

Rybar Benzocaine Calamine Cream

R.B.C.

Safe, Soothing, Sedative

R.B.C. is of great value in the treatment of dermatous conditions, pruritus, tinea and other infections due to bacteria or fungi. The soothing effect produced on the application of R.B.C. in cases of intractable itching materially assists healing by promoting sleep and preventing rubbing and scratching.

● Formula:—			
● Phenylmercuric Nitrate	0.10%
● Iso-butyl para-aminobenzoate	1.00%
● N-butyl para-aminobenzoate	1.00%
● Benzocaine	8.00%
● Cholesterol	0.10%
● Calamine	10.00%
● Hydrophilic Base to	100.00%

The "light diet" patient needs protein

KEEPING AN INVALID ON A LIGHT DIET may be no light matter to a busy housewife. Sick people tire quickly of milk foods—and in many cases there is a physical reaction against them.

Brand's Essence is a boon in sickness. It provides a useful protein supplement to the diet, in an ideal form for invalids: a fat-free, appetizing jelly that even the weakest system can rapidly absorb. Ready to serve in various ways, it is delicious just eaten with a spoon, spread on bread and butter, warmed up as a liquid, or mixed with milk.

Brand's Essence doesn't cloy—sick people often enjoy it when they can't take anything else. And it revives appetite amazingly.

The addition of Brand's Essence to low residue and weight-reducing diets is especially appreciated by the patient.

COMPOCILLIN-V (Hydrabamine penicillin V) oral suspension containing 180 mg. (300,000 units) per 5 cc. teaspoonful is packed in 80 cc. bottles.

COMPOCILLIN-V (Potassium penicillin V) 250 mg. (400,000 units) **Filmtabs** are packed in bottles of 25.

ABBOTT LABORATORIES LIMITED · LONDON

EAR WAX *Removed this easy way*

The removal of wax from the external auditory meatus has, in the past, normally entailed attendance by the patient for diagnosis and for the prescription of a suitable loosening agent, and a second attendance a few days later for syringing. Now, by the use of Cerumol Ear Drops, wax can be removed in most cases at one visit. A few drops of Cerumol can be instilled into the ear and, while another patient is being attended to, the soft cerumen dissolves and the harder wax disimpacts. The wax can then be removed by gentle syringing or with cotton wool. The wax may even be found to run out of the ear on its own accord, in which case patients themselves may instil Cerumol at home, obviating further attendances. Cerumol is anti-bacterial, non-irritating and harmless to the lining of the external auditory meatus or the tympanic membrane. Cerumol is included in Category No. 4 of the M.O.H. classified list of Proprietary Preparations and may be prescribed on N.H.S. Form E.C.10.

FORMULA (Active Constituents per 100 c.c.):—*p*-dichlorobenzene B.P.C., 2 gm.; Benzocaine B.P., 3 gm.; Chlorbutol B.P., 5 gm.; Ol. Terebinth B.P., 15 c.c.

PACKS:—For Surgery Use: 10 c.c. vial—separate dropper included. (Basic N.H.S. price 2/8.) For Hospital Use: 2 oz. and 10 oz. bottles.

THERAPAS

(Calcium B-P.A.S.)

and

THERAZID

('Therapas' and isoniazid)

If P.A.S. is indicated, THERAPAS may be used as the drug of choice because it has these significant properties.

- ★ No unpleasant taste
- ★ Overcomes the problems of nausea and vomiting
- ★ Minimises gastro-intestinal disturbances
- ★ Breaks down in the body to yield P.A.S.
- ★ Yields more prolonged blood levels of P.A.S. than an equivalent dosage of P.A.S.

- ★ Produces high urinary concentrations of P.A.S. and is the drug of choice in the management of genito-urinary tuberculosis.

THERAZID is a convenient and easy to take combination of 'Therapas' and 'Pycazide' (Smith & Nephew's name for isoniazid B.P.) For *domiciliary treatment* THERAZID is particularly valuable. Patients complaining of gastro-intestinal upset and monotony of dosage of P.A.S. and isoniazid therapy will be happier and more co-operative on THERAZID.

*"Summer is ycumen in
Loude sing Cuckoo!"*

(13th cent. song)

Like the medieval poet most of us welcome the approach of summer, but for many, the Cuckoo heralds a Hay Fever season and acute distress. Pabracort insufflations have proved their value in the control of Hay Fever both by clinical trial and in general practice. Dramatic relief is usually obtained within two or three days and complete alleviation after two weeks treatment. Each insufflation capsule contains 15 mg. hydrocortisone acetate in a specially prepared snuff base (micronized).

PAINES AND BYRNE LTD., PABYRN LABORATORIES, GREENFORD, MIDDLESEX

Relief of Rheumatic Pain in General Practice

1. Formulation of succinate overcomes toxicity of massive dosage of aspirin

Pain caused by all forms of rheumatism can now be relieved promptly by massive aspirin dosage *without fear of toxicity*. The Berex formulation of aspirin (3.7 gr.) and calcium succinate (2.8 gr.) has overcome this old problem so effectively that your patients can safely administer the drug themselves. Repeated visits to the surgery for supervision of administration are unnecessary.

2. Side-effects fewer and milder

Even after prolonged dosage, Berex produces no toxic effects. The prothrombin level is maintained and there is no hæmorrhagic tendency.* Prolonged periods of relief can be enjoyed in safety. The patient is simply instructed to reduce the initial high dosage as soon as the pain diminishes. Side effects, if present at all, are fewer and milder.

