Specific for the prevention and treatment of Napkin-rash

DRAPOLENE CREAM was formulated specifically for the treatment and prophylaxis of urinary ammoniacal dermatitis. The distress and anxiety of this state have not been experienced when DRAPOLENE has been used as a preventative measure.

Reports received from many Infant Welfare Centres have stated that successful results have been obtained in both mild and severe forms of napkin rash, the condition clearing completely in four to six days.

DRAPOLENE also possesses cleansing properties which beneficially contribute to napkin toilet, thereby minimising the risk of aggravating the already hypersensitive area.

FORMULA

Benzalkonium chloride, 0.01 %, in a water miscible base.

PRICES

2 oz. tubes : 3/- each.
4 lb. dispensing jars : 16/- per lb.

NOBECUTANE

THE STERILE PLASTIC WOUND DRESSING

(Brit. med. J. 1954 2. 17)

NOBECUTANE consists of an acrylic resin dissolved in a mixture of acetic esters. When applied to the dry skin the solvent evaporates leaving an elastic, transparent, and adhesive film.

* * *

NOBECUTANE has many advantages over conventional dressings. It is non-irritating, transparent, tough, pliable and durable and can be applied over joints where some degree of mobility is required.

* * *

NOBECUTANE is impervious to bacteria but permeable to air and water vapour and allows normal aqueous exhalation of the skin to escape and no maceration of the skin occurs.

* * *

NOBECUTANE is economical in use and results in a saving of at least 20% over the cost of conventional dressings. In addition it is welcomed by nursing staff who find it effects a considerable amount of saving in time.

* * *

NOBECUTANE is available in bottles of 50 ml. and 250 ml.

Manufactured in Sweden by A. B BOFORS, NOBELKRUT

Packed and issued by the sole distributors

EVANS MEDICAL SUPPLIES LTD

LIVERPOOL AND LONDON

A NEW ADJUVANT IN THE TREATMENT OF RESPIRATORY DISORDERS

Lloyd-Hamol Ltd., of London and Zurich, presents to the medical profession a new decongestive salve, Thoracin, for the symptomatic relief of coughs, colds and respiratory disorders.

This diagram shows how Thoracin components penetrate the skin, are carried by the bloodstream to the alveoli and excreted there to exert their effect.

FORMULA

Phenyl Ethyl Nicotinate	2.0% w/w
Guaiacol Furoate	5.0% w/w
Tetrahydrofurfuryl Salicylate	10.0% w/w
Camphor	3.0% w/w
Eucalyptol	2.0% w/w
Water-Miscible Base to	100.0%

► The Thoracin formula is based on the same principles that have made Transvasin so successful in the treatment of rheumatic conditions.

► Thoracin is composed of esters of substituted hydroxy aromatic derivatives.

► Thoracin achieves the effect of the classic counter-irritant remedies — poultices, plasters and cupping — without irritation of the skin.

► Thoracin contains a new ester of Guaiacol that is entirely free from the evil smell and irritant effect associated with this phenol derivative in its pure form. This ester easily penetrates the skin, and is excreted in the alveoli, where it exerts its well-known action.

► Thoracin ensures vasodilation of the superficial skin vessels by the use of esters of nicotinic acid.

► Thoracin relieves reflex spasm of the pectoral muscles by the use of the tetrahydrofurfuryl ester of salicylic acid.

► Thoracin brings to the alveoli via the blood stream the sedative, antispasmodic, and expectorant properties of camphor and eucalyptus.

THORACIN is available in 1 oz. tubes — basic price 2/6 plus 7½d. P.T. It is an ethical product, and is not advertised to the public. Since a very small quantity is sufficient for each application, the cost of treatment is extremely low.

Samples and literature will be gladly sent on application.

Kylon G.F.4.

NOW RECOGNISED AS

“a new remedy of proved value”

Kylon G.F.4—the special preparation of liver containing the dietary growth factor—was first introduced to the medical profession in July, 1952, as an aid in the treatment of underdeveloped, malnourished or convalescent children.

