**The richest
source of
natural
vitamin C**

DELROSA ROSE HIP SYRUP is the ideal medium for the administration of Vitamin C. Babies tolerate it more readily than orange juice, and children of all ages enjoy its palatable flavour. Delrosa is made from rose-hips, the richest source of Natural Vitamin C. It contains nearly three times as much Vitamin C as blackcurrant syrup B.P.C. and three times as much as fresh orange juice.

We shall be pleased to send a full size bottle for clinical trial, on request.

**The "light diet" patient
needs protein**

KEEPING AN INVALID ON A LIGHT DIET may be no light matter to a busy housewife. Sick people tire quickly of milk foods—and in many cases there is a physical reaction against them.

Brand's Essence is a boon in sickness. It provides a useful protein supplement to the diet, in an ideal form for invalids: a fat-free, appetizing jelly that even the weakest system can rapidly absorb. Ready to serve in various ways, it is delicious just eaten with a spoon, spread on bread and butter, warmed up as a liquid, or mixed with milk.

Brand's Essence doesn't cloy—sick people often enjoy it when they can't take anything else. And it revives appetite amazingly.

The addition of Brand's Essence to low residue and weight-reducing diets is especially appreciated by the patient.

Brand's Essence

BEEF OR CHICKEN

counting the cost...of living

It is estimated that over 50 per cent of the average practitioner's patients show some degree of anxiety neurosis. Such is the price exacted by the tempo of today. In this type of case MILTOWN meprobamate has far-reaching applications. MILTOWN is superior to other conventional sedatives and is remarkably free from side reactions. It acts safely and selectively to ease emotional and muscular tension without autonomic effects. MILTOWN helps to 'unwind' the patient relieving his worry, agitation and anxiety. It induces true sedation by day and natural sleep without narcosis at night.

IT is generally agreed that cases of soft-tissue rheumatism and of many types of arthritis benefit by hyperaemia of the affected tissues. Transvasin, which contains two quick-acting esters of nicotinic acid, induces such a deep and prolonged hyperaemia at the same time as it produces superficial erythema.

In addition to the esters of nicotinic acid, Transvasin contains the fat- and water-soluble esters of salicylic and p-aminobenzoic acids. Both these well-tried analgesic drugs are readily conveyed through the skin in therapeutic quantities and enable an effective concentration to be built up where they are needed.

Transvasin is now being widely prescribed, with successful clinical results. Since a very small quantity is sufficient for each application, the cost of treatment is extremely low.

Transvasin is available in 1 oz. tubes, basic N.H.S. price 2/6 plus P.T., and is not advertised to the public. Samples and literature will be gladly sent on application.

LLOYD-HAMOL LTD.

11 Waterloo Place, London, S.W.1. Whitehall 8654/5/6.

The graph above is of an experiment to measure the effect of Transvasin on skin temperature on a subject. The red line plots the skin temperature before and at intervals after a single application of one inch of cream (0.924 grams) from a tube of Transvasin. The black line gives similar information with regard to the application of a plain vanishing cream used as a control. Skin temperatures were measured with an electro-thermo couple every five minutes for two hours. Photographs show the affected area before application; three minutes and thirty minutes later.

COMPOSITION OF TRANSVASIN

Salicylic acid tetrahydrofurfuryl-ester	14%
Nicotinic acid ethyl-ester	2%
Nicotinic acid n-hexyl-ester	2%
p-Aminobenzoic acid ethyl-ester	2%
Water-miscible base ad	100%

An assessment of Roter therapy in PEPTIC ULCER

"The treatment is ideal for general practice, where its simplicity appeals to both patient and doctor . . ."

Roter tablets contain a balanced content of recognised buffers with supportive carminative and mildly laxative agents.

FORMULA PER TABLET

Magnesium Carbonate (400 mg.), Bismuth Subnitrate (350 mg.), Sodium Bicarbonate (200 mg.), Rhizoma Calami (25 mg.), and Cortex Rhamni Frangulae (25 mg.).

Results

"The immediate clinical results were assessed after the first month's treatment in four main groups: (A) pronounced relief (symptom free); (B) definite relief (minor symptoms with no pain); (C) doubtful relief (symptoms persisting but improved); (D) no relief.

"Table II shows that 81% of cases became symptom-free—70% of them during the first week and 30% during the second week; a further 9% were relieved of the majority of their symptoms. Thus there was a satisfactory response in 90% of cases.

TABLE II

Group	Active Ulcers	Presumptive Ulcers	Totals
A	63 (79.6%)	17 (89.0%)	80 (81.7%)
B	8 (10.2%)	1 (5.5%)	9 (9.2%)
C	6 (7.6%)	1 (5.5%)	7 (7.1%)
D	2 (2.5%)	0 (—)	2 (2.0%)
TOTALS	79 (100%)	19 (100%)	98 (100%)

"Four of the nine cases in groups C and D have elected to go to surgery, and one of the remaining cases has a hiatus hernia as well as a duodenal ulcer. Experience of treating these 'Failures' over the past six years leads one to believe that no form of medical treatment will be effective and that surgery is the only hope of relieving their symptoms. In 75% of cases the patients were of the opinion that the tablets were superior to alkaline powders, and they found that they were able to take foods which they had avoided for years."

