An Established treatment for Pernicious Anæmia

*Literature and specimen packings
are available to members of the
Medical Profession on request.*

Clinical experience over 20 years has proved that regular administration of Anahæmin is a totally effective treatment for Pernicious Anæmia.

Anahæmin produces a prompt and satisfactory erythropoiesis in patients in relapse, it ensures the maintenance of a normal erythrocyte level in patients in remission and is effective in preventing the onset of subacute combined degeneration of the cord.

Anahæmin has been used and reported to be beneficial in the following conditions:

- Herpes Zoster and Post Herpetic Neuralgia
- Tropical Nutritional Macrocytic Anæmia
- Post partum Syndrome

... and though there are many—perhaps too many—analgesics available to the practitioner, the balanced properties of Hypon make it a tablet far more effective than most. Extensive tests show that Hypon has the power not only to relieve pain but to do so very rapidly. Constipation, so often encountered following the administration of codeine is effectively counteracted by the addition of phenolphthalein. Caffeine offsets the depressing effects of aspirin and phenacetin. Hypon is invaluable where prolonged administration is called for (chronic rheumatic conditions for instance). Furthermore, the antipyretic

properties of Hypon tablets are of particular value in the treatment of the febrile states of influenza, tonsillitis...

This new book is the joint work of physicians and surgeons, anatomists and radiologists, who concentrate attention on the many advances of the past five years. It represents much of advanced thought and experience in this common ground of medicine and surgery, and must demand the attention of all medical men engaged in the field of gastro-enterology. Its practical value cannot be over-estimated.

This work covers the results of the vast amount of research which has gone into endocrinology over the past ten years, presenting the broadest outlook and emphasizing the modern approach. It will be of immense value to physicians, endocrinologists, postgraduates and everyone whose work demands a completely up-to-date knowledge of today's trends in endocrinology.

NEW!**'DISTAQUAINE'****V-K****POTASSIUM PENICILLIN V**

a chemically improved form of 'Distaquaine' V

- * greater solubility
- * earlier peak blood levels
- * faster absorption
- * higher therapeutic concentration

Each tablet contains the equivalent of 125 mg. penicillin V acid as potassium salt.

Foil pack of 12 and bottles of 100 and 500 tablets

Dosage: One or more tablets, depending upon the severity of the infection, at four-hourly intervals.

*Note***CHANGE IN TABLET STRENGTHS**

The British Pharmacopoeia 1958 will be published on March 3 and it is understood that the monograph on Phenoxymethylpenicillin (penicillin V) will state a dose range of 125 to 250 mg. For this reason we have reformulated 'Distaquaine' V 120 and 'Distaquaine' V 240 tablets.

Retail pharmacists may dispense 'Distaquaine' V 125 and 250 tablets against prescriptions for the discontinued strengths when their stocks of the latter are exhausted. Similarly, until stocks of the new strengths are obtained, 'Distaquaine' V 120 and 240 may be supplied for prescriptions stating 'Distaquaine' V 125 and 250. [M.O.H. statement, *Pharm. J.* (1958) 180, 43]

The esters of NICOTINIC, SALICYLIC and p-AMINO BENZOIC acids bring relief to cases of arthritis and rheumatism

"Thank you, doctor"

IN CASES OF soft-tissue rheumatism, and arthritic disorders, many doctors are tending more and more to regard Transvasin as an indispensable adjuvant to treatment.

For Transvasin is composed of the esters of nicotinic, salicylic and p-aminobenzoic acids. These esters readily pass the skin barrier in therapeutic quantities, and so enable an effective concentration of drugs to be built up where they are needed.*

Transvasin not only induces vasodilation of the skin with a superficial erythema, but also brings about a deep hyperaemia of the underlying tissues. It is non-irritant and can be safely used on delicate skins.

It is now being widely prescribed, with successful clinical results. Since a very small quantity is sufficient for each application, the cost of treatment is extremely low.

**Therapeutische Umschau*

NULACIN

Maintains continuous control of gastric acidity

Until a few years ago, maintained continuous control of gastric acidity was impossible without hospitalization and discomfort to the patient.

Then a unique treatment in the form of Nulacin tablets was evolved to achieve this desirable state—simply, effectively and without attendant disadvantages. In the ensuing period Nulacin therapy has been amply tried and proved by numerous clinical studies and by therapeutic use in many countries.

A Nulacin tablet placed in the mouth between the cheek and the gum dissolves slowly and releases its contained medicaments at a rate that gives continuous neutralization of the acid gastric juice. Nulacin accomplishes this without any danger of causing alkalosis or other side-effects. The results are comparable with those of intragastric milk-alkali drip therapy.

INDICATIONS: NULACIN tablets are indicated whenever neutralization of the acid gastric contents is required: in active and quiescent peptic ulcer, gastritis and other conditions of gastric hyperacidity.

Dosage: Beginning half-an-hour after food, a Nulacin tablet should be placed in the mouth between the cheek and the gum and allowed to dissolve.

During the stage of ulcer activity, up to three tablets an hour may be required. During quiescent periods, for prophylaxis in peptic ulcer and for the relief of discomfort due to gastric hyperacidity, the dose of Nulacin is one or two tablets between meals.

NULACIN tablets are not advertised to the public and have no B.P. equivalent. They may be prescribed on E.C.10. The dispensing unit of 25 tablets is free of purchase tax. (Basic price to N.H.S. . . . 2/-). Also available in tubes of 12.

NULACIN tablets are prepared from whole milk combined with dextrans and maltose, and incorporate magnesium trisilicate 3.5 grs.; magnesium oxide 2.0 grs.; calcium carbonate 2.0 grs.; magnesium carbonate 0.5 grs.; Ol. Menth. Pip. q.s.

