ZOPLA

MEDICAL AND SURGICAL PLASTERS

Developed in collaboration with some of the leading hospitals, the ZOPLA range of self-adhesive, zinc oxide plasters covers every medical, surgical, and dermatological need.

The range includes :

STRAPPINGS — for surgical use. Powerfully adhesive, on white, flesh, and elastic cloths.

FELTS of selected Merino Wool, for all padding and protective purposes. Only pure wool felt will retain its resilience and will not harden in use.

HELVIA—First Aid Flexible Dressing—elastic adhesive plaster with medicated gauze.

ZOPLA-BANDS—Elastic adhesive bandage of superior quality.

Details of the full ZOPLA range, together with samples, will gladly be sent on request.

When nourishment is the main problem . . .

BRAND'S ESSENCE is a first-class protein of animal origin. Being partly hydrolyzed, it is capable of easy ingestion, digestion and absorption. It is extremely palatable, and may be taken either as a jelly or as a liquid. It helps to support convalescence and assists in restoring a positive nitrogen balance.

The major indications for the administration of Brand's Essence are loss of appetite during fatigue, acute infections, and dysphagia or digestive disturbances due to organic or bacterial lesions of the mouth, oesophagus and alimentary tract, and after surgical procedures.

The addition of Brand's Essence to low residue and weight-reducing diets is especially appreciated by the patient.

New

IRON BY INTRAMUSCULAR INJECTION

BENGER LABORATORIES, who introduced the first intravenous iron preparation, now present a new and equally effective iron complex for intramuscular administration. ITS NAME IS IMFERON. The introduction of this new compound considerably simplifies the control of iron deficiency anaemias in both hospital and general practice.

Note these advantages . . .

- ★ **Imferon** is the first effective preparation of iron to be suitable for intramuscular administration.
- ★ **Imferon** provides the rapid, reliable response of an order hitherto only obtainable with intravenous preparations; and it is much less time-consuming to administer.
- ★ **Imferon** is particularly indicated for the patient who is refractory to, or intolerant of, oral iron; and when a rapid response is required, as in anaemia of pregnancy.
- ★ **Imferon** provides the equivalent of 50 mg. of iron in each millilitre.

AMPOULES 2 ml. (100 mg. Fe.) boxes 10 and 100; AMPOULES 5 ml. (250 mg. Fe.) boxes 5 and 50

INFLUENZA treatment with **Hypon**

when its standing room only . . .

Influenzal states are unwanted companions of winter which persist in greater or lesser degree each season. Recourse to a suitable medicament becomes of paramount importance for the early abatement of symptoms.

The rapid therapeutic effect of Hypon tablets is now accepted, being of extreme value in relieving pain and reducing temperature during influenza epidemics, when time is a factor of importance to both patient and General Practitioner.

HYPON tablets possess a powerful analgesic-antipyretic action.

HYPON tablets contain Caffein to counteract mental and post-influenzal depression.

HYPON tablets also provide sufficient phenolphthalein to maintain normal peristalsis.

Indications: *Influenza, Tonsillitis, Rheumatic conditions, Spastic Dysmenorrhœa, Neuralgia.*

Formula: *Acid Acetylsalicyl. 40.22%. Phenacet. 48.00%. Caffein. 2.00%. Codein. Phosph. 0.99%. Phenolphthal. 1.04%. Excip. 7.75%. Each tablet 8 grains.*

THE VALUE OF PHARMACEUTICAL TECHNIQUES IN Oral Penicillin Therapy

In suitable dosage and conditions, oral penicillin therapy is now widely accepted for the obvious advantages it offers.

The problem of finding satisfactory means of presenting penicillin for oral administration has been largely a pharmaceutical one.

PRADUCIL

'200 and 400'

Tablets containing respectively 200,000 units and 400,000 units of Benzylpenicillin B.P. Boutes of 20 and 100 tablets of each strength.

Although penicillin oral tablets have been in use for some time there seemed no way of masking their bitter taste until the 'Prescoted' technique of dry-coating tablets enabled the first sugar-coated penicillin oral tablets to be made available under the name PRADUCIL. Optimum blood levels in oral penicillin therapy are achieved by the use, as in these tablets, of Benzylpenicillin B.P.

PRADUPEN

'200'

Each bottle contains 3.2 mega units of Benzylpenicillin B.P. providing 16 x 3.5 ml. teaspoonful doses of 200,000 units of penicillin when dispensed.

There is a recognised need for a liquid oral preparation in cases where tablets are not acceptable. The application of pharmaceutical technique has resulted in the development of PRADUPEN, a preparation of Benzylpenicillin B.P. in the form of a dry powder containing suitable stabilising, flavouring and sweetening agents. PRADUPEN is dispensed by adding water, yielding a non-sticky, clean-tasting, fruit-flavoured elixir.

EVANS
MEDICAL

PRADUPEN AND PRADUCIL ARE TWO EXAMPLES OF PHARMACEUTICAL DEVELOPMENT WORK BY EVANS MEDICAL TO PROVIDE PALATABLE, EMINENTLY STABLE AND YET ECONOMICAL FORMULATIONS OF THE OFFICIAL DRUG

A new Haemostatic for the Control of Capillary Bleeding in Medical and Surgical Conditions

Clinically proven to reduce bleeding-time without effect on coagulation or blood pressure, and to have no undesirable side effects

This graph gives dramatic evidence of the effect of Adrenoxyl on capillary resistance and bleeding-time

During recent years, research has been carried out on a new chemical substance that reduces the mean bleeding-time by decreasing capillary permeability and increasing contractility and capillary resistance. The product of this original research is called Adrenoxyl (adrenochrome monosemicarbazone) and has been clinically proven to be of value in controlling capillary haemorrhage.

ADRENOXYL has no effect on coagulation. It neither increases nor decreases blood pressure.

ADRENOXYL is non-toxic, and there are no contra-indications to its use.

ADRENOXYL is indicated in the preventive and curative treatment of all types of capillary bleeding.