3. Encourages tissue respiration

Experimentally, by Warburg test, it has been shown that the inhibitory action of salicylate on tissue respiration is completely offset when it is combined with succinate. Succinate encourages cellular respiration and stimulates the respiratory enzyme systems. It is to this stimulating action that the beneficial effect of succinate is attributed.

* "No abnormal prolongation of prothrombin time even after 68 days of succinate-salicylate." "The results also show that this succinate-salicylate formulation combines safety and efficacy, permitting wide use both for treatment and maintenance without the excessive supervision required in many other forms of therapy."

Delaware State Med. J., 1954, 26, 22.

Elastoplast

Airstrip

**a waterproof, yet non-occlusive,
adhesive first aid dressing that
prevents maceration**

The plastic material consists of a micro-porous extensible filter, air-permeable yet waterproof. Sweat and skin exudates evaporate freely through it.

The pad stretches with the plastic material.

PROFESSIONAL SAMPLE OFFER. So that you may be able to observe the advantages of Elastoplast 'Airstrip' in clinical practice, we shall be happy to send a professional sample pack on request. Ask for pack BA/2

SMITH & NEPHEW LIMITED
WELWYN GARDEN CITY · HERTS

Elastoplast 'Airstrip' is a new type of first aid dressing. It is made from a specially developed plastic material, through which sweat and skin exudates evaporate at the same rate as they develop on the skin. The material is, in fact, a micro-porous extensible filter, and is not perforated. It provides a barrier to water, grease, oil and infective organisms.

Even after long application, Elastoplast 'Airstrip' does not cause the underlying skin to macerate. The adhesive is specially spread in a lattice pattern so that micro-porosity is retained and firm adhesion not impaired. The surface of the wound and the surrounding skin remain dry beneath an 'Airstrip' dressing, which can be left on until the wound heals.

PROFESSIONAL PACK

available in cartons of:—
100 dressings $1\frac{1}{2}'' \times \frac{7}{8}''$ 9/8d.

* Please send for the booklet entitled 'Infant Feeding with Evaporated Milk'.

Safety, simplicity and digestibility in

INFANT FEEDING

Safe—Libby's Evaporated Milk is fresh cow's milk concentrated, sealed in cans and sterilized so that it remains sweet and safe indefinitely. It cannot cause diarrhoea or other digestive symptoms due to bacterial contamination.

Simple—In making the formula, no boiling or straining of the milk is required. It is prepared simply by adding boiled water and granulated sugar.

Easily Digested—Digestibility depends upon low curd tension and small curd particle size.—The sterilization by heat of Libby's Milk is far more effective than is boiling in lowering curd tension.

BUT curd particle size is an even more important index of digestibility than is curd tension, as shown by Doan and co-workers in the United States. Libby's Evaporated Milk, reconstituted with water and curdled with rennin, which approximates conditions occurring in the infant's stomach, remains liquid with suspension of extremely fine curds, similar to human milk, and much finer than curd from boiled or any other kind of cow's milk.

Photomicrographs showing comparison of curds from:

A—Human Milk.
B—Libby's Evaporated Milk mixed with $1\frac{1}{2}$ times its volume of water.

C—Pasteurized Milk. Each specimen was curdled by the addition of rennin. During the precipitation the milks were stirred constantly to simulate conditions in a baby's stomach.

DAY-LONG DEFENCE

against hay fever

from new PIRITON DUOLETS

The new presentation of Piriton—Piriton Duolets—permits the hay fever patient to enjoy prolonged relief of symptoms with the minimum of inconvenience. They have been designed to obviate the necessity of taking several doses of an antihistamine during the day and night.

The Piriton maleate contained in the outer coat of the tablet is effective almost immediately after taking and it produces symptomatic relief for between 4 to 6 hours. The inner core is designed to release the active ingredient 3 to 6 hours after taking. One Piriton Duolet, therefore, assures prolonged relief for between 8 to 12 hours.

Outer layer containing 4 mg. of Piriton maleate dissolves immediately and provides rapid relief.

Inner core containing 4 mg. of Piriton maleate, enclosed in a special barrier for timed release, provides prolonged relief.

Piriton

TRADE MARK

DUOLETS

Supplied in bottles containing 25 and 250 Duolets.

Piriton (chlorpheniramine) maleate is also available in tablet, syrup and parenteral forms.

CARNATION MILK FOR INFANT FEEDING

The digestibility of Carnation Milk

CURD FORMATION

1 Breast Milk

2 Carnation Milk diluted to
whole milk value

3 Pasteurised Milk

The milk in each flask has been curdled by the addition of pepsin. Whilst precipitating, the milks were stirred constantly. This simulated the conditions occurring in an infant's stomach. Breast milk and Carnation Milk remain liquid with a suspension of very fine curds. Pasteurised milk curdles into a solid mass. Boiled milk produces curds intermediate in size and texture between those of Carnation Milk and pasteurised milk.

Due solely to processing, Carnation Milk produces a unique curd formation — tensionless, flocculent. *The modification of cow's milk proteins essential for this curd formation occurs during the final sterilising — a process exclusive to evaporated milk.* This terminal heating induces:—

1 An increase in casein particle size together with expulsion of some "bound" water.

2 A change in the calcium salts in which there is a combining action with the phosphate ions to form colloid or semi-colloid phosphates of calcium.

These changes result in (a) soft curd properties when Carnation is acted upon by hydrogen ions in the range of gastric acidity, and (b) a reduced intensity of the

calcium-casein coagulating mechanism.

