

Where vitamin

C

is

indicated

... Delrosa Rose Hip Syrup provides it in a natural and convenient form. It is readily tolerated by babies, while children of all ages find it extremely palatable.

Every fluid ounce of Delrosa contains 57 mgms. of natural vitamin C (10 mgms. per household teaspoon) and provides 100 calories in the form of sugar and glucose.

We shall be pleased to send a full size bottle for clinical trial, on request.

Delrosa
ROSE HIP SYRUP

When
nourishment
is the main problem . . .

BRAND'S ESSENCE is a first-class protein of animal origin. Being partly hydrolized, it is capable of easy ingestion, digestion and absorption. It is extremely palatable, and may be taken either as a jelly or as a liquid. It helps to support convalescence and assists in restoring a positive nitrogen balance.

The major indications for the administration of Brand's Essence are loss of appetite during fatigue, acute infections, and dysphagia or digestive disturbances due to organic or bacterial lesions of the mouth, oesophagus and alimentary tract, and after surgical procedures.

The addition of Brand's Essence to low residue and weight-reducing diets is especially appreciated by the patient.

CEREVON

Ferric Free organic iron therapy

... ferrous gluconate, an organic iron salt, has now established itself as superior to inorganic iron preparations in the treatment of iron deficiency anaemias.

Greater absorption and utilisation produce a speedy therapeutic response. Furthermore, undesirable side effects of nausea and upset of the alimentary tract do not occur, even in patients normally sensitive to iron.

The Ferrous Gluconate used in our preparations is of our own manufacture and is entirely free from ferric iron.

CEREVON TABLETS

FORMULA: Each tablet contains: Ferrous Gluconate 0.3G.

Available in bottles of: 100 tablets. 1000 tablets.

NOW WIDELY PRESCRIBED— Transvasin

Contains skin-penetrating esters of salicylic, nicotinic, and p-aminobenzoic acids. It brings real relief to deep-seated muscular rheumatism by simple inunction.

Transvasin, a new preparation developed by Hamol S.A., our Swiss associates, and now available for prescription in this country, contains polar esters of salicylic, p-aminobenzoic and nicotinic acids. These esters readily pass the skin barrier in therapeutic quantities and enable an effective concentration of the drugs to be built up where they are needed. Transvasin not only induces vasodilation of the skin with a superficial erythema but also brings about a deep hyperaemia of the underlying tissues. It is non-irritant, and can be safely used on the skin.

It is now being widely prescribed, with highly successful results. There is evidence, also, that since a very small quantity is sufficient for each application the cost of treatment is extremely low.

Salicylic acid tetrahydrofurfuryl-ester	14%
Nicotinic acid ethyl-ester	2%
Nicotinic acid n-hexyl-ester	2%
p-Aminobenzoic acid ethyl-ester	2%
Water-miscible cream base ad	100%

Transvasin is not advertised to the public. It is available in 1 oz. tubes at 3/4d. plus 7½d. P.T., and is obtainable on Form E.C.10.

Samples and literature will be gladly sent on application.

*Highest peak concentrations and sustained
therapeutic effect with 'ESKACILLIN'
the palatable liquid oral penicillin*

Some authorities stress the value of high, if intermittent, peak penicillin serum concentrations; others favour lower, but sustained, plateau levels.

With 'Eskacillin' the advantages of both patterns are available. A very high peak concentration is achieved within about one hour of the first dose, succeeded by a more than adequate therapeutic level sustained for several hours.

*The need for adequate intake of **b** complex*

After the winter months—now that physical and nervous strain is particularly evident—the need for additional intake of vitamin B complex is all too frequently met with in children and adults. Especially is this the case in hyperactive rapidly-growing children or in adults presenting a history of inadequate diet. Timely fortification with a recognised B complex formula, fortunately, in most individuals reverses the deficiency condition.

LEDERPLEX **vitamin *b* complex**

As a potent dietary supplement, LEDERPLEX* Vitamin B Complex Lederle is unsurpassed among B complex preparations. It contains the entire natural vitamin B complex derived from liver and supplies—in the dosage recommended—all the vitamins of the B complex which tend to promote normal cellular life and growth.