The Kylon growth factor was the subject of an article appearing in the *British Medical Journal*, June 28th, 1952, p. 1388, under the title “The effect of liver supplement on children’s growth.” In this the author reported that “significant differences in growth” were observed in children receiving the growth factor compared with those in the control group; the treated children gaining over 20 per cent more in height and nearly 40 per cent more in weight. Other physicians have since confirmed its effectiveness.

The Joint Committee on Prescribing have now accepted Kylon G.F.4 for inclusion in Category 4 as being *a new remedy of proved value* when the product is prescribed for therapeutic purposes.

Henceforward, Kylon G.F.4 may, therefore, be freely prescribed for therapeutic purposes on N.H.S. Form E.C.10.

Descriptive literature will gladly be sent on request.

New conditions and terms of service

Regular and Short Service Commissions

New and improved conditions of service in the R.A.M.C. are now offered to doctors. These include:—

- ★ permanent commissions direct from civil life.
- ★ after one year's satisfactory service, grant of £1,500 (taxable) to officers appointed to a regular commission after 1st October, 1953.
- ★ antedates (which count towards pay and promotion) of up to 7 years for civilian experience, and credit for former commissioned service other than as a doctor.
- ★ 3 year short service commissions for those having liability for National Service.
- ★ increases in pay for captains and above.
- ★ increased rates of specialist pay.
- ★ excellent facilities for specialisation.

For full details, application should be made to the War Office (AMD 1A), Room 130, Lansdowne House, Berkeley Square, London, W.1. (Telephone: GROsvenor 8040 Ext. 548).

one of the best!

Employers are to-day realising more and more that the older worker often outstrips his more youthful colleagues both in efficiency and enthusiasm . . . provided he enjoys *full health*.

This fact underlines the importance of ensuring complete *nutritional* sufficiency for those in the upper age bracket—and it is precisely for this purpose that GEVRAL has been formulated. GEVRAL provides "all-round" supplementation of vitamins and minerals in a remarkably convenient form and has been aptly said to "add years to life . . . and life to years"!

Not only does GEVRAL make good the dietary deficiencies which inevitably hasten the ageing process, but also greatly enhances resistance to the many infections to which the elderly are susceptible.

Really effective treatment
for THREADWORM
and ROUNDWORM

'Antepar', the original piperazine elixir, issued as a result of investigations at The Wellcome Laboratories of Tropical Medicine, is already established as a most effective and safe treatment for oxyuriasis.

Trials since undertaken by Wellcome Foundation workers have now demonstrated that in ascariasis a cure rate of more than 90% can be achieved with a single-dose treatment. No side-effects were observed.

'Antepar' is pleasantly flavoured and readily acceptable to small children. It contains piperazine citrate equivalent to 500 mgm. piperazine per fluid drachm, and is available in bottles of 4 fl. oz. and 20 fl. oz.

- Outstanding efficacy
- Rapid and complete cure
- No important side-effects
- Simply administered
- Pleasantly flavoured
- No special routine needed

THE TREATMENT OF oro-pharyngeal infections

'PONDETS'

A unique presentation of penicillin for the treatment of minor superficial oro-pharyngeal infections.

The ingenious and novel method of presenting penicillin in 'Pondets,' enables a high therapeutic concentration to be maintained in the immediate vicinity of the oro-pharyngeal mucosa, for a prolonged period.

Each 'Pondet' contains 5,000 units of crystalline penicillin-G in a pleasantly flavoured, hard, fruit-sweet base, which dissolves slowly in the mouth.

'Pondets' are indicated for all minor superficial oral infections due to penicillin sensitive organisms.

Individually wrapped in bottles of 20.

VERILOID

a unique alkaloidal extract of *Veratrum viride*

- lowers blood pressure by vasorelaxation independent of vagomotor effect
- no ganglionic or adrenergic blocking
- no danger of postural hypotension
- cardiac output is not reduced
- no compromise of renal function
- no decrease of cerebral blood flow
- tolerance or sensitivity rarely develops
- can be given over long periods without loss of efficacy

**now in a new and highly
advantageous dosage form . . .**

WHAT RAUWILOID IS
*Rauwiloid represents the standardized alkaloids of *Rauwolfia serpentina*, each batch being tested in dogs for hypotensive, bradycardic and sedative effects.*

RAUWILOID + VERILOID

The addition of Rauwiloid (1 mg.) to Veriloid (3 mg.) in one tablet presents unique advantages. Rauwiloid, a mild hypotensive producing virtually no side-effects, leads to desirable moderate bradycardia, a feeling of calm tranquillity, and rapid remission of symptoms. It apparently potentiates the powerful hypotensive action of Veriloid, thus making it possible to obtain marked reduction of blood pressure from lower doses of Veriloid with less likelihood of side-effects.