Extracts from the
BRITISH MEDICAL JOURNAL
1955, 2, 827

"SUMMARY: Seventy-nine cases of peptic ulcer and 19 of presumptive peptic ulcer have been treated with Roter tablets. Immediate clinical response was satisfactory in 90% of patients, with a relapse rate of 57% in the first year; a reduction in the average number of relapses was recorded in 15 cases kept on a maintenance dose for one year."

PACKINGS: Tins of 40, 120, 640, and dispensing size 720 (P.T. exempt). Basic N.H.S. price: 1/- for 10 tablets.

Roter Tablets are not advertised to the public, and may be prescribed on E.C.10 forms. Literature and samples on request.

TABLETS

F.A.I.R. LABORATORIES LTD., TWICKENHAM, MIDDLESEX.

BOWEL RE-TRAINING WITH SENOKOT

1. The ingested senna glycosides are absorbed into the blood stream from the upper gastro-intestinal tract. There is no disturbance of gastric or small intestine motility.

2. From the blood stream a proportion of the glycosides are excreted into the large bowel. During their circulation in the blood stream senna glycosides are inert.

3. In the large bowel, enzymatic action of the normal flora converts the glycosides into the active principles which stimulate peristalsis, without mucosal irritation.

4. This stimulant action is a neuro-muscular one mediated through Auerbach's plexus thus "... providing a good imitation of normal defaecation." (*Lancet*, 1952, 1, 655).

Senokot is not a laxative in the usual sense. It is efficient in obstinate constipation and has a re-educative and curative value in the chronic case. In a high proportion of patients normal bowel sensitivity and reflex evacuation are restored and treatment discontinued.

Elastoplast Bandaging Technique

in the treatment of

Leg Ulcers

Firm compression and support is the primary aim in the treatment of leg ulcers with the Elastoplast bandage.

METHOD

Having first applied vertical strips of Elastoplast to all aspects of the leg, covering it from ankle to knee, a bandage* is firmly applied from the webs of the toes to just below the knee, taking the turns from within outwards. Turns should overlap one another by at least half the width of the bandage—even a two-thirds overlap in the lower third of the leg where extra support is most needed.

RESULT Firm elastic support promotes healing of the ulcer by expelling oedema, assisting the pumping and massaging effects of muscular contraction, and by compressing dilated veins. Careful bandaging is essential in order to achieve the best results.

* 3 inches x 3 yards is the normal size for bandaging purposes. Elastoplast elastic adhesive bandages (Porous) B.P.C. are also made in 2, 2½ and 4 inch widths. Prescribable on Form E.C.10.

DON S. MOMAND LTD. Nuffield House, London, W.1**Safety, simplicity and digestibility in****INFANT FEEDING**

Safe—Libby's Evaporated Milk is fresh cow's milk concentrated, sealed in cans and sterilized so that it remains sweet and safe indefinitely. It cannot cause diarrhoea or other digestive symptoms due to bacterial contamination.

Simple—In making the formula, no boiling or straining of the milk is required. It is prepared simply by adding boiled water and granulated sugar.

Easily Digested—Digestibility depends upon low curd tension and small curd particle size.—The sterilization by heat of Libby's Milk is far more effective than is boiling in lowering curd tension.

BUT curd particle size is an even more important index of digestibility than is curd tension, as shown by Doan and co-workers in the United States. Libby's Evaporated Milk, reconstituted with water and curdled with rennin, which approximates conditions occurring in the infant's stomach, remains liquid with suspension of extremely fine curds, similar to human milk, and much finer than curd from boiled or any other kind of cow's milk.

Photomicrographs showing comparison of curds from:

A—Human Milk.

B—Libby's Evaporated Milk mixed with $1\frac{1}{2}$ times its volume of water.

C—Pasteurized Milk. Each specimen was curdled by the addition of rennin. During the precipitation the milks were stirred constantly to simulate conditions in a baby's stomach.

HIS FUTURE

is in your hands

Will this child ever reach his
15th birthday, or will he be a
victim of malaria? His

future is in your hands because malaria *can* be controlled.

Five years' experience has shown 'Daraprim' to be a highly
effective agent in the control of the disease. Moreover, when
administered to an entire community, it is capable of
breaking the malarial cycle since it interrupts the development
of the parasite in the mosquito.

'Daraprim' is highly potent but tasteless and has proved an
excellent suppressant in a weekly adult dosage of only 25 mgm.
It is supplied in the form of 25 mgm. tablets in strip-packs of 6
and 30 for individual use, and in tins of 1,000 for larger users.

In the French Union,
Tunisia and Morocco
pyrimethamine is available
under the trade name
'Malocide'.

Therapeutic blood levels of theophylline are needed to relieve asthma, and these can be achieved easily and reliably using 'Theodrox' tablets, which combine aminophylline with specially prepared aluminium hydroxide gel. The latter delays hydrolysis of aminophylline, and thereby avoids gastric irritation, an advantage which has been demonstrated by widespread clinical usage. As the aminophylline molecule is unchanged, there is no delay in onset of action, and 'Theodrox' is more effective than simple aminophylline therapy.