ADRENOXYL has been successfully used for the control of capillary bleeding in a wide range of surgical operations, and has proved particularly useful in ear, nose, and throat surgery, ophthalmic surgery, thoracic surgery, gastro-intestinal surgery, plastic surgery, and urogenital surgery.

It has also been used successfully in many medical conditions associated with capillary haemorrhage or where capillary fragility is a feature.

ADRENOXYL may be administered by mouth or by subcutaneous or intramuscular injection. The oral form is for routine treatment, though when rapid action is desired the intramuscular route is recommended.

ADRENOXYL is now available in boxes of 6 or 50 ampoules: tubes of 25 tablets or bottles of 500 tablets.

In regular employment

• CONTROLLED • SAFE • CONFIDENT

Reduction in the frequency and severity of attacks, combined with increased alertness and efficiency, enables the epileptic to become a confident, self-supporting member of the community.

'Mysoline' has produced these marked improvements in a high proportion of cases, including many which have failed to respond to other forms of treatment. An entirely new anticonvulsant, possessing the advantages of high efficacy, low toxicity, and freedom from hypnotic effect, 'Mysoline' is now internationally recognised as an important advance in the treatment of epilepsy.

IMPERIAL CHEMICAL (PHARMACEUTICALS) LIMITED

A subsidiary company of Imperial Chemical Industries Limited

WILMSLOW, MANCHESTER

PARENTROVITE

for the treatment of **NEUROSES** and **PSYCHOSES**

associated with: **Drugs** e.g. narcotics and barbiturates
 Infections e.g. influenza and pneumonia
 Alcohol

PARENTROVITE consists of injectable preparations of *the vitamin B complex and vitamin C*, designed especially to satisfy the needs created by the toxic effects of drugs and infective agents. The formulae, for intravenous and intramuscular use, have been determined in relation to interactions known to occur between these vitamins in intracellular metabolism. When the enzyme systems concerned in the oxidation of glucose are deranged or inhibited, as they are in certain toxic states, whether caused by virus infections, alcohol or barbiturates, the co-enzymes in the vitamin B group must be supplied in very high concentration to initiate recovery.

The immediate effect of treatment is the restoration of normal cerebral function:—

*the return of consciousness after coma or delirium,
 rational thinking after confusion,
 a co-operative and calm outlook after resistance or depression.*

This changed attitude must be maintained by repeated injections while the patient is being given other treatment suitable for the underlying condition, whether this is psychotic or somatic in origin.

High potency preparations are available for both intravenous and intramuscular use to detoxicate patients at the beginning of treatment, and lower potencies for subsequent maintenance.

Some papers indicating the course of developments leading to the introduction of PARENTROVITE.

1944 J. Amer. med. Ass., 126, 752. 1944 J. ment. Sci., 90, 95. 1948 Amer. J. Psychiat., 105, 2, 107. 1948 J. nerv. ment. Dis., 110, 1. 1950 Ann. intern. Med., 32, 261. 1950 Lancet i, 287. 1951 Lancet ii, 1057. 1951 Brit. med. J., ii, 411. 1952 Amer. J. Psychiat., 108, 888. 1953 Lancet i, 570. 1953 Med. World, 79, 579. 1954 Proc. Roy. Soc. Med., 47, 215. 1954 J. Amer. med. Ass., 155, 114. 1954 Brit. J. Addict., 51, 29 & 39.

The following are some of the conditions for which PARENTROVITE is being found effective:

Acute alcoholic psychosis, including delirium tremens Coma or delirium from drugs e.g. barbiturates
 Collapse after continuous narcosis Drug withdrawal symptoms Post-operative confusional psychosis
 Psychiatric reactions to prolonged ill-health Toxic syndrome of and sequelae to influenza and pneumonia.

Ampoules are supplied in pairs of 5 c.c. for intravenous injection in acute conditions, and in smaller volumes for intramuscular injection. Boxes of 3 pairs.

Transvasin

brings the esters of **NICOTINIC ACID**
SALICYLIC ACID
p-AMINO BENZOIC ACID

to the focal point of
soft-tissue rheumatism

The esters in Transvasin, a new preparation developed by Hamol S.A., our Swiss associates, readily pass the skin barrier in therapeutic quantities and enable an effective concentration of the drugs to be built up where they are needed. Transvasin

not only induces vasodilation of the skin with a superficial erythema, but also brings about a deep hyperaemia of the underlying tissues. It is non-irritant, and can be safely used on delicate skins. It is now being widely prescribed, with successful clinical results. Since a very small quantity is sufficient for each application, the cost of treatment is extremely low.

<i>Salicylic acid tetrahydrofurfuryl-ester</i>	14%
<i>Nicotinic acid ethyl-ester</i>	2%
<i>Nicotinic acid n-hexyl-ester</i>	2%
<i>p-Aminobenzoic acid ethyl-ester</i>	2%
<i>Water-miscible cream base ad</i>	100%

Transvasin is available in 1 oz. tubes, basic price 2/6 plus 7½d. P.T., and is not advertised to the public. Samples and literature will be gladly sent on application.

Achromycin*

TETRACYCLINE

today's true broad-spectrum antibiotic

greater striking power with fewer side effects

**More rapidly
absorbed.**

**Quicker diffusion
in body tissues.**

**Fewer side
effects.**

Greater stability.

On all counts—effectiveness, range of activity, freedom from side-effects—ACHROMYCIN tetracycline has set new standards in broad-spectrum antibiotics. No other broad-spectrum antibiotic is so stable, so soluble . . . none can match the high blood concentrations and prolonged antibacterial levels achieved with ACHROMYCIN. The antibacterial range of ACHROMYCIN is equally outstanding—indeed, every organism sensitive to broad-spectrum antibiotics responds equally well to ACHROMYCIN. Yet, extensive clinical trials have shown this drug to be almost completely free from undesirable side-effects.

EMOTIONS

EMOTIONAL DISTURBANCE...

A close association has been shown to exist between certain emotional disturbances and changes in gastric function. Increased acid secretion has been observed to follow emotional reactions of a combative nature and the importance of controlling gastric acidity in the management of peptic ulcer is widely recognised.