The initial dose is one tablet taken three times daily at intervals of not less than four hours, preferably after meals. Once the effect of Rauwiloid is established the dosage should be increased according to the individual's response. Whereas some patients may require as many as two tablets four times a day, the average requirement of Rauwiloid + Veriloid is one tablet four times daily.

Introducing a new Thyroid extract

Proloid

Proloid is the purified essential metabolic stimulant of the thyroid gland, doubly assayed—biologically and chemically—to ensure uniform strength. Proloid is the preparation of preference in any condition where chemically standardized thyroid extracts are now employed. Proloid has the following advantages:—

- 1 Uniform strength—no danger of fluctuating metabolic potency.
- 2 Less cardiac stimulation than with other thyroid extracts.
- 3 Standardized to meet B.P. requirements—prescribed in the same dosage.

INCLUDE

IN THE DIET

AFTER AN ORAL COURSE OF ANTIBIOTICS

The skill of the cheesemaker together with scientific control of manufacture have been used to produce in St. Ivel a cheese which activates and stimulates the complex psychological and physiological mechanisms associated with appetite, deglutition and digestion.

It has already been proved to be of value when fed to children after they have been treated with chloromycetin for whooping cough. In such cases it stimulates the appetite, helps to smooth away the gastro-intestinal disturbances and to restore the normal flora of the alimentary tract.

FRESH UP FROM SOMERSET

How Sanatogen can help in the treatment of Psychosomatic Disorders

Edward Jenner, when a boy in Gloucestershire, heard that dairy maids who had contracted cowpox did not take smallpox. Later, when studying under John Hunter in London, he told the great man of his idea of vaccination. Hunter replied: "Don't think — try. Be patient. Be accurate." (Yet it is difficult to be patient with all the cases of psychosomatic disorders that flood the surgery!)

WHAT CAN THE BUSY GENERAL PRACTITIONER DO?

Psychosomatic disorders are increasing every year, so the surveys show. The symptoms are diverse — rheumatism, headache, insomnia, dyspepsia, diarrhoea, effort syndrome, etc. — and each patient must be heard, fully examined, and reassured. What then? Is reassurance enough? Here surely is a case where the use of Sanatogen protein nerve tonic is always useful.

THE ROLE OF SANATOGEN

Although Sanatogen is not prescribable owing to its high food value, it has been recommended by the profession for more than 50 years for "nerves" and psychosomatic disorders. It is 95% casein chemically combined with 5% sodium glycerophosphate. Three teaspoonfuls of Sanatogen t.d.s. (the normal dosage) provide the patient with 24 grams of first-class protein free from fat and cholesterol, at a cost of less than a shilling a day; whilst by reason of its glycerophosphate content it has a specific tonic effect on body and nerve tissue. Of course, it is not suggested that Sanatogen is the complete answer to psychosomatic disorders, but the general practitioner will find that it is a most powerful aid. Now we do not ask you to believe this without trial. We ask you to follow John Hunter's advice: "Try it."

Sanatogen

THE HIGH PROTEIN TONIC

ONE MOMENT
PLEASE, DOCTOR...

IT'S SOMETIMES difficult to make the mother of a family look after herself, but once she has sampled Ribena she will usually spare herself the time to take it daily.

First developed on a large scale to prevent Vitamin C deficiency during the war, Ribena is now recommended by doctors for a variety of conditions. Ribena contains pure blackcurrant juice, one of the richest sources of Vitamin C. Its content of glucose and fruit sugar comes from the same natural source, while its added cane sugar makes it acceptable to all palates.