'Theodrox' is indicated in bronchial or cardiac asthma. It is also indicated as a diuretic in congestive heart failure, and as supplementary therapy in status asthmaticus and angina pectoris.

Each 'Theodrox' tablet contains gr. 3 aminophylline and gr. 4 aluminium hydroxide gel.

'Theodrox' with Phenobarbitone tablets contain in addition gr. † phenobarbitone.

MICTINE*

Effective,
Non-Mercurial
Oral Diuretic

STRUCTURE

"Mictine," brand of aminometradine, is 1-allyl-3-ethyl-6-aminotetrahydropyrimidinedione. It avoids the undesirable side-effects associated with mercurial, xanthine or sulphonamide agents.

ACTION AND EFFECTIVENESS

"Mictine" is believed to act by inhibition of sodium ion absorption in the renal tubule. In therapeutic dosage it has not caused any effect on glomerular filtration rate, renal plasma flow, cardiac output, heart rate or blood pressure, nor any alteration in the blood or blood-forming tissues or in renal or hepatic function. In a group of unselected patients 70 per cent. may be expected to respond to "Mictine".

TOLERANCE

"Mictine" is not toxic at therapeutic dosages. On the other hand, side-effects do occur such as headache and gastro-intestinal symptoms. These are reduced to a minimum if an interrupted dosage scheme is adopted.

ADMINISTRATION

"Mictine" is indicated in the maintenance of an oedema-free state in any patient requiring diuretic therapy and the effecting of initial diuresis in all patients but those with severe congestive failure. For these purposes the dosage is one to four tablets daily in divided doses *during meals on alternate*

THE NEPHRON UNIT

days or on three successive days followed by four days without therapy. "Mictine" is not intended to produce initial diuresis in more severe congestive failure; however, "Mictine" may be given when other diuretics are contra-indicated, or if tolerance to them has developed.

Available in bottles of 25, 100 and 500 tablets each containing 200 mg. aminometradine.

Full literature is available to the medical profession on request. G. D. Searle & Co. Ltd., High Wycombe, Bucks. Tel. High Wycombe 1770.

'Eminently suitable for medicinal purposes'

'In view of these analytical and general evidences, this brandy may be described as particularly suitable for medicinal purposes'

See Lancet, July 22, 1899, p. 219

'The evidence both of analysis and taste indicates that the high standard of purity and quality has been maintained and that the brandy is eminently suitable for medicinal purposes'

See Lancet, May 7, 1932, p. 992

make friends with MARTELL

for today's problem pathogens

The ability of CHLOROMYCETIN^{*} to achieve prompt control of infection has proved of value in a wide range of conditions. The following characteristics make Chloromycetin effective in the treatment of infections due to organisms resistant to other antibiotics:

- *It is effective against a wide range of pathogenic organisms.*
- *Oral dosage promptly produces therapeutic blood levels adequate to deal with infection due to these organisms.*
- *Appearance of new resistant strains is extremely rare.*
- *No significant or regular degree of cross-resistance with other antibiotics occurs.*

It doesn't matter what I've had
the patient said to me,
Your prescription for a Guinness is the
thing I like to see,
After rheumatism, chilblains, meningitis,
or the 'flu.
It looks the same it tastes the same,
it's just as Good for You.
So won't you keep your own good health,
and have a Guinness too?

M.B., Ch.B.

* Doctors, too, enjoy writing verses about Guinness. The above contained in a letter addressed to Guinness by one of them is published by kind permission.

Manufacturers of Land Rovers
The Rover Co. Ltd.

**So many reasons
why**

...this is a ROVER year

THE ROVER 105/R

"In heavy traffic, the R type Rover is perhaps the most restful car that it is possible to own... like-wise, the way in which the car surges along the open road will be a source of great pleasure to those who have never hitherto experienced this type of work-free motoring". (*The Motor*. 13.2.57.)
Rover's own fully automatic transmission both eliminates normal gear-changing and incorporates an overdrive that comes in automatically at cruising speeds to give silent and effortless travel with exceptional economy.

Prices: £1,649.17.0. including Purchase Tax;

Special de luxe version: £1,696.7.0. incl. Purchase Tax.

THE ROVER 105/S

"There was a fine feeling of luxurious isolation in the way this Rover 105/S covered the ground... cruising speed is virtually what one cares to make it. The amount of equipment making for comfort or ease of control is lavish... everything to make the occupants feel that they are rather special people. Rover comfort and quality are now allied without compromise to decidedly high performance". (*The Autocar*. 22.2.57.)

Powered by a 108 b.h.p. twin carburettor engine, the 105/S has automatic overdrive and a special de luxe trim fitted as standard.

Price: £1,595.17.0. including Purchase Tax.

Both the 105/R and the 105/S are surprisingly economical in petrol consumption. Like the well-established 2-litre 60, the 75 and the 90—all available with automatic overdrive—they offer the true Rover economy of low maintenance costs and high re-sale value.