'Aludrox' Amphoteric Gel, buffers gastric acid to a pH of 3.5 to 4.0, at the same time providing a protective gel barrier over the surface of the ulcer. Healing is thus able to proceed whilst the risk of alkalosis is avoided and normal digestion is unimpaired.

'ALUDROX'
Trade Mark

'ALUDROX' is available in two forms: as an amphoteric gel (consisting of Aluminium Hydroxide Gel B.P.C. suitably flavoured and preserved) in 6 oz. and 12 oz. bottles and as tablets (each tablet containing dried Aluminium Hydroxide Gel. B.P.C. 13 gr.) in boxes of 60.

REDUCTION OF HYPERMOTILITY

'Lergine' brand Tricyclamol Chloride, a new anti-cholinergic agent, markedly reduces gastro-intestinal motility and spasm, and diminishes gastric, pancreatic and intestinal secretions.

As an adjunct to the dietary treatment of peptic ulcer, 'Lergine' provides prompt relief of spasm and pain. In cases requiring added sedation 'Lergine' brand Compound, which contains tricyclamol and phenobarbitone, is advised.

'Lergine' has proved highly effective in relieving the pain and constipation associated with spastic or "irritable" colon, and is valuable in treating pylorospasm, ulcerative colitis, regional ileitis and some types of diarrhoea, for example that associated with pancreatic insufficiency.

'Lergine' and 'Lergine' Compound are each issued in bottles of 100 and 500, the former at prices of 17/6d. and 80/-, and the latter at 19/6d. and 85/-, each subject to the usual discount.

Stable, soluble, palatable, calcium aspirin

Clinical sample and literature supplied on application. Solprin is not advertised to the public and is available only on prescription (U.K. and Northern Ireland only). N.H.S. basic price 7/6 for 300 tablets in foil.

restlessness
and
irritability
with
pain . . .

. . . one of the many uses for short-acting **NEMBUTAL** REGD

try NEMBUTAL and see for yourself how:

- Short-acting NEMBUTAL can produce any desired degree of cerebral depression—from mild sedation to deep hypnosis.
- The dosage required is small—only about half that of many other barbiturates.
- Hence, there's less drug to be inactivated, shorter duration of effect, wider margin of safety and little tendency towards morning-after hangover.
- In equal oral doses, no other barbiturate combines quicker, briefer, more profound effect.

Good reasons why the number of prescriptions for short-acting NEMBUTAL continues to grow after nearly 25 years use by the medical profession.

NEMBUTAL REGD

(Pentobarbitone Sodium, B.P.)

NEMBUTAL is available in $\frac{1}{2}$ gr., $\frac{1}{4}$ gr. and $1\frac{1}{2}$ gr. capsules and as Elixir (2 grs. per fl. oz.)

**Adequate
Cough Sedation
permits
QUIET,
UNINTERRUPTED
SLEEP**

In the treatment of unproductive cough in children and adults the advantages of ETHNINE lie in its effectiveness with low toxicity, and its freedom from side-effects such as constipation and digestive upset.

For children, ETHNINE is indicated whenever a cough sedative is considered advisable particularly in the treatment of whooping cough, irritation of the upper respiratory tract, and the cough associated with enlarged tonsils and adenoids before surgical measures are taken.

The sedative action of ETHNINE is particularly useful when it is desired to ensure a restful night's sleep uninterrupted by paroxysms of coughing.

BUTAZOLIDIN

(brand of phenylbutazone)

Regd. Trade Mark

in osteoarthritis

Butazolidin in small doses has been found effective in the majority of cases of osteoarthritis. Relief from pain is usually experienced within a few days of commencing treatment and improvement in mobility of an affected joint is often of a greater degree than can be accounted for by analgesia alone. Osteoarthritis of the hip is particularly responsive to treatment with Butazolidin.

Prescribable on N.H.S. Form E.C.10. Butazolidin is included in schedules 1 and 4 of the Poison Regulations. Available in tablets containing 100 mg. and 200 mg. and in solution for injection in ampoules of 5 ml. containing 1000 mg.

Detailed literature is available on request.

BUTAZOLIDIN—NEW TABLET SIZE
From February 15th, 1955, Butazolidin tablets will be smaller. This alteration is being made to standardize the size of tablet throughout the world. The tablets will remain unchanged in all other respects. It is particularly emphasized that the strengths of Butazolidin tablets will remain exactly as before.

THEODROX^{Regd.}

The only oral aminophylline preparation which ensures full therapeutic response

Clinical evidence shows that when, as in "THEODROX", aminophylline is combined with specially prepared aluminium hydroxide, gastric irritation is minimised. Large ORAL doses of aminophylline can, therefore, be tolerated to produce consistent, high blood levels of theophylline.

Each tablet of "THEODROX" contains 3 gr. of aminophylline and 4 gr. of dried aluminium hydroxide gel.

INDICATIONS—Congestive heart failure, bronchial or cardiac asthma and angina pectoris.

"THEODROX" with PHENOBARBITONE tablets contain in addition $\frac{1}{2}$ gr. phenobarbitone and are indicated in conditions where a degree of sedation is also required.

Both forms are available in bottles of 25, 100 and 1,000 tablets.

Detailed literature supplied on request.

Preventive Medicine

Although the prominent role played by protective
foods in preventive medicine is fully recognised
by doctors and nutrition experts, there are still
many members of the public who are not sufficiently
nutrition minded to appreciate their significance.
It has been suggested that by spreading more
information on food values, a considerable amount
of illness might be avoided, and public money
could thus be saved.

A useful protective food—and one which is popular
with old and young alike—is Marmite. It supplies
the essential B vitamins in a convenient, appetising
form.

MARMITE
yeast extract

contains

Riboflavin (vitamin B₂) 1.5 mg. per oz.
Niacin (nicotinic acid) 16.5 mg. per oz.