If you would like a sample bottle of Ribena, and a copy of our brochure "Blackcurrant Juice in Modern Therapy", please write to the Medical Dept. A/9, H. W. Carter & Co. Ltd., The Royal Forest Factory, Coleford, Glos.

in osteoarthritis

Butazolidin in small doses has been found effective in the majority of cases of osteoarthritis. Relief from pain is usually experienced within a few days of commencing treatment and improvement in mobility of an affected joint is often of a greater degree than can be accounted for by analgesia alone. Osteoarthritis of the hip is particularly responsive to treatment with Butazolidin.

Prescribable on N.H.S. Form E.C.10. Butazolidin is included in schedules 1 and 4 of the Poison Regulations. Available in tablets containing 100 mg. and 200 mg. and in solution for injection in ampoules of 5 ml. containing 1000 mg.

Detailed literature is available on request.

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent **★** testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

A fully registered medical practitioner who is liable for National Service must obtain deferment of recruitment in writing from the Central Medical Recruitment Committee or (in Scotland) the Scottish Central Medical Recruitment Committee before accepting any civilian appointment. The position of provisionally registered medical practitioners who are liable for National Service has been made clear in a notice sent to them by the Ministry of Labour and National Service.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR:** Posts obtained normally not less than two years after registration as a medical practitioner and held normally for two years: £850 per annum in the first year; £965 per annum in the second and any subsequent years.

(b) **SENIOR REGISTRAR:** Posts obtained normally not less than four years after registration as a medical practitioner and held normally for four years: £1,100 per annum in the first year; £1,200 per annum in the second year; £1,300 per annum in the third year; £1,400 per annum in any subsequent years.

Other Grades, Whole-time

(a) **HOUSE OFFICERS:**

(i) **Provisionally registered medical practitioners:** £425 per annum for the first post held; £475 per annum for the second and any subsequent post held.

(ii) **Fully registered practitioners:** £425 per annum for the first post held; £475 per annum for the second post held; £525 per annum for the third and any subsequent post held.

provided that a medical practitioner who has held house posts under (i) above whilst provisionally registered shall be remunerated at the rate of £525 per annum for each post held after obtaining full registration; and provided that in exceptional circumstances, subject to the consent of the Minister (in Scotland of the Secretary of State), the rates under (ii) may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

A deduction at the rate of £125 per annum shall be made from the remuneration of House Officers in respect of board and lodging and other services provided. Each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER:** Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical practitioner and normally held for one year only: £745 per annum.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER:** Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £775 (for an officer appointed not less than one year after full registration as a medical practitioner) by £50 to £1,075 per annum.

ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Those intending to apply for resident appointments in the Registrar grades are recommended to make inquiries with regard to the deductions proposed for board and lodging at the time of submitting their applications, where this is not stated in the advertisement.

NEWFOUNDLAND PROVINCIAL DEPARTMENT OF HEALTH**Hospital for Mental and Nervous Diseases**, St. John's, Newfoundland**PSYCHIATRIST**

A qualified psychiatrist is required to work in an out-patient clinic and day treatment centre at the above 900-bed hospital. The self-contained out-patient department is in the main buildings, and the clinic, in addition to carrying out day treatment, performs a consultant service for general practitioners and governmental agencies. Salary is \$7,000 per annum, and the appointee must provide his own accommodations. Passage will be paid to St. John's. Applications, with full details, should be forwarded to C. H. Pottle, M.D., Superintendent, Hospital for Mental and Nervous Diseases, St. John's, Newfoundland, Canada. (6480)

