, The Guildhall, Swansea. (4913)

COMMERCIAL APPOINTMENTS

AN INTERNATIONALLY KNOWN COMPANY of Manufacturing Chemists desire to appoint a **Full-time Medical Adviser** and invite applications from well qualified doctors for this vacancy. The main duties would be to deal with medical queries in regard to pharmaceutical products of the Company's manufacture, and to conduct correspondence and liaison with hospitals and research institutions. For this purpose it is necessary that candidates should have mature clinical experience and a suitable personality. The Company headquarters are in the Manchester area, where the successful candidate should be prepared to reside. Commencing salary will be £1,500 per annum. Applications should contain full details of qualifications and experience, which will be treated in utmost confidence.—Box 548, B.M.J.

INDUSTRIAL APPOINTMENTS**FACTORY DOCTORS****FACTORIES ACTS, 1937 and 1948**

The following appointments as Appointed Factory Doctor are vacant: Acle, in the County of Norfolk; Biddulph, in the County of Stafford. Applications, which should be received not later than May 2, 1953, should be sent to the Chief Inspector of Factories, 8, St. James's Square, London, S.W.1. (5312)

EIRE**TEACH ULTAIN, Inc.
(St. Ultan's Infant Hospital),
37, Charlemont Street, Dublin**

All paid in Malayan currency. Free passages for appointee, wife and children under ten years of age. Part-furnished quarters at rent not exceeding ten per cent of salary, or housing allowance in lieu. Provident fund scheme on 10 per cent contributory basis. Applications (six copies), with the names of three referees, and full details of qualifications and experience, should be sent to the Secretary, Inter-University Council for Higher Education in the Colonies, 1, Gordon Square, London, W.C.1, from whom further particulars may be obtained. Closing date May 1, 1953. (5329)

**HER MAJESTY'S COLONIAL SERVICE
Somaliland Protectorate****MEDICAL OFFICER**

Required for general medical duties in the Somaliland Protectorate, including some surgery. Medical officers may be required to assist in training of medical auxiliary staff. Appointment can be made on a permanent basis with pension at the age of 55, or on short-term contract with gratuity on satisfactory completion of service. Salary scale ranges from £865 per annum to £1,590 per annum. Starting salary is determined according to qualifications and experience. A temporary cost-of-living allowance at varying rates (subject to a maximum of £100 per annum) is also payable. Quarters are provided at low rental. Free passages are provided in both directions for officer, wife and up to two children under eighteen years. There is no income tax. Tour of service is from twelve to fifteen months. Local leave not exceeding fourteen days in any one year may be granted and generous home leave is granted after each tour. There are good facilities for riding throughout the country. Candidates must possess medical qualifications registrable in the United Kingdom and must have had at least one year's postgraduate experience. Application forms can be obtained from the Director of Recruitment (Colonial Service), Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting reference No. CDE 117/5/01). (5166)

Overseas—contd.