Obtainable from chemists and grocers

Special terms for packs for hospitals, welfare centres and schools

St Ivel

LACTIC CHEESE

IN THE DIET

AFTER AN ORAL COURSE OF ANTIBIOTICS

The skill of the cheesemaker together with scientific control of manufacture have been used to produce in St. Ivel a cheese which activates and stimulates the complex psychological and physiological mechanisms associated with appetite, deglutition and digestion.

It has already been proved to be of value when fed to children after they have been treated with chloromycetin for whooping cough. In such cases it stimulates the appetite, helps to smooth away the gastro-intestinal disturbances and to restore the normal flora of the alimentary tract.

FRESH UP FROM SOMERSET

In the Service...

Research

The House of Wander continues to maintain its advanced position in pharmaceuticals and quality food products because the standardization of active ingredients during manufacture is backed by careful control and investigation in its extensive Research Laboratories.

In Quality

The Wander Research Laboratories have made useful contributions in the fields of dietetics, nutrition and vitamins. Their wide experience and up-to-date laboratory facilities help to maintain the high quality of Malt Extract and Cod Liver Oil (Wander), the vitamin content of which exceeds that of the analogous B.P. preparations.

The special consideration of physicians when prescribing a malt and oil preparation is that of vitamin values. Comparative studies prove that to prescribe "Wander Brand" is to specify malt extract and cod liver oil of the finest possible quality.

In the Service of Medicine

Careful control and investigation help to maintain "Wander Brand" in the forefront of its class. Moreover, with all its special advantages, "Wander Brand" costs no more than some malt and oil preparations with a lower vitamin content.

TRAINING MADE EASIER FOR THE COLOSTOMY PATIENT

Training is the key to normal living for the colostomy patient.* SPENCER'S new colostomy support—*individually designed, cut, and made* for each patient—makes training easier, because:

- ★ Abdominal section opens instantly by means of zippers—facilitating the change of pads.
- ★ This section is lined with moisture-proof material—easily cleaned—protects outer clothing.
- ★ Spencer's co-relation of abdominal and back support improves posture, body mechanics.
- ★ Cosmetic results are appreciated by both male and female patients.

All Elastoplast bandages NOW HAVE POROUS ADHESIVE!

When the Elastoplast Bandage with Porous Adhesive was introduced to the medical profession, the demand for it was so immediate, so wide-spread, that a priority system of supply was necessary. More and more of our manufacturing resources were turned over to the production of this type of bandage. Now demand has increased further to such an extent that we have been induced to make all

Elastoplast Bandages with the Porous Adhesive.

The reason for this overwhelming demand is simple—the Elastoplast Bandage with Porous Adhesive represents a most significant advance in the field of Elastic Adhesive Bandages. It overcomes the main cause of plaster intolerance, by permitting free evaporation of sweat from the skin.

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

A fully registered medical practitioner who is liable for National Service must obtain deferment of recruitment in writing from the Central Medical Recruitment Committee or (in Scotland) the Scottish Central Medical Recruitment Committee before accepting any civilian appointment. The position of provisionally registered medical practitioners who are liable for National Service has been made clear in a notice sent to them by the Ministry of Labour and National Service.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR:** Posts obtained normally not less than two years after registration as a medical practitioner and held normally for two years: £850 per annum in the first year; £965 per annum in the second and any subsequent years.

(b) **SENIOR REGISTRAR:** Posts obtained normally not less than four years after registration as a medical practitioner and held normally for four years: £1,100 per annum in the first year; £1,200 per annum in the second year; £1,300 per annum in the third year; £1,400 per annum in any subsequent years.

Other Grades, Whole-time

(a) **HOUSE OFFICERS:**

(i) *Provisionally registered medical practitioners:* £425 per annum for the first post held; £475 per annum for the second and all subsequent posts held;

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £475 per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff.

(ii) *Fully registered medical practitioners:* £525 per annum for any post held; provided that in exceptional circumstances, subject to the consent of the Minister, this rate may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

In each case under sub-sections (i) and (ii) above, a deduction of £125 per annum in respect of board and lodging and other services provided shall be made and each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER:** Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical practitioner and normally held for one year only: £745 per annum.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER:** Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £775 (for an officer appointed not less than one year after full registration as a medical practitioner) by £50 to £1,075 per annum.

ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Those intending to apply for resident appointments in the Registrar grades are recommended to make inquiries with regard to the deductions proposed for board and lodging at the time of submitting their applications, where this is not stated in the advertisement.

(Chest and Infectious Diseases)

This hospital offers interesting work, having units for infectious diseases and all forms of chest diseases, complete thoracic surgical unit and out-patient sessions for chest diseases and cardiology. Single accommodation is available. Appointment for one year in first instance. Apply to Secretary, Sheffield Regional Hospital Board, Old Fulwood Road, Sheffield, by February 21, 1955, giving age, nationality, qualifications, present and previous appointments (with dates), naming 3 referees. (7271)

SOUTH-EAST METROPOLITAN REGIONAL HOSPITAL BOARD

Applications are invited for an appointment as **WHOLE-TIME REGISTRAR in Chest Diseases** to fill a vacancy in the approved trainee establishment at the Brighton and Lewes Group of hospitals, for duty mainly at Bevendean Hospital, Bear Road, Brighton, 1, which is a unit of approximately 150 beds devoted to the active treatment of tuberculosis, and also at Chest Clinics in the area. Candidates must have had good experience in general medicine and in the diagnosis and treatment of pulmonary tuberculosis in adults. The appointment will be in accordance with the terms and conditions of service of hospital medical and dental staff (England and Wales), and will be for one year in the first instance. Applications, giving particulars of age, qualifications and experience, with relevant dates, together with the names and addresses of two referees, to be sent to the Secretary, Registrars Committee, South-East Metropolitan Regional Hospital Board, 11, Portland Place, W.1, not later than February 26, 1955. (7508)