THE VALUE OF ICE CREAM FOR INVALID DIETS

Wall's Ice Cream is a well-balanced food, with valuable fat, carbohydrate and protein content. It is easily assimilated and of high calorific value. Very often patients with poor appetites readily accept and enjoy ice cream, and for this reason also, hospitals include ice cream in their invalid diet.

There is no more enjoyable way of taking nourishment than by eating good ice cream.

CLINICAL PATHOLOGY IN GENERAL PRACTICE

321 pages. Price 21s. (by post—inland 22s. 3d., overseas 21s. 9d.)

This handbook on clinical pathology meets the needs of the general practitioner, the houseman, and the senior student. It contains thirty-nine articles comprising a series specially written for the *British Medical Journal*. Each article has been revised and brought up to date by its author. The book gives authoritative information on—

- available laboratory facilities
- reliable tests and which to use
- techniques for collecting and preserving specimens
- interpretation of results and significance of abnormal findings.

Obtainable from booksellers or by post from Publishing
Manager

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

A fully registered medical practitioner who is liable for National Service must obtain deferment of recruitment in writing from the Central Medical Recruitment Committee or (in Scotland) the Scottish Central Medical Recruitment Committee before accepting any civilian appointment.

The position of provisionally registered medical practitioners who are liable for National Service has been made clear in a notice sent to them by the Ministry of Labour and National Service.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR**: Posts obtained normally not less than two years after registration as a medical practitioner and held normally for two years: £850 per annum in the first year; £965 per annum in the second and any subsequent years. If the post is resident a deduction of £170 per annum is made.

(b) **SENIOR REGISTRAR**: Posts obtained normally not less than four years after registration as a medical practitioner and held normally for four years: £1,100 per annum in the first year; £1,200 per annum in the second year; £1,300 per annum in the third year; £1,400 per annum in any subsequent years. If the post is resident a deduction of £200 per annum is made.

Other Grades, Whole-time

(a) HOUSE OFFICERS:

(i) **Provisionally registered medical practitioners**: £425 per annum for the first post held; £475 per annum for the second and all subsequent posts held;

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £475 per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff.

(ii) **Fully registered medical practitioners**: £525 per annum for any post held; provided that in exceptional circumstances, subject to the consent of the Minister, this rate may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

In each case under sub-sections (i) and (ii) above, a deduction of £125 per annum in respect of board and lodging and other services provided shall be made and each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER**: Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical practitioner and normally held for one year only: £745 per annum. If the post is resident a deduction of £150 per annum is made.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER**: Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £775 (for an officer appointed not less than one year after full registration as a medical practitioner) by £50 to £1,075 per annum. If the post is resident a deduction of £170 per annum is made.

PUBLIC HEALTH**CITY OF STOKE-ON-TRENT****SENIOR MEDICAL OFFICER
(Maternal and Child Welfare)**

Applications are invited for the above appointment from registered medical practitioners (women) holding a Diploma in Public Health and having had extensive experience in maternal and child welfare and general public health work. The salary will be on the Whitley Council scale, £1,520 by £50 by £55 (7) to £1,955. The person appointed will be responsible, under the direction of the Medical Officer of Health, for carrying out the administrative duties of the Maternal and Child Welfare Section of the Public Health Department and any such duties as the Medical Officer of Health may from time to time determine. The appointment will be subject to the provisions of the National Health Service (Superannuation) Regulations, 1947, and the successful candidate will be required to pass a medical examination. Applications (no forms), in envelopes endorsed "Senior Medical Officer (Maternal and Child Welfare)," together with copies of three recent testimonials, or names of three referees, to be delivered to the Medical Officer of Health, Public Health Department, St. Peter's Chambers, Gleebe Street, Stoke-on-Trent, immediately.—Harry Taylor, Town Clerk. (9812)

CITY OF STOKE-ON-TRENT**APPOINTMENT OF ASSISTANT MEDICAL
OFFICER OF HEALTH**

Applications are invited from qualified medical practitioners (women) for the post of Assistant Medical Officer on the Maternity and Child Welfare Services. Candidates should have experience in diseases of children and obstetrics. Opportunity will be given for hospital contact with paediatrics and obstetrics. The possession of a D.P.H. or D.C.H. will be considered an additional qualification. The salary will be in accordance with the Whitley Council Scale, commencing according to experience. The appointment will be subject to the provision of the National Health Services (Superannuation) Regulations, 1947, and the successful candidate will be required to pass a medical examination. Forms of application may be obtained from the Medical Officer of Health, Public Health Department, Gleebe Street, Stoke-on-Trent, and should be returned, accompanied by copies of not more than three recent testimonials, as soon as possible.—Harry Taylor, Town Clerk. (4495)

COUNTY BOROUGH OF ROCHDALE

Applications are invited from qualified medical practitioners, male or female, for the whole-time appointment of

ASSISTANT SCHOOL MEDICAL OFFICER

While the duties of the post will be mainly within the School Medical Service, they will include certain duties with regard to Child Welfare. Preference will be given to holders of the D.P.H. or similar qualification, and to those with experience of ascertainment of educationally sub-normal children. Salary £1,050, rising by increments of £50 to £1,200 per annum, then by increments of £55 to £1,475 per annum, commencing according to experience and qualifications. The successful candidate must pass a medical examination. Candidates must state whether they are related to any member or senior official of the Council. Canvassing will disqualify. Apply, stating age, qualifications, experience, and giving names and addresses of two referees, to the Medical Officer of Health, Public Health Department, Baillie Street, Rochdale, by Friday, March 29, 1957.—K. B. Moore, Town Clerk, Town Hall, Rochdale. (4659)