HER MAJESTY'S COLONIAL SERVICE, Malaya

SENIOR NUTRITION OFFICER

Required in Malaya to take charge of the Division of Nutrition, Institute for Medical Research, Kuala Lumpur. The officer selected will be required to organize and lead all nutrition research based on the Institute, but may have to work in laboratory, hospital, or anywhere in the field, and to advise the Government and Medical Departments. He may, in due course, be required to organize training courses for doctors and others in the principles of nutrition. Biochemistry, bacteriology and pathology divisions are available to assist with investigations requiring laboratory facilities. Candidates should have a higher medical qualification, with at least ten years' postgraduate experience and an expert knowledge of, and research experience in, the science and practice of nutrition. Appointment is available (a) on probation for permanent and pensionable establishment, (b) on employment from the National Health Service. (a) Permanent terms: Subject to three years' probation appointment is permanent with pension (non-contributory) at age of 55. Basic salary is £1,764 per annum. In addition, pensionable expatriation pay is payable to all officers at the rate of £364 per annum. A non-pensionable expatriation allowance is paid to married officers without children at the rate of £133 per annum, and to married officers with children at the rate of £259 per annum. A temporary variable, non-pensionable cost-of-living allowance is payable at the rate of £42 per annum for single men, £308 for married men, and £413 for married men with children. (b) National Health Service terms: Doctors may resign from the National Health Service but retain their superannuation rights during their time in Malaya (up to six years) and receive a resettlement grant of 20 per cent of the aggregate of their Malayan salary on leaving Malaya at the end of their engagements. Salary and allowances as under (a). Doctors so appointed may be considered for permanent terms at any time during their employment in Malaya provided they surrender their rights to the resettlement grant. Payment by Malayan Governments of superannuation contributions ceases from date of permanent service. In both types of appointment the rate of salary and gratuity refer to doctors eligible for expatriate terms under Malayan Regulations (i.e., those whose permanent homes are in the United Kingdom, Irish Republic, Australia, Canada, etc.). The climate is, for the tropics, healthy. European children do well up to the age of about six and schools are available locally. Income tax is payable at Malayan rates, which are lower than those in the United Kingdom. Government quarters with heavy furniture are provided at a low rental, or an allowance is paid in lieu of quarters. Free passages are provided for the doctor, his wife, and children under the age of ten (not exceeding four persons besides himself) on appointment, and once each way during each tour of duty of three to four years. Generous home leave is granted and local leave is permissible. Application forms can be obtained from the Director of Recruitment (Colonial Service), Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting reference No. 27215/344). (5168)

HER MAJESTY'S COLONIAL SERVICE
British Guiana

ASSISTANT SURGEON

Duties to assist in surgical work, including gynaecology, in the Public Hospital, Georgetown, the obstetrical wards and ante-natal clinics of which will be under his care; to perform such surgical and other duties in the Public Hospitals as the Director of Medical Services may direct; to instruct junior medical officers and nurses in surgery and obstetrics. Appointment will be on three years' probation for permanent and pensionable employment or on agreement for two to three years. Candidates in the National Health Service may resign from the National Health Service but retain their superannuation rights while serving in British Guiana (up to six years) and thereafter receive a resettlement grant of 20 per cent of the aggregate of their Colonial salary. Salary scale £1,000 by £50 to £1,200 per annum, plus specialist allowance of £150 per annum. Private practice is not allowed but 50 per cent of consultation fees are payable to the officer. Free unfurnished quarters provided. Taxation at local rates. Free passages on appointment for officer and family not exceeding five persons in all, and up to £200 for officer only on leave. Local leave permissible and generous home leave granted after each tour of from two years. Candidates must hold degrees or diplomas in medicine and surgery registrable in United Kingdom and be Fellows of one of the Royal Colleges of Surgeons. A higher qualification in gynaecology and obstetrics is desirable. They should have held resident surgical appointments in a general hospital for at least two years. Application forms from Director of Recruitment (Colonial Service), Colonial Office, Sanctuary Buildings, Great Smith Street, S.W.1, quoting Ref. No. CDE 117/30/02. (5167)

This course is suitable for postgraduates wishing to take the Primary Fellowship Examination, as a final preparation in these subjects. Considerable basic knowledge is highly desirable prior to taking this course. Fee £31 10s.

Applications for enrolment should be addressed to the Director of Postgraduate Studies, Surgeons' Hall, Edinburgh, 8. Applicants for courses should supply particulars of qualifications and postgraduate experience.

LONDON SCHOOL OF HYGIENE AND
TROPICAL MEDICINEA. H. BYGOTT AND ELLISTON
SCHOLARSHIPS, 1953

Applications are invited from registered medical practitioners (preferably from those who are serving in Public Health Departments or who hold short-term Service Commissions in H.M. Forces or who expect to enter the public health field) for (a) the A. H. Bygott Scholarship of the value of £200, and (b) two Elliston Scholarships, each of the value of £150. The above scholarships are tenable for one academic year at the London School of Hygiene and Tropical Medicine for the course for the University of London Academic Postgraduate Diploma in Public Health, commencing September 28, 1953; and in each case remission of tuition fees will be granted to the holder of the scholarships. Application must be made by May 15, 1953. Application forms and further particulars are obtainable from the Dean, London School of Hygiene and Tropical Medicine, Keppel Street (Gower Street), London, W.C.1. Applicants may apply for both Bygott and Elliston Scholarships. (5170)

Educational—contd.**UNIVERSITY OF EDINBURGH****Faculty of Medicine****DIPLOMA IN PUBLIC HEALTH**

The course of instruction for the Diploma in Public Health extends over a period of nine months and is divided into two parts: (a) Preliminary Course of three months leading to the Certificate in Public Health; and (b) Final Course of six months leading to the Diploma in Public Health. Fee £16 16s. for Preliminary Course; £33 12s. for Final Course.