The extreme range of digestibility and tolerance of proteins, as found in Carnation Milk, is the practical advantage at the disposal of all physicians who are concerned with infant feeding. Other highly desirable advantages to those prescribing Carnation are:—

- 1 Safety, because of sterilisation *after* the Carnation cans are sealed.
- 2 Hypo-allergenic properties.
- 3 Uniformity — due to standardisation of solids.
- 4 Prophylactic D₃.
- 5 Permanently emulsified butterfat.
- 6 Accuracy of measurement.

"The Feeding of Infants" — a book specially for doctors — together with reprints of clinical investigations and Carnation feeding charts are available from: — Medical Department, General Milk Products Limited, Bush House, Aldwych, London, W.C.2.

Carnation Milk "from contented cows"

In Hypertension

RAUWILOID

Reduces the pressure gradually and safely . . .

Of *proved* value in the treatment of mild to moderate hypertension, 'Rauwiloid' is a purified and standardized fraction of *Rauwolfia serpentina* in tablet form. It lowers elevated blood pressure *gradually*, slows the pulse rate, and so reduces cardiac effort. A calm, tranquil sense of well-being is induced, without drowsiness, and with little impairment of alertness. Dosage is not critical, and there are no important side-effects or contra-indications. Mental depression is unlikely to be encountered when 'Rauwiloid' is used in the recommended dosage. It is the medicament of choice for hypertension in its early stages, in order to arrest progression.

'Rauwiloid' contains 2 mg. of the active hypotensive alkaloids of *Rauwolfia serpentina* per tablet, undesirable constituents of the crude root being excluded by the extraction process.

Dosage is simple—two tablets taken at bedtime.

Full literature on request.

'Rauwiloid' is a registered trade-mark.

**For reliable
oral therapy**

'Penavlon'

**Penicillin V
tablets**

'PENAVLON' V is the I.C.I. trade name for penicillin V, now rapidly becoming established in the field of oral penicillin therapy.

This acid stable form of penicillin is rapidly and efficiently absorbed, giving consistent and reliable blood levels. In these respects it is superior to other oral penicillin preparations, and may be relied upon to replace treatment by injection in a large number of cases.

'Penavlon' V is presented as bisected tablets of the calcium salt of penicillin V, in a strength containing the equivalent of 120 mg. free acid. Packs of 15, 100 and 500.

DRAMAMINE* IN VERTIGO

Labyrinthine Disturbance

Long recognised as a standard for the management of motion sickness, Dramamine has become accepted in the control of a variety of other clinical conditions characterised by vertigo.

Vertigo, it has been claimed, is primarily due to a disturbance of those organs of the body that are responsible for body balance. When the posture of the head is changed, the gelatinous substance in the semi-circular canals begins to flow. This flow initiates neural impulses which are transmitted to the vestibular nuclei. From this point impulses are sent to different parts of the body to cause the symptom complex of vertigo.

Some impulses reach the eye muscles and cause nystagmus; some reach the cerebellum and skeletal muscles and righting of the head results; others activate the emetic centre to result in nausea, while still others reach the cerebrum making the person aware of his disturbed equilibrium. *Vertigo may be caused by a disease or abnormal stimuli of any of these tissues involved in the transmission of the vertigo impulse, including the cerebellum and the end organs.*

A possible explanation of Dramamine's action is that it depresses the overstimulated labyrinthine structure of the inner ear. Depression, therefore, takes place at the point at which these impulses, causing vertigo, nausea and similar disturbances, originate. Some investigators have suggested that Dramamine may have an additional sedative effect on the central nervous system.

Repeated clinical studies have established Dramamine as valuable in the control of the symptoms of Menière's syndrome, radiation sickness, hypertension vertigo, the vertigo of fenestration procedures, labyrinthitis and vestibular dysfunction associated with antibiotic therapy, as well as in motion sickness.

Any of these conditions in which Dramamine is effective may be classed as "disease or abnormal stimuli"† of the tissues including the end organs (gastro-intestinal tract, eyes) and their nerve pathways to the labyrinth.

Dramamine (brand of dimenhydrinate) is supplied in tablets of 50 mg. in bottles of 12, 36, 100 and 1000 tablets and in cartons (10 strips of 10 tablets). G. D. Searle & Co., Ltd., High Wycombe, Bucks. Tel. High Wycombe 1770.

*Regd. Trade Mark

†"Dizziness": Vertigo and Syncope, G.P. 8:35 (Nov.) 1953.

The site of Dramamine's action is probably in the labyrinthine structure.

The original easy-to-take,
two-in-one tablet

for the prompt and prolonged
relief of **ASTHMA**

ISO-BRONCHISAN was first produced in 1953 and offers a fresh approach to the problem of effective asthma control. The tablets, which are pleasant to take, have a coating containing easily dissolved Isopropyl-Nor-Adrenaline, a most potent bronchodilator, which, when absorbed by the sublingual route, produces the prompt relief of bronchospasm. The rest of the tablet, when swallowed, releases Ephedrine and Theophylline in balanced proportions and these, slowly absorbed along the alimentary tract, ensure long sustained antispasmodic action on the bronchial smooth muscle.

ISO-BRONCHISAN

Prescribable on Form E.C.10.

Each tablet contains Isopropyl-Nor-Adrenaline (Isoprenaline) sulphate gr. 1/4; Ephedrine hydrochlor. gr. 2/5; Theophylline gr. 2.
In tubes of 20 tablets and bottles of 100 tablets. Tablets containing smaller quantities of the effective ingredients are now available for use in Paediatrics.