SOUTH-EAST METROPOLITAN REGIONAL HOSPITAL BOARD

Applications are invited for an appointment as **WHOLE-TIME REGISTRAR in Chest Diseases** to fill a vacancy in the approved trainee establishment at the Sidcup and Swanley Group of hospitals for duty mainly at Kettwell Hospital, Swanley, Kent. Candidates must have had good experience in general medicine and in the diagnosis and treatment of pulmonary tuberculosis in adults. The appointment will be in accordance with the terms and conditions of service of hospital medical and dental staff (England and Wales) and will be for one year in the first instance. Applications, giving particulars of age, qualifications and experience, with relevant dates, together with the names and addresses of two referees, to be sent to the Secretary, Registrars Committee, South-East Metropolitan Regional Hospital Board, 11, Portland Place, London, W.1, not later than February 26. (7509)

SOUTH-WEST METROPOLITAN REGIONAL HOSPITAL BOARD

Portsmouth Group Hospital Management Committee
Applications are invited for the following appointment, vacant now:

REGISTRAR

in the Chest Services of the Group for duties at the Portsmouth Chest Clinic and the tuberculosis wards at the Infectious Diseases Hospital and Saint Mary's Hospital, Portsmouth, including experience with a major Thoracic Surgery Unit. Forms of application may be obtained from the Acting Group Secretary, Portsmouth Group Hospital Management Committee, 35, Grove Road, South, Southsea, which should be returned to him, duly completed, on or before February 21, 1955. Candidates may visit the above Clinic and Hospital by arrangement with the Acting Group Secretary. (7541)

CLEAVER HOSPITAL (220 beds)
Heswall, Cheshire

Applications are invited for the appointment of **JUNIOR HOSPITAL MEDICAL OFFICER**. The post offers good experience in modern treatment of tuberculosis. The hospital deals with acute cases, and minor and major surgery is carried out by members of the Liverpool Chest Surgical Unit. Applicants should have had previous experience in the treatment of tuberculosis, and a knowledge of chest surgical procedure would be an advantage. Applications from ex-patient practitioners will be considered. Salary, terms and conditions of service for hospital medical and dental staff (England and Wales) will apply. Applications, including names of three referees, should be addressed to the Physician Superintendent as soon as possible. (7691)

GROVE PARK HOSPITAL
Lee, London, S.E.12

Lewisham Group Hospital Management Committee
Applications are invited for the post of **SENIOR HOUSE OFFICER** at the above hospital for pulmonary tuberculosis. The appointment will be vacant on March 17 and is tenable for one year. Salary £745 per annum, less £150 for emoluments if resident. Applications, stating age, qualifications and experience, with copy testimonials, or names of referees, should be addressed to the Secretary, Group Offices, Lewisham Hospital, London, S.E.13. (7510)

IPSWICH, FOXHALL HOSPITAL
(102 beds for chest diseases)

SENIOR HOUSE OFFICER

Required for duties in surgical and medical wards. Hospital is fully equipped for all forms of investigation and treatment of pulmonary tuberculosis and other chest diseases, including major thoracic surgery. Experience of management of thoracic surgical cases an advantage, but not essential. A flat or unfurnished bungalow is available. Further information from Dr. G. R. McNab, Physician Superintendent. The post is now vacant. Application, including the names of three referees, to the Secretary, Ipswich Group Hospital Management Committee, at East Suffolk and Ipswich Hospital, Anglesea Road, Ipswich. (7247)

STAINES GROUP HOSPITAL MANAGEMENT COMMITTEE

Ashford Hospital, Ashford, Middlesex

RESIDENT SENIOR HOUSE OFFICER (Male)

Required for Tuberculosis Unit of 56 beds, with some out-patient work. Post vacant March 14, 1955. Applications, stating age, qualifications and experience, with copies of up to three recent testimonials, to Medical Director of hospital. (7666)

(7646)

NOTTINGHAMSHIRE COUNTY COUNCIL
WEST BRIDGFORD URBAN DISTRICT
COUNCIL, BINGHAM RURAL DISTRICT
COUNCIL

Applications are invited from registered medical practitioners for the mixed whole-time appointment of

ASSISTANT COUNTY MEDICAL OFFICER and MEDICAL OFFICER OF HEALTH of the West Bridgford Urban District and Bingham Rural District

Applicants must have had at least three years' professional experience since qualifying; be experienced in the duties of medical officer of health, school medical officer, and the care of mothers and young children and possess a Diploma in Public Health. Salaries are in accordance with Awards 2285, 2231 and 2452 of the Industrial Court for Public Health Medical Officers holding mixed appointments, namely: (a) As Assistant County Medical Officer (16/44ths), £500 per annum by £22 14s. 6d. to £590 18s. (On scale £1,100 by £50 to £1,300 plus loading in accordance with Spens formula.) (b) As M.O.H., West Bridgford Urban District (12/44ths), £422 14s. 6d. by £13 12s. 9d. to £477 5s. 6d. (On scale £1,450 by £50 to £1,650 plus 12/44ths of £100.) (c) As M.O.H., Bingham Rural District (16/44ths), £563 12s. 9d. by £18 3s. 8d. to £636 7s. 5d. per annum. (On scale £1,450 by £50 to £1,650 plus 16/44ths of £100.) Application forms and conditions of appointment are obtainable from my office, and applications should reach me by March 4, 1955. Canvassing disqualifies.—A. R. Davis, Clerk of the County Council, Shire Hall, Nottingham. (7492)

PLYMOUTH, CITY OF**ASSISTANT MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER**

Applications are invited for the above-mentioned post from registered medical practitioners, male or female, who have had at least three years' experience since qualification. The possession of the D.P.H. or D.C.H. is desirable. The post is superannuable and subject to medical examination and the salary scale is £950 by £50 to £1,300 per annum. The appointment is terminable by three months' notice on either side. The work will be primarily in the school health and maternity and child welfare departments but other duties of a general public health nature may be allocated by the Medical Officer of Health. Forms of application are not provided. Applications, stating qualifications and experience, together with the names and addresses of two referees, should be sent to the undersigned in an envelope endorsed "Assistant Medical Officer of Health, not later than March 7, 1955.—T. Peirson, Medical Officer of Health, Seven Trees, Lipson Road, Plymouth. (7570)