GASTRIC ANALYSIS Superimposed gruel fractional test-meal curves of five cases of duodenal ulcer.

GASTRIC ANALYSIS Same patients as in Fig. 1, two days later, showing the striking neutralizing effect of sucking Nulacin tablets (3 an hour). Note the return of acidity when Nulacin is discontinued.

PRO-BANTHINE* IN ULCER HEALING

FIG. 1. "But X-ray study at this time still revealed the ulcer niche."

FIG. 2. In ten weeks "the niche was no longer visible radiologically or gastroscopically."

Clinical Report on Pro-Banthine

The case-history below of ulcer on the gastric side of gastro-jejunal stoma reveals significantly the high potency in low dosage of the well-tolerated anti-cholinergic agent, Pro-Banthine.

M. D., female, age 48, had a posterior gastro-jejunosomy fourteen years previously for duodenal ulcer. Nine months prior to her first visit severe intractable pain recurred and a subtotal gastrectomy was performed at another hospital. She remained well for a few months and then because of recurrence of severe pain and marked weight loss, she was referred for treatment. X-ray study revealed a large ulcer niche on the gastric side of the anastomosis. Antacids and sedatives gave no relief from pain. She was given 45 mg. of Pro-Banthine four times a day and within seventy-two hours was able to sleep through the night for the first time in weeks. After two weeks of Pro-Banthine treatment the patient felt completely well, but X-ray study at this time still revealed the ulcer niche (Fig. 1). After a further ten weeks' treatment the niche was no longer visible radiologically or gastroscopically

(Fig. 2). In the five months prior to the report she was maintained on 30 mg. of Pro-Banthine four times daily without any recurrence of symptoms.

Pro-Banthine is the safe, potent anti-cholinergic agent which effectively controls excessive parasympathetic activity in the gastro-intestinal and genito-urinary tracts.

Pro-Banthine tablets containing 15 mg. of propantheline bromide are available in bottles of 40, 100 and 1000 tablets.

Parenteral Pro-Banthine is available in vials containing 30 mg. of propantheline bromide as a dry sterile powder, in boxes of 6 and 25 vials, for injection where needed.

Pro-Banthine with phenobarbitone tablets (15 mg. of each) are available in bottles of 40, 100 and 1000 tablets. G. D. Searle and Co. Ltd., High Wycombe, Bucks. Telephone : High Wycombe 1770.

dosage

1

tablet instead of

8

The introduction of **LEDERKYN Sulphamethoxypyridazine** has radically changed the pattern of sulphonamide therapy. This is the first *long-acting* antibacterial sulphonamide to be offered for clinical use, and it is fully effective at a maintenance dosage of only $\frac{1}{2}$ Gm. daily.

This is a reduction of some seven-eighths as compared with the typical sulpha drug dosage i.e. one tablet instead of eight. Improved tolerance and a welcome freedom from side effects result from this dramatic dosage reduction. Moreover, the swift absorption and efficient diffusion of **LEDERKYN** lend further emphasis to its clinical value—especially in treating genito-urinary infections.

'NICOLANE'

Regd. Trade Mark

Brand of Narcotine Linctus

A NEW Cough Reflex Inhibitor

NICOLANE Linctus presents narcotine for the suppression of unproductive cough, with an activity in this respect equal to or greater than codeine and the following important advantages :

It will not produce addiction as it is absolutely free from such properties associated with other opium alkaloids.

It is particularly effective against the "Allergic cough."

Tolerance and side effects are minimal and it has no adverse effects on respiration or the central nervous system.

It has a wide margin of safety and provides adequate control in oral dosage over long periods.

NICOLANE Linctus contains 15 mg. narcotine in each teaspoonful (4 ml) and is available in bottles of 4 fluid ounces.

Samples will gladly be made available to the medical profession for clinical trial.

UNIQUE BUFFERED THEOPHYLLINE SYRUP

Relief from the apprehension and acute distress of an asthmatic attack is provided by 'ENGLATE.' In almost all cases gastrointestinal disturbance is entirely absent. The combination of theophylline sodium with glycine permits full and effective therapeutic activity and by reducing gastric precipitation of theophylline enables larger doses to be prescribed.

ENGLATE

Healthy motherhood

PREGNAVITE

One factor which has contributed to the encouraging decrease of infant and maternal mortality in civilized countries is the development of modern nutritional knowledge. A preparation which has contributed largely to healthier and safer motherhood in this country is PREGNAVITE. This comprehensive vitamin-mineral supplement is specifically formulated to fulfil the increased daily requirements of the pregnant or lactating woman.

Keeping the fluid level under control

DIAMOX Acetazolamide is now established as the rational choice among diuretics. From the patient's viewpoint, DIAMOX is the most convenient of diuretics, being effective orally and giving an unusually rapid response. Equally important, DIAMOX is *safe*. It is *non-mercurial*, virtually non-toxic, and non-cumulative in body tissues. It is thus suitable for long-term therapy in the control of body fluid.

MAIN INDICATIONS: CARDIAC OEDEMA • GLAUCOMA • EPILEPSY
TOXAEMIA AND OEDEMA OF PREGNANCY • PREMENSTRUAL TENSION

THE PROBLEM

To obtain high blood levels of theophylline easily . . .

THE SOLUTION

Oral 'Theodrox' . . .

THE RESULT

A full Therapeutic response . . .

For oral aminophylline therapy to be fully effective it is necessary to give a dose sufficient to produce high blood theophylline levels. However, because of gastric irritation vomiting often results. Alternative therapy with enteric coated tablets or suppositories is unreliable, and parenteral aminophylline is inconvenient.