COUNTY BOROUGH OF CROYDON**ASSISTANT MEDICAL OFFICER OF HEALTH
AND SCHOOL MEDICAL OFFICER**

Applications are invited for this established appointment from registered medical practitioners having at least three years' experience after qualification, for duties mainly in the School Health and Maternity and Child Welfare Services. Possession of the D.P.H. or D.C.H. will be an advantage. Salary within the scale £1,050 by £50 to £1,200 by £55 to £1,475 per annum. Application forms (from the Medical Officer of Health, 45, Wellesley Road, Croydon) must be returned to him not later than March 23, 1957.—E. Taberner, Town Clerk. (4230)

**COUNTY BOROUGH OF MIDDLESBROUGH
Health Department****ASSISTANT MEDICAL OFFICER OF HEALTH
AND SCHOOL MEDICAL OFFICER**

Applications are invited for this post from registered medical practitioners holding the D.P.H. or equivalent. Previous experience in public health or in general practice a recommendation. Work is under the direction of the Medical Officer of Health and will be mostly administrative and partly inspectorial including port health. Salary £1,050 to £1,475 per annum, or within this scale on transfer from another local authority. Applications, with names of three referees, to the Medical Officer of Health, 26, Southfield Road, Middlesbrough, by April 9, 1957.—E. C. Parr, Town Clerk. (4662)

**COUNTY COUNCIL OF THE COUNTY OF
WEST LOTHIAN****APPOINTMENT OF DEPUTY COUNTY
MEDICAL OFFICER OF HEALTH**

Applications are invited for the appointment of Deputy County Medical Officer of Health and Deputy School Medical Officer for the County of West Lothian. The salary scale will be £1,430 per annum, rising to £1,700 per annum, with placing at £1,540 per annum. Applicants should be registered medical practitioners with a diploma in Public Health and previous local authority administrative and practical experience. Applications, stating age, qualifications and experience, with the names of three referees, should be lodged with the undersigned not later than Monday, March 25, 1957.—John Calder, County Clerk, County Buildings, Linlithgow. (4540)

DERBYSHIRE COUNTY COUNCIL**SENIOR ASSISTANT MEDICAL OFFICER**

Applications are invited from male medical practitioners for the whole-time appointment of Senior Assistant Medical Officer. Possession of the D.P.H. (or its approved equivalent) is essential and experience in school health and mental deficiency work is advantageous. The work will be largely administrative in connection with the Public Health and School Health Services, but other duties may be assigned to the officer appointed, who will work under the direction of the County Medical Officer. Office accommodation will be provided in the Central Office. The salary is £1,210 by £55 (5) by £50 (4) to £1,685 per annum, together with a travelling allowance. Applications should be submitted to the undersigned by March 30, 1957. Application forms are not provided, but the conditions of service will be supplied on request.—J. B. S. Morgan, County Medical Officer of Health, County Offices, St. Mary's Gate, Derby. (4633)

EAST SUSSEX COUNTY COUNCIL**ASSISTANT COUNTY MEDICAL OFFICER
AND SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners for the above appointment. Salary within the range £1,050 by £50 to £1,200 by £55 to £1,475. Possession of the D.P.H. and/or experience in the ascertainment of educationally sub-normal children will be considered an advantage. Forms of application and further particulars may be obtained from the County Medical Officer of Health, County Hall, Lewes, and should be returned to him not later than two weeks after the appearance of this advertisement. (4455)

**LINDSEY COUNTY COUNCIL
Health Department**

Applications invited from fully qualified medical officers for post of

ASSISTANT SCHOOL MEDICAL OFFICER

for Scunthorpe area of Lindsey. Salary in accordance with award of Industrial court regarding salaries of Assistant Medical Officers, i.e., £1,050 per annum, rising by annual increments of £50 to £1,200, then by increments of £55 to maximum of £1,475 per annum. Further particulars and forms of application obtainable from undersigned.—C. D. Cormac, County Medical Officer, P.O. Box 26, County Offices, Lincoln. (4522)

**MID-WARWICKSHIRE JOINT SANITARY
COMMITTEE AND WARWICKSHIRE COUNTY
COUNCIL****DEPUTY MEDICAL OFFICER OF HEALTH
AND ASSISTANT COUNTY MEDICAL
OFFICER OF HEALTH**