**Trade mark*

LIQUID:—Vitamins B₁, B₂, B₆, B₁₂, Niacinamide, Pantothenic Acid, Choline, Inositol, FOLVITE* Folic Acid, Soluble Liver Fraction—flavoured with natural orange.

TABLETS:—Vitamins B₁, B₂, B₆, B₁₂, Niacinamide, Calcium Pantothenate, FOLVITE* Folic Acid, Insoluble Liver Fraction.

EFFECTIVE ORAL AMINOPHYLLINE

THEODROX

"These charts show the increase in gastric tolerance following the oral administration of Aminophylline with aluminium hydroxide (Theodrox) compared with that of plain aminophylline.

THEODROX provides a dependable method of oral administration of aminophylline in doses large enough to produce blood levels comparable with those following injection.

Previous investigations have shown that good response is obtained from aminophylline only if a certain concentration of the active component, theophylline, is attained in the blood. Because gastric irritation prevents giving oral doses large enough to produce this necessary blood level, the only dependable way of obtaining this end has been to resort to parenteral aminophylline.

Now there is clinical proof that when aminophylline is combined with a specially prepared aluminium hydroxide, the stumbling block of gastric irritation can be virtually eliminated, and massive oral doses can be tolerated to produce consistent blood levels comparable to those obtained by parenteral administration. (1) (2).

Theodrox is supplied in containers of 25, 100 and 1,000 tablets, each tablet containing Aminophylline, B.P. 3 gr. and Dried Aluminium Hydroxide Gel, B.P.C., 4 gr.

Theodrox is also available as Theodrox with Phenobarbitone, each tablet containing in addition $\frac{1}{8}$ gr. of Phenobarbitone B.P.

How often
are these
words heard
in your
surgery?

"DOCTOR, THAT'S JUST A WONDERFUL DIET you've given me, but where on earth can I get the protein foods from?..." If you have been shopping with your wife lately you will agree that this is a legitimate question and is, indeed, the root cause of patients failing to keep to a high-protein diet when one has been prescribed for them. It is a needless failure, for a high-protein intake can always be maintained by adding Sanatogen protein tonic to the patient's diet. Sanatogen is 95% milk protein combined with 5% sodium glycerophosphate, has a specific nutrient and tonic effect and a high rate of utilisation. The protein in Sanatogen contains a higher percentage of amino-acids than any other preparation and supplies all essential amino-acids together, thus permitting

tissue regeneration in accordance with the all-or-none dietetic law. Usually taken 3 times a day as a mixed drink in a little water or milk, Sanatogen can also be taken sprinkled on food or mixed in cooked dishes and is easily digested and most rapidly absorbed. Have you considered the use of Sanatogen for your high-protein diets?

Sanatogen

HYPERYSIN REGD. HOMMEL

Superior to Nitrates in Hypertension

The principal agent in Hyperysin is an improved salt of papaverine—the *nitrite*. Compared with the nitrate, it is of significantly lower toxicity, an important advantage in the treatment of such a long-term condition as hypertension.

'Hyperysin' Tablets provide the anti-hypertensive effects of a superior nitrite plus the sedative influence of papaverine and two other agents of recognized adjuvant action.

Each Tablet Contains

<i>Papaverine nitrite</i> - - - - -	0.7 gr.
<i>Hexamethylenetetraminodichlorhydrate</i> - - - -	3.0 gr.
<i>Carbromalum B.P.C.</i> - - - - -	3.0 gr.

FORMULA

ADVANTAGES

Effective action without abrupt onset.
Lower toxicity than papaverine nitrate.
B.P. reduction supported by sedation.

DOSAGE

Half to 1 Tablet twice or thrice daily p.c.

PACKS

Containers of 15 and 500 (dispensing).

Dormupax REGD. HOMMEL

Clinically proved Superior Barbiturate

- Published literature in 1954 has confirmed that DORMUPAX is an hypnotic which possesses many advantages over barbiturates commonly used hitherto.

This results from the inclusion in Dormupax of a newly synthesized salt of barbituric acid — Calcium-n-butyl-allyl-barbiturate. The new drug, reinforced by Carbromalum, provides for the first time in Dormupax a safe, prompt, powerful hypnotic which is free from after-effects. It is particularly useful in psychiatric practice.