Overseas (Vacant)—contd.**GOVERNMENT OF NORTH BORNEO**

MEDICAL OFFICER (Malaria Control Officer) who has leanings towards anti-malarial work is required in North Borneo to work with a World Health Organization team and to conduct the work after the withdrawal of international assistance. The objectives of the World Health Organization team are: (1) To study the malaria situation with a view to preparing a "malaria map" of the country, thus enabling a closer determination of the extent of the problem. (2) To determine by conducting spraying operations in selected areas, whether, in the conditions found in the Colony, residual spraying with insecticides such as D.D.T. and dieldrin would be effective and economic means of controlling malaria. (3) To apply the experience and information obtained from the W.H.O. Sarawak Malaria Control Project in the planning and execution of operations in North Borneo, which will be conducted under the supervision and coordination of Dr. J. de Zulueta, Senior Adviser for W.H.O. Sarawak scheme. (4) To assist Government in planning and expanding the Malaria Control Programme insofar as the pilot project may have had demonstrated it to be practicable and effective. (5) To train local personnel in all aspects of malaria control and to assist Government to establish a Malaria Control Service in the Medical Department commensurate with the needs of the country. Appointment will be on short term contract for three years in the first instance with gratuity on completion of satisfactory service. Salary scale, including pensionable expatriation pay, ranges from \$780 to \$1,255 a month. (£1,092 to £1,757 a year. One North Borneo dollar equals 2s. 4d.) Starting salary depends upon qualifications and experience. In addition, a cost-of-living allowance may also be payable, up to approximately £350 a year, and is determined by the officer's salary and family circumstances. It is subject to periodical revision. Quarters are provided at low rental. Income-tax at local rates. Free passages in both directions are provided for officer, wife and up to three children under eighteen years of age. Local leave is permissible and generous home leave is granted after tour. Candidates must possess medical qualifications registrable in the United Kingdom. Possession of a D.T.M. & H. is desirable but not essential. Application forms from Director of Recruitment, Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting reference BCD, 117/21/09). (6603)

INTERNSHIPS**BALTIMORE, MARYLAND, U.S.A.**

Rotating Internships available. Fully approved. Council on Medical Education, American Medical Association. Salary, Interns \$150 per month; Residents \$200 per month. \$50 added if wife in U.S.A.—Franklin Square Hospital, Baltimore, 23, Maryland U.S.A. (4927)

ROYAL MELBOURNE HOSPITAL

Applications are invited from legally qualified medical practitioners for the position of **ASSISTANT ANAESTHETIC SPECIALIST** to the Department of Anaesthesia. This is a new part-time appointment, at a salary of £1,500 per annum, and is non-resident. Applicants must possess a Fellowship of a Faculty of Anaesthetists or its recognized equivalent. Extensive clinical experience in modern anaesthetic methods, particularly in relation to thoracic surgery, is essential. Appointment will be initially for one year, with option of renewal. Applications on the prescribed form obtainable from the undersigned, giving full details of qualifications and anaesthetic experience, will be received until March 1, 1955. Except in special circumstances, late applications will not be considered.—Afton Morcom, Manager. (6536)

UNIVERSITY COLLEGE HOSPITAL OF THE WEST INDIES

Applications are invited for the post of **SENIOR REGISTRAR** in the Department of Diagnostic Radiology at the above-named teaching hospital, which is in special relationship with the University of London. Preference will be given to candidates holding a Diploma in Diagnostic Radiology. The appointment will be for one year in the first instance, subject to renewal. Salary will be in the scale £1,000 by £100 to £1,400 per annum, depending on experience and qualifications. Single accommodation and board or a limited number of unfurnished flats for unmarried or married officers are provided at a deduction of £125 per annum or five per cent of salary, respectively. Return first-class passage by sea will be paid for one person only. Further information may be obtained from the Hospital Manager and Secretary, University College Hospital, Mona P.O., Jamaica, B.W.I., to whom applications, stating age, nationality and details of qualifications and experience together with three recent testimonials, or the names and addresses of three referees, and including the approximate date on which the candidate could become available, should be sent by February 28, 1955. (6580)

ROYAL MELBOURNE HOSPITAL

Applications are invited for the post of **FULL-TIME MEDICAL OFFICER** to the Cardiac Clinic at the Royal Melbourne Hospital. The appointment is for one year in the first instance, and is renewable. Applicants must hold a senior degree in medicine. They are required to give details of their training in general medicine, and of training in special methods of investigation of cardiac and pulmonary functions, as well as in cardiology. The salary is £2,000 per annum. Applications, on the prescribed form, close with the undersigned on March 1, 1955. Further information may be obtained on application.—Afton Morcom, Manager. (6537)

UNIVERSITY OF NATAL
South Africa

Applications are invited from suitably qualified persons for appointment to the following posts on the staff of the Medical School at Durban:

(a) SENIOR LECTURER IN GYNAECOLOGY AND OBSTETRICS**(b) SENIOR LECTURER IN SURGERY**

The salary scale attached to each of the posts will be £1,400 by £50 to £2,000 per annum, plus a temporary cost-of-living allowance of £234 per annum payable to married men only. The appointment will be made jointly by the University and the Natal Provincial Administration, and membership of the University Institutions' Provident Fund will be compulsory, contributions being at the rate of seven per cent of basic salary. It is most desirable that the persons appointed should assume duty on April 1, 1955, or as soon as possible thereafter. Further particulars and information as to the method of application should be obtained from the Secretary, Association of Universities of the British Commonwealth, 5, Gordon Square, London, W.C.1. The closing date for the receipt of applications, in South Africa and London, is February 15, 1955. (6466)

UNIVERSITY AND RESEARCH**APPOINTMENTS, etc.****NUFFIELD FOUNDATION****FELLOWSHIPS AND SCHOLARSHIPS IN DENTISTRY**

The Nuffield Foundation invites applications from citizens of the United Kingdom, for Fellowships and Scholarships in Dentistry. To help the advancement of teaching and research on dental health and disease, the Foundation is prepared to award a number of Fellowships. (i) to enable selected men and women with dental qualifications to receive such additional training in pure and applied science as is desirable to fit them for an academic career in dentistry (but not to obtain a medical qualification), and (ii) to enable selected university graduates in medicine and science to receive training that will qualify them to undertake teaching and fundamental research on dental health and disease. The Foundation is also prepared to award a limited number of Scholarships to assist students of outstanding ability attending a university dental school to devote one or two years to further studies of the basic sciences. Applications for Fellowships should be received by March 1 annually and for Scholarships by June 30 annually. Copies of the conditions of both Fellowships and Scholarships and the application forms are obtainable from the Director, The Nuffield Foundation, Nuffield Lodge, Regent's Park, London, N.W.1.—L. Farrer-Brown, Director of the Nuffield Foundation. (6306)

UNIVERSITY OF DURHAM**Medical School, King's College, Newcastle-upon-Tyne**

The Council of King's College invite applications for the post of

FIRST ASSISTANT

in the Department of Medicine. The appointment will be for a period of one year in the first instance, but renewable up to a maximum of three years. The initial salary will be £1,200, rising, if the appointment is renewed, to a maximum of £1,700 in the third year. Family allowance and F.S.S.U. Twelve copies of application, together with the names and addresses of three persons to whom reference may be made, should be submitted not later than Monday, January 31, to the undersigned, from whom further particulars may be obtained.—G. R. Hanson, Registrar of King's College. (6605)

ST. THOMAS'S HOSPITAL MEDICAL SCHOOL**LECTURER IN APPLIED PHARMACOLOGY AND THERAPEUTICS**

Required by the Department of Therapeutics. Salary will be according to the scale for a Junior Lecturer or Lecturer according to experience, with family allowance. Applications, giving full particulars and the names of two referees, should be sent before February 8, to the Dean, St. Thomas's Hospital Medical School, London, S.E.1. (6518)

NUFFIELD FOUNDATION**MEDICAL FELLOWSHIPS**

As part of its programme for the advancement of health, the Nuffield Foundation is prepared to award a number of Fellowships to highly qualified men and women of the United Kingdom, usually between the ages of 25 and 35, who wish to train further for teaching and research appointments in any branch of medicine. Applications for awards in 1955 must be received not later than May 1, 1955. The conditions of these Fellowships and the application forms are obtainable from the Director, The Nuffield Foundation, Nuffield Lodge, Regent's Park, London, N.W.1.—L. Farrer-Brown, Director of the Nuffield Foundation. (6581)

ROYAL COLLEGE OF PHYSICIANS
Saltwell Research Fund

Applications are invited for a **SALTWELL RESEARCH FELLOWSHIP** value not less than £1,000 a year with supernumerary arrangements. The Fellowship is for a period of one year, renewable up to a total period of three years. Under the terms of the Fund the Fellow appointed must engage in research work of any type, including clinical epidemiological or laboratory studies in connexion with cancer, rheumatism, malaria or morbid conditions of the prostate gland. Applications, accompanied by the names of three referees, should state details of the proposed work, under whom it is proposed to undertake the work and the name of the institution where the work is to take place. A grant for reasonable expenses may be paid to the institution concerned. Further details may be obtained from the Secretary of the Trustees, the Assistant Registrar, Royal College of Physicians, Pall Mall East, London, S.W.1, by whom applications for a Fellowship must be received not later than April 1. (6519)