Applications are invited from duly qualified medical practitioners for the post of Deputy Medical Officer of Health to the Mid-Warwickshire Joint Sanitary Committee and Assistant County Medical Officer of Health to the Warwickshire County Council, which posts together constitute a whole-time appointment, the time being allocated equally between the Mid-Warwickshire Joint Sanitary Committee and the County Council. The officer appointed must hold the Diploma in Public Health. The inclusive salary will be at the rate of £1,412 18s. 4d. per annum, rising to a maximum of £1,813 10s. 10d. per annum by the following annual increments: three of £58 15s., one of £61 17s. 6d., one of £59 7s. 6d., and three of £34 7s. 6d., for convenience the increments of the two appointments have been added together. In addition, travelling and subsistence allowances will be payable in accordance with the scales adopted by the County Council. The appointment will be made by the Mid-Warwickshire Joint Sanitary Committee, and the successful applicant will subsequently be appointed by the Warwickshire County Council as an Assistant County Medical Officer of Health for the administrative County of Warwick with duties in connection with the health and school medical services of the County Council. The Joint Sanitary Committee is comprised of the following local authorities—the Boroughs of Royal Leamington Spa and Warwick, the Urban District of Kenilworth, the Rural Districts of Southam and Warwick. The appointment of Deputy Medical Officer of Health to the Joint Sanitary Committee is subject to the Sanitary Officers (Outside London) Regulations, 1935 and 1951. Temporary accommodation in a council house in Leamington Spa is available to the successful applicant for a reasonable period to give him the opportunity of securing alternative accommodation. Conditions of appointment may be obtained from the undersigned, by whom applications must be received not later than March 30, 1957.—T. W. H. Watkiss, Clerk of the Mid-Warwickshire Joint Sanitary Committee, 23, Waterloo Place, Leamington Spa. (4236)

NUFFIELD FOUNDATION DOMINION TRAVELLING FELLOWSHIPS
New Zealand

The Nuffield Foundation offers a **TRAVELLING FELLOWSHIP IN MEDICINE** to nationals of New Zealand preferably between the ages of 25 and 35 years. The purpose is to enable medically qualified persons to obtain in the United Kingdom such postgraduate training and experience as may be necessary to prepare them to undertake medical teaching and research work in New Zealand. Applicants should possess high intellectual and personal qualities. A Fellow will be required to carry out an approved institution a programme of work and training approved by the Nuffield Foundation. A Fellow will not be permitted to prepare for or to take examinations for higher degrees or diplomas awarded by bodies in the United Kingdom. The Fellowships are normally tenable for one year and provide for maintenance and return travelling expenses of a Fellow and, if he is married, for the travelling expenses only of his wife. The total value of an award, including travelling expenses, varies with the needs and family responsibility of the holder, but will in no case be less than £900. Applications for Fellowships to begin in 1957 should be submitted not later than April 30, 1957, to the undersigned. Copies of the conditions and forms of application are also available at the Nuffield Foundation, Nuffield Lodge, Regent's Park, London, N.W.1.—R. E. Corbett, Department of Chemistry, University of Otago, Dunedin, New Zealand. (4541)

SMITH, KLINE AND FRENCH FELLOWSHIP IN THE UNIVERSITY OF ST. ANDREWS AND THE UNIVERSITY OF PENNSYLVANIA

Applications are invited from those who have an Honours Degree in Chemistry for a training post in biological methods within the Departments of Physiology and of Pharmacology and Therapeutics of the University of St. Andrews, Queen's College, Dundee, and the scientific departments of the University of Pennsylvania. Salary £800 by £50, maximum £900, per annum. The tenure of this Fellowship will be three years. The first two years of the Fellowship will be spent in the University of St. Andrews and it is probable that the successful candidate will be sent for a further period of training to the scientific laboratories of the University of Pennsylvania during his third year of the Fellowship. Applications, together with the names of three referees, should be submitted to the Professor of Pharmacology and Therapeutics, Queen's College, Dundee, by April 30, 1957. (4658)

THE HOSPITAL FOR SICK CHILDREN
Great Ormond Street, W.C.1

Applications are invited for the post of full-time **SURGICAL RESEARCH ASSISTANT** to the Cardiac Research Unit. The appointment will be for one year in the first instance. Duties will consist of experimental work on the surgery of congenital heart disease. Previous experience in experimental research desirable. Salary £1,100 to £1,400, according to experience. Forms of application, which must be returned not later than March 31, 1957, are obtainable from the undersigned.—H. F. Rutherford, House Governor and Secretary. (4668)

UNIVERSITY OF BIRMINGHAM
Faculty of Medicine
Department of Obstetrics and Gynaecology

Applications are invited from suitably qualified female medical practitioners for the temporary post of

PART-TIME CLINICAL ASSISTANT for research in the early diagnosis of cancer in women. Salary at the rate of £400 a year. Applications should be submitted immediately to the Assistant Registrar, the Medical School, Birmingham, 15, from whom further particulars may be obtained. (4562)

THE UNIVERSITY OF MANCHESTER

Applications are invited from candidates with medical qualifications registrable in this country for the post of **ASSISTANT LECTURER OR DEMONSTRATOR IN PATHOLOGY**

Previous experience in Pathology is not essential. Duties will consist of teaching and of participation in the morbid anatomy service of Manchester Royal Infirmary. Opportunities will be available for research. Salary scale per annum attached to the posts: £700 by £100 to £1,100. Initial salary and status according to qualifications and experience. Membership of Children's Allowance Scheme and, in the case of an Assistant Lecturer, of F.S.S.U. Applications should be sent, not later than April 1, 1957, to the Registrar, the University, Manchester, 13, from whom further particulars and forms of application may be obtained. (4580)