INDICATIONS

Clinical investigation shows that in organic cerebral disease including atheroma and intractable insomnia generally efficacy is satisfactory on dosage of half a Tablet in the afternoon, and 1 Tablet in the evening. Also indicated in circulatory conditions requiring sedation.

DOSAGE

Max. daily dosage: 5 Tablets;
Max. daily single dose: 2 Tablets.

PACKS

Standard Tube of 12; Dispensing bottles of 250.

ST. DUNSTAN'S CLOCK

On the wall of St. Dunstan-in-the-West in Fleet Street is the first clock showing minutes ever to be made. It was also the first clock to have two dials. It was made in 1671.

**CLOCKWORK REGULARITY.**

Normal bowel action is a fine thing to possess. It is, perhaps, the most sought after talisman against ill-health in the world. No wonder, then, if its temporary suspension leads from a mild despondency even to black despair. But in such a crisis panic measures are to be avoided—the taking of harsh purgatives eschewed.

Success in the restoration of the much-cherished habit lies in the regular persuasive stimulus of soft bulk—such as is provided by 'PETROLAGAR.' Gently and unobtrusively, 'PETROLAGAR' arranges for normal physiological evacuations and secures the return of 'clockwork regularity.'

A NEW approach to an old problem

BLANDLAX

**Restores normal bowel function
without use of liquid paraffin**

Safe for patients of all ages

Blandlax is efficient

BLANDLAX is a liquid preparation of prehydrated sodium carboxymethylcellulose, incorporating a sub-laxative dose of magnesium hydroxide. It prevents undue faecal dehydration, encourages the restoration of normal bowel function, and is soothing to inflamed mucosa.

Sodium Carboxymethylcellulose 2%
Magnesium hydroxide 4.1%

Blandlax is safe

BLANDLAX is not habit forming; it contains no mineral oil or purgative and, therefore, cannot cause "leakage" or griping. It is devoid of the disadvantages associated with the administration of dry preparations of carboxymethylcellulose. With its agreeable flavour and creamy consistency, BLANDLAX is pleasant and easy to take.

Indications

BLANDLAX is specifically indicated in the treatment of constipation associated with colitis, haemorrhoids, pregnancy, peptic and duodenal ulcer, etc.

Supplied in bottles of 8 fl. oz., 16 fl. oz., & 80 fl. oz.

Retail prices 2/6d., 4/6d. and 18/-.

All subject to the usual discounts.

SPOONFOODS

Strained and Homogenised Meats, Fruits and Vegetables—in GLASS JARS

Weaning is always a perplexing process for the mother. *What* to give is comparatively simple. *How* to give it—or more important still, how to prepare it—is more difficult because of the small quantities involved and the need for strict hygiene. Spoonfoods are the solution to this problem.

Twelve varieties are available and they are packed in convenient quantities in glass jars. The foods are sterilised in the jars and vacuum sealed, so ensuring very high protection from bacterial infection. Because the foods are packed in glass jars, they are likely to overcome the objections which so many mothers have to "tinned foods" for babies.

THE EXTRA PHARMACOPŒIA (MARTINDALE)

Volume 1, 23rd Edition

In this new edition will be found information on the composition and character of practically every substance used in medicine, together with a concise summary of its use, its method of administration and its contra-indications, with abstracts of the world literature. The book gives details, with references, of the most recent innovations in medical practice.

Information is provided on the toxicity of chemicals and drugs, on reports of cases of poisoning, and on treatment of overdosage. It is unlikely that any medicinal agent of established value has been omitted from the Therapeutic Index, which is about half as long again as that of the last edition and contains approximately 750 headings.

By sharply reducing the frequency and severity of attacks, *without* causing undesirable hypnotic effects, 'Mysoline' permits the housewife who suffers from epilepsy to carry out her daily tasks with new-found confidence and mental alertness.

Combining high anticonvulsant activity with low toxicity, 'Mysoline' is now internationally recognised as an important advance in the treatment of epilepsy.