The combination of dried aluminium hydroxide gel and aminophylline in 'Theodrox' ensures full therapeutic response with the minimum of gastric upset. Reproducible blood levels comparable with those obtained from intramuscular injection can be obtained.

THEODROX

REGD.

R E F E R E N C E S

¹ *Brit. med. J.* (1957) 2: 67

² *Ibid.*, page 74

Recent work^{1,2} has shown that synthetic derivatives of theophylline are mostly unsatisfactory and all are more expensive.

Each 'Theodrox' tablet contains 3 grains aminophylline and 4 grains dried aluminium hydroxide gel.

'Theodrox' is also available combined with $\frac{1}{8}$ grain phenobarbitone where a degree of sedation is also required.

D O S A G E . . .

ASTHMA:— two tablets, repeated in 2-3 hours if necessary to control paroxysm and dyspnoea. For prophylaxis, one tablet 4 times daily.

DIURETIC:— two tablets initially, then one or two tablets three times daily.

ANGINA PECTORIS:— four to eight tablets daily. In suitable cases 'Theodrox' with Phenobarbitone tablets can replace some or all of the 'Theodrox'.

PACKS:— Bottles of 25, 100 and 1,000 tablets.

Front-line weapon

Since its introduction, 'Ilotycin' brand erythromycin has established itself as a safe and potent oral antibiotic. Clinical experience has shown that it can play a vital part as a front-line weapon against a wide range of infections. 'Ilotycin' has a penicillin-like antibacterial spectrum, is powerfully bactericidal, has negligible effect on the normal intestinal flora, and is fully effective by mouth. It has accordingly become the logical first choice after penicillin in the treatment of common infections.

Recent reports have stressed the value of 'Ilotycin' in treating the serious complications of influenza.

The average daily dose is 1 Gm. increased in severe infections.

'Ilotycin' is available as Tablets of 100 mg. and 250 mg.; also as 'Ilotycin' Paediatric and as 'Ilotycin Glucoheptonate' Intravenous.

An Effective Antacid of established value

Immediate neutralization of gastric acid, yet unaccompanied by the disadvantages arising from carbonate medication, clearly indicates the clinical superiority of 'Milk of Magnesia'* as a therapeutic antacid. Non-systemic in action, 'Milk of Magnesia' may confidently be prescribed in

a wide variety of conditions associated with gastric acid disturbance — from the mild case of dyspepsia to the acute ulcer stage — where intensive alkaline treatment is essential.

'Milk of Magnesia' reacts with the acids of the stomach to form a neutral laxative salt which promotes gentle but effective elimination.

'Milk of Magnesia' **ANTACID LAXATIVE**

* 'Milk of Magnesia' is the trade mark of Phillips' preparation of magnesia.

Analgesic administration to children

Whether for analgesic or antipyretic purposes 'Angiers' is the ideal aspirin for administration to young patients. Parents, too, gain peace of mind.

'Angiers' is pure aspirin, in tiny pink $1\frac{1}{2}$ grain tablets, orange-flavoured and pleasant to suck, chew or swallow. They disintegrate as rapidly in the stomach as they do in milk, water or the salivary juices of the mouth.

Each 'Angiers' Tablet also contains 1.50 grains of Dicalcium Phosphate, to check any possible salicylic irritation of sensitive stomachs.

*Dispensing Pack (500 tablets)
Also from all chemists in bottles of
50 tablets at 1/7d. including P.T.*

How do *YOU* tackle flat foot?

... do you prescribe an external wedge on the shoes?

BUT the wedges soon wear away; and very often the child is made to feel self-conscious because his shoes look different from other children's.

Surely it's more logical to have a wedge *built-in* between the inner and outer sole—invisible, and completely unaffected by wear or repair of the shoe. That is how Start-rite INNERAZE shoes are made; why they are the only practical solution to this problem.

Information from Mr. W. J. Peake, James Southall & Co. Ltd.,
Crome Road, Norwich.

EXPERIENCE COUNTS

44 factories throughout the world. Firestone total sales exceed
£1,000,000 per day.

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent testimonials with short statement of experience and appointments held.

Applications should be sent at once if no closing date is given. Canvassing in any form will disqualify.

★SERVICE MEMBERS may have difficulty in supplying recent testimonials, but this should not deter them from applying.

A fully registered medical practitioner who is liable for National Service must obtain deferment of recruitment in writing from the Central Medical Recruitment Committee or (in Scotland) the Scottish Central Medical Recruitment Committee before accepting any civilian appointment.

The position of provisionally registered medical practitioners who are liable for National Service has been made clear in a notice sent to them by the Ministry of Labour and National Service.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR**: Posts obtained normally not less than two years after registration as a medical practitioner and held normally for two years: £935 per annum in the first year; £1,061 10s. per annum in the second and any subsequent years. If the post is resident a deduction of £170 per annum is made.

(b) **SENIOR REGISTRAR**: Posts obtained normally not less than four years after registration as a medical practitioner and held normally for four years: £1,210 per annum in the first year; £1,320 per annum in the second year; £1,430 per annum in the third year; £1,540 per annum in any subsequent years. If the post is resident a deduction of £200 per annum is made.

Other Grades, Whole-time

(a) HOUSE OFFICERS:

(i) **Provisionally registered medical practitioners**: £467 10s. per annum for the first post held; £522 10s. per annum for the second and all subsequent posts held;

provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £522 10s. per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff.

(ii) **Fully registered medical practitioners**: £577 10s. per annum for any post held; provided that in exceptional circumstances, subject to the consent of the Minister, this rate may be exceeded by up to £50 per annum where a post cannot be filled otherwise.