Samples and literature available on request.

Nutritional needs in convalescence

Convalescents in general require a full well-balanced diet. Specific needs vary with individuals, but it is always important to ensure an adequate supply of all the essential nutrients. It is now known also that it is specially necessary to build up a nutritional reserve before operation. Lack of proper attention to nutrition may be one of the factors causing a delayed recovery.

As a dietary source of the B vitamins Marmite has proved particularly useful, as it can readily be included in the menu in a variety of ways.

MARMITE yeast extract

contains

Riboflavin (vitamin B₂) 1.5 mg. per oz.
Niacin (nicotinic acid) 16.5 mg. per oz.

Obtainable from chemists and grocers

Special terms for packs for hospitals, welfare centres and schools

PECTAMOL

LINCTUS

*Each teaspoonful (3.55 ml.) contains 10 mg. of
the citrate of the diethylaminoethoxyethyl ester of
 α : α -diethylphenylacetic acid (oxeladin)*

- Pectamol acts by reducing the sensitivity of the vagal cough centre in the medulla.
- Reflex coughing is therefore decreased.
- Dry, unproductive cough ceases to annoy.
- Contains no opiates or their derivatives and has no hypnotic side effects.
- Does not produce nausea or constipation.
- Pleasant to take and well tolerated.

The richest source of natural vitamin C

DELROSA ROSE HIP SYRUP is the ideal medium for the administration of Vitamin C. Babies tolerate it more readily than orange juice, and children of all ages enjoy its palatable flavour. Delrosa is made from rose-hips, the richest source of Natural Vitamin C. It contains nearly three times as much Vitamin C as blackcurrant syrup B.P.C. and three times as much as fresh orange juice.

We shall be pleased to send a full size bottle for clinical trial, on request.

Delrosa
ROSE HIP SYRUP

Every
fluid ounce
of Delrosa
contains
57 mgms. of
Vitamin C.

From milk to mixed diet

HOW HEINZ STRAINED FOODS HELP

Mothers of three or four-month-old babies often need your practical advice about how to start baby on a mixed diet.

When you suggest Heinz Strained Foods you can do so with complete confidence. The 19 different foods, introduced gradually from about three-months onwards, between them offer scope for a varied diet. They are cooked and strained under strictly controlled conditions, with the minimum loss of food values. And, of course, they are prepared much more hygienically than they would be in an ordinary kitchen.

For full details of the nutrient values of the 19 varieties of Heinz Strained Foods, write to Dept. T1, H. J. Heinz Co. Ltd., Harlesden, London N.W.10.

CLINICAL PATHOLOGY IN GENERAL PRACTICE

321 pages. Price 21s. (by post—inland 22s. 3d., overseas
21s. 9d.)

This handbook on clinical pathology meets the
needs of the general practitioner, the houseman,
and the senior student. It contains thirty-nine
articles comprising a series specially written for the
British Medical Journal. Each article has been
revised and brought up to date by its author. The
book gives authoritative information on—

- available laboratory facilities
- reliable tests and which to use
- techniques for collecting and preserving specimens
- interpretation of results and significance of
abnormal findings.

Obtainable from booksellers or by post from Publishing
Manager

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent ★ testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given.

Canvassing in any form will disqualify.

★ *SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.*

A fully registered medical practitioner who is liable for National Service must obtain deferment of recruitment in writing from the Central Medical Recruitment Committee or (in Scotland) the Scottish Central Medical Recruitment Committee before accepting any civilian appointment.

The position of provisionally registered medical practitioners who are liable for National Service has been made clear in a notice sent to them by the Ministry of Labour and National Service.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR:** Posts obtained normally not less than two years after registration as a medical practitioner and held normally for two years: £935 per annum in the first year; £1,061 10s. per annum in the second and any subsequent years. If the post is resident a deduction of £170 per annum is made.

(b) **SENIOR REGISTRAR:** Posts obtained normally not less than four years after registration as a medical practitioner and held normally for four years: £1,210 per annum in the first year; £1,320 per annum in the second year; £1,430 per annum in the third year; £1,540 per annum in any subsequent years. If the post is resident a deduction of £200 per annum is made.

Other Grades, Whole-time

(a) HOUSE OFFICERS:

(i) *Provisionally registered medical practitioners:* £467 10s. per annum for the first post held; £522 10s. per annum for the second and all subsequent posts held;

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £522 10s. per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff.

(ii) *Fully registered medical practitioners:* £577 10s. per annum for any post held; provided that in exceptional circumstances, subject to the consent of the Minister, this rate may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

In each case under sub-sections (i) and (ii) above, a deduction of £125 per annum in respect of board and lodging and other services provided shall be made and each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER:** Posts obtained normally not less than one year (in Scotland, two years) after registration as a medical practitioner and normally held for one year only: £819 10s. per annum. If the post is resident a deduction of £150 per annum is made.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER:** Officers who have held house appointments but who are not Registrars and who have less responsibility than other hospital officers of non-consultant status: £852 10s. (for an officer appointed not less than one year after full registration as a medical practitioner) by £55 to £1,182 10s. per annum. If the post is resident a deduction of £170 per annum is made.

ALL NATIONAL HEALTH SERVICE HOSPITAL APPOINTMENTS ARE IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF SERVICE OF HOSPITAL MEDICAL STAFF

Any advertisements appearing in this issue for posts in grades up to and including senior registrar which quote the rates of salary which obtained before April 1, 1957, are published on the assumption that the employing authorities will make the necessary adjustments.