'MYSOLINE' *a new anticonvulsant*

TUBERCULOSIS IN CHILDHOOD AND ADOLESCENCE

With special reference to the pulmonary forms of the disease by

F. J. BENTLEY, MD, FRCP, DPH, Senior Physician,
S. GRZYBOWSKI, MD, MRCP, Senior Registrar,
High Wood Hospital for Children, Brentwood, Essex,
and B. BENJAMIN, BSc., FIA, formerly Statistician, London County Council.
Clothbound 272 pages, including many tables and charts, and
30/- 32 pages of radiographs.

Based on experience of over one thousand children treated and followed up for an average period of over six years. A special investigation into the deaths from tuberculosis of one hundred unselected cases in London children in recent years is also included. The various manifestations of the disease in childhood are considered from aspects of incidence, diagnosis, prognosis and treatment.

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose 3 copies (unless otherwise specified) of recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

A fully registered medical practitioner who is liable for National Service must obtain deferment of recruitment in writing from the Central Medical Recruitment Committee or (in Scotland) the Scottish Central Medical Recruitment Committee before accepting any civilian appointment.

The position of provisionally registered medical practitioners who are liable for National Service has been made clear in a notice sent to them by the Ministry of Labour and National Service.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR**: Posts obtained normally not less than two years after registration as a medical or dental practitioner and held normally for two years: £775 per annum in the first year; £890 per annum in the second and any subsequent years.

(b) **SENIOR REGISTRAR**: Posts obtained normally not less than four years after registration as a medical or dental practitioner and held normally for four years: £1,000 per annum in the first year; £1,100 per annum in the second year; £1,200 per annum in the third year; £1,300 per annum in any subsequent years.

Other Grades, Whole-time

(a) **HOUSE OFFICERS** (including Dental)

(i) *Provisionally registered medical practitioners*: £350 per annum for the first post held; £400 per annum for the second and any subsequent post held.

(ii) *Fully registered practitioners*: £350 per annum for the first post held; £400 per annum for the second post held; £450 per annum for the third and any subsequent post held. provided that a medical practitioner who has held house posts under (i) above whilst provisionally registered shall be remunerated at the rate of £450 per annum for each post held after obtaining full registration; and provided that in exceptional circumstances, subject to the consent of the Minister (in Scotland of the Secretary of State), the rates under (ii) may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

A deduction at the rate of £100 per annum shall be made from the remuneration of House Officers in respect of board and lodging and other services provided. Each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER**: Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical or dental practitioner and normally held for one year only: £670 per annum.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER**: Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £700 (for an officer appointed not less than two years after registration as a medical practitioner) by £50 to £1,000 per annum.

ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Those intending to apply for resident appointments in the Registrar grades are recommended to make inquiries with regard to the deductions proposed for board and lodging at the time of submitting their applications, where this is not stated in the advertisement.

MEMBERS ABROAD. Copies of vacancies advertised in the *Journal* can be sent by AIR MAIL. Please state type of vacancy and remit to the Advertisement Manager, B.M.J., 3s. for each week that this service is desired.

PRACTICES (Executive Councils)

For vacancies (except those in Scotland) apply on Form E.C.16A, obtainable from the Executive Council. Mark envelope "Vacancy."

ARGYLL AND BUTE EXECUTIVE COUNCIL

Applications are invited from registered medical practitioners for succession to a practice shortly to become vacant in the Ross of Mull (including the parish of Kilfinichen and Kilvickeon and the Island of Iona). House available at Bunessan. Substantial payment from inducement fund. Number on list 567. Applications, stating age, qualifications and experience, together with names and addresses of two referees, should be lodged with the undersigned, from whom further particulars may be obtained, not later than April 3, 1954.—J. W. Shankland, Clerk, Argyll and Bute Executive Council, Queen Street, Dunoon, Argyll.

HASTINGS EXECUTIVE COUNCIL

Applications invited for death vacancy (Urban). List at present approximately 2,400. House and surgery accommodation likely to be available. Applications, on Form E.C.16A, should be lodged with the undersigned not later than March 31, 1954.—R. A. Day, Clerk of the Hastings Executive Council, 21, Claremont, Hastings.

KIRKHAM, near Preston, Lancashire

Applications invited for vacancy (Urban and Rural) due to resignation. List at present approximately 2,200. Residence, including surgery, may be available for sale to successor. Apply, on Form E.C.16A, before April 3, 1954.—Jos. A. Speed, Clerk of the Lancashire Executive Council, 42, West Cliff, Preston, Lancs.