In each case under sub-sections (i) and (ii) above, a deduction of £125 per annum in respect of board and lodging and other services provided shall be made and each post shall be tenable for six months.

(b) **SENIOR HOUSE OFFICER**: Posts obtained by fully registered medical practitioners and held normally for one year only: £819 10s. per annum. If the post is resident a deduction of £150 per annum is made.

(c) **JUNIOR HOSPITAL MEDICAL OFFICER**: Officers who have held house appointments but who are neither Senior House Officers nor in one of the registrar grades, who have less responsibility than other hospital officers of non-consultant status, and who have been appointed for a limited or an indefinite period, not less than one year after full registration as a medical practitioner: £852 10s. by £55 to £1,182 10s. per annum. If the post is resident a deduction of £170 per annum is made.

YARDLEY GREEN HOSPITAL, Birmingham, 9 Thoracic Surgical Unit (66 beds)**VACANCY FOR SENIOR HOUSE OFFICER**

No previous experience in thoracic surgery necessary. Applications, stating age, qualifications, training and experience, together with names of two referees, to be addressed to Group Secretary, Yardley Green Hospital, Birmingham, 9. (4925)

IMPORTANT: All intending applicants should read the revised NOTICE at the top of page 30

PUBLIC HEALTH**CITY OF BIRMINGHAM****MEDICAL OFFICER IN CHARGE OF IMMUNIZATION (Male or Female)**

Applications are invited from registered medical practitioners for the post of Medical Officer in Charge of Immunization. Candidates should hold the Diploma of Public Health. The officer appointed will be in administrative charge of combined diphtheria-whooping cough immunization, B.C.G. vaccination and vaccination against poliomyelitis and influenza, and may be required, from time to time, to perform general duties in the Public Health Department as desired by the Medical Officer of Health. The successful candidate will be required to devote his/her whole time to official duties. The appointment will be subject to three months' notice on either side. The salary scale for the post is £1,625 by £55 to £1,900 per annum. Medical examination. Superannuation scheme. Applications, with full particulars of qualifications and experience, together with the names of three persons to whom reference may be made, should be forwarded to the Medical Officer of Health, Council House, Cosgrove Street, Birmingham, 3, not later than February 12, 1958. (5438)

CITY OF NOTTINGHAM Health Services**Applications invited for appointment of ASSISTANT MEDICAL OFFICER**

for duties which will include maternal and child health and vaccination and immunization. Possession of the D.P.H. an advantage. Post superannuable, subject to medical examination. Salary £1,050 to £1,475 per annum. Commencing salary according to local government experience. Application forms to be obtained from Medical Officer of Health, Huntingdon Street, Nottingham, and to be returned to him by February 8, 1958.—T. J. Owen, Town Clerk. (4801)

MIDDLESEX COUNTY COUNCIL County Health Department**ASSISTANT MEDICAL OFFICER**

(whole-time) required initially in Area 4 (Finchley and Hendon). Duties concerned with supervision of the health of mothers and young children and School Health Service, Diploma in Public Health or in Child Health, and previous Local Authority experience advantage. Salary £1,050 by £50 (3) by £55 (5) to £1,475. Established, pensionable. Prescribed conditions. Apply, stating age, qualifications, experience, and names of two referees, to Area Medical Officer, Town Hall, Hendon, N.W.4, by February 8, and not March 1 as stated in previous advertisement. (Quote W.729, B.M.) Canvassing disqualifies. (5302)

CITY OF LEICESTER**SCHOOL MEDICAL OFFICER AND ASSISTANT MEDICAL OFFICER OF HEALTH**

Applications are invited from registered medical practitioners for the above-named appointment. The duties will consist mainly of School Health Service and Maternity and Child Welfare work. Salary, in accordance with the national scale, will be £1,050 by £50 to £1,200 by £55 to £1,475 per annum. Previous experience in a similar capacity will be taken into consideration in determining the commencing salary. The appointment will be superannuable and subject to termination by three months' notice. Full details of the appointment may be obtained from Dr. E. K. Macdonald, Medical Officer of Health and Principal School Medical Officer, Grey Friars, Leicester, to whom applications should be sent, on the official form, within 14 days of the appearance of this advertisement. (5261)

CITY OF STOKE-ON-TRENT Public Health Department**ASSISTANT MEDICAL OFFICER**

Applications are invited from qualified medical practitioners for the post of Assistant Medical Officer, mainly on the Maternity and Child Welfare Services. Candidates should have experience in diseases of children and obstetrics. Opportunity will be given for hospital contact with paediatrics and obstetrics. The possession of a D.P.H. or D.C.H. will be considered an additional qualification. The salary will be at the rate recommended by the Whitley Council, with commencing salary according to experience. The appointment will be subject to the provisions of the National Health Service (Superannuation) Regulations, 1947, and the successful candidates will be required to pass a medical examination. Forms of application may be obtained from the Medical Officer of Health, Public Health Department, Glebe Street, Stoke-on-Trent, and should be returned, accompanied by copies of not more than three recent testimonials, not later than Wednesday, February 26, 1958.—Harry Taylor, Town Clerk. (5262)

STAFFORDSHIRE COUNTY COUNCIL**Wednesfield Urban District Council**

Applications are invited for the separate part-time appointments of

ASSISTANT COUNTY MEDICAL OFFICER AND SCHOOL MEDICAL OFFICER, AND MEDICAL OFFICER OF HEALTH of the Wednesfield Urban District