MEMBERS ABROAD. Copies of vacancies advertised in the *Journal* can be sent by AIR MAIL. The minimum cost is 3s. per week, which covers up to three separate headings: additional headings 1s. each.

Please state type of vacancy and remit to the Advertisement Director, B.M.J.

PRACTICES (Executive Councils)

For vacancies (except those in Scotland) apply on Form E.C.16A, obtainable from the Executive Council, Mark envelope "Vacancy."

DEWSBURY, YORKSHIRE

Applications are invited for vacancy (Urban). Doctor resigning. List at April 1, 1957, 2,819 (all prescribing patients), "Intermediate" Area. Residence with surgery attached for sale, situated near town centre. Apply on Form E.C.16A (available on application), not later than May 25, 1957, to: R. Vollans, Clerk of the Dewsbury Executive Council, Church House, Church Street, Dewsbury, Yorkshire. Tel. No. 2191. (7017)

GLAMORGAN EXECUTIVE COUNCIL

VACANCY AT BRYN, PORT TALBOT

Applications invited for vacancy (Colliery). List at present approximately 1,230 (mostly dispensing). Apply on E.C.16A (obtainable from the address given below) before May 27, 1957, to undersigned.—W. Brynmor Samuel, Clerk of the Glamorgan Executive Council, 47, Park Place, Cardiff. (6982)

SOUTH DEVON

Applications are invited for vacancy (death) in South Devon coastal town. List approximately 1,400. Premises available for purchase. Applications, on Form E.C.16A, should reach the undersigned not later than first post May 20, 1957. Further details may be obtained on request.—H. Bell, Clerk, Devon and Exeter Executive Council, 46, Queen Street, Exeter. (6926)

BRITISH OVERSEAS AIRWAYS CORPORATION

Applications are invited for the post of **RESEARCH MEDICAL OFFICER** in the Corporation's Medical Service.

Applicants should be between 30 and 35 years of age, well qualified academically and should possess a high standard of practical and theoretical knowledge of aviation medicine and physiology. Experience as a qualified pilot and the medical care of aircrew will be an advantage.

The successful applicant will be based at London Airport and the work will include all aspects of aero medical engineering research as applicable to the Corporation's aircraft and flying staff, and will involve flying at home and overseas. The Research Medical Officer will work in close liaison with the Corporation's Flight Operations and Engineering Departments.

Commencing salary will be in the range £2,125/£2,500 per annum, according to age, qualifications, and experience. The successful candidate will be required to join the Corporation's Pension Scheme.

Applications should be made, together with details of professional qualifications and experience, to the Chief Personnel Officer, B.O.A.C. Headquarters, London Airport, Hounslow, Middx. The closing date for receipt of applications will be June 14, 1957.

COMMITTEE****SCHOOL MEDICAL OFFICER**

Applications are invited from registered medical practitioners (men or women) for appointment as School Medical Officer in the School Health Service. The possession of the D.P.H. or D.C.H. will be an advantage. Salary in accordance with Whitley Council scale of £1,050 by £50 to £1,200 by £55 to £1,475 per annum. Appointment is subject to the appropriate superannuation act and to the passing of a medical examination. Forms of application, obtainable from the undersigned (s.a.e.), must be returned by May 27, 1957. Canvassing disqualifies.—E. L. Russell, Chief Education Officer, School Health Service, 102, Edmund Street, Birmingham, 3. (6530)

CITY OF STOKE-ON-TRENT**APPOINTMENT OF ASSISTANT MEDICAL
OFFICER OF HEALTH**

Applications are invited from qualified medical practitioners (women) for the post of Assistant Medical Officer on the Maternity and Child Welfare Services. Candidates should have experience in diseases of children and obstetrics. Opportunity will be given for hospital contact with paediatrics and obstetrics. The possession of a D.P.H. or D.C.H. will be considered an additional qualification. The salary will be in accordance with the Whitley Council Scale, commencing according to experience. The appointment will be subject to the provision of the National Health Service (Superannuation) Regulations, 1947, and the successful candidate will be required to pass a medical examination. Forms of application may be obtained from the Medical Officer of Health, Public Health Department, Glebe Street, Stoke-on-Trent, and should be returned, accompanied by copies of not more than three recent testimonials, as soon as possible.—Harry Taylor, Town Clerk. (6426)

CORPORATION OF GREENOCK**APPOINTMENT OF DEPUTY MEDICAL
OFFICER OF HEALTH**

Applications are invited from registered medical practitioners having previous experience in Public Health work and possessing the Diploma in Public Health or other equivalent qualification for the position of Deputy Medical Officer of Health and Deputy Port Medical Officer for the Burgh. The appointment is whole-time, terminable on three months' notice and is subject to the provisions of the Local Government Superannuation (Scotland) Acts. The salary scale is £1,233 6s. 8d., rising by four annual increments of £55 and one of £50 to £1,503 6s. 8d. per annum, with placing according to experience. If desired, housing accommodation will be offered to the successful applicant. Applications, stating age, present and previous appointments, qualifications, and other relevant information, together with the names and addresses of two referees, should be lodged with the undersigned not later than Wednesday, May 22, 1957.—John Liddell, Town Clerk, Municipal Buildings, Greenock. (7065)