STAFFORDSHIRE COUNTY COUNCIL**ASSISTANT COUNTY MEDICAL OFFICER AND SCHOOL MEDICAL OFFICER**

Applications are invited from fully qualified medical practitioners for the above-mentioned appointment, which will necessitate residence in Cannock or district, and those holding the Diploma of Public Health will be given preference. The candidate appointed will undertake clinical work in the school health and child welfare services under the direction of the County Medical Officer of Health and will be required to perform such other duties as may from time to time be prescribed. The salary scale is £950 per annum, rising by annual increments of £50 to a maximum of £1,300 per annum, and previous similar service may be taken into consideration when deciding the commencing rate. The selected candidate will be required to provide a motor car, for which allowances will be paid in accordance with the County Council scale. A lodging allowance of 25s. per week and return railway fare home every two months will be paid for a maximum period of six months where the successful candidate is married and has to continue to maintain a home outside the geographical county while seeking housing accommodation. The appointment will be terminable by three months' notice in writing on either side and subject to the provisions of the appropriate Superannuation Acts and Regulations, in which connexion the selected candidate must pass a medical examination and submit his birth certificate. Forms of application may be obtained from the undersigned and should be returned to the County Medical Officer of Health, County Buildings, Stafford, not later than March 5, 1955, together with copies of not more than three recent testimonials.—T. H. Evans, Clerk of the County Council, County Buildings, Stafford. (7467)

SURREY COUNTY COUNCIL**ASSISTANT MEDICAL OFFICERS (Male)**

Applications are invited from male doctors for these full-time appointments, one in Carshalton and the other in Guildford. Applicants must possess either the D.P.H. or D.C.H. The main duties will be in connection with the school health and maternity and child welfare services. Salary according to experience on the grade £950 by £50 to £1,300 per annum. The appointments are subject to satisfactory medical examination, to the provisions of the Local Government Superannuation Acts, 1937-1953, and to three months' notice on either side. Application forms, from the County Medical Officer, County Hall, Kingston-on-Thames, to be returned by February 26, 1955. (7559)

Public Health—contd.**WARRINGTON, COUNTY BOROUGH OF**
Health Department**ASSISTANT MEDICAL OFFICER and SCHOOL MEDICAL OFFICER (Female)**

Applications are invited from suitably qualified medical women for the above appointment. The salary is £950 per annum, rising by annual increments of £50 to a maximum of £1,300 per annum. Experience in dealing with children is essential, but possession of the D.P.H. or D.C.H. would be an advantage. The duties will be mainly clinical in connexion with M. and C.W. or School Medical Services, as may be required. A car allowance is payable. The post is superannuable and subject to a satisfactory medical examination. Applications, giving full details of age, qualifications and experience, together with the names of two persons to whom reference can be made, should be forwarded to the undersigned forthwith.—Eric H. Moore, Medical Officer of Health and Principal School Medical Officer, Health Department, Sankey Street, Warrington. (7330)

Applications, stating age, qualifications, nationality, accompanied by recent references and photograph, should be forwarded by airmail to the Administrator. (6889)

CITY COUNCIL OF NAIROBI**SUPERINTENDENT**
African Maternity Hospital

The City Council invites applications from persons possessing suitable qualifications for the appointment of a Medical Officer who will be in full charge of the obstetrical side of the African Maternity Hospital. The person appointed will also have to organize and assist in the training of African midwives, and will be expected to take an active interest in their social welfare. The hospital has 72 beds and 40 African trainee midwives. A European Matron and four European Sisters assist in the running of the hospital. The consolidated salary attached to the post is £865 by £35 to £970 by £40 to £1,250 by £50 to £1,350, plus special temporary allowance, which is at present £249 10s. per annum at the commencement of the scale. The appointment is an established post, but will be subject to a probationary period of six months' service. The successful applicant will be entitled to four weeks' paid local leave per annum. She will be allowed to accumulate such local leave up to a maximum of 13 weeks for the purpose of overseas leave, and will be permitted to proceed overseas for such leave at her own expense. Membership of the Staff Superannuation Scheme is compulsory, the officer's rate of contribution being 7½ per cent of consolidated salary. The successful applicant will be required to pass a medical examination before she is appointed. Applications, giving previous experience, age, marital status, and any qualifications which would be of value in carrying out the duties of this post, should be addressed by airmail to the Establishment Officer, P.O. Box 651, Nairobi, so as to reach him not later than March 5, 1955.—John Riseborough, Town Clerk, Town Hall, Nairobi. (7723)

COOK HOSPITAL BOARD
Gisborne, New Zealand

Applications, closing Friday, March 25, 1955, are invited from registered medical practitioners for the appointment of

FULL-TIME or PART-TIME ANAESTHETIST
Full-time appointment salary to be in accordance with the following gradings: Senior Registrar, £1,105 15s. to £1,220 15s. Junior Specialist, £1,352 12s. to £1,652 12s. Amounts quoted are in New Zealand currency. The position is non-resident. Conditions of appointment will be supplied on application to the High Commissioner for New Zealand, 415, Strand, London, W.C.2, but completed applications are to be sent by air mail direct to the Secretary, Cook Hospital Board, Gisborne, New Zealand. (7437)

GOVERNMENT OF BAHAMAS**DISTRICT MEDICAL OFFICER**

Required for service in the Bahamas. Successful candidate will be posted to a specified area, e.g., Bimini, Abaco, Andros and Harbour Islands. Duties are similar to those of a general practitioner in the United Kingdom. Appointment will be on agreement for three years in the first instance. Salary scale is from £1,000 to £1,100 a year, but maximum may be paid to suitably qualified officer. Private practice is permitted. There is at present no income tax. Unfurnished quarters are available. Passages provided for officer, wife and up to two children on appointment and on completion of period of engagement. Assistance up to £40 is given towards cost of transporting heavy baggage. Climate is excellent and healthy for Europeans. Social and recreational amenities are good. Twelve weeks' leave on full salary is granted on completion of engagement. Candidates should hold qualifications registrable in the United Kingdom. Application forms from Director of Recruitment, Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting reference BCD 117/27/03). (7672)