The appointments together will constitute whole-time, the allocations being seven half-days and four half-days, respectively. The proportionate salary for each appointment is calculated in accordance with the latest agreed scale and increments will be given for previous service in the same capacity, the ranges being: County Council, £763 12s. 9d. by £36 7s. 3-4d. (3) by £40 (5) to £1,072 14s. 7d.; Wednesfield U.D.C., £669 1s. 10d. by £20 (4) to £749 1s. 10d. A car will be an advantage and an appropriate allowance will be paid. The posts are superannuable and the successful candidate must pass a medical examination and produce his birth certificate. Applicants must be fully qualified medical practitioners, with experience in public health duties, and must hold the Diploma of Public Health or its equivalent. The candidate appointed will, as regards the County Council duties, act under the direction of the County Medical Officer of Health and will be required to perform such duties as may from time to time be prescribed. As regards the duties of Medical Officer of Health, he will be subject to the Sanitary Officers (Outside London) Regulations, 1935 and 1951, and to the sole control and direction of the Urban District Council. The County Council appointment will be subject to three calendar months' notice in writing on either side. Forms of application may be obtained from the County Medical Officer of Health, County Buildings, Stafford, and should be returned to him not later than by first post on February 15, 1958.—T. H. Evans, Clerk of the County Council, J. Henwood Jones, Clerk of the Wednesfield Urban District Council, County Buildings, Stafford. (5430)

FALKLAND ISLANDS**MEDICAL OFFICER**

required for general hospital duties in Stanley, or as district Medical Officer in West or East Falklands. "R" practitioners, i.e., practitioners liable for call up under National Service Acts, may apply and, if appointed, will be granted indefinite deferment of call-up on completion of minimum tour of two years. Appointment on pensionable terms or on agreement for three years; or from National Health Service with retention of Superannuation rights up to six years plus gratuity (taxable) of 20% of aggregate salary. Salary scale £880 to £1,180 per annum. Minimum entry point £940, with additional increments for experience. Small allowance paid for children; minimum of two children to qualify. Education allowance also payable. Quarters provided—at rental of 5% of salary in Stanley, but free for Medical Officer employed in the districts. Free passages for officer, wife, and family up to 3½ passages in all. Very low income tax. Application forms from Director of Recruitment, Colonial Office, London, S.W.1 (quoting BCD.117/50/02). (5336)

GOVERNMENT OF UGANDA**MEDICAL OFFICERS**

with qualifications registrable in the United Kingdom required for general duties. Successful candidates may be posted to any station in Uganda. During earlier years of service officers will be expected to carry out general medical and surgical duties, including a varying amount of public health administration, school medical work and training of subordinate African medical staff. In most stations, even if remote from larger towns, it is possible to maintain interest in any particular branch of medicine or surgery to which officer is attracted. In most stations work is based on a district hospital which may vary in size from a comparatively small hospital meeting the needs of a backward community to a large hospital with modern facilities where specialization in the different branches of medicine, surgery, and obstetrics is possible. "R" practitioner, i.e., practitioners liable for call-up under the National Service Acts, may apply to be considered and, if appointed, will be granted indefinite deferment of call-up on completion of a minimum tour of two years. Appointments can be on permanent basis, subject to two years' probation, with pension (non-contributory); or on 30-36 months' contract with gratuity (taxable) payable on satisfactory completion of service. Normal retiring age is 55, but at age 45 officers may retire with full pension earned (subject to minimum of ten years' service). Gratuity for contract service is 13½% of total salary drawn, not including allowances. Candidates from National Health Service may retain superannuation rights up to six years and receive gratuity (taxable) of 20% of their salary after engagements. Salary ranges from £1,284 to £2,115. Starting point determined by experience. Four extra increments can be given to successful candidates possessing F.R.C.S., M.R.C.P. and D.P.H. and other approved higher qualifications. Other allowances in accordance with current regulations. Permanent medical officers are eligible to be considered for promotion to super-scale posts in Uganda and other territories in medical administration, or, if they possess higher qualifications and suitable experience, in specialist posts. Quarters provided at rental varying from £21 to £78 according to size and type, and hard furniture at a rate of £12 to £24 according to scale. Free air passages for each journey are provided up to equivalent of four adult tourist class air fares for officer, wife, and dependent children. If in the interest of Government an officer is required to proceed on leave after a short tour of 15 to 18 months, there is no limit to the number of family passages. Taxation at East African rates, generous home leave granted after each tour, in addition to which casual local leave is allowed at the rate of 16 days per annum. Primary educational facilities available in all the larger stations. Education subsidies are payable to officers, which vary from £90 a year (or half the school fees, whichever is less), for primary education for first child, to £190 a year (or three-fifths of school fees, whichever is less) for secondary education for each of second and subsequent children. Application forms obtainable from Director of Recruitment, Colonial Office, London, S.W.1 (quoting BCD.117/9/02). (5335)

Oversea (Vacant)—contd.**GOVERNMENT OF UGANDA****SPECIALIST ANAESTHETIST**

required to administer anaesthetics at Mulago and Nakasero Hospitals, Kampala. May be required to teach anaesthetics at Makerere Medical School, for which Mulago is the teaching hospital. Candidates must possess medical qualifications registrable in the United Kingdom and F.F.A. or a D.A. gained prior to November, 1953. Appointment on permanent basis with pension (non-contributory) or on short-term contract with gratuity. Salary from £2,300 to £2,400 a year, starting point determined by qualifications and experience. Pension earned at rate of 1/600th of final pensionable emoluments for each completed month of service. Gratuity (taxable) for contract service is 13½% of total salary drawn, not including allowances. Candidate from National Health Service may retain superannuation rights up to six years and receive gratuity (taxable) of 20% of salary after engagement. Quarters at low rental. Items of hard furniture supplied at additional rental of £12 to £18 a year. Free passages in both directions for officer serving tour of 30-36 months, i.e., four air passages provided for officer, wife and dependent children or sea passages up to cost of three adult fares. European primary schools in certain centres; in other centres, subsidy of £90 per annum (or half school fees, whichever is less) for education of first child outside East Africa, with additional subsidy of £9 for second child and £18 for third or subsequent child attending school at same time. Secondary school facilities in Kenya. For a child at boarding school in United Kingdom (or elsewhere in Commonwealth) subsidy of £140 per annum (or 3/5th of fees, whichever is less), with additions as above for second and subsequent children. Income tax at local rates. Local leave is permissible and generous home leave is granted after each tour. Application forms from Director of Recruitment, Colonial Office, London, S.W.1 (quoting BCD 117/9/035). (5416)