KIRKBY ESTATE, near Liverpool

Applications invited for two vacancies in the Southdene area of the Kirkby Housing Estate. There are no lists but, successful applicants will be granted the initial practice allowance, if eligible. The housing authority has so far erected 1,300 dwellings in this area of the estate. The number expected to be completed by the end of 1954 is 2,700. There is already one doctor practising in the area. Residence, including surgery, will be available to each successful candidate. Apply, on Form E.C.16A, before April 3, 1954.—Jos. A. Speed, Clerk of the Lancashire Executive Council, 42, West Cliff, Preston, Lancs.

IMPORTANT: All intending applicants should read the revised NOTICE at the top of page 21

PUBLIC HEALTH**CAERNARVONSHIRE COUNTY COUNCIL**

Applications invited for post of
ASSISTANT COUNTY AND SCHOOL MEDICAL OFFICER

from those possessing the Diploma or Certificate in Public Health. Salary scale £950 by £50 to £1,300, commencing salary may be determined by length of service in a similar post. Opportunities available for gaining experience in public health administration and for attending the Paediatric Unit at the County Hospital. Travelling and subsistence allowances paid. Knowledge of Welsh is desirable. Further information from County Medical Officer of Health. Applications, giving complete particulars of training and experience, with copies of two recent testimonials, and names of two referees, to Clerk of County Council, County Offices, Caernarvon, by March 31. (7508)

DURHAM, COUNTY COUNCIL OF
Education Department

The County Education Committee invite applications from registered medical practitioners (men and women) for appointment as

SCHOOL MEDICAL OFFICER

to act under the direction of the Deputy Principal School Medical Officer. Applicants must have had at least three years' experience in the practice of their profession, and the possession of a Diploma in Public Health is desirable. Commencing salary is £950 per annum, rising by annual increments of £50 to a maximum of £1,300 per annum. The successful candidate will be required to pass a medical examination and to contribute in accordance with the provisions of the appropriate Superannuation Act. For conditions of appointment and form of application, which must be returned not later than April 15, 1954, apply, enclosing stamped and addressed foolscap envelope, to the Director of Education, Shire Hall, Durham.—A. A. Denholm, Director of Education, Shire Hall, Durham. (7150)

GLASGOW, CORPORATION OF

Applications are invited from registered medical practitioners for two appointments as
Whole-time ASSISTANT MEDICAL OFFICERS
in the School Health Service of the Health and Welfare Department

Experience in the treatment of children and/or possession of the Diploma in Public Health will be of advantage. Salary scale £950 by £50 to £1,300. Posts are superannuable, subject to medical examination. Applications, stating age, qualifications and full details of training and experience, together with names of three referees, should be lodged with me (envelope marked "Appointment—Assistant Medical Officer, School Health Service") not later than April 9, 1954.—William Kerr, Town Clerk, City Chambers, Glasgow, C.2. (7587)

KINGSTON-UPON-HULL CORPORATION

Applications are invited for the post of

SENIOR MEDICAL OFFICER

for work in connexion with the Local Authority's After-care Services. Salary scale £1,250 by £50 to £1,650, and conditions of service in accordance with the Industrial Court award of the Whitley Councils for Health Services (Great Britain) Medical Council "C." Forms of application, which should be returned not later than April 10, 1954, may be obtained from the Medical Officer of Health, Guildhall, Kingston-upon-Hull. Canvasing, either directly or indirectly, will disqualify a candidate. (7460)

Public Health—contd.**KINGSTON-UPON-HULL CORPORATION
Health Department**

Applications are invited from registered medical practitioners, of either sex, for the appointment of **ASSISTANT MEDICAL OFFICER**

Under the Corporation's scheme for the interavailability of medical officers, the post involves duties in the school health service, the maternity and child welfare section, and other Local Health Authority's services and, in the event of the appointment of a male officer, duties under the Hull and Goole Port Health Authority. The salary scale is £950 per annum, rising by annual increments of £50 to £1,300 per annum, and regard will be paid to previous service in the grade in fixing the commencing salary. The possession of a qualification in Public Health or the D.C.H. will be an advantage, and preference will be given to candidates who are approved by the Ministry of Education for the purpose of ascertainment of educationally sub-normal pupils. Forms of application and schedules of conditions may be obtained from the Medical Officer of Health, Guildhall, Kingston-upon-Hull, to whom the completed application forms should be returned not later than April 10, 1954. (7461)