THE WELSH NATIONAL SCHOOL OF MEDICINE (University of Wales)**ASSISTANT PATHOLOGIST**

Pathologist required to engage mainly in forensic medicine under supervision. The appointment is full-time and the salary will be within the scale £700 by £100 to £1,500 per annum, depending on qualifications and experience, with participation in the superannuation and family allowance schemes. There are facilities for research. Further particulars may be obtained from the undersigned, by whom applications should be received within three weeks of the appearance of this advertisement.—F. Dodsworth, Secretary, 34, Newport Road, Cardiff. (4611)

UNIVERSITY OF CAMBRIDGE

Applications are invited for the post of **ASSISTANT DIRECTOR OF RESEARCH** in the Department of Experimental Medicine, vacant from October 1, 1957. The person appointed will be expected to engage in research in the field of experimental medicine, to take part in the supervision of persons working for higher degrees, and to undertake a limited amount of teaching. Salary scale £1,050 by £100 to £1,550, with superannuation benefit and family allowance where applicable. Further particulars and information may be obtained from Dr. G. A. Gresham, Secretary of the Appointments Committee of the Faculty of Medicine, the Medical School, Tennis Court Road, Cambridge, to whom applications should be sent to reach him not later than May 4, 1957. (4669)

UNIVERSITY OF EDINBURGH
Department of Bacteriology

Applications are invited for the post of **LECTURER** in the Department of Bacteriology. Salary scale £700 by £100 to £1,100: Bar: £1,200 by £100 to £1,600 per annum, with placement according to qualifications and experience, and with superannuation benefit and family allowance where applicable. Further particulars may be obtained from the undersigned, with whom applications, giving the names of two referees, should be lodged not later than April 10, 1957.—Charles H. Stewart, Secretary to the University. (4577)

**TRAINING IN PSYCHIATRY AT MCGILL
UNIVERSITY**

The Department of Psychiatry, McGill University, Montreal, has a limited number of openings for training and applications are now being considered for July 1. Applicants must have graduated from an approved medical school and have had a general internship of one year. The four-year Diploma Course provides general basic preparation during the first two years. The last two years provide special patterns of instruction for those: (a) planning to enter the field of general hospital, community or university psychiatry; (b) preparing themselves for a career in child psychiatry; (c) intending to enter the field of research psychiatry. Credit may be allowed for previous training. Shorter periods of instruction may be arranged, as well as instruction in special fields. Full training in psychoanalysis also may be undertaken within the Department of Psychiatry by suitably prepared candidates. Separate application for this training is required. All those accepted for training are assigned to one of the seven teaching centres in Montreal. These positions carry with them board and lodging, or, in lieu of lodging, a living-out allowance together with an honorarium ranging from \$40 to \$100 a month, depending upon the clinical position to which the applicant is assigned. For those in the advanced years of the course, clinical positions carrying higher salaries are available. In several centres, additional emoluments of \$1,800 a year are available, mainly in the form of bursaries, these being issued under certain conditions in regard to which information will be given on request. Applicants should write to the Chairman of the Department of Psychiatry, McGill University, Montreal, Canada. (4670)

UNIVERSITY OF ST. ANDREWS

**REFRESHER COURSE FOR GENERAL
PRACTITIONERS**

A two weeks' course will be held in Queen's College, Dundee, and associated hospitals from June 17 to June 28, 1957. Teaching will be by lecture-demonstrations and clinical rounds, with emphasis on recent advances in diagnosis and treatment. Accommodation available in students' residences at moderate cost. Course fee £10 10s. Financial assistance, subject to certain conditions, from Department of Health for Scotland. Last date for enrolment, April 30, 1957. Further particulars and application forms from Postgraduate Convener, Department of Pharmacology and Therapeutics, Queen's College, Dundee. (9643)

SITUATIONS VACANT

**Rochdale and District Hospital Management
Committee**

The whole-time post of
Biochemist

to the Rochdale Group of Hospitals is now vacant and applications will be considered at Senior or Basic Grade level according to qualifications and experience. The successful applicant will be required to work under the Consultant Pathologist, and to carry out biochemical work for the hospitals and clinics of the Group. A new Pathological Department containing a Biochemical Laboratory is in the course of construction and should be completed this year. Further details may be obtained from the Group Pathologist, Birch Hill Hospital, Rochdale. Commencing salary dependent on qualifications and experience, rising to a maximum of £1,230 per annum (senior grade). Applications should be made as soon as possible on forms obtainable from Group Secretary, Central Offices, Birch Hill Hospital, Rochdale, Lancs. (4551)

Registered Mental Hospital

President:

The Right Hon. The Earl of Derby, M.C.

Medical Superintendent:

W. V. Wadsworth, B.Sc., M.B., M.R.C.P., D.P.M.

This hospital receives all types of patients who are suffering from psychological and senile illnesses. It has recently been extensively redecorated and central heating has been installed throughout, making it one of the most luxuriously appointed hospitals in the country. Private rooms, with special nurses, can be provided.