**COUNTY COUNCIL OF THE WEST RIDING
OF YORKSHIRE****JOINT APPOINTMENT OF SENIOR ASSISTANT
COUNTY MEDICAL OFFICER AND SCHOOL
MEDICAL OFFICER to the Brighouse Corpora-
tion, the Elland Urban District Council and the
West Riding County Council**

Applications are invited from registered medical practitioners, men or women, for the above post. The Senior Assistant County Medical Officer and School Medical Officer will be on the staff of the County Medical Officer's Department but will work under the administrative direction of the Divisional Medical Officer and the Medical Officer of Health, who is responsible for the day to day administration of practically all public health matters in the Division. The duties of the office will be mainly clinical in the School Health and Infant Welfare Services, but in addition to these duties the person appointed will be required to act for the Divisional Medical Officer and Medical Officer of Health in his absence, and will be appointed as Deputy Medical Officer of Health to the constituent Authorities. Candidates must be in possession of the D.P.H., or be nearing completion of training for the D.P.H. The scale of salary is at present £1,150 to £1,575 per annum. Travelling and subsistence allowances according to the County Council's scale are payable in addition to salary. The post is superannuable, and the successful applicant will be required to pass a medical examination as to physical fitness. Forms of application can be obtained from the undersigned, to whom they should be returned not later than May 25, 1957.—J. Wood-Wilson, County Medical Officer, County Hall, Wakefield. (6925)

ESSEX COUNTY COUNCIL**ASSISTANT COUNTY MEDICAL OFFICER
OF HEALTH**

Applications invited from registered medical practitioners for above appointment in Forest Health Area (Woodford district). Candidates preferred with experience in School Medical and Maternity and Child Welfare duties and possessing Diploma in Child Health and/or Certificate or Diploma in Public Health. Salary scale £1,050 by £50 to £1,250 by £55 to £1,475. Application form from County Medical Officer of Health, County Hall, Chelmsford, returnable by May 21, 1957. (6492)

GLOUCESTERSHIRE COUNTY COUNCIL**SENIOR MEDICAL OFFICER
Maternal and Child Welfare**

Applicants should have a wide experience of maternal and child welfare. Salary £1,520 to £1,955. Superannuable. Medical examination. Car driver, and should possess a motor car. Application forms obtainable from County Medical Officer of Health, Berkeley House, Berkeley Street, Gloucester, returnable by June 1, 1957.—Guy H. Davis, Clerk of the County Council. (6774)

LANCASHIRE COUNTY COUNCIL**APPOINTMENT OF ASSISTANT DIVISIONAL
MEDICAL OFFICERS**

Applications are invited from registered medical practitioners for appointment as Assistant Divisional Medical Officers. Vacancies in areas in the vicinity of Lancaster, Wigan, Bolton, Rochdale and Salford. Possession of Diploma in Public Health is desirable. Salary £1,050, rising to £1,475 per annum. Travelling and subsistence allowances where applicable. Application forms and further particulars from County Medical Officer, Serial 165, East Cliff County Offices, Preston. Application forms to be returned by May 25, 1957. (6525)

STAFFORDSHIRE COUNTY COUNCIL**APPOINTMENT OF ASSISTANT COUNTY
MEDICAL OFFICER AND SCHOOL MEDICAL
OFFICER**

Applications are invited from fully qualified medical practitioners and those holding the Diploma of Public Health will be given preference. The candidate appointed will undertake clinical work in the School Health and Child Welfare Services under the direction of the County Medical Officer of Health, and will be required to perform such other duties as may from time to time be prescribed. The salary scale is £1,050 by £50 to £1,200 by £55 to £1,475, and increments may be given for previous similar service. The appointment will be terminable by three months' notice in writing on either side and subject to the provisions of the appropriate Superannuation Acts and Regulations, in which connection the selected candidate must pass a medical examination and submit his or her birth certificate. Forms of application may be obtained from the County Medical Officer, County Buildings, Stafford, to whom they should be returned, when completed, not later than May 31, 1957.—T. H. Evans, Clerk of the County Council, County Buildings, Stafford. (7066)

Public Health—contd.**STAFFORDSHIRE COUNTY COUNCIL
Health Department**

Applications are invited from registered medical practitioners in Central or North Staffordshire for a part-time sessional appointment, i.e., up to five half-days per week during school term for diphtheria immunization. The remuneration will be £3 12s. 6d. per session of 1½ to 2½ hours, and a casual user's car allowance will be paid. Further information can be obtained from the County Medical Officer of Health, County Buildings, Stafford, to whom applications should be sent by May 25, 1957.—T. H. Evans, Clerk of the County Council, County Buildings, Stafford. (7018)

ADMINISTRATIVE**THE SOUTH-EAST METROPOLITAN
REGIONAL HOSPITAL BOARD**

Applications invited for the post of **DEPUTY SENIOR ADMINISTRATIVE MEDICAL OFFICER** at an inclusive salary of £1,900 per annum, rising by annual increments of £100 to £2,400. Candidates should be well qualified and clinically experienced with considerable knowledge and practice of administrative medicine. The appointment is superannuable and terminable by three months' notice from either party. Applications, stating age, qualifications, and experience, together with names and addresses of three referees, should reach the Chairman at 11, Portland Place, by May 25, 1957. (6789)