LANCASHIRE COUNTY COUNCIL**DIVISIONAL MEDICAL OFFICER
Health Division 11 (Leigh)**

Applicants must be medical practitioners holding the D.P.H. or equivalent qualification and with administrative experience. The Divisional Medical Officer will be required to act as Medical Officer of Health to the County Districts within the division where they so desire. Basic salary as Divisional Medical Officer is £1,300 by £50 to £1,700. The present holder of the post has been appointed Medical Officer of Health to five County districts, which has increased the inclusive salary scale to £1,725 to £2,125. The successful applicant would be allowed to hold similar appointments. Appointment is superannuable and subject to passing a medical examination. Full particulars and application forms obtainable from the County Medical Officer, East Cliff County Offices, Preston, to be returned by April 2. (7475)

MONTGOMERY, COUNTY OF**DISTRICT MEDICAL OFFICER AND
ASSISTANT COUNTY MEDICAL OFFICER**

Applications are invited from duly qualified and registered medical practitioners who possess a Diploma in Public Health, Sanitary Science or State Medicine for the following whole-time mixed appointment: A medical officer to act as an Assistant County Medical Officer of Health and as Medical Officer of Health respectively to the following districts: the Borough of Llanfyllin, the Borough of Montgomery, the Borough of Welshpool, the Forden Rural District and the Llanfyllin Rural District. As Medical Officer of Health, the officer will be responsible to each District Council in the combined area. As Assistant County Medical Officer of Health he will act under the general control and supervision of the County Medical Officer. His duties will be those prescribed by statute or regulation and will be such as are usually attached to such appointments. He should have had experience of school health services (including the examination of handicapped children) and of child welfare services, and a Diploma in Child Health is desirable. The salary will be within the appropriate scales, i.e. between a minimum of £1,368 15s. and a maximum of £1,687 10s. per annum. A motor car allowance will be paid in accordance with the scales recommended by the Whitley Councils for the Health Services (Great Britain). The appointment of Medical Officer of Health is subject to the provisions of Section 110 of the Local Government Act, 1933, and the Sanitary Officers (Outside London) Regulations, 1935, as amended by the Sanitary Officers (Outside London) Regulations, 1951. It is also subject to superannuation and the successful candidate will have to pass a medical examination. Forms of application may be obtained from my office and applications, accompanied by two recent testimonials, and the names of two other persons to whom direct reference can be made, must reach me not later than May 8, 1954.—P. E. White, Clerk of the County Council, County Offices, Welshpool. (7509)

WALSALL, COUNTY BOROUGH OF**DEPUTY MEDICAL OFFICER OF HEALTH**

Applications are invited from qualified medical practitioners for the above post at a salary of £1,200 per annum, rising by annual increments of £50 to £1,450 per annum. Applicants must possess the D.P.H., and should be approved in connexion with the ascertainment of educationally subnormal children. Commencing salary according to qualifications and experience. Further particulars and application forms may be obtained from me. Applications to be sent to the undersigned not later than March 31, 1954.—W. Staley Brookes, Town Clerk, Council House, Walsall. (7242)

MOTHERWELL AND WISHAW, BURGH OF

Applications are invited from registered medical practitioners possessing the Diploma in Public Health for appointment as

**DEPUTY MEDICAL OFFICER OF HEALTH
OF THE BURGH**

The salary scale is £1,033 per annum, rising by annual increments of £50 to £1,233 per annum, with placing according to qualifications and experience. Main duties will be in respect of child welfare, immunization and vaccination services and such other duties as may be required by the Medical Officer of Health. Appointment will be superannuable and subject to medical examination. Applications, giving particulars of qualifications, experience and appointments held, with copies of testimonials, should be sent not later than March 29, 1954, to the undersigned, from whom memorandum of information relative to the appointment may be obtained.—Alexander McIntosh, Town Clerk, Town Hall, Motherwell. (7491)