INQUIRIES ARE INVITED CONCERNING RESIDENCY IN PATHOLOGY. 400-bed private hospital. A.M.A. and Board approved for full pathology training. Laboratory supervised by two full-time Board-certified pathologists. Two to four residents in attendance. 275-plus autopsies per year (over 50% of hospital deaths). Over 6,000 surgical tissues. Full clinical pathological service. New laboratory wing fully equipped and staffed. Salary £2,340 per year, plus full residential emoluments for first-year resident. Apply Dr. Philip Wasserman, Director of Clinical Laboratories, Jewish Hospital, Cincinnati 29, Ohio, U.S.A. (3294)

KAMPALA MUNICIPAL COUNCIL**APPOINTMENT OF MEDICAL OFFICER**

Applications are invited from registered medical practitioners with experience in general practice for the post of Medical Officer in Council's Public Health Department in Council's Salary Scale I—£1,194 to £2,115 (including inducement pay) by increments of approximately £50 per annum. The duties of the post will include out-patient and domiciliary care of Council's staff of all races; antenatal and child welfare clinics; schools' medical inspections; and the control of the Immunization Centre, together with such other duties as the Medical Officer of Health may require to be carried out. Private practice will not be permitted. The appointment is to Council's permanent establishment, which includes the provision of housing, complete with heavy furniture, at a rent of approximately £80 per annum; free passages on appointment up to three full fares, and on completion of 30 to 36 months' tour. Overseas leave calculated at five days per month; local leave 16 days per annum. The successful applicant will be required to submit to a medical examination and, if under 50 years of age, will be required to contribute to Council's superannuation scheme at the rate of 7½% of salary. The successful applicant, if over 50 years of age, will be required to join Council's provident fund. The appointment will be subject to a probationary period of at least six months. Canvassing of members of the Council, directly or indirectly, in connection with this appointment will disqualify. Applications, giving full particulars, including age, date of birth, marital status, qualifications and previous experience, together with copies of three recent testimonials and/or names and addresses of three referees, must be received by the Town Clerk, P.O. Box 210, Kampala, Uganda, not later than February 28, 1958. (3905)

PATHOLOGY.—WE ARE LOOKING FOR interested and energetic individuals with initiative who are not afraid of hard work as applicants for our fully approved four-year residency. If you can meet these criteria, we will guarantee good training. There are approximately 450 autopsies (70% of deaths), plus 12,000 surgical and 150,000 clinical laboratory examinations performed annually. Stipend for first-year resident in pathology \$125 a month, including full maintenance. An additional \$75 a month family allowance payable to house officers with children. Address: Director of Medical Education, Rochester General Hospital, Rochester, New York. (4026)

**UNIVERSITY COLLEGE HOSPITAL
Ibadan, Nigeria****REGISTRAR, Department of Pathology**

The Board of Management invite applications from experienced medical practitioners for the above appointment in the newly completed hospital. The salary offered for the post is: first year, £1,164 per annum; second year, £1,212 per annum. An inducement allowance is payable to expatriate officers of £270 per annum. The appointment will be initially for one tour of 12 months and will be renewable by mutual agreement for a further tour. On satisfactory completion of the agreement a gratuity of £37 10s. will be paid for each completed period of three months' service. An outfit allowance of £60 is payable on first appointment. Partly furnished quarters are provided at a rental of 84% of salary, and the officer appointed will be eligible for seven days' leave in the United Kingdom on full pay for each completed month of service in Nigeria. Nigerian officers taking leave in Nigeria will be entitled to five days' leave on full pay for each completed month of service. Free first-class passages to and from Nigeria are provided for an expatriate doctor and his wife on first appointment, vacation leave and on completion of agreement. Free first-class passages to Nigeria will, in certain circumstances, be provided for non-expatriate doctor. Candidates will be eligible for children's allowances in accordance with existing regulations. Arrangements can be made to enable doctors to continue the National Health Service Superannuation Scheme contributions, and details of the revised salary and gratuity payable in such cases will accompany application forms. Applications should be submitted not later than February 15, 1958, on the appropriate forms, which will be forwarded, together with additional information, on receipt of a stamped, addressed foolscap envelope, by the Adviser on Staff Recruitment, London Office, University College Hospital, Ibadan, 57, Catherine Place, Palace Street, London, S.W.1. (5433)

**UNIVERSITY COLLEGE HOSPITAL OF THE
WEST INDIES**

Applications are invited for the post of

REGISTRAR

in the Division of Surgery at the above-named teaching hospital. The successful candidate will be required to commence duties on or about May 1, 1958. Salary will be within the scale £900 by £100 to £1,100, £1,200 by £100 to £1,500 per annum, depending on previous experience and qualifications. Unfurnished accommodation will be provided at a deduction of 5% of salary. Return passages by sea will be paid for one person only, from and to the country of recruitment. Further information may be obtained from the Hospital Manager and Secretary, University College Hospital of the West Indies, Mona P.O., Jamaica, to whom applications, stating age, nationality, details of qualifications and experience, together with the names and addresses of three referees or copies of three recent testimonials, should be addressed not later than February 22, 1958. (4966)