HER MAJESTY'S OVERSEA CIVIL SERVICE
Medical Branch—Barbados**MEDICAL OFFICER OF HEALTH**

Required in Medical Department of Barbados. Duties include school health, public health education, maternal and child welfare clinics, tuberculosis and venereal diseases clinics, control of quarantinable diseases and co-operation with Local Government bodies in their health matters with special relation to sanitation and hygiene. Candidates must possess qualifications registrable in the United Kingdom and a Diploma in Public Health. Experience in public health practice and a qualification in tropical medicine and hygiene are desirable but not essential. Appointment will be on a permanent basis with pension (non-contributory) at the age of 55 or on agreement for three years in the first instance (in which case passage regulations are slightly different). Salary scale is from \$5,280 to \$6,240 (£1,100 to £1,300) per annum. Pension is earned at the rate of 1/600th of the final pensionable emoluments for each completed month of service. In addition a temporary (non-pensionable) cost-of-living allowance of \$156 (£32 10s.) per annum is payable. On appointment, free passages are provided for officer and family up to a total cost of £300. Leave passages are provided for officer and wife after the completion of a minimum tour of 3½ years. Income tax at local rates. Climate is healthy for Europeans. Social and recreational amenities are good. Educational facilities are available. Application forms from Director of Recruitment, Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting ref. BCD 117/28/012). (7581)

Overseas (Vacant)—contd.**HER MAJESTY'S OVERSEA CIVIL SERVICE
Medical Branch—Kenya**

Vacancies exist for

MEDICAL OFFICERS

for general duties in the Medical Department of Kenya. A vacancy also exists for a

MEDICAL OFFICER interested in Parasitology

Successful candidates may be posted to any station in Kenya. During the earlier years of service an officer will be expected to carry out general medical and surgical duties, including a varying amount of public health administration. In most stations, even if remote from the larger towns, it is possible for an officer to maintain interest in any particular branch of medicine or surgery to which he is attracted. As far as possible the interests of an officer are considered when postings are made. The work of every medical officer is based on a hospital which may vary in size and facilities from a small district hospital meeting the needs of a comparatively primitive community to a large and modern provincial hospital. Appointments can be made on a permanent basis with pension (non-contributory) at age of 55, or on short-term contract with gratuity payable on satisfactory completion of service. Salary varies from £1,116 to £1,836 a year. Starting point is determined by experience, and four extra increments are given to successful candidates possessing the M.R.C.P., D.P.H., or other approved higher qualifications. Temporary cost-of-living allowance at the rate of ten per cent of salary is also payable, subject to a maximum of £162 a year, making gross emoluments of £1,228 to £1,998 a year. Permanent Medical Officers are eligible to be considered at any time for promotion to super-scale posts in Kenya and other territories in medical administration, or if they possess higher qualifications and suitable experience, in specialist posts. Quarters are generally available at rental of ten per cent of salary. Free passages in both directions for officer and wife and up to cost of one adult fare for children. Taxation at local rates. Annual local leave permissible and generous home leave granted after each tour of from 40 to 48 months. Educational facilities are available. Candidates must possess medical qualification registrable on the United Kingdom and at least one year's postgraduate hospital experience. Application forms from Director of Recruitment, Colonial Office, Sanctuary Buildings, Great Smith Street, London, S.W.1 (quoting ref. BCD 117/7/02). (7674)

**UNIVERSITY OF CAPE TOWN
Provincial Administration of the Cape of Good Hope Joint Medical Staff**

Applications are invited for the

**CHAIR OF SURGERY
in the University of Cape Town**

The appointment will be made under the terms of the joint staff agreement between the University of Cape Town and the Provincial Administration of the Cape of Good Hope. It is a full-time appointment and the occupant of the Chair is not permitted to undertake remunerative private work. The salary is £2,500 per annum, plus a temporary cost-of-living allowance (at present £320 per annum for a married man and £100 per annum for others). The professor is Head of the Division of Surgery. He will be in charge of surgical beds in Groote Schuur Hospital. Applications (with copies of testimonials), should state age, experience, qualifications and research work completed or in progress, and give the names of two referees whom the University may consult. Two copies of the application and testimonials should reach the Secretary, Association of Universities of the British Commonwealth, 5, Gordon Square, London, W.C.1 (from whom a memorandum giving the general conditions of appointment should be obtained), not later than April 30, 1955. An additional copy should be sent direct by air mail to the Registrar, University of Cape Town, Private Bag, Rondebosch, Cape Town, South Africa, by the same date. The University reserves the right to recommend the appointment of a person other than one of the applicants or to recommend no appointment. (7568)

**UNIVERSITY OF QUEENSLAND
Australia**

Applications are invited for the position of

CHIEF LECTURER IN PHYSIOLOGY

Salary range £A.1,800 to £A.2,050 per annum. Applicants should be graduates in medicine, and should have had postgraduate experience in some branch of Physiology (human, general or comparative), Pharmacology or Biochemistry. Facilities exist for research, particularly in neurophysiology, endocrinology, and water and electrolyte adaptations. Further particulars are obtainable from the Secretary, Association of Universities of the British Commonwealth, 5, Gordon Square, London, W.C.1. Applications close with the undersigned on March 15, 1955.—C. Page Hanify, Registrar. (7688)

**UNIVERSITY COLLEGE HOSPITAL
Ibadan, Nigeria**

The Board of Management invite applications for the undermentioned appointments:

(A) **SENIOR REGISTRAR (Clinical Pathology)**
(B) **REGISTRAR (Clinical Pathology)**
Applicants for post (A) should preferably hold either the M.D. (Pathology) or a higher medical qualification. The Departments of Bacteriology and Morbid Anatomy are professorial units. There are at present Departments of Bacteriology, Chemical Pathology and Morbid Anatomy. Successful candidates will be given an opportunity of working in all three departments in rotation. Salaries: Post (A), £1,308 per annum, plus expatriation pay, where applicable, of £300 per annum. Post (B), £1,020 per annum, plus expatriation pay, where applicable, of £240 per annum. A gratuity at the rate of £37 10s. for each completed period of three months' service is payable on satisfactory completion of contract. Contracts will be for one tour of twelve months in the first instance. Outfit allowance of £60 is payable on first appointment. Liberal leave with free first-class passages for expatriate officer and his wife will be granted on full pay on completion of tour. Officers are eligible for children's allowances. Partly furnished quarters are provided at a rental of 10% of salary, excluding expatriation pay. Applications should be submitted not later than February 21, 1955, on the appropriate form, which can be obtained, with further particulars, on receipt of addressed, foolscap envelope, from the Adviser on Staff Recruitment, University College Hospital Ibadan, 57, Catherine Place, London, S.W.1. (7337)