COLONIAL MEDICAL SERVICE

Vacancies occur from time to time in territories covered by the Colonial Medical Service for

MEDICAL OFFICERS

for general duties, including hospital and district work. These appointments offer great scope for the practice of many branches of medicine and surgery with a considerable measure of independence and personal responsibility. Appointments can usually be made on a permanent basis with pension (non-contributory) at age 50 or 55; on a temporary basis, with gratuity; or by appointment from the National Health Service for periods not exceeding six years, with continuation of National Health Service superannuation contributions and the payment of a resettlement grant of 20 per cent of the aggregate of colonial salary on leaving the colony. Salaries of Medical Officers are varied: for example from £950 to £1,850 per annum in Nigeria; from £865 to £1,590 per annum in Kenya (with a cost-of-living allowance in addition); and from £1,555 to £2,044 per annum in Malaya (with a cost-of-living allowance in addition). Starting salaries depend on age and experience, and officers holding certain higher qualifications are granted four additional increments on the salary scale. There are many specialist and administrative posts yielding higher pensionable salaries than those quoted above to which medical officers would expect to be appointed on promotion in the course of a normal career. Free passages are granted. Income tax is low. Tours of service vary from ten months in parts of West Africa to three or four years in, for example, Kenya. Houses with heavy furniture are provided in most territories at a rental of about 10 per cent of basic salary. Annual local leave is permissible and generous home leave is granted after each tour. Study leave on full pay is granted, subject to the needs of the service, to those who wish to acquire higher qualifications and so equip themselves for promotion to specialist posts. Officers serving in East and Central Africa often prefer to educate their children within that area, where schooling is available, or in South Africa. The short tours in West Africa enable frequent visits to be made to children being educated at home. Many officers have their children with them in West Africa until they reach school age. Application forms can be obtained from the Director of Recruitment (Colonial Service), Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting CDE.121/01).

NEW ROCHELLE HOSPITAL
New Rochelle, New York, U.S.A.
(360-bed general community hospital)

OVERSEAS (Wanted)

M.B., B.S., 29, MARRIED, SEEKS POST, PARTICULARLY West Indies. Overseas experience. Suggestions welcome.—Box 1619, B.M.J.

UNIVERSITY AND RESEARCH**APPOINTMENTS, etc.****RESEARCH INSTITUTE OF THE HOSPITAL**
FOR SICK CHILDREN
Toronto, Canada**RESEARCH FELLOWSHIP IN NEUROLOGY**

Applications invited from medical graduates (male or female) with training in paediatrics or neurology. Duties will consist chiefly of investigation of convulsive disorders in young children by clinical and laboratory methods, under the direction of Dr. J. S. Prichard. Post vacant May 1, 1954. Salary \$5,000. Preference given to persons prepared to work for a two-year period. Applications, with names and addresses of two referees, to be submitted (airmail) immediately to Dr. A. J. Rhodes, Director, The Research Institute, The Hospital for Sick Children, 555, University Avenue, Toronto, Canada. (7510)

NUFFIELD FOUNDATION DOMINION TRAVELLING FELLOWSHIPS
New Zealand

The Nuffield Foundation offers a Travelling Fellowship in Medicine to nationals of New Zealand, preferably between the ages of 25 and 35 years. The purpose is to enable medically qualified persons to obtain in the United Kingdom such postgraduate training and experience as may be necessary to prepare them to undertake medical teaching and research work in New Zealand. Applicants should possess high intellectual and personal qualities. A Fellow will be required to carry out at an approved institution a programme of work and training approved by the Nuffield Foundation. A Fellow will not be permitted to prepare for, or to take examinations for, higher degrees or diplomas awarded by bodies in the United Kingdom. The Fellowships are normally tenable for one year, and provide for return travelling expenses of a Fellow and, if he is married, for his wife. The total value of an award, including travelling expenses, varies with the needs and family responsibilities of the holder, but will in no case be less than £900. Applications for Fellowships to begin in 1954 should be submitted not later than April 30, 1954, to the undersigned. Copies of the conditions and forms of application are also available at the Nuffield Foundation, Nuffield Lodge, Regent's Park, London, N.W.1.—R. E. Corbett, Department of Chemistry, University of Otago, Dunedin, New Zealand. (7583)