**UNIVERSITY COLLEGE HOSPITAL
Ibadan, Nigeria****JUNIOR HOSPITAL MEDICAL OFFICER**

Applications are invited from registered medical practitioners for appointment as a Junior Hospital Medical Officer to work in the General Out-patients' Department and the Staff Medical Service of the new teaching hospital. With over 3,000 new patients each month, the out-patient department provides clinical work of great interest and widest possible variety. Applicants should have clinical experience in all branches of medicine, including especially paediatrics. The salary offered for the post is £1,116 per annum, rising by six annual increments to a maximum of £1,428 per annum. In addition an inducement allowance of £270, rising to £300 per annum when the salary exceeds £1,284 per annum, is payable to an expatriate officer. The appointment will be initially for two tours of from 12 to 18 months, renewable by mutual consent for a further tour. On satisfactory completion of the agreement, a gratuity of £37 10s. will be paid for each completed period of three months' service. An outfit allowance of £60 is payable on first appointment. Partly furnished quarters are provided at a rental of 84% of salary, excluding inducement allowance, and an expatriate doctor appointed will be eligible for seven days' leave on full pay for each completed month of service in Nigeria. A Nigerian doctor qualifies for five days' leave for each completed month of service. Free first-class passages are provided for expatriate doctors and their wives on first appointment, for vacation leave and on completion of the agreement. Free first-class passages to Nigeria will, in certain circumstances, be provided for non-expatriate doctors. Candidates will be eligible for children's allowances in accordance with existing regulations. Arrangements can be made to enable doctors to continue their N.H.S. Superannuation Scheme contributions, and details of the revised salary and gratuity payable in such cases will accompany application forms. Applications should be submitted not later than February 15, 1958, on the appropriate forms, which will be forwarded, together with additional information, on receipt of an addressed foolscap envelope by the Adviser on Staff Recruitment, London Office (University College Hospital, Ibadan), 57, Catherine Place, Palace Street, London, S.W.1. (5434)

UNIVERSITY OF ALBERTA HOSPITAL**ROTATING INTERNSHIPS**

available July 1 (pre-registration or post-registration appointments), 1,200 beds. Graduate training programme. Remuneration \$100 per month, plus full maintenance. Married quarters available. Application, etc., to Assistant Medical Superintendent, University of Alberta Hospital, Edmonton, Alberta, Canada. (5320)

UNIVERSITY OF SASKATCHEWAN**University Hospital, Saskatoon
Department of Anaesthesia**

Applications are invited from registered medical practitioners who desire

TRAINING IN ANAESTHESIA

Experience in anaesthesia not essential, but those who have had previous training will also be considered. The post is recognized for D.A. and F.F.A., Canadian Certification, F.R.C.P.(C.) and American Boards. Appointments are for 12 months in the first instance. Salary from \$150 to \$225, according to experience, with full residential emoluments. The position is vacant now, and is to be filled as soon as possible. For further details and application blanks write to Gordon M. Wyant, F.F.A.R.C.S., Professor of Anaesthesia, University Hospital, Saskatoon, Saskatchewan, Canada. (4622)

OVERSEA (Wanted)

WANTED. OPPORTUNITY IN PRACTICE OR private firm. Rhodesias, Kenya, or South Africa. British, 38, married, ten years' experience.—Box 828, B.M.J.

UNIVERSITY AND RESEARCH**APPOINTMENTS, etc.****LOUGHBOROUGH TRAINING COLLEGE
Principal: J. W. Bridgeman, B.Sc.**

Applications are invited for the following appointment, to date from September 1, 1958:
PRINCIPAL LECTURER IN ANATOMY AND PHYSIOLOGY

Candidates should have high qualifications in Physiology and preferably some experience as a University Lecturer. This new post offers scope for research related to the teaching of Physical Education. Salary scale: £1,400 by £50 to £1,550 per annum. Further details of this appointment may be obtained from the Principal, to whom applications should be sent on or before February 21, 1958. (5321)

University and Research**Appointments, etc.—contd.****BEIT MEMORIAL FELLOWSHIPS FOR MEDICAL RESEARCH**

Notice is hereby given that an Election of Junior Fellows, to begin work on October 1 next, will take place in May, 1958. Junior Fellowships have successive annual values of £900, £950, and £1,000 for three years. As a rule, superannuation benefits are provided, to which the successful candidate will be required to contribute 5% of the annual stipend and to which the Trust will make a contribution of 10%. Candidates must have taken a degree in a faculty of a university approved by the Trustees in Her Majesty's Dominions, Protectorates and Mandated Territories, India, Pakistan and the Republic of Ireland, or a medical diploma registrable in the United Kingdom. Elections to Junior Fellowships are rarely made above the age of 35 years. Applications from candidates must be received not later than April 1. Candidates must submit evidence that they can be given accommodation in the departments where they propose to work, which must be either in Great Britain or Ireland. Forms of application and all information may be obtained by letter only, addressed to the Secretary, Beit Memorial Fellowships for Medical Research, the Lister Institute, Chelsea Bridge Road, London, S.W.1. For Overseas candidates forms of application may be obtained from the Secretary, South African Medical Council, P.O. Box 205, Pretoria, South Africa; the Director, Commonwealth Office of Education, Box 3879, Sydney, Australia; the Department of Health, Wellington, New Zealand; and the Canadian Medical Association, 244, St. George Street, Toronto, Canada. (9343)