All patients receive very careful and thorough clinical and pathological investigation, the most modern psychiatric treatment is available, including deep insulin therapy. Psychotherapeutic treatment is employed in suitable cases.

OCCUPATIONAL THERAPY is a special feature of the hospital and there are excellent facilities for indoor and outdoor recreation—tennis, cricket, croquet, badminton, billiards, cinema, television, etc.

GERIATRIC UNITS for mild cases of senility are provided where patients can pursue as normal a life as possible.

The hospital is situated in 300 acres of pleasant Cheshire parkland, and yet is only 9 miles from Manchester.

GLAN-Y-DON is the hospital's convalescent home overlooking the sea at Colwyn Bay. It is extremely comfortable and well appointed and has its own farm and market garden.

For terms and further particulars, apply to the Medical Superintendent. Telephone: GATLEY 2231.

SPRINGFIELD HOUSE, near BEDFORD

Phone: Bedford 3417

For Mental Cases (including the aged). Fees from nine guineas per week. For forms of admission, etc., apply to the Resident Physician, Cedric W. Bower. Interviews in London by appointment.

ST. ANDREW'S HOSPITAL, NORTHAMPTON
for Nervous and Mental Disorders

President: The Earl Spencer. Medical Supt., Thomas Tennent, M.D., F.R.C.P., D.P.H., D.P.M.

This Registered Hospital is situated in 130 acres of park and pleasure grounds. Voluntary patients who are suffering from incipient mental disorders or who wish to prevent recurrent attacks of mental trouble, temporary patients and certified patients of both sexes are received for treatment. Careful clinical, biochemical, bacteriological and pathological examinations. Private rooms with special nurses, male or female, in Hospital or in one of the numerous villas in grounds of the various branches can be provided.

MOULTON PARK.—Two miles from the main Hospital there are several branch establishments and villas situated in a park and farm of 650 acres. Milk, meat, fruit and vegetables are supplied to the Hospital from the farm, gardens, and orchards of Moulton Park. Occupational therapy is a feature of this branch and patients are given every facility for occupying themselves in farming, gardening and fruit-growing.

WANTAGE HOUSE.—This is a reception Hospital in detached grounds with a separate entrance to which patients can be admitted. It is equipped with all the apparatus for the complete investigation and treatment of Mental and Nervous Disorders by the most modern methods: Insulin treatment is available for suitable cases. It contains special departments for hydrotherapy by various methods, including Turkish and Russian baths, the prolonged immersion bath, Plombière's treatment, etc. There is an Operating Theatre, a Dental Surgery, an X-ray Room, an Ultra-Violet Apparatus, and a department for Diathermy and High-frequency treatment. It also contains Laboratories for biochemical, bacteriological and pathological research. Psychotherapeutic treatment is employed when indicated.

BRYN-Y-NEUADD HALL.—The seaside house of St. Andrew's Hospital is beautifully situated in a Park of 330 acres at Llanfairfechan amidst the finest scenery in North Wales. On the North-West side of the Estate, a mile of sea-coast forms the boundary. Patients may visit this branch for a short seaside change or for longer periods. The hospital has its own private bathing house on the seashore. There is trout-fishing in the park.

At all the branches of the Hospital there are cricket grounds, football and hockey grounds, lawn tennis courts (grass and hard courts), croquet grounds, golf courses and bowling greens. Ladies and gentlemen have their own gardens, and facilities are provided for handicrafts such as carpentry, etc.

For terms and further particulars apply to the Medical Superintendent (Telephone No.: Northampton 5354 (3 lines)), who can be seen in London by appointment.

NORTHUMBERLAND HOUSE

Psychiatric Nursing Home, 235-7, Ballard's Lane, N.3. Tel.: FINchley 5283. Resident Med. Director, Dr. R. M. Riggall, Mem. Brit. Psycho-Analytical Society. Deep insulin coma unit, psychotherapy, etc. Fees from 12 gns.

WYKE HOUSE, ISLEWORTH, MIDDLESEX

A Private Hospital for individual treatment of all forms of Nervous and Mental Illness including Alcoholism. Voluntary and certified patients of both sexes are admitted and particular attention is given to the needs of the aged. Apply Resident Medical Superintendent. Tel.: EALing 7000.

A new approach to the 'cough problem'

PECTAMOL

LINCTUS

Each teaspoonful (3.55 ml.) contains 10 mg. of the citrate of the diethylaminoethoxyethyl ester of α -diethylphenylacetic acid (oxeladin)

- Pectamol acts by reducing the sensitivity of the vagal cough centre in the medulla.
- Reflex coughing is therefore decreased.
- Dry, unproductive cough ceases to annoy.
- Contains no opiates or their derivatives and has no hypnotic side effects.
- Does not produce nausea or constipation.
- Pleasant to take and well tolerated.

DOSAGE:

Adult—1 or 2 teaspoonfuls 4 times daily.
Child, 2 to 12 years—1 teaspoonful 4 times daily.
Under 2 years— $\frac{1}{2}$ teaspoonful 4 times daily.

Basic N.H.S. price:
Bottle of 60 ml. 2/6 (plus purchase tax).
Descriptive literature and specimen packings will be supplied on request.