UNIVERSITY OF LONDON

The Senate invite applications for the
CHAIR OF CHEMICAL PATHOLOGY
tenable at St. Mary's Hospital Medical School. Salary within the range £2,250 to £2,750 a year. Applications (ten copies) must be received not later than May 3, 1954, by the Academic Registrar, University of London, Senate House, W.C.1, from whom further particulars should be obtained. (7518)

UNIVERSITY OF LONDON**Postgraduate Medical School**

ASSISTANT LECTURER IN BACTERIOLOGY
Duties will consist of teaching and participation in clinical bacteriological routine. Opportunities for research available. Salary scale £1,000 by £100 to £1,400 per annum. Applications, giving particulars of experience and the names of three referees, should be sent, by mid-April, to the Dean, Postgraduate Medical School, Du Cane Road, W.12, from whom further particulars can be obtained. (7512)

SCHOLARSHIPS**ROYAL FREE HOSPITAL SCHOOL OF MEDICINE**

Applications are invited for the
E. P. PHIPSON POSTGRADUATE SCHOLARSHIP, 1954-55
of the value of £95. Open to women medical graduates for assistance in any kind of postgraduate study, whether medical, surgical, pathological or scientific. Applications to be submitted by May 1, 1954, on forms obtainable from Warden and Secretary, 8, Hunter Street, W.C.1. (7625)

ST. ANDREW'S HOSPITAL, NORTHAMPTON
For Nervous and Mental Disorders

President: The Earl Spencer, Medical Supt.: Thomas Tennent, M.D., F.R.C.P., D.P.H., D.P.M. This Registered Hospital is situated in 130 acres of park and pleasure grounds. Voluntary patients who are suffering from incipient mental disorders or who wish to prevent recurrent attacks of mental trouble, temporary patients and certified patients of both sexes are received for treatment. Careful clinical, biochemical, bacteriological and pathological examinations. Private rooms with special nurses, male or female, in Hospital or in one of the numerous villas in grounds of the various branches can be provided.

MOULTON PARK.—Two miles from the main Hospital there are several branch establishments and villas situated in a park and farm of 650 acres. Milk, meat, fruit, and vegetables are supplied to the Hospital from the farm, gardens, and orchards of Moulton Park. Occupational therapy is a feature of this branch, and patients are given every facility for occupying themselves in farming, gardening and fruit-growing.

WANTAGE HOUSE.—This is a Reception Hospital in detached grounds with a separate entrance to which patients can be admitted. It is equipped with all the apparatus for the complete investigation and treatment of Mental and Nervous Disorders by the most modern methods: insulin treatment is available for suitable cases. It contains special departments for hydrotherapy by various methods, including Turkish and Russian baths, the prolonged immersion bath, Plombière's treatment, etc. There is an Operating Theatre, a Dental Surgery, an X-ray Room, an Ultra-Violet Apparatus, and a Department for Diathermy and High-frequency Treatment. It also contains Laboratories for biochemical, bacteriological and pathological research. Psychotherapeutic treatment is employed when indicated.

BRYN-Y-NEUADD HALL.—The seaside house of St. Andrew's Hospital is beautifully situated in a Park of 330 acres at Llanfairfechan amidst the finest scenery in North Wales. On the North-West side of the Estate, a mile of sea-coast forms the boundary. Patients may visit this branch for a short seaside change or for longer periods. The hospital has its own private bathing house on the seashore. There is trout-fishing in the park.

At all the branches of the Hospital there are cricket grounds, football and hockey grounds, lawn tennis courts (grass and hard courts), croquet grounds, golf courses, and bowling greens. Ladies and gentlemen have their own gardens, and facilities are provided for handicrafts such as carpentry, etc.

For terms and further particulars apply to the Medical Superintendent (Telephone No.: Northampton 4354 (3 lines)), who can be seen in London by appointment.

When weight gain is essential

during a specific wasting disease or in convalescence when weight depletion is a complication, Stenediol ensures full employment of dietary protein and the consequent restoration of body tissue. It has this property in common with its structural relation, methyltestosterone, but unlike the male hormone, Stenediol is free from the side-effect of virilisation in the recommended dosage.

Literature on request.