UNIVERSITY OF LEEDS
Department of Psychiatry

Applications are invited from suitably qualified registered medical men or women for the newly-instituted post of either

SENIOR LECTURER OR LECTURER IN CHILD PSYCHIATRY

The salary scales are under review but it is expected that they will be such as to enable an appointment to be made within the range £1,150 to £1,750 a year for a Lecturer or £1,850 to £2,400 a year for a Senior Lecturer, according to qualifications and experience. In addition to teaching and research work, the successful candidate will undertake work in the Child Guidance Clinic run by the department, and in the Child Guidance Service of the County Council of the West Riding. The appointment will be effective as soon as may be arranged. Applications (twelve copies), stating date of birth, qualifications and experience, together with the names of three referees, should reach the Registrar, the University, Leeds, 2 (from whom further particulars may be obtained), not later than March 7, 1955. (6554)

UNIVERSITY OF LEEDS

PART-TIME COURSE FOR THE DIPLOMA IN PUBLIC HEALTH

A Course for the Diploma in Public Health will commence in October, 1955, if sufficient entries are received. Instruction will be part-time and will occupy five academic terms. Students will require to spend 2½ days a week in each term in whole-time study, leaving the remainder of the time free for approved gainful employment. Candidates holding part-time public health appointments or with previous whole-time public health service may be granted exemption from some of the practical public health work, so reducing the whole-time study to approximately two days a week. Candidates are asked to apply as soon as possible to the Sub-Dean, School of Medicine, Thoresby Place, Leeds, 2. (6582)

POSTGRADUATE STUDY.—Diploma in Anaesthetics; Diploma in Psychological Medicine; Diploma in Ophthalmology; Diploma in Radiology; Diploma in Laryngology; Diploma in Child Health; F.R.C.S.Eng. and all Surgical Examinations; M.R.C.P.Lond., and all Medical Examinations: M.D. Thesis of all Universities: Courses for all qualifying Examinations. Complete Guide to Medical Examinations sent free on application. Applicants should state in which qualification they are interested. Address: Secretary, Medical Correspondence College, 19, Welbeck St., London, W.1.

UNIVERSITY OF MANCHESTER

DIPLOMA IN MEDICAL RADIOTHERAPY
 R.C.P. AND S.ENG.

A course of instruction in radiotherapy will begin at the Christie Hospital and Holt Radium Institute, Manchester, on Monday, April 4, 1955. This will continue until the end of January, 1956, after which students must still spend a further fifteen months working either in the Holt Radium Institute or in another approved hospital. Inclusive fee £52. There may be appointments under the National Health Service at S.H.O. or Registrar level for successful candidates. Special consideration will be given to candidates possessing a higher qualification in medicine or surgery. Further information may be obtained from the Director, Holt Radium Institute, Wilmslow Road, Manchester, 20. Applications must be sent to the Dean of Postgraduate Medical Studies, University of Manchester, not later than Monday, February 21, 1955. All applicants will be required to attend for interview. (6293)

CHARGES FOR CLASSIFIED ADVERTISEMENTS

(Revised JULY 1, 1951.)

To economize in paper, bookkeeping entries, and avoid delay, please send payment with the advertisement addressed:

Advertisement Manager,
"British Medical Journal,"
B.M.A. House, Tavistock Square, London, W.C.1.

The text of the advertisement itself should, where applicable, be clearly marked "MEMBER."

Every effort will be made to include "Hospital" and "Small" advertisements in the forthcoming issue provided they reach this office by not later than first post on the FRIDAY of the week preceding date of issue.

Cancellation of advertisements cannot be accepted if received after 4 p.m. on the Monday prior to date of issue (issues affected by public holidays excepted).

DO PLEASE WRITE ADVERTISEMENTS AND