DIPLOMA IN MEDICAL RADIODIAGNOSIS**DIPLOMA IN MEDICAL RADIOTHERAPY**

The courses of instruction in Medical Radiodiagnosis and Medical Radiotherapy extend over a period of two years. In connexion with these courses, there is available a limited number of S.H.O. appointments tenable for two years. Preference will be given to candidates holding higher qualifications. Fee £52 10s. for D.M.R.D. course; £63 for the D.M.R.T. course.

DIPLOMA IN TROPICAL MEDICINE AND HYGIENE

The course of instruction for the Diploma in Tropical Medicine and Hygiene is divided into two parts: (a) Primary Course of three months' duration; and (b) Secondary Course, also of three months' duration. Candidates who have passed the examination at the end of the first period may interrupt their course and take the second part at a later date. Fee: £19 19s. for Primary Course; £14 3s. 6d. for Secondary Course.

DIPLOMA IN PSYCHIATRY

Candidates for the diploma after completion of the three years' proportioned training in approved hospitals, clinics, laboratories, and other institutions as prescribed under the regulations governing the diploma, are required to attend an intensive postgraduate course of five weeks' duration in the autumn term. Fee: £26 5s.

The above courses, which are full-time, commence in October of each year and application for admission should be made on the prescribed form to the Dean of the Faculty of Medicine, University New Buildings, Teviot Place, Edinburgh, 8, by April 30. Copy of the Faculty programme, giving particulars of the Regulations, etc., may be obtained on application to the Dean of the Faculty of Medicine. The fees referred to above do not include the annual matriculation fee or examination fees. Applicants are reminded that the holding of any Diploma Course is conditional on a sufficient number of candidates being enrolled.

COURSE OF INSTRUCTION FOR CERTIFICATE IN MEDICAL ILLUSTRATION

Applications are invited for the new session of the above course of instruction commencing in October, 1953. This course extends over a period of three years and is particularly suited to those who are considering Medical Illustration as a profession.

Application should be made on the prescribed form, which is obtainable from the Dean of the Faculty of Medicine. Candidates must not be less than eighteen years of age on commencing the course, and they must have a good secondary education with a fair knowledge of general art.—Charles H. Stewart, Sec. to University. (5171)

CHARGES FOR CLASSIFIED ADVERTISEMENTS

(Revised JULY 1, 1951.) CIRCULATION, 78,000.

To economize in paper, bookkeeping entries, and avoid delay, please send payment with the advertisement addressed:

Advertisement Manager,
"British Medical Journal,"
B.M.A. House, Tavistock Square, London, W.C.1.

The text of the advertisement itself should, where applicable, be clearly marked "MEMBER."

Every effort will be made to include "Hospital" and "Small" advertisements in the forthcoming issue provided they reach this office by not later than 10 a.m. on the Friday of the week preceding date of issue.

Cancellation of advertisements cannot be accepted if received after 4 p.m. on the Monday prior to date of issue (issues affected by public holidays excepted).

DO PLEASE WRITE ADVERTISEMENTS AND

A Residential Clinic for the treatment of patients suffering from Rheumatism and the Systemic diseases. Details from the Secretary, Spa Private Clinic, Broadwater Down, Tunbridge Wells, Kent.

ST. ANDREW'S HOSPITAL, NORTHAMPTON
For Nervous and Mental Disorders

President: The Earl Spencer. Medical Supt.: Thomas Tennent, M.D., F.R.C.P., D.P.H., D.P.M.

This Registered Hospital is situated in 130 acres of park and pleasure grounds. Voluntary patients who are suffering from incipient mental disorders or who wish to prevent recurrent attacks of mental trouble, temporary patients and certified patients of both sexes are received for treatment. Careful clinical, biochemical, bacteriological and pathological examinations. Private rooms with special nurses, male or female, in Hospital or in one of the numerous villas in grounds of the various branches can be provided.