**REGINA GENERAL HOSPITAL
Regina, Saskatchewan**

Applications are invited for the position of **DIRECTOR (Radiology Department)** in this 800-bed General Hospital. Work mostly diagnostic. Remuneration and conditions of service to be arranged. Minimum starting salary \$10,000. Applications and inquiries to Supt., Regina General Hospital, Regina, Saskatchewan. (7066)

Readers frequently desire to refer to advertisements concerning appliances, preparations, etc., which have appeared in earlier issues of the *Journal*.

The Advertisement Manager can supply particulars at any time.

In dealing with written inquiries, especially from overseas, correspondents are, wherever possible, put in direct contact with the advertisers in whose products they are interested.

Tavistock Square,
London, W.C.1.

UNIVERSITY AND RESEARCH**APPOINTMENTS, etc.****ROYAL FREE HOSPITAL SCHOOL OF
MEDICINE, Hunter Street, London, W.C.1**

Applications are invited from registered medical practitioners (men or women) for the appointment from April 1, 1955, or as soon after as possible, of **LECTURER IN MORBID ANATOMY AND HISTOLOGY AND HONORARY ASSISTANT PATHOLOGIST to the Royal Free Hospital Teaching Group**

Duties include teaching and hospital diagnostic routine. Previous experience in all branches of Pathology essential; some experience in above specialty desirable. Salary within the current University scale, with superannuation benefits and family allowances. Applications (eight copies), stating age, qualifications and experience, with eight copies of three testimonials, to be sent, not later than February 28, 1955, to the Secretary at the above address, from whom further particulars may be obtained. (7703)

**WELSH NATIONAL SCHOOL OF MEDICINE
(University of Wales)**

Applications are invited for the appointment of **FULL-TIME ASSISTANT LECTURER in the Department of Obstetrics and Gynaecology** for a period of one year in the first instance. Salary in the range £650 by £100 to £950 per annum, subject to revision now under consideration. Family allowance and superannuation. If the person appointed also becomes holder of a research scholarship now vacant, the salary will be adjusted accordingly. Further particulars of the appointment may be obtained from the undersigned, by whom applications must be received not later than Saturday, February 26, 1955.—F. Dodsworth, Secretary, 34, Newport Road, Cardiff. (7627)

UNIVERSITY OF GLASGOW**CIBA FELLOWSHIP IN CLINICAL
PHARMACOLOGY**

Applications are invited for a Fellowship to be known as the Ciba Fellowship in Clinical Pharmacology, which has been established in the University by Ciba Laboratories, Ltd. The Fellowship is of the value of between £1,200 and £1,500 per annum, according to the experience of the successful applicant. It is tenable for two years. The purpose of the work to be undertaken by the Fellow is defined as "to develop techniques for the clinical evaluation of drugs where suitable techniques are not already available." The Fellow will work under the direction of the Professor of Materia Medica in the clinical division of the Department at Stobhill General Hospital, Glasgow. Facilities are available in the departmental laboratories at the University for collaboration with experimental pharmacologists. The appointment is whole-time. Applications (three copies), with a statement of experience and the names of three referees, should be sent to the undersigned not later than March 12, 1955.—Robt. T. Hutcheson, Secretary of University Court. (7730)

PERSONAL

RALLY-KLAD PURE WOOL CAR COVERS add warmth, comfort and avoid clothes shine. Available in plain cloths and over 300 authentic clan tartans. Ask your garage for free booklet and samples, or write Kladwell, Ltd., 24, Gallowgate, Glasgow, C.1.

NOTICES

APPLICANTS ARE ADVISED NOT TO SEND original testimonials when replying to advertisements. Copies will answer the purpose quite as well, and in the event of their being lost or mislaid no inconvenience will ensue.

EDUCATIONAL AND LECTURES**CLARE COLLEGE****HARRISON WATSON STUDENTSHIP FOR
MEDICAL RESEARCH**

The Governing Body of Clare College, Cambridge, invite applications for a Harrison Watson Studentship commencing on October 1, 1955. The studentship, which is open to male graduates of any University in any country, is for research or training in research into the causes and cure of tuberculosis, and/or other diseases of an allied character. The Governing Body intend to interpret these terms in the widest possible sense and they invite detailed inquiries. The Studentship may be (i) a Junior Studentship of value between £500 and £650 a year, normally tenable for three years, or (ii) a Senior Studentship of value between £800 and £1,000 a year, tenable for one, two or three years. The student may also hold another award or post, and may engage in a limited amount of teaching, if in the opinion of the Governing Body these do not interfere with his research. The student will be required to become a member of Clare College and the University of Cambridge, and to reside and work in Cambridge. Applications should contain an account of the applicant's career, and a general statement of his proposed course of research. No testimonials need be submitted, but the names and addresses of not fewer than two referees should be sent. Applications and enquiries should be addressed to the Master, Clare College, Cambridge. The closing date for application is April 16. (7335)

**EDINBURGH POSTGRADUATE BOARD FOR
MEDICINE****COURSE IN INDUCED HYPOTENSION IN
ANAESTHESIA**

The three constituents of 'Franol' combine to give effective symptomatic relief in chronic bronchitis which is so often given the diagnostic label of "asthma and bronchitis".

The theophylline and ephedrine help to control the cough by their antispasmodic action and to relax the bronchial musculature. The 'Luminal' brings undisturbed rest at night and relieves the feeling of tenseness and anxiety which often attends these conditions.