GOVERNMENTAL**MINISTRY OF HEALTH****DENTAL OFFICERS**

The Civil Service Commissioners invite applications from registered dentists (men and women) for one post (probably in the provinces) under the Ministry of Health, and one post in Wales under the Welsh Board of Health. Both posts pensionable. Dental Officers advise Dental Estimates Board, Executive Councils and dentists on diagnosis and dental treatment, and on professional matters bearing on provision of dental services under the National Health Service. Candidates must have at least 10 years' experience, either in private practice or in a branch of the public dental services. For the Welsh post, knowledge of Welsh is desirable. Starting salary (London) from £1,600 at 35 (lower for those under 35) to £2,000 at 40 or over. Maximum £2,150. Exceptionally higher starting pay for those aged 40 or over. Salary outside London somewhat lower. Promotion prospects. Five-day week in general. Particulars and application forms from Secretary, Civil Service Commission, 6, Burlington Gardens, London, W.1, quoting No. 4702/57/8. Completed application forms should be returned by May 29, 1957. (6885)

COMMERCIAL APPOINTMENTS**TECHNICAL INFORMATION OFFICER**

Benger Laboratories Limited, the rapidly expanding British Pharmaceutical Company, require a man, preferably under 35, who has a wide knowledge of the Pharmaceutical Industry and if possible a medical or biological qualification or background. The position this man is required to fill is that of Technical Information Officer in the Marketing Department and the duties involve the collection and indexing of appropriate medical, veterinary and pharmaceutical literature, the provision of technical summaries on various subjects for use by the publicity departments, and the preparation of abstracts. In addition, one of his main duties will be to correspond on these technical matters with members of the medical and veterinary professions, etc., throughout the world, and the ability to write well is therefore an essential qualification.

The post offers considerable scope to the man with the necessary educational background who has plenty of initiative and drive, and to such a man the opportunities for promotion either in this or in other sections of the Marketing Department, with which he will be in close contact, are exceptionally good.

The commencing salary will depend very much on the individual qualities of the man selected, but it will be somewhere in the range of £750-£1,200. A contributory pension scheme is in operation.

Applications, which will be dealt with in strict confidence, should be addressed to the Secretary, Benger Laboratories Limited, Holmes Chapel, Cheshire.

MESSRS. JOHN WYETH & BROTHER LTD., Clifton House, Euston Road, London, N.W.1, invite applications for the full time post of Assistant Medical Director.

Applicants, preferably between 30-40 years of age, should be registered Medical Practitioners, with good clinical experience.

Salary not less than £1,750.

Applications should be addressed to the Medical Director.

INDUSTRIAL APPOINTMENTS**(Vacant)**

Attention is drawn to the B.M.A. scale of remuneration for Industrial Medical Officers, which is available on request from the Secretary.

THE ADVERTISEMENT FOR ASSISTANT MEDICAL OFFICER for National Coal Board (page 41, May 4 issue) should have read "primarily concerned with physiological research on pulmonary function," etc. (6736)

**H. J. HEINZ COMPANY LTD.,
FOOD MANUFACTURERS**

Applications are invited from registered medical practitioners for the post of

MEDICAL OFFICER

to the above Company at their factories in Wigan. Candidates should be aged about 32, should have a good clinical background, preferably with some experience of industrial medicine. The possession of a D.I.H. would be an advantage. The successful candidate would be expected to work under the general direction of the Principal Medical Officer. Commencing salary £1,600 per annum. Applications, giving full details of qualifications and experience, together with the names of three referees, should be sent to the Principal Medical Officer, H. J. Heinz Co., Ltd., Harlesden, N.W.10. (7067)

**NATIONAL COAL BOARD
East Midlands Division**

Applications are invited from registered medical practitioners for the post of

**ASSISTANT AREA MEDICAL OFFICER
No. 1 (Bolsover) Area**

The successful applicant will assist the Area Medical Officer in the supervision of an industrial health service in the Area, including the examination of new entrants. The work entails underground visits at collieries. Candidates should have completed hospital and other postgraduate training. Experience in general practice and an interest in the field of preventive or industrial medicine would be an advantage. The commencing salary will be in accordance with qualifications and experience and will be within the range of £1,100 to £1,600 a year. A candidate appointed with a fair amount of post-graduate experience will receive a starting salary of not less than £1,200. Applications, stating age, qualifications, and details of present position and past experience (together with the names of two referees), should be sent to the Staff Director, National Coal Board, East Midlands Division, Sherwood Lodge, Arnold, Notts, within 14 days of publication. Please mark applications and envelopes S.V.754. (6860)

**FACTORY DOCTORS
FACTORIES ACTS, 1937 and 1948**

The following appointment as Appointed Factory Doctor is vacant: Talybont, in the County of Cardigan. Applications, which should be received not later than May 25, 1957, should be sent to Chief Inspector of Factories, 19, St. James's Square, London, S.W.1. (7019)

REPUBLIC OF IRELAND**UNIVERSITY OF DUBLIN****Trinity College**

Applications are invited for the post of **ASSISTANT LECTURER IN ANATOMY** (Salary £650 by £50 to £750). Further information may be obtained from the Registrar, Trinity College, Dublin, who will accept applications until June 15, 1957. (7043)

THE WORLD HEALTH ORGANIZATION,

Geneva, offers two posts for editors. Requirements: English mother-tongue; good reading knowledge of French; University degree or equivalent in experience; ability to write well, experience of sub-editing, preferably with medical or scientific journal; some knowledge of medical or biological sciences a distinct advantage. Initial two-year contract with one year probationary period. Initial salary range: \$3,600 to \$4,800 a year (pensionable), plus allowances. Short-listed candidates may be required to take a written examination in London or Geneva. Detailed curriculum vitae should be sent to the Personnel Office, World Health Organization, Geneva, before May 20. Applicants who have not received personal acknowledgment from W.H.O. by May 31 should consider that their offer has not been retained. (7068)