INSTITUTE OF LARYNGOLOGY AND OTOTOLOGY (University of London)
330/332, Gray's Inn Road, W.C.1**LECTURER IN PATHOLOGY**

Applications are invited for a post of Lecturer in the Department of Pathology and Bacteriology. The duties will cover assistance in the general work of the department (including the teaching of post-graduate students) and in various research projects. The successful candidate will be encouraged and given the necessary facilities to continue or to commence original work connected with this specialty, and opportunity to prepare for higher qualifications. He will be given honorary rank as a Senior Registrar by the associated Royal National Throat, Nose and Ear Hospital. Salary according to the revised University scales, £1,150 by £100 to £1,750, plus family allowances where applicable with superannuation provision. Applications, with the names of two referees, should be sent to the Secretary, from whom further information can be obtained, not later than February 28, 1958. (5293)

THE QUEEN'S UNIVERSITY OF BELFAST

The Queen's University of Belfast invites applications for a

LECTURESHIP IN PHYSIOLOGY

consequent upon the appointment of Dr. R. F. Whelan to the Chair of Physiology in the University of Adelaide. The appointment will date from October 1, 1958. The salary will be in the range £1,300 by £50 to £2,100, with provisions for superannuation. Initial placing on the salary scale will depend upon experience and qualifications. In certain circumstances the salary may rise to £2,250. Applications should be submitted not later than March 15, 1958. Further particulars may be obtained from G. R. Cowie, M.A., LL.B., Secretary. (5307)

UNIVERSITY OF BRISTOL

The University invites applications for the post of

LECTURER IN SURGERY

The successful candidate will probably be given the status of Senior Registrar in the United Bristol Hospitals during his tenure of the Lectureship, and will be required to take up his duties on June 1 next. The salary scale, in the case of a Lecturer with the status of Senior Registrar, will be £1,400 by £100 to £1,900 per annum, according to qualifications and experience, together with superannuation and children's allowances. Applications, stating age, qualifications and experience, should include the names of three referees. Applications (15 copies) should reach the Registrar, from whom further particulars may be obtained, not later than one month from the date of appearance of this advertisement. (5355)

THE UNIVERSITY OF MANCHESTER

Applications are invited for the post of

DEMONSTRATOR IN ANATOMY

from candidates with medical qualifications registrable in this country. Salary scale £850 by £50 to £1,000 per annum. Membership of children's allowance scheme. Applications should be sent not later than February 15, 1958, to the Registrar the University, Manchester, 13, from whom further particulars and forms of application may be obtained. (5101)

THE UNIVERSITY OF MANCHESTER

Applications are invited for the full-time post of

LECTURER IN OTOLARYNGOLOGY

Salary on a scale rising to £2,150 per annum; initial salary according to qualifications and experience. Membership of the F.S.S.U. and Children's Allowance Scheme. Applications should be sent not later than February 28, 1958, to the Registrar, the University, Manchester, 13, from whom further particulars and forms of application may be obtained. (5334)

UNIVERSITY OF DURHAM (Medical School, King's College, Newcastle upon Tyne) and UNITED NEWCASTLE UPON TYNE HOSPITALS

Applications are invited for the post of

PROFESSOR OF MIDWIFERY AND GYNAECOLOGY

The post will carry with it an honorary appointment of consultant status in the Teaching Hospital Group. Salary in accordance with the scale for Clinical Professors, with family allowances and F.S.S.U. Further particulars may be obtained from the undersigned, with whom 20 copies of applications, containing names of three persons to whom reference may be made, should be lodged not later than March 10, 1958. Candidates outside the British Isles may submit one copy only.—E. M. Bettenson, Registrar, University Office, 46, North Bailey, Durham. (5287)

UNIVERSITY OF EDINBURGH
Department of Surgical Science

Applications are invited for the post of

SENIOR LECTURER OR LECTURER in the Department of Surgical Science

The salary scale for the Senior Lectureship is £1,950 by £100 to £2,550, and for the Lectureship £900 by £100 to £1,300, bar, £1,400 by £100 to £1,900 per annum, with placement according to qualifications and experience. The post is subject to superannuation, and family allowance is payable where applicable. Candidates should be graduates in either science or medicine. The successful candidate will not have any clinical duties, but will be required to take part in the teaching of experimental method and technique, and to undertake research in the general field of tissue and organ transplantation under the direction of the Professor. Some training in immunology would be an advantage. Further particulars may be obtained from the undersigned with whom applications (six copies), giving the names of two referees, should be lodged not later than March 1, 1958.—Charles H. Stewart, Secretary to the University. (5440)

UNIVERSITY OF EDINBURGH**IMMUNOLOGIST****Department of Surgical Science**

Applications are invited for the post of Immunologist in the Department of Surgical Science, to work on problems of transplantation immunity under the general direction of the Professor. Applicants should be graduates in either science or medicine and have a sound knowledge of immunology. The successful applicant, who will be given the status of either Lecturer or Senior Lecturer according to qualifications and experience, will be expected to give some postgraduate instruction in experimental methods and may also be called upon to supervise research students, but will have no other teaching duties. If the person appointed is given the status of Senior Lecturer the salary scale will be £1,950 by £100 to £2,550 per annum; if the status of Lecturer the scale will be £900 by £100 to £1,300, bar, £1,400 by £100 to £1,900, with placement according to qualifications and experience. The post is subject to superannuation and family allowance is payable where applicable. Further particulars may be obtained from the undersigned, with whom applications (six copies), giving the names of two referees, should be lodged not later than March 31, 1958.—Charles H. Stewart, Secretary to the University. (5441)