WANTAGE HOUSE.—This is a Reception Hospital in detached grounds with a separate entrance to which patients can be admitted. It is equipped with all the apparatus for the complete investigation and treatment of Mental and Nervous Disorders by the most modern methods: insulin treatment is available for suitable cases. It contains special departments for hydrotherapy by various methods, including Turkish and Russian baths, the prolonged immersion bath, Plombières treatment, etc. There is an Operating Theatre, a Dental Surgery, an X-ray Room, an Ultra-Violet Apparatus, and a Department for Diathermy and High-frequency Treatment. It also contains Laboratories for biochemical, bacteriological and pathological research. Psychotherapeutic treatment is employed when indicated.

MOULTON PARK.—Two miles from the main Hospital there are several branch establishments and villas situated in a park and farm of 650 acres. Milk, meat, fruit, and vegetables are supplied to the Hospital from the farm, gardens and orchards of Moulton Park. Occupational therapy is a feature of this branch, and patients are given every facility for occupying themselves in farming, gardening and fruit-growing.

BRYN-Y-NEUADD HALL.—The seaside house of St. Andrew's Hospital is beautifully situated in a Park of 330 acres at Llanfairfechan amidst the finest scenery in North Wales. On the North-West side of the Estate, a mile of sea-coast forms the boundary. Patients may visit this branch for a short seaside change or for longer periods. The hospital has its own private bathing house on the seashore. There is trout-fishing in the park.

At all the branches of the Hospital there are cricket grounds, football and hockey grounds, lawn tennis courts (grass and hard courts), croquet grounds, golf courses, and bowling greens. Ladies and gentlemen have their own gardens, and facilities are provided for handicrafts such as carpentry, etc. For terms and further particulars apply to the Medical Superintendent (Telephone No.: Northampton 4354 (3 lines)), who can be seen in London by appointment.

HAYDOCK LODGE

NEWTON-LE-WILLOWS, LANCASHIRE

Tel.: Wootton, Ashton-in-Makerfield.

Phone: Ashton-in-Makerfield 7311.

For the reception and treatment of PRIVATE PATIENTS of both sexes suffering from mental and nervous disorders, alcoholism and drug addiction, either voluntary, temporary or under Certificate. Patients are classified in separate buildings, according to their mental condition.

Situated in park and grounds of 400 acres. Self-supported by its own farm and gardens, in which patients are encouraged to occupy themselves. Every facility for indoor and outdoor recreation. For terms, prospectus, etc., apply Medical Superintendent.

**in the Treatment
of Nutritional
Macrocytic Anaemia**

Marmite yeast extract has been used with success in the treatment of certain forms of macrocytic anaemia which are frequently encountered in tropical countries. Its value in the anaemias of coeliac disease, sprue, and idiopathic steatorrhoea has also been reported.

The precise mode of action of Marmite has not yet been satisfactorily explained. It has been suggested that folic acid, which is present in Marmite and which is effective in this type of anaemia, may be responsible, but there is also the possibility that some unidentified substance in Marmite may be the effective agent.

CIDAL

**THE TOILET SOAP
THAT CONTAINS**

2% HEXACHLOROPHENE

Because CIDAL soap contains Hexachlorophene (G.11) it has remarkable germicidal properties which help it to purify the skin as no ordinary toilet soap can do.

CIDAL attacks bacteria that settle in pores and folds of skin, and forms an anti-bacteria barrier which gives protection between washes. By destroying the bacteria that ferment perspiration, CIDAL eliminates unpleasant body odours at source.

CIDAL is useful in treating all skin ailments where soap and water are part of the therapy. Regular use helps to reduce the incidence of cellulitis and folliculitis, and prevents secondary infections of minor cuts and abrasions.

CIDAL CREAM SHAMPOO also contains Hexachlorophene and shares CIDAL soap's germicidal powers. It protects hair follicles against infection by staphylococci and is helpful in treating dandruff. Price 1/6.

From Boots, Timothy Whites,
and many other good chemists.