KAMPALA MUNICIPAL COUNCIL**APPOINTMENT OF MEDICAL OFFICER OF HEALTH**

Applications are invited for appointment as Medical Officer of Health to the Council. The post is that of Head of Council's Public Health Department and is in the salary scale £2,300 by £100 to £2,800 per annum. Applicants must hold Diplomas in Public Health. Experience in local government and tropical medicines will be an advantage. Kampala is a developing town with a population of approximately 50,000, and an area of 8½ square miles, and in addition to the normal duties of a Medical Officer of Health, candidates should possess some knowledge of anti-malarial work. The appointment is to Council's permanent establishment under Part I of Council's Staff Regulations and Terms of Service, which includes home leave and passage privileges, also medical and dental benefits for officers and their families. A house will be provided at a rental of £88 per annum, and heavy furniture will also be provided, if required, at a small rental. The successful applicant will be required to submit to a medical examination and, if under 50 years of age, will be required to contribute to Council's Superannuation Scheme at 7½% of salary. If over 50 years of age, he will be required to become a contributor to Council's Provident Fund. The appointment will be subject to a probationary period of at least six months. Canvassing of members of the Council, directly or indirectly, in connection with this appointment will disqualify. Further details regarding the work, conditions of service or the town generally, will be sent to any prospective applicant, who should address specific enquiries to the address below. Applications, giving full particulars, including age, marital status, qualifications and previous experience, present salary, together with the names of those persons to whom reference can be made, must reach the Town Clerk, P.O. Box 210, Kampala, Uganda, not later than May 31, 1957. (6924)

THE TEXAS STATE MENTAL HOSPITALS invites applications from qualified applicants for the practice of psychiatry and neurology. Salary \$6,000 per year and up, depending on qualifications and eligibility to obtain a state licence. Apply to Personnel Officer, Wichita Falls State Hospital, Wichita Falls, Texas, U.S.A. (6923)

WANGANUI HOSPITAL BOARD**VISITING OBSTETRICIAN**

Applications are invited from registered medical practitioners for the position of Visiting Obstetrician to the Wanganui General Hospital, Wanganui, New Zealand. The salary payable by the Hospital Board is governed by Hospital Employment Regulations and the present holder of the position receives £349 per annum. Further particulars may be obtained from the Advertisement Director of the *British Medical Journal*, and applications, stating age, qualifications and previous experience, close with the undersigned on June 30, 1957.—K. Harris, Secretary. (5494)

Very active gynaecological department. Ample opportunity for research. Furnish complete details.—Write Herbert Ebner, M.D., 607, Pleasant Valley Parkway, Providence 8, Rhode Island. (7044)

**WESTERN AUSTRALIA
State Public Service**

**INSPECTOR-GENERAL (Permanent)
Mental Health Services**

Salary range £A.3,660 (gross) per annum. Qualifications: Applicants to possess medical degree registrable in Western Australia and a higher medical qualification. Should have sound clinical experience, administrative ability and knowledge of hospital construction and of latest developments in clinical, preventive and legal psychiatry. Duties: Successful applicant will administer the State Mental Health Services, and the related Acts, subject to control by and with direct access to the Minister for Health. Accommodation: Free furnished residence, fuel and laundry. Transport: Reasonable amount allowed for transport of appointee and dependent family to Western Australia, provided Bond is entered into to serve State for period of at least three years. Conditions of service: Superannuation benefits, long service leave, cumulative sick leave and other general conditions applicable to permanent public servants. Further particulars obtainable from the Official Secretary, Western Australian Government Office, Savoy House, 115, Strand, London, W.C.2, to whom applications, in duplicate, stating age, marital state, qualifications, experience, and two recent references and referees, should be addressed by June 30, 1957. (6947)

UNIVERSITY AND RESEARCH**APPOINTMENTS, etc.**

IMPERIAL CHEMICAL INDUSTRIES LIMITED Pharmaceuticals Division has the following vacancies in its new Research Laboratories at Alderley Park, Cheshire: (1) **Senior Pharmacologist, Physiologist or Experimental Pathologist**, to work on non-infectious diseases. Candidates should be experienced laboratory workers, preferably under 35. (2) **Junior Pharmacologists or Physiologists**, male or female, to work on non-infectious diseases. Candidates should have a good university degree and preferably some research experience. Salaries in accordance with age and experience. Applications with full particulars should be addressed to the Staff Manager, Imperial Chemical Industries Limited, Pharmaceuticals Division, Fulshaw Hall, Wilmslow, Cheshire. (6652)

OXFORD UNIVERSITY

Applications are invited for the post of full-time **CLINICAL TUTOR IN OPHTHALMOLOGY**

The appointment is for two years in the first instance and is renewable. The salary is £1,600 per annum plus F.S.S.U. and children's allowances. The salary will be increased in the current revision of university salaries. The successful candidate will be responsible for teaching ophthalmology in the University Medical School and a considerable part of his time will be free for research. The candidate may hold the honorary post of First Assistant in the Oxford Eye Hospital. He will be required to take up office on August 1, 1957, or as soon as possible thereafter. Applications, together with the names of two referees, should be sent by June 1, 1957, to the Secretary, Nuffield Laboratory of Ophthalmology, Walton Street, Oxford. (7045)
